**Governor Signs Bill to Protect Homeowners,  
Bill Connected to Death Penalty, among other Legislation**

Governor Christie Whitman today signed legislation prohibiting the cancellation and non-renewal of homeowners' insurance because of claims or losses resulting from weather-related damage or a third party criminal act. The Governor also signed legislation allowing family members of the murder victim to attend the condemned person's execution.

**Protection for Homeowners**

"This piece of legislation is important in that it protects homeowners from factors that are outside of their control and no fault of their own," said Gov. Whitman. "When people have weather-related damage at home because of a severe storm, for instance, they should be able to count on the fact that an insurer does not have the right to cancel or not renew their policy."

This bill also includes claims or losses that result from a third party criminal act committed by a non-resident of the insured dwelling, and like weather-related damage, it is beyond the homeowner's control. It applies only to owner-occupied, one to four family dwellings.

Yet the bill outlines that insurers are able to offer coverage on different terms and conditions if the insured has failed to reduce the risk of future claims, such as not making repairs if they were needed.

Under previous law, insurers were able to use their own underwriting guidelines; they could cancel or not renew a homeowner's insurance policy based upon a weather-related or criminal act claim during the policy year.

The legislation, **SCS for S-950 and S-1099**, was sponsored by Senators Anthony R. Bucco (R-Morris), Dr. Gerald Cardinale (R-Bergen) and Raymond J. Lesniak (D-Union) and Assembly Members Neil M. Cohen (D-Union) and Joseph Suliga (D-Union).

**Recommendation to Death Penalty**

"I feel it's only right that family members of a murder victim be allowed to attend the condemned person's execution - if that is something they choose to do," said Gov. Whitman. "While this bill doesn't ease the pain and suffering of a murder victim's family, these people are hurting enough - and we should grant them this wish, especially after all they have been through."

Including a recommendation from the Report by the Governor's Study Commission on the Implementation of the Death Penalty, the bill amends the law concerning executions to allow members of the murder victim's family, as well as the condemned person's family, to attend the execution.

Specifically, it permits two adult members of the condemned person's immediate family to be present at the condemned person's request. The bill also allows four adult members of the victim's family to be present, but prohibits disclosure of their names. And it reduces the number of physicians who must be present from two to one and reduces the number of members of the press from eight to four.

Under the previous law, both the families of the accused and the victim were prevented from attending the execution. Another provision that allows six citizen witnesses from attending still remains in the legislation.

The legislation, **A-2439**, was sponsored by Assembly Members Guy F. Talarico (R-Bergen) and Rose M. Heck (R-Bergen) and Senators Norman M. Robertson (R-Essex/Passaic) and Robert W. Singer (R-Burlington/Monmouth/Ocean).

In addition, Gov. Whitman today signed these pieces of legislation:

**A-2099**, sponsored by Assemblyman E. Scott Garrett (R-Sussex/Hunterdon/Morris), clarifies the rights of campground facilities. The bill grants the owner of a private campground facility a lien upon the personal property (located at the facility) of a campground occupant for rent, labor or other reasonable charges due under the rental agreement. Personal property is defined as any property not affixed to the land, such as recreational vehicles, trailers, boats, tents and their contents. Also, in order to provide the campground owners with a more effective means to deal with rowdy or abusive campers, the bill says that an owner may have an occupant removed if the occupant is in violation of the terms of a rental agreement.

**A-194**, sponsored by Assembly Members George F. Geist (R-Camden/Gloucester) and Gerald J. Luongo (R-Camden/ Gloucester) and Senators John J. Matheussen (R-Camden/Gloucester) and Andrew R. Ciesla (R-Monmouth/Ocean), imposes an additional penalty in certain drug-related cases and provides for deposit of such penalties in the Drug Abuse Education Fund. The bill imposes a penalty of \$50 on persons who are admitted to supervisory treatment pursuant to the Pre-Trial Intervention Program or who receive a conditional discharge for drug-related offenses.

**A-2269**, sponsored by Assemblyman Bagger (R-Middlesex /Morris/ Somerset/Union) makes changes to the law concerning certification of municipal tax collectors.
