RELEASE: July 13 , 2001

Acting Governor Donald T. DiFrancesco signed the following legislation today:

A-3154, sponsored by Senators Andrew Ciesla (R-Monmouth/Ocean), Joseph Palaia (R-Monmouth), Diane Allen (R-Burlington/Camden) and Assembly members Jeffrey Moran (R-Atlantic/Burlington/Ocean) and Anthony Impreveduto (D-Bergen/Hudson), permits persons who are licensed professional engineers or architects in New Jersey to be licensed as home inspectors, provided they are deemed qualified to do home inspections by the New Jersey Board of Architects or the State Board of Professional Engineers and Land Surveyors.

S-986, sponsored by Senators Robert Martin (R-Essex/Morris/Passaic) and Kevin O'Toole (R-Essex/Union) and Assembly members Joel Weingarten (R-Essex/Union) and Rose Marie Heck (R-Bergen), permits jointure commissions to provide counseling, inclusionary and child study team service for, but not limited to disabled pupils.

S-1736, sponsored by Senator James Cafiero (R-Cape May/Atlantic/ Cumberland) and Assembly members Scott Garrett (R-Sussex/Hunterdon/ Morris) and Connie Myers (R-Warren/Hunterdon/Mercer), exempts certain privately owned campgrounds, hotels, motels, mobile home parks and retirement communities with swimming areas other than pools from certain Department of Health and Senior Services (DHSS) regulations establishing first aid personnel and lifeguard requirements.

SCS-1783/S-1733, sponsored by Senators Jack Sinagra (R-Middlesex), James Cafiero (R-Cape May/Atlantic/Cumberland), John Lynch (D-Middlesex/Somerset/ Union) and Louis Kosco (R-Bergen) and Assembly members George Geist (R-Camden/Gloucester) and Arline Friscia (D-Middlesex), establishes a Supplemental Workforce Administrative Fund for Basic Skills within the Workforce Development Partnership Fund by redirecting a portion of the employers and employee contributions from the unemployment compensation fund to the Supplemental Workforce Administrative Fund For Basic Skills.

A-759, sponsored by Senator Norman Robertson (R-Essex/Passaic) and Assemblyman Gerald Zecker (R-Essex/Passaic), provides that a delineated area in a municipality may be determined to be in need of rehabilitation if more than half of the housing stock in the delineated area is at least 50 years old, or a majority of the water and sewer infrastructure in the delineated area is at least 50 years old and is in need of repair or substantial maintenance.

A-972, sponsored by Senators Jack Sinagra (R-Middlesex) and John Adler (D-Camden) and Assemblymen Gary Stuhltrager (R-Salem/Cumberland/Gloucester) and John Wisniewski (D-Middlesex), the Athletic Training Licensure Act, requires athletic trainers

to be licensed by, rather than just registered with, the State Board of Medical Examiners (BME) in the Division of Consumer Affairs.

A-3013, sponsored by Senators Diane Allen (R-Burlington/Camden) and Peter Inverso (D-Mercer/Middlesex) and Assemblymen Michael Arnone (R-Monmouth) and Peter Biondi (R-Morris/Somerset), requires the Director of the Division of Local Government Services in the Department of Community Affairs to conduct a study of all municipalities, counties, school districts and regional authorities and districts to determine the number and type of all interlocal services agreements between such local units entered into between August 2, 1973, the effective date of the Interlocal Services Act, and January 1, 2001.

S-1887, sponsored by Senators Martha Bark (R-Atlantic/ Burlington/Camden) and Diane Allen (R-Burlington/Camden) and Assemblyman Leonard Lance (R-Warren/Hunterdon/Mercer), provides for the protection of the assets and distributions from creditors of "Roth" and "Education" individual retirement accounts (IRA) and higher education tuition savings accounts by including these trusts in the definition of "qualifying trust" under New Jersey law. This bill makes qualifying trusts non-exempt from punitive damages awarded in a civil action arising from manslaughter or murder.

SCS-2345, sponsored by Senators Henry McNamara (R-Bergen/Passaic) and John Adler (D-Camden) and Assemblyman Steve Corodemus (R-Monmouth), gives the state additional time to pursue legal actions against those who are responsible for contaminating sites around New Jersey. As a result of this act, responsible parties, not the taxpayers, will continue to be required to pay for the cleanup and the restoration of natural resources injured by that contamination. This bill continues the New Jersey Department of Environmental Protection's authority to require restoration of natural resources injured by a hazardous discharge as part of the remediation process.
