ACTS

ENACTED BY THE

First Annual Session

OF THE

One Hundred and Ninety-eighth Legislature

CHAPTER 1

AN ACT to amend and supplement the "New Jersey Sports and Exposition Authority Law," approved May 10, 1971 (P. L. 1971, c. 137).

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

C. 5:10-27 Legislature's findings and declarations.

1. (New section) The Legislature hereby finds and declares that the general welfare of the people of the State will be promoted by the advancement of horse racing facilities in the State; that it is vital to State Government that the revenues derived from pari-mutuel betting on horse race meetings at racetracks in the State be continued; that ownership and operation of racetracks for horse racing by a State agency would protect against a loss of revenue to the State and assure the financial stability of the racetracks and availability of capital to repair, reconstruct and restore damaged or destroyed facilities thereof and to provide improvements and additions thereto; that the advancement and retention of the horse racing and related activities in the State will not only provide recreational opportunities for the people of the State but will also benefit the people in the form of increased commerce and employment.

The Legislature has determined that in order to accomplish such purposes and goals, it is necessary and desirable to authorize the New Jersey Sports and Exposition Authority to immediately

acquire and operate the Garden State Racetrack facility, its contiguous properties and auxiliary facilities.

The Legislature further finds that the powers conferred by this act and the expenditure of public moneys pursuant hereto will serve a valid public purpose and that the enactment of the provisions hereinafter set forth is in the public interest and is hereby so declared to be such as a matter of express legislative determination.

C. 5:10-23 Definitions.

2. (New section) As used in this act:

a. "Additional projects" means the projects and purposes authorized by section 3 of this act.

b. "Authority" means the New Jersey Sports and Exposition Authority created by P. L. 1971, c. 137 (C. 5:10-1 et seq.).

c. "Meadowlands complex" means the sports and exposition project authorized by P. L. 1971, c. 137 (C. 5:10-1 et seq.).

d. "Meadowlands commission" means the Hackensack Meadowlands Development Commission created by P. L. 1968, c. 404 (C. 13:17-1 et seq.).

e. "Racing commission" means the New Jersey Racing Commission created by P. L. 1940, c. 17, s. 1 (C. 5:5-22).

C. 5:10-29 Powers of authority.

3. (New section) The authority is hereby authorized and empowered to acquire, operate, maintain, repair, reconstruct, restore and improve as additional projects of the authority the Garden State Racetrack facility, its contiguous properties and auxiliary facilities including without limitation pavilions, stands, clubhouses, training tracks for horses, fairgrounds and other exposition facilities, together with all buildings, structures, roads, parking areas, recreation areas, restaurants, transportation facilities or systems, equipment, furnishings, properties and appurtenances related thereto or incidental to, necessary for or complementary to the purposes thereof, provided that so long as any bonds or notes issued to finance any part of the Meadowlands complex are outstanding none of the revenues of the Meadowlands complex shall be used for any of the foregoing or to pay principal of or interest on any bonds or notes issued to finance an additional project. The authority shall not acquire any of the foregoing facilities until a feasibility study conducted by a private, independent consulting firm and satisfactory to the authority shall have been completed demonstrating that the reconstructed Garden State Racetrack will generate sufficient revenues to insure repayment of indebtedness

incurred to finance its acquisition and reconstruction and that it will not have a materially adverse effect on the operations and financial condition of the Meadowlands complex. In addition, the authority shall not acquire any of the foregoing facilities until the Legislature has approved the additional projects planned for said facilities. The authority shall transmit to the Legislature a copy of the feasibility study required herein, which transmittal shall occur on a day on which both Houses shall be meeting in the course of a regular or special session, and the additional projects shall be deemed to have been approved by the Legislature if, within 30 days of said transmittal, the Legislature fails to pass a concurrent resolution stating that the Legislature does not approve the additional projects.

As part thereof the authority is empowered to make capital contributions to others for transportation and other facilities, and accommodations for the public using said facilities. Any part of the sites thereof not occupied or to be occupied by such facilities may be leased by the authority for purposes determined by the authority to be consistent with or related to the purposes thereof, including but not limited to hotels and other accommodations for transients and other facilities related or incidental thereto, and in addition hereto, the authority may construct and operate or cause to be constructed or operated or both by a lessee, licensee or agent of the authority, on such site other facilities consistent with the purposes for which the authority was established, including, but not limited to, the construction of convention halls and cultural centers.

C. 5:10-30 Powers and duties of authority.

4. (New section) a. The authority is hereby authorized, licensed and empowered to apply to the racing commission for a permit or permits to hold and conduct, as part of the additional projects or any one or more thereof, horse race meetings for stake, purse or reward, and to provide a place or places on the race meeting grounds or enclosure for wagering by patrons on the result of such horse races by the parimutuel system, and to receive charges and collect all revenues, receipts and other sums from the ownership and operation thereof; provided that only the authority through its employees shall conduct such horse race meetings and wagering and the authority is expressly prohibited from placing in the control of any other person, firm or corporation the conduct of such horse racing meetings or wagering.

b. Except as otherwise provided in this section, such horse race meetings and parimutuel wagering shall be conducted by the authority in the manner and subject to compliance with the standards set forth in P. L. 1940, c. 17 (C. 5:5-22 et seq.) and the rules, regulations and conditions prescribed by the racing commission thereunder for the conduct of horse race meetings and for parimutuel betting at such meetings.

c. Application for said permit or permits shall be on such forms and shall include such accompanying data as the racing commission shall prescribe. The racing commission shall proceed to review and act on any such application within 30 days after its filing and the racing commission is authorized in its sole discretion to determine whether a permit shall be granted to the authority. If, after such review, the racing commission acts favorably on such application, a permit shall be granted to the authority without any further approval which permit shall be in substitution for and shall supersede the permit issued to the Garden State Racing Association for racing days in 1977 and shall remain in force and effect so long as any bonds or notes of the authority issued for the purposes of any of the additional projects remain outstanding, the provision of any other law to the contrary notwithstanding. In granting a permit to the authority to conduct a horse race meeting, the racing commission shall not be subject to any limitation as to the number of tracks authorized for the conduct of horse race meetings pursuant to any provision of P. L. 1940, c. 17 (C. 5:5-22 et seq.). Said permit shall set forth the dates to be allotted to the authority for its initial horse race meetings. Thereafter application for dates for horse race meetings by the authority and the allotment thereof by the racing commission, including the renewal of the same dates theretofore allotted, shall be governed by the applicable provisions of P. L. 1940, c. 17 (C. 5:5-22 et seq.). Notwithstanding the provision of any other law to the contrary, the racing commission shall allot annually to the authority in the case of harness racing, not less than 100 racing days and in the case of running racing, not less than 100 racing days at such Garden State facility, if and to the extent that application is made therefore.

d. No hearing, referendum or other election or proceeding, and no payment, surety or cash bond or other deposit, shall be required for the authority to hold or conduct the horse race meetings with parimutuel wagering herein authorized.

e. The authority shall determine the amount of the admission fee for the races and all matters relating to the collection thereof.

f. Subject to the provisions hereof, distribution of sums deposited in parimutuel pools at the racing facilities which are additional projects, to the State, to the authority and to winners and payments from the remaining balances in such pools for stakes, purses or rewards and special trust accounts for breeding and development of horses shall be made in accordance with the provisions of P. L. 1940, c. 17 (C. 5:5-22 et seq.) pertaining thereto, and as there may be amended, provided that in no event shall the percentage of the parimutuel pools distributable to the authority be reduced so long as any bonds or notes of the authority issued for any additional projects hereunder are outstanding, and further provided that, from the amounts to be paid to the State from such parimutuel pools, an amount equal to 1% of the parimutuel pools shall be set aside by the authority in a separate account and segregated from the other funds of the authority and the amounts in such account on January 1 and July 1 of each year shall be paid over to the State but only to the extent of amounts remaining after the amounts in such account shall have been applied by the authority to make up any deficiency in funds required to meet debt service payments on any bonds or notes of the authority issued for purposes of the additional projects or any one or more thereof or to make up any deficiency in any reserve created as security for such debt service payments. Any sums so distributed to the authority or so applied by it from such accounts for debt service payments or reserves therefor shall constitute revenues of the authority. Except as otherwise expressly provided in this section, the authority shall not be required to make any payments to the racing commission or others in connection with contributions to parimutuel pools.

g. All sums held by the authority for payment of outstanding parimutuel tickets not claimed by the person or persons entitled thereto within the time provided by law shall be paid to the racing commission upon the expiration of such time without further obligation to such ticketholder.

h. Except as herein provided, no admission or amusement tax, excise tax, license or horse racing fee of any kind shall be assessed or collected from the authority by the State, or by any county or municipality, or by any other body having power to assess or collect license fees or taxes.

i. Any horse race meeting and the parimutuel system of wagering upon the result of horse races held at such race meeting with respect to any additional project shall not under any circumstances, if conducted as provided in this act and in conformity thereto, be

held or construed to be unlawful, other statutes of the State to the contrary notwithstanding.

j. Each employee of the authority engaged in the conducting of horse race meetings shall obtain the appropriate license from the racing commission. The racing commission may suspend any member of the authority upon approval of the Governor and the license of any employee of the authority in connection with the conducting of horse race meetings pending a hearing by the racing commission for any violation of the laws regulating horse racing or any rule or regulation of the commission. Such hearing shall be held and conducted in the manner provided in said law.

C. 5:10-31 Rights and powers relating to Meadowlands complex.

5. (New section) Except as limited by this act, the authority may exercise with respect to the additional projects authorized under this act all the rights and powers relating to the Meadowlands complex granted to the authority under P. L. 1971, c. 137 (C. 5:10-1 et seq.) as though such rights and powers were granted under this act and made applicable to the additional projects, provided, however, that the provisions of sections 6 and 7 of P. L. 1971, c. 137 (C. 5:10-6 and C. 5:10-7) which contain special provisions with respect to the development, treatment of revenues and holding of race meetings at the Meadowlands complex and the provisions of sections 18, 22 and 23 of P. L. 1971, c. 137 (C. 5:10-18, C. 5:10-22 and C. 5:10-23) which contain special provisions as to tax exemption, site limitations and environmental matters pertaining only to the Meadowlands complex shall not be applicable to the additional projects, and provided further that provisions requiring consultation with the Meadowlands commission shall not be applicable to the additional projects. In no event shall the provisions of P. L. 1973, c. 286 (C. 5:10-14.1 et seq.) relating to the use of appropriations to make up deficiencies in amounts available for debt service on bonds issued for the authority's initial project at the Meadowlands complex be applicable to any bonds or notes issued for the additional projects.

C. 5:10-32 Revenues derived from additional projects; application; financing; purposes.

6. (New section) Revenues, moneys or other funds, if any, derived from the operation or ownership of an additional project or projects, including the conduct of horse race meetings, shall be applied in accordance with and subject to the priorities set forth in the resolution or resolutions authorizing or relating to the issuance of bonds or notes of the authority to finance such additional project

or projects to the following purposes in connection with such additional project or projects:

(1) The cost of operation and maintenance and reserves therefor;

(2) Principal, sinking fund installments and redemption premiums of and interest on any bonds or notes of the authority issued for the purposes of such additional project or projects or for the purpose of refunding the same, including reserves therefor;

(3) The costs of any major or extraordinary repairs, renewals, replacements, additions or improvements not paid pursuant to paragraph (1) above, including reserves therefor;

(4) Payments in-lieu-of-taxes required to be made pursuant to this act.

The balance remaining after application in accordance with the above and after the establishment of a reserve fund or funds for the development of a convention and cultural facility by the authority pursuant to section 3 of this act, shall be deposited in the General State Fund.

C. 5:10-33 State's pledge to holders of bonds or notes.

7. (New section) The State of New Jersey does hereby pledge to and covenant and agree with the holders of any bonds or notes issued pursuant to this act that the State will not limit or alter the rights or powers hereby vested in the authority to acquire, construct, maintain, improve, repair and operate the additional projects or any one or more thereof in any way that would jeopardize the interest of such holders, or to perform and fulfill the terms of any agreement made with the holders of such bonds or notes, or to fix, establish, charge and collect such rents, fees, rates or other charges as may be convenient or necessary to produce sufficient revenues to meet all expenses of the authority and fulfill the terms of any agreement made with the holders of such bonds and notes, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceedings by or on behalf of such holders, until the bonds, together with interest thereon, are fully met and discharged or provided for.

C. 5:10-34 Investments.

8. (New section) The State and all public officers, governmental units and agencies thereof, all banks, trust companies, savings banks and institutions, building and loan associations, savings and loan associations, investment companies, and other persons carry-

ing on a banking business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees and other fiduciaries, may legally invest any sinking funds, moneys or other funds belonging to them or within their control in any bonds or notes issued pursuant to this act, and such bonds or notes shall be authorized security for any and all public deposits.

C. 5:10-35 Additional projects and other property of authority declared public property; exemption from taxation; exception; payments in-lieu-of taxes.

9. (New section) a. All additional projects and other property of the authority are hereby declared to be public property devoted to an essential public and governmental function and purpose and shall be exempt from all taxes and special assessments of the State or any political subdivision thereof; provided, however, that when any part of an additional project site not occupied or to be occupied by facilities of the additional project is leased by the authority to another whose property is not exempt and the leasing of which does not make the real estate taxable, the estate created by the lease and the appurtenances thereto shall be listed as the property of the lessee thereof, or his assignee, and be assessed and taxed as real estate. All bonds or notes issued pursuant to this act are hereby declared to be issued by a body corporate and public of the State and for an essential public and governmental purpose and such bonds and notes, and the interest thereon and the income therefrom, and all funds, revenues, income and other moneys received or to be received by the authority and pledged or available to pay or secure the payment of such bonds or notes, or interest thereon, shall at all times be exempt from taxation except for transfer, inheritance and estate taxes.

b. To the end that there does not occur an undue loss of future tax revenues by reason of this act, the authority annually shall make payments in-lieu-of-taxes to the municipality in which such property is located in an amount computed in each year with respect to each such municipality by multiplying the total amount to be raised by real property taxation in each such year by a fraction, the numerator of which is the amount of real property taxes assessed in 1977 against the property acquired by the authority and the denominator of which is the total amount which was raised by real property taxation in such municipality in 1977, provided however that the amount of the in-lieu-of-taxes payments shall not be less than the amount received by the municipality in 1977 from the Garden State Race Track. In addition, the authority annually

shall pay to the municipality \$26,000.00 which sum shall be increased proportionately for each day of racing over the number conducted at Garden State Race Track in 1976. In addition, the authority shall reimburse Cherry Hill for reasonable, itemized expenses incurred by Cherry Hill at the request of the authority for services formerly provided by agreement between Cherry Hill and the Garden State Racing Association, plus itemized reasonable charges at cost to Cherry Hill for services provided at the request of the authority during additional racing days over 100 as agreed to by the authority and Cherry Hill. Except as expressly provided herein, the authority shall not be required to make any payments for any services supplied by the municipality. If municipal services heretofore provided by the municipality are provided by a municipal utility authority and charges are levied by such authority for services heretofore provided from general municipal revenues, such charges shall be deducted from the payments in-lieu-of-taxes herein provided. Said payments shall be computed from such time as the authority takes title to the property.

C. 5:10-36 Conflict or inconsistency in provisions of act; Legislature's intent.

10. (New section) It is the intent of the Legislature that in the event of any conflict or inconsistency in the provisions of this act and any other acts pertaining to matters therein established or provided for or in any rules and regulations adopted under this act or said other acts, to the extent of such conflict or inconsistency, the provisions of this act and the rules and regulations adopted hereunder shall be enforced and the provisions of such other acts and rules and regulations adopted thereunder shall be of no force and effect.

C. 5:10-37 Partial invalidity.

11. (New section) If any clause, sentence, paragraph, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.

C. 5:10-38 Construction of act.

12. (New section) This act shall be construed liberally to effectuate the legislative intent and purposes of this act as a complete and independent authority for the performance of each and every act and thing herein authorized and all powers herein

granted shall be broadly interpreted to effectuate such intent and purposes and not as a limitation of powers.

13. Section 4 of P. L. 1971, c. 137 (C. 5:10-4) is amended to read as follows:

C. 5:10-4 New Jersey Sports and Exposition Authority; establishment; membership; terms; vacancies; removal; bond; compensation; dissolution; minutes of meetings; approval or veto by Governor.

4. a. There is hereby established in the Department of Community Affairs a public body corporate and politic, with corporate succession, to be known as the "New Jersey Sports and Exposition Authority." The authority is hereby constituted as an instrumentality of the State exercising public and essential governmental functions, and the exercise by the authority of the powers conferred by the act shall be deemed and held to be an essential governmental function of the State and the application of the revenue derived from the project to the purposes provided in this act shall be deemed and held to be applied in support of government.

b. The authority shall consist of the State Treasurer, the Attorney General and a member of the Hackensack Meadowlands Development Commission to be appointed by the Governor, who shall be members ex officio, and four members appointed by the Governor with the advice and consent of the Senate for terms of 4 years, provided that the members of the authority (other than the ex-officio members) first appointed by the Governor shall serve for terms of 1 year, 2 years, 3 years and 4 years, respectively. Each member shall hold office for the term of his appointment and until his successor shall have been appointed and qualified. A member shall be eligible for reappointment. Any vacancy in the membership occurring other than by expiration of term shall be filled in the same manner as the original appointment but for the unexpired term only.

c. Each appointed member may be removed from office by the Governor, for cause, after a public hearing, and may be suspended by the Governor pending the completion of such hearing. Each member before entering upon his duties shall take and subscribe an oath to perform the duties of his office faithfully, impartially and justly to the best of his ability. A record of such oaths shall be filed in the office of the Secretary of State.

d. The chairman shall be appointed by the Governor from the members of the authority other than the ex-officio members, and the members of the authority shall elect one of their number as vice

chairman thereof. The authority shall elect a secretary and a treasurer who need not be members, and the same person may be elected to serve both as secretary and treasurer. The powers of the authority shall be vested in the members thereof in office from time to time and four members of the authority shall constitute a quorum at any meeting thereof. Action may be taken and motions and resolutions adopted by the authority at any meeting thereof by the affirmative vote of at least four members of the authority. No vacancy in the membership of the authority shall impair the right of a quorum of the members to exercise all the powers and perform all the duties of the authority.

e. Each member and the treasurer of the authority shall execute a bond to be conditioned upon the faithful performance of the duties of such member or treasurer, as the case may be, in such form and amount as may be prescribed by the Comptroller of the Treasury. Such bonds shall be filed in the office of the Secretary of State. At all times thereafter the members and treasurer of the authority shall maintain such bonds in full force and effect. All costs of such bonds shall be borne by the authority.

f. The members of the authority shall serve without compensation, but the authority shall reimburse its members for actual expenses necessarily incurred in the discharge of their duties. Notwithstanding the provisions of any other law, no officer or employee of the State shall be deemed to have forfeited or shall forfeit his office or employment or any benefits or emoluments thereof by reason of his acceptance of the office of ex-officio member of the authority or his services therein.

g. Each ex-officio member of the authority may designate an officer or employee of his department or agency to represent him at meetings of the authority, and each such designee may lawfully vote and otherwise act on behalf of the member for whom he constitutes the designee. Any such designation shall be in writing delivered to the authority and shall continue in effect until revoked or amended by writing delivered to the authority.

h. The authority may be dissolved by act of the Legislature on condition that the authority has no debts or obligations outstanding or that provision has been made for the payment or retirement of such debts or obligations. CHAPTER 7

AN ACT to amend and supplement the "Casino Control Act," approved June 2, 1977 (P. L. 1977, c. 110).

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

1. Section 1 of P. L. 1977, c. 110 (C. 5:12-1) is amended to read as follows:

C. 5:12-1 Short title; declaration of policy and legislative findings.

1. Short Title; Declaration of Policy and Legislative Findings.

a. This act shall be known and may be cited as the "Casino Control Act."

b. The Legislature hereby finds, and declares to be the public policy of this State, the following:

(1) The tourist, resort and convention industry of this State constitutes a critical component of its economic structure and, if properly developed, controlled and fostered, is capable of providing a substantial contribution to the general welfare, health and prosperity of the State and its inhabitants.

(2) By reason of its location, natural resources and worldwide prominence and reputation, the city of Atlantic City and its resort, tourist and convention industry represent a critically important and valuable asset in the continued viability and economic strength of the tourist, convention and resort, industry of the State of New Jersey.

(3) The rehabilitation and redevelopment of existing tourist and convention facilities in Atlantic City, and the fostering and encouragement of new construction and the replacement of lost convention, tourist, entertainment and cultural centers in Atlantic City

will offer a unique opportunity for the inhabitants of the entire State to make maximum use of the natural resources available in Atlantic City for the expansion and encouragement of New Jersey's hospitality industry, and to that end, the restoration of Atlantic City as the Playground of the World and the major hospitality center of the Eastern United States is found to be a program of critical concern and importance to the inhabitants of the State of New Jersey.

(4) Legalized casino gaming has been approved by the citizens of New Jersey as a unique tool of urban redevelopment for Atlantic City. In this regard, the introduction of a limited number of casino rooms in major hotel convention complexes, permitted as an additional element in the hospitality industry of Atlantic City, will facilitate the redevelopment of existing blighted areas and the refurbishing and expansion of existing hotel, convention, tourist, and entertainment facilities; encourage the replacement of lost hospitality-oriented facilities; provide for judicious use of open space for leisure time and recreational activities; and attract new investment capital to New Jersey in general and to Atlantic City in particular.

(5) Restricting the issuance of casino licenses to major hotel and convention facilities is designed to assure that the existing nature and tone of the hospitality industry in New Jersey and in Atlantic City is preserved, and that the casino rooms licensed pursuant to the provisions of this act are always offered and maintained as an integral element of such hospitality facilities, rather than as the industry unto themselves that they have become in other jurisdictions.

(6) An integral and essential element of the regulation and control of such casino facilities by the State rests in the public confidence and trust in the credibility and integrity of the regulatory process and of casino operations. To further such public confidence and trust, the regulatory provisions of this act are designed to extend strict State regulation to all persons, locations, practices and associations related to the operation of licensed casino enterprises and all related service industries as herein provided. In addition, licensure of a limited number of casino establishments, with the comprehensive law-enforcement supervision attendant thereto, is further designed to contribute to the public confidence and trust in the efficacy and integrity of the regulatory process.

(7) Legalized casino gaming in New Jersey can attain, maintain and retain integrity, public confidence and trust, and remain com-

patible with the general public interest only under such a system of control and regulation as insures, so far as practicable, the exclusion from participation therein of persons with known criminal records, habits or associations, and the exclusion or removal from any positions of authority or responsibility within casino gaming operations and establishments of any persons known to be so deficient in business probity, ability or experience, either generally or with specific reference to gaming, as to create or enhance the dangers of unsound, unfair or illegal practices, methods and activities in the conduct of gaming or the carrying on of the business and financial arrangements incident thereto.

(8) Since the public has a vital interest in casino operations in Atlantic City and has established an exception to the general policy of the State concerning gaming for private gain, participation in casino operations as a licensee under this act shall be deemed a revocable privilege conditioned upon the proper and continued qualification of the individual licensee and upon the discharge of the affirmative responsibility of each such licensee to provide to the regulatory and investigatory authorities established by this act any assistance and information necessary to assure that the policies declared by this act are achieved. Consistent with this policy, it is the intent of this act to preclude the creation of any property right in any license, certificate or reservation permitted by this act, the accrual of any value to the privilege of participation in gaming operations, or the transfer of any license, certificate, or reservation, and to require that participation in gaming be solely conditioned upon the individual qualifications of the person seeking such privilege.

(9) Since casino operations are especially sensitive and in need of public control and supervision, and since it is vital to the interests of the State to prevent entry, directly or indirectly, into such operations or the ancillary industries regulated by this act of persons who have pursued economic gains in an occupational manner or context which are in violation of the criminal or civil public policies of this State, the regulatory and investigatory powers and duties shall be exercised to the fullest extent consistent with law to avoid entry of such persons into the casino operations or the ancillary industries regulated by this act.

(10) Since the development of casino gaming operations in Atlantic City will substantially alter the environment of New Jersey's coastal areas, and since it is necessary to insure that this substantial alteration be beneficial to the overall ecology of the

coastal areas, the regulatory and investigatory powers and duties conferred by this act shall include, in cooperation with other public agencies, the power and the duty to monitor and regulate casinos and the growth of casino operations to respond to the needs of the coastal areas.

(11) The facilities in which licensed casinos are to be located are of vital law enforcement and social interest to the State, and it is in the public interest that the regulatory and investigatory powers and duties conferred by this act include the power and duty to review architectural and site plans to assure that the proposal is suitable by law enforcement, aesthetic and architectural standards.

(12) Since the economic stability of casino operations is in the public interest and competition in the casino operations in Atlantic City is desirable and necessary to assure the residents of Atlantic City and of this State and other visitors to Atlantic City varied attractions and exceptional facilities, the regulatory and investigatory powers and duties conferred by this act shall include the power and duty to regulate, control and prevent economic concentration in the casino operations and the ancillary industries regulated by this act, and to encourage and preserve competition.

(13) It is in the public interest that the institution of licensed casino establishments in New Jersey be strictly regulated and controlled pursuant to the above findings and pursuant to the provisions of this act, which provisions are designed to engender and maintain public confidence and trust in the regulation of the licensed enterprises, to provide an effective method of rebuilding and redeveloping existing facilities and of encouraging new capital investment in Atlantic City, and to provide a meaningful and permanent contribution to the economic viability of the resort, convention, and tourist industry of New Jersey.

(14) Confidence in casino gaming operations is eroded to the extent the State of New Jersey does not provide a regulatory framework for casino gaming that permits and promotes stability and continuity in casino gaming operations.

(15) Continuity and stability in casino gaming operations cannot be achieved at the risk of permitting persons with unacceptable backgrounds and records of behavior to control casino gaming operations contrary to the vital law enforcement interest of the State.

(16) The aims of continuity and stability and of law enforcement will best be served by a system in which applicant entities and

investors in those applicant entities can be assured of prompt and continuous casino operation under certain circumstances wherein the applicant has not yet been fully licensed, or has had a license suspended or revoked, as long as control of the applicant's operation under such circumstances may be placed in the possession of a person or persons in whom the public may feel a confidence and a trust.

(17) A system whereby the satisfaction of certain appropriate criteria, including the execution of a voting trust agreement, permits temporary casino operation prior to licensure and whereby the suspension or revocation of casino operations under certain appropriate circumstances causes the imposition of a conservatorship upon the suspended or revoked casino operation serves both the economic and law enforcement interests involved in casino gaming operations.

J. S. 14A:7-12 and N. J. S. 12A:8-101 et seq., nothing herein shall be deemed to require that any security of such corporation bear any legend to this effect; and

(8) If it is not a publicly traded corporation, establish to the satisfaction of the commission that appropriate charter or by-law provisions create the absolute right of such corporations and companies to repurchase at the market price or the purchase price, whichever is the lesser, any security, share or other interest in the

e. No person shall be issued or be the holder of more than three casino licenses. When an application is denied, the commission shall prepare and file an order denying such application with the general reasons therefor, and if requested by the applicant, shall further prepare and file a statement of the reasons for the denial, including the specific findings of facts.

d. After an application is submitted to the commission, final action of the commission shall be taken within 90 days after completion of all hearings and investigations and the receipt of all information required by the commission.

e. If satisfied that an applicant is qualified to receive a casino license, and upon tender of all license fees and taxes as required by law and regulations of the commission, and such bonds as the commission may require for the faithful performance of all requirements imposed by law or regulations, the commission shall issue a casino license for the term of one year.

f. The commission shall fix the amount of the bond or bonds to be required under this section in such amounts as it may deem

The commission may also, by regulation, require that all applicants for casino key employee licenses be residents of this State for a period not to exceed 6 months immediately prior to the issuance of such license, but application may be made prior to the expiration of the required period of residency. The commission shall, by resolution, waive the required residency period for an applicant upon a showing that the residency period would cause undue hardship upon the casino licensee which intends to employ said applicant, or upon a showing of other good cause.

c. The commission shall endorse upon any license issued hereunder the particular positions as defined by this act or by regulation which the licensee is qualified to hold.

d. The commission shall deny a casino key employee license to any applicant who is disqualified on the basis of the criteria contained in section 86 of this act.

c. The commission may, by regulation, require that all applicants for casino employee licenses be residents of this State for a period not to exceed 6 months immediately prior to the issuance of such license, but application may be made prior to the expiration of the required period of residency. d. Notwithstanding the provisions of subsection b. of this section, no applicant shall be denied a casino hotel employee license on the basis of a conviction of any of the offenses enumerated in this act as disqualification criteria, provided that the applicant has demonstrated his rehabilitation or can produce a certificate of rehabilitation, or that the offense for which the applicant has been convicted is not reasonably related to the duties for which the applicant will be employed in the casino hotel.

e. The commission may waive any disqualification criterion for a casino hotel employee consistent with the public policy of this act and upon a finding that the interests of justice so require.

f. A temporary license of 5 days duration may be issued by the chairman if in his judgment the issuance of a permanent license will be restricted by necessary investigations and said temporary licensing of the applicant is necessary for the continuing operations of the hotel.

b. Each casino service industry in subsection a. of this section, as well as its owners, management and supervisory personnel and other principal employees must qualify under the standards, except residency, established for qualification of a casino key employee under this act. In addition, if the business or enterprise is a school teaching gaming and either playing or dealing techniques, each resident director, instructor, principal employee, and sales representative employed thereby shall be licensed under the standards established for qualification of a casino employee under this act; provided, however, that nothing in this subsection shall be deemed to require, in the case of a public school district or a public institution of higher education, the licensure or qualification of any individuals except those instructors and other principal employees responsible for the teaching of playing or dealing techniques.

c. All casino service industries not included in subsection a. of this section shall be licensed in accordance with rules of the commission prior to commencement or continuation of any business with a casino licensee or its agents. or conveyed for other than railroad use, whichever comes sooner;

(ii) The municipality shall be obligated to pay to the State Treasurer within 60 days of the receipt thereof any and all payments made by or on behalf of the taxpayer, a trustee of the taxpayer, or any other representative of the taxpayer, for taxes which the municipality assessed on such real property for the tax year 1978 for which extended State aid payments have been requested;

(A) Such reduction (and in the case of a request for extended State aid payments for only a portion of the property, such proportionate reduction) shall not become effective for 2 tax years following the year of initial notification to the municipality by the Director of the Division of Taxation that such real property is withdrawn from railroad use, or until such property is sold or conveyed for other than railroad use, whichever comes sooner;

(D) In the event the State collects a greater amount of money under subsection (b) (2) (B) or (b) (2) (C) of this proviso than it paid to a municipality in extended State aid payment for a given tax year, the State Treasurer shall within 60 days return the excess payment to the municipality.

(c) For the year 1967 the amount of State aid payable to each municipality shall be increased by an amount equal to the difference between the railroad tax revenue derived by such municipality for the year 1965 and the base tax revenue for such municipality. For each year thereafter, such increase shall be reduced by 10% until such time as the aforesaid difference is eliminated; provided, however, if any real property in a municipality is placed in or withdrawn from railroad use after 1967, the annual increase provided in this subsection (c) shall be adjusted to reflect any such additions or withdrawals.

CHAPTER 17

AN ACT relating to housing, granting financial assistance to provide financial feasibility and stability for existing housing projects for senior citizens and families of low and moderate income, and making an appropriation therefor.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

1. (a) The Commissioner of the Department of Community Affairs is authorized to utilize \$3,200,000.00 from the Mortgage Assistance Fund for the purpose of providing financial feasibility and stability to a housing project financed by the New Jersey Housing Finance Agency known as John J. Grogan Marineview Plaza in Hoboken, New Jersey. Without limiting the generality of the foregoing authorization, such funds may be utilized to (1) reimburse the agency to the extent that the value of the existing mortgage held by the agency on such housing project is written down on the books of the agency, (2) pay to the agency for use by the agency as a reserve for the payment of the principal of and interest on any bonds of the agency issued in whole or in part to permanently finance such project.

(b) No part of the sum herein authorized shall be paid to or for the benefit of the present owner of such project, and no such write down or provision of reserves authorized herein shall affect the liability of the present owner of the project to the agency with respect to the existing mortgage loan for the project; provided, however, nothing herein shall prohibit the agency from agreeing to defer or reduce the periodic payments on such existing mortgage loan.

(c) In the event that the existing mortgage to the agency on the project is foreclosed and the agency realizes, either from the sale of the project to a party other than the agency at the foreclosure sale or, if the agency is the purchaser at the foreclosure sale, through a subsequent sale of the project by the agency, an amount in excess of the amount of the agency's bonds sold to permanently finance the project including any underwriting discount applicable thereto, the agency shall promptly pay the amount of the excess so realized, up to the amount received by the agency pursuant to this section, into the Mortgage Assistance Fund. For the purposes

of the preceding provision, the agency will be deemed to have realized upon a sale of the project the amount of any purchase money mortgage accepted by the agency upon such sale.

2. The commissioner is authorized to utilize \$4,800,000.00 from the Mortgage Assistance Fund to provide financial feasibility and stability to existing housing projects financed by the agency by loaning such sum directly to one or more qualified mortgagors, as defined in the New Jersey Mortgage Assistance Bond Act of 1976, P. L. 1976, c. 94, of projects heretofore financed by the agency any such loan may be subordinated to any existing mortgage loan held by the agency on any such project with repayment of principal and interest deferred until the existing mortgage loan to the agency is paid or otherwise discharged. In the event the agency has already advanced the amount of any such subordinated or deferred payment loan on behalf of the commissioner, the commissioner is authorized to utilize all or any part of such \$4,800,000.00 to reimburse the agency for the amount theretofore advanced by it on any such loan. Upon receipt by the commissioner of any repayment in whole or in part of any loan authorized by this section, the commissioner shall cause such sum to be deposited in the Mortgage Assistance Fund.

3. Not less than 30 days prior to the commissioner's entering into any contract, lease, obligation, or agreement to effectuate the purposes of this act the commissioner shall report to and consult with the special joint legislative committee created pursuant to Assembly Concurrent Resolution No. 66 of 1968 as reconstituted and continued from time to time by the Legislature.

4. There is hereby appropriated from the Mortgage Assistance Fund to the Department of Community Affairs the sum of \$8,000,000.00 in accordance with the provisions of this act. Said appropriations shall be derived from the sale of State Mortgage Assistance Bonds issued pursuant to P. L. 1976, c. 94.

5. The State Treasurer is hereby authorized, empowered, and directed and it shall be his duty to set up and maintain the aforementioned appropriations in the Mortgage Assistance Fund. The funds herein appropriated may be requisitioned by the Department of Community Affairs for the uses and purposes specified herein, subject to the same restrictions and control as are exercised over all other appropriated State funds.

6. This act shall take effect immediately.

Approved March 30, 1978.

times the maximum amount of benefits payable under one of said subsections.

(3) The maximum total benefits of any individual shall be reduced by an amount equal to 17 times his weekly benefit rate upon the discovery by the division that such individual illegally received any sum as benefits contrary to the provisions of this chapter as the result of any false or fraudulent representation; provided, however, that such reduction shall apply only to a benefit year in existence at the time of the discovery and to a benefit year established within 1 year from the time of such discovery.

(2) Contracting with one or more private organizations for the administration of all or part of the plan, including the management and investment or either thereof of deferred and deducted salary funds, provided that any such contract or contracts be in compliance with applicable bidding requirements for award of State contracts; and further provided that a board determination to contract for the investment of any or all of said funds is subject to the prior approval of the State Investment Council and when said approval has been received, the board shall delegate the responsibility for said contracting to the Division of Investment;

(3) Establishment of a plan or plan option which permits a participating employee to request the administrator of the plan to invest all or a specified percentage of said employee's deferred salary in one of or a specified combination of the following kinds of investments: (a) life insurance contracts, (b) annuity contracts, and (c) mutual fund shares; provided that the administrator retains the discretion to reject said request and further provided that the specific investment so made is selected and determined by the Division of Investment acting on behalf of the administrator or by a private organization operating under a contract pursuant to subsection 5a(2) of this section and subject to the approval of the Division of Investment;

(4) The establishment, either in the plan or through separate rules and regulations, of the requirements, limitations and conditions for participation in the plan, including but not limited to the setting forth of those State employees deemed eligible for participation in the plan; the amount of current salary an employee may defer and have deducted for disposition by the board; when and under what circumstances such deferrals and deductions may be made, changed or revoked; when and under what circumstances a participating employee or designated beneficiaries may withdraw funds from the plan; and when and under what circumstances records and data concerning benefits under the plan shall remain confidential;

c. The board shall provide in the plan for a uniform system of accounting for each participating employee and for the investment of deferred compensation funds with annual or more frequent reports to the participants in the plan, provided however, that said uniform system of accounting as it applies to the investment of said funds shall be subject to the prior approval of and modification by the State Investment Council.

d. A private organization operating under a contract pursuant to subsection 5a(2) of this section or seeking or planning to seek such a contract may not distribute or make public any written material concerning any deferred compensation program or benefits authorized under this act without the prior approval by the Division of Investment of the form and content of the material.

C. 52:18A-168 Costs.

The amount of any costs incurred and to be recovered by the State shall be determined by the board.

C. 52:18A-169 Liability.

1. Section 4 of P. L. 1975, c. 170 (C. 54:10A-34) is amended to read as follows:

C. 54:10A-34 Annual franchise tax; payment procedures.

4. Every banking corporation shall pay an annual franchise tax in the year 1976 and each year thereafter, as provided in the Corporation Business Tax Act, P. L. 1945, c. 162 (C. 54:10A-1 et seq.) for the privilege of having or exercising its corporate franchise in this State, or for the privilege of doing business, employing or owning capital or property, or maintaining an office in this State. For the purposes of this act, (1) the privilege period of each banking corporation shall be the calendar year, and the initial privilege period shall be the calendar year ending December 31, 1976; (2) January 1, 1976 and January 1 of each year thereafter shall be the assessment dates; (3) the tax on income shall be based upon the income of the calendar year preceding the assessment date; (4) net worth shall be determined as of the December 31 preceding the assessment date; and (5) income of a banking corporation in any privilege period shall include the income of any banking corporation merged into or consolidated with such banking corporation in such privilege period. From and

after January 1, 1976, no banking corporation shall be subject to the provisions of R. S. 54:9-1 through 54:9-18 and section 13 of P. L. 1970, c. 8 (C. 54:9-19) but shall, to the extent and in the manner provided by this act, become and be subject to the provisions of the Corporation Business Tax Act and the Business Personal Property Tax Act, P. L. 1966, c. 136 (C. 54:11A-1 et seq.). To effect the transition from taxation under R. S. 54:9-1 through 54:9-18 and section 13 of P. L. 1970, c. 8, to taxation under the Corporation Business Tax Act, every banking corporation shall, within 90 days after the effective date of this act, but not later than December 1, 1975, pay to the State a sum equal to 60% of the amount of the tax that would have been due from such banking corporation had it been subject to taxation under the Corporation Business Tax Act during the calendar year ending December 31, 1974. Thereafter, as provided by the Corporation Business Tax Act, each banking corporation shall, on or before April 15 of each privilege period, commencing with the privilege period beginning January 1, 1976, file a tax return and pay the full amount of the tax determined to be due for the then current privilege period, and shall, in addition, pay a sum equal to 60% of the full amount of the tax due for such privilege period as an advance partial payment against the tax determined to be due for the next succeeding privilege period. Each such banking corporation shall, in the final calculation of the tax determined to be due from it for the 1976 privilege period, receive a credit for the 60% payment made by it on or before December 1, 1975 pursuant to this section, and thereafter, each banking corporation shall, in the final calculation of the tax determined to be due from it for any subsequent privilege period, receive credit for the advance partial payment made by it in the next preceding privilege year. No banking corporation shall, in calculating its income for any of the purposes of taxation under the Corporation Business Tax Act deduct from its income the amount of any tax paid pursuant to R. S. 54:9-1 through 54:9-18 and section 13 of P. L. 1970, c. 8 (C. 54:9-19). Any excess payment made in any privilege year shall be returned as provided in section 15 of the Corporation Business Tax Act (C. 54:10A-15). Notwithstanding anything contained in this act to the contrary, during each of the privilege years 1976, 1977, 1978 and 1979, the amount to be paid by each banking corporation as taxes under this act shall be the greater of (1) the amount which such banking corporation paid in the calendar year 1975 as taxes pursuant to R. S. 54:9-1 through 54:9-18 and section 13 of P. L. 1970, c. 8 or (2)

a sum equal to the total of the taxes paid by such banking corporation pursuant to this section and section 5 of this act. In any case where the corporate existence of a banking corporation transacting business on the effective date of this act terminates during a privilege period by voluntary or involuntary dissolution, or by merger or consolidation, or otherwise, such banking corporation shall be liable for the payment of taxes under this section for the full privilege period in which such termination takes place.

2. Section 10 of P. L. 1975, c. 171 (C. 54:10A-40) is amended to read as follows:

L. 1946, c. 174 (C. 54:10B-1, et seq.) in the calendar year 1975, or a sum equal to the total of the taxes payable by such financial business corporation pursuant to the "Corporation Business Tax Act," P. CHAPTER 41

AN ACT to establish job transportation demonstration projects in the various counties to be administered by the Commissioner of Labor and Industry.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 34:1A-70 Legislature's findings and declaration of policy.

1. The Legislature hereby finds and declares that it is not in the public interest for any citizens of this State to be unemployed solely because of an inability to reach a place of potential employment. Lack of transportation to job sites in New Jersey is a barrier to employment for many people as evidenced by a Department of Labor and Industry study in June of 1977 indicating that 23% of unemployed workers surveyed could not be placed in jobs princi-

pally because they could not reach one or more specific places of employment. This problem will be compounded to a greater degree in the future as employers continue to relocate outside of urban centers, thus becoming relatively more inaccessible to inner city workers who lack transportation.

C. 34:1A-71 Short title.

2. This act shall be known and may be cited as the "Jobs Transportation Demonstration Act of 1978."

C. 34:1A-72 Authorization of projects.

3. The Commissioner of the Department of Labor and Industry is hereby authorized to develop and administer a program to provide funds for demonstration projects to transport persons to job sites, job interviews, and job training to which persons would otherwise have no available transportation. Such projects may be authorized on an intra- or inter-county basis, or at the State level, as the commissioner deems feasible and desirable.

C. 34:1A-73 Standards for allocation of funds.

4. The commissioner shall establish standards for the allocation of funds pursuant to this act which standards shall:

- a. Be responsive to areas of high unemployment;
- b. Guarantee that each applicant for a grant receive funds sufficient to operate at least one demonstration vehicle; and
- c. Reflect optimal service-delivery regions, be they intra- or inter-county in nature.

C. 34:1A-74 Demonstration projects.

5. Demonstration projects funded under this act shall be limited to three basic intra-State services as follows:

- a. Transporting persons from employment service centers, or other centralized sites to employment interviews;
- b. Transporting persons to places of employment for a maximum period of 10 weeks during which time said persons shall attempt to arrange for their own transportation; provided, however, that the commissioner may provide flexible standards for extending the 10-week limitation in cases of need; and
- c. Transporting unemployed workers to job training programs.

C. 34:1A-75 Rules and regulations.

6. The commissioner shall promulgate rules and regulations deemed necessary and proper to administer the act.

7. This act shall take effect 90 days after enactment.

Approved June 19, 1978.

A local board of education or county board of vocational education may, upon approval by the State Board of Education, employ as an instructor or administrator an individual who has special training in a particular subject matter field as evidenced by appropriate credentials or licensure and waive the certification requirements generally required of employees of such boards when the individual will be exclusively teaching or administering post-secondary degree or certificate courses and programs authorized under section 7 of P. 1. N. J. S. 54A:7-4 is amended to read as follows:

Employer's return and payment of withheld taxes.

54A:7-4. 4. Employer's return and payment of withheld taxes

(a) General.—Every employer required to deduct and withhold tax under this act shall, for each calendar month, on or before the fifteenth day of the month following the close of such calendar month, file a withholding return as prescribed by the director and pay over to the director or to a depository designated by the director the taxes so required to be deducted and withheld. Where the aggregate amount required to be deducted and withheld by any employer is less than \$25.00 in a calendar month and the aggregate for the semiannual period ending on June 30 and December 31 can reasonably be expected to be less than \$150.00, the director may by regulation permit an employer to file a return on or before July 31 for the semiannual period ending on June 30 and on or before January 31 for the semiannual period ending on December 31. Any return due with respect to the last quarter of a calendar year shall be filed and the amount of the withholding shall be paid on or before January 31 next following. The director may, if he believes such action necessary for the protection of the revenues, require any employer to make such return and pay to him the tax deducted and withheld at any time, or from time to time. Where the amount of wages paid by an employer is not sufficient under this act to require the withholding of tax from the wages of any of his employees, the director may, by regulation, permit such employer to file an annual return on or before February 28 of the following calendar year.

The director may, by regulation, require the filing and payment of withholding returns and taxes on a semimonthly or more fre-

quent basis where he deems such action in the best interest of the State.

(b) Deposit in trust for director.—Whenever any employer fails to collect, truthfully account for, pay over the tax, or make returns of the tax as required in this section, the director may serve a notice requiring such employer to collect the taxes which become collectible after service of such notice, to deposit such taxes in a bank approved by the director in a separate account, in trust for and payable to the State of New Jersey and to keep the amount of such tax in such account until payment over to the director. Such notice shall remain in effect until a notice of cancellation is served by the director.

2. This act shall take effect October 1, 1978.

Except as otherwise provided by any law authorizing the guaranty by the State of bonds of the authority hereafter submitted to the people pursuant to Section II of Article VIII of the Constitution and approved by a majority of the legally qualified voters of the State voting thereon, bonds or notes may be issued under the provisions of the act without obtaining the consent of any department, division, commission, board, bureau or agency of the State, and without any other proceeding or the happening of any other conditions or other things than those proceedings, conditions or things which are specifically required by the act.

g. Except as otherwise provided by any law authorizing the guaranty of the State of bonds of the authority hereafter submitted to the people pursuant to Section II of Article VIII of the

Constitution and approved by a majority of the legally qualified voters of the State voting thereon, bonds and notes of the authority issued under the provisions of the act shall not be in any way a debt or liability of the State or of any political subdivision thereof other than the authority and shall not create or constitute any indebtedness, liability or obligation of the State or of any such political subdivision or be or constitute a pledge of the faith and credit of the State or of any such political subdivision but all such bonds and notes, unless funded or refunded by bonds or notes of the authority, shall be payable solely from revenues or funds pledged or available for their payment as authorized in the act. CHAPTER 48

AN ACT authorizing the creation of a liability of the State for the guaranty of not exceeding \$317,000,000.00 principal amount of bonds of the New Jersey Sports and Exposition Authority, to be issued for the refinancing of bonds issued by said authority to finance or refinance the acquisition and construction of the initial project at the sports complex in the Hackensack meadowlands; providing the ways and means to perform and discharge such guaranty of the payment of the principal of and interest on the bonds so guaranteed; providing for the submission of this law to the people at a general election; and providing for an appropriation therefor.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

1. This act shall be known and may be cited as the "New Jersey Sports and Exposition Authority Refunding Bond Guaranty Act."

2. The Legislature hereby finds that:

a. The New Jersey Sports and Exposition Authority has issued and there is presently outstanding \$317,015,000.00 principal amount of its sports complex bonds at a composite average interest cost of approximately 7.50% issued to finance the cost of acquisition and construction of the initial project at the sports complex in the Hackensack meadowlands, consisting of a football stadium, race-track and related facilities.

b. Pursuant to P. L. 1973, c. 286 (C. 5:10-14.1 et seq.), said outstanding bonds of the authority are payable from the revenues of the sports complex and backed by the moral pledge of the State pursuant to which such bonds are secured by a debt service reserve fund into which there is to be appropriated by the State and paid to the authority for deposit therein such sum, if any, as shall be certified by the chairman of the authority to the Governor as necessary to restore such reserve fund to an amount equal to the maximum annual debt service with respect to said bonds.

c. Under the "New Jersey Sports and Exposition Authority Law," P. L. 1971, c. 137 (C. 5:10-1 et seq.), as amended and supplemented, there is to be paid into the General State Fund the

balance of revenues, moneys or other funds derived from the operation or ownership of the sports complex remaining after application thereof to certain costs of the sports complex including operation and maintenance costs, debt service, costs of repairs, renewals, replacements and incidental improvements, payments in lieu-of-taxes, and reserves therefor.

d. By refinancing such outstanding bonds of the authority with proceeds from the sale of bonds of the authority which are guaranteed by the State pursuant to this act, a substantial interest cost savings can be realized with the result that the balance of revenues, moneys and other funds of the authority to be paid into the General State Fund is estimated to be substantially increased.

3. As used in this act:

a. "Authority" means the New Jersey Sports and Exposition Authority.

b. "Authority act" means the "New Jersey Sports and Exposition Authority Law," P. L. 1971, c. 137 (C. 5:10-1 et seq.), as amended and supplemented.

c. "Refinancing" means the provision of amounts required for the payment of the principal of, and interest and redemption premiums on, the outstanding sports complex bonds including the funding of amounts to replace balances in certain funds and accounts of the authority which shall have been set aside for such payment, and shall include expenses in connection therewith.

d. "Outstanding sports complex bonds" means, as of any date of calculation, the authority's \$302,000,000.00 Sports Complex Bonds, 1974 Series and \$15,015,000.00 Sports Complex Bonds, 1977 Series A issued to finance the initial project at the authority's sports complex in the Hackensack meadowlands, or any bonds or notes issued to refinance such bonds pursuant to this act which shall be outstanding in accordance with their terms at such date of calculation.

4. A liability of the State of New Jersey is hereby authorized for the guaranty of the punctual payment when due of the principal (including any sinking fund redemption price) of and interest on bonds of the authority, not exceeding \$317,000,000.00 in aggregate principal amount, to be issued at one time or from time to time by the authority for the refinancing of the outstanding sports complex bonds. All money to be raised by issuance of bonds guaranteed pursuant to this act shall be applied only to refinancing the outstanding sports complex bonds. No bonds shall be guaranteed

pursuant to this act except bonds of the authority which mature within 35 years from their respective dates. Except as otherwise provided in this act, the bonds of the authority guaranteed pursuant to this act shall be authorized, sold and issued in accordance with the authority act.

5. Upon presentation by the authority to the State Treasurer of bonds of the authority duly authorized to be guaranteed pursuant to this act and conforming to the limitations expressed in section 4 of this act, together with a certificate consenting to the issuance of such bonds signed by the Governor, State Treasurer and Comptroller of the Treasury, or any two of such officials, the State Treasurer shall file such certificate in the office of the Secretary of State, together with a record of the amounts and other description of the terms of such bonds. Upon such filing of said certificate and record, the punctual payment when due of the principal (including any sinking fund redemption price) of an interest on such bonds of the authority shall be, and the same hereby is, unconditionally guaranteed by this State and the full faith and credit of the State is hereby pledged to the payment of such guaranty. Such guaranty shall be expressed or endorsed upon such bonds of the authority by the facsimile signature of the State Treasurer or of any person in the Department of the Treasury appointed by him for that purpose. Such guaranty shall be valid notwithstanding that the official whose facsimile signature appears thereon shall cease to hold office at the time of issuance of such bonds or at the time of the delivery of such bonds to the purchasers thereof.

6. The Governor, the State Treasurer and the Comptroller of the Treasury, or any two of such officials, are hereby authorized at any time and from time to time to authorize the execution of a guaranty in the manner provided in this act of the punctual payment when due of the principal (including any sinking fund redemption price) of and interest on refunding bonds of the authority issued for the purpose of refinancing in whole or in part a principal amount of outstanding bonds guaranteed by the State pursuant to this act, and such refunding bonds may be issued on or prior to the redemption date of the bonds being refunded. A liability of the State is hereby authorized for such guaranty, provided that such refunding bonds shall mature at such time or times not later than the latest maturity date of the bonds to be refunded, that the principal amount of such refunding bonds shall not be greater than the principal amount of the bonds being

refunded, and that the aggregate amount of interest to be paid on such refunding bonds, plus the premium, if any, to be paid on the bonds refunded, shall be less than the aggregate amount of interest which would be paid on the bonds refunded if such bonds were not so refunded. The proceeds received from the sale of such refunding bonds shall be held in trust and applied to the refinancing of the bonds refunded thereby in accordance with their terms. Refunding bonds so guaranteed shall be entitled to all the benefits of this act and subject to all its limitations except to the extent herein otherwise expressly provided.

7. To provide ways and means, exclusive of loans, to perform and discharge the guaranty made under this act and provide funds to pay the principal (including any sinking fund redemption price) of and interest on the bonds guaranteed pursuant to this act there is hereby appropriated in the following order:

a. Revenues from the collection of taxes as provided by the "Sales and Use Tax Act" P. L. 1966, c. 30 (C. 54:32B-1 et seq.), as amended and supplemented, or so much thereof as may be required for such purposes; and

b. If in any year or at any time funds, as hereinabove appropriated, necessary to pay the principal (including any sinking fund redemption price) of and interest on outstanding bonds of the authority guaranteed pursuant to this act, be insufficient or not available, then and in that case there shall be assessed, levied and collected annually in each of the municipalities of the counties of this State a tax on real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to pay when due the interest on all outstanding bonds of the authority guaranteed pursuant to this act and such bonds of the authority as are proposed to be so guaranteed in the calendar year in which such tax is to be raised and for the payment of such bonds falling due in the year following the year for which the tax is levied. The tax thus imposed shall be assessed, levied and collected in the same manner and at the same time as other taxes upon real and personal property are assessed, levied and collected. The governing body of each municipality shall cause to be paid to the county treasurer of the county in which such municipality is located, on or before December 15 in each year, the amount of tax herein directed to be assessed and levied, and the county treasurer, shall pay the amount of said tax to the State Treasurer on or before December 20 in each year.

If on or before December 31 in any year, the Governor, the State Treasurer and the Comptroller of the Treasury, or any two of such officials shall determine that there are moneys in the General State Fund, beyond the needs of the State sufficient to pay the principal (including any sinking fund redemption price) of and interest on any outstanding bonds of the authority guaranteed pursuant to this act due during the ensuing calendar year, then and in that event the Governor, the State Treasurer and the Comptroller of the Treasury, or any two of such officials, shall, if there is determined to be a deficiency in available revenues and receipts of the authority or a failure of the authority to pay when due principal (including any sinking fund redemption price) or interest with respect to any bonds guaranteed pursuant to this act, by resolution so find and shall file the same in the office of the State Treasurer, whereupon the State Treasurer shall forthwith set aside such moneys in the necessary amount in a separate fund to be designated by him, and shall, if and to the extent necessary, pay such principal of and interest on such bonds out of said fund as the same become due and payable, and the other sources of payment thereof provided for in this section shall not then be available, and the receipts for said year from the tax specified in subsection b. of this section shall thereupon be considered and treated as part of the General State Fund available for general purposes. If at any time it shall be determined that the amounts so set aside shall not be necessary to make payments pursuant to the guaranty authorized by this act, such amounts shall be released for use by the State Treasurer for other authorized State purposes.

The chairman of the authority shall on or before December 15 of each year and on or before 60 days prior to each interest payment date for bonds guaranteed pursuant to this act, and on such other date as he shall determine, file with the State Treasurer his certificate estimating the revenues and receipts of the authority from its sports complex during the next succeeding 12-month period which will be available to pay the principal (including any sinking fund redemption price) of and interest on the bonds of the authority guaranteed pursuant to this act. If upon receipt of such certificate of the authority, the State Treasurer shall determine that there will be a deficiency in such revenues and receipts available for such purpose then the State Treasurer shall set aside and retain in a special fund from the funds appropriated pursuant to this section or other funds legally available therefor such amounts as will equal such deficiency. The State Treasurer shall hold and

use all amounts in said separate fund, if and to the extent necessary, solely to make payments pursuant to the guaranty authorized by this act. If at any time it shall be determined that the amounts so set aside shall not be necessary to make payments pursuant to the guaranty authorized by this act, such amounts shall be released for use by the State Treasurer for other authorized State purposes.

In the event that the authority shall fail to pay, when due, the principal (including any sinking fund redemption price) of or interest on any bond guaranteed pursuant to this act, the State Treasurer shall pay the same to the holder thereof out of the funds set aside or appropriated pursuant to this act and any other funds legally available therefor and thereupon the State shall be subrogated to the rights of the holder so paid.

8. Should the State Treasurer, by December 31 of any year, deem it necessary, because of insufficiency of funds to be collected from the sources of revenues as hereinabove provided, to pay the principal (including any sinking fund redemption price) of and interest on the bonds of the authority guaranteed pursuant to this act in the year after the ensuing year, then the State Treasurer shall certify to the Comptroller of the Treasury the amount necessary to be raised by taxation for such purposes, the same to be assessed, levied and collected for and in the ensuing calendar year. In such case the Comptroller of the Treasury shall, on or before March 1 following, calculate the amount in dollars to be assessed, levied and collected as herein set forth in each county. Such calculation shall be based upon the corrected assessed valuation of such county for the year preceding the year in which such tax is to be assessed, but such tax shall be assessed, levied and collected upon the assessed valuation of the year in which the tax is assessed and levied. The Comptroller of the Treasury shall certify said amount to the county board of taxation and the county treasurer of each county. The said county board of taxation shall include the proper amount in the current tax levy of the several taxing districts of the county in proportion to the ratables as ascertained for the current year.

9. The Governor, the State Treasurer and the Comptroller of the Treasury, or any two of such officials are hereby authorized to carry out the provisions of this act relating to the guaranty of bonds of the authority, and shall determine all matters in connection therewith subject to provisions hereof. In case any of said officials shall be absent from the State or incapable of acting for

any reason, his powers and duties shall be exercised and performed by such person as shall be authorized by law to act in his place as a State official.

10. Upon the written consent of the Governor, the State Treasurer and the Comptroller of the Treasury, or any two of such officials, and upon adoption of a resolution by the authority finding and determining that the authority will have adequate means to meet its obligations to the holders of outstanding bonds guaranteed pursuant to this act, the authority may issue bonds secured by a lien on and pledge of receipts and revenues of the authority derived from the ownership and operation of its sports complex in the Hackensack meadowlands ranking prior to the lien on and pledge of such receipts and revenues securing bonds guaranteed pursuant to this act, provided that such prior lien bonds are issued to finance costs of acquisition and construction, including completion, of any facilities located or to be located at the site of said sports complex or to refund any bonds issued for such purposes, including any part of the outstanding sports complex bonds.

11. For the purpose of complying with the provisions of the Constitution, this act shall, at the general election to be held in the month of November, 1978, be submitted to the people. In order to inform the people of the contents of this act it shall be the duty of the Secretary of State, after this section shall take effect, and at least 15 days prior to the said election to cause this act to be published in at least 10 newspapers published in the State and to notify the clerk of each county of this State of the passage of this act, and the said clerks respectively, in accordance with the instructions of the Secretary of State, shall cause to be printed on each of the said ballots, the following:

If you disapprove the act entitled below, make a cross (X), plus (+), or check (✓) mark in the space opposite the word "No."

	No.	<p style="text-align: center;">INTERPRETIVE STATEMENT</p> <p>Approval of this act would authorize the State to guaranty up to \$317,000,000.00 in bonds of the New Jersey Sports and Exposition Authority to refinance the initial sports complex project in the Hackensack meadowlands. The fact and date of the approval or passage of this act, as the case may be, may be inserted in the appropriate place after the title in said ballot. No other requirements of law of any kind or character as to notice or procedure except as herein provided need to be adhered to.

act so determined shall be declared in the same manner as the result of an election for Governor, and if there shall be a majority of all the votes cast for and against it at such election in favor of the approval of this act, then all the provisions of this act not made effective theretofore shall take effect forthwith.

12. There is hereby appropriated the sum of \$5,000.00 to the Department of State for expenses in connection with the publication of notices pursuant to section 11 of this act.

13. This section and sections 11 and 12 of this act shall take effect immediately and the remainder of the act shall take effect when approved by a majority of the votes cast in the general election provided in section 11 of this act.

C. 2A:156A-11 Orders affecting public and certain private communication facilities; privileged communications.

addition to the matters required by section 10 of this act, a showing that the licensed physician, licensed practicing psychologist, attorney-at-law, practicing clergyman or newspaperman is personally engaging in or was engaged in over a period of time as a part of a continuing criminal activity or is committing, has or had committed or is about to commit an offense as provided in section 8 of the act or that the public facilities or the place used primarily for habitation by a husband and wife are being regularly used by someone who is personally engaging in or was engaged in over a period of time as a part of a continuing criminal activity or is committing, has or had committed or is about to commit such an offense. No order entered under this section shall authorize the interception of any wire or oral communication for a period of time in excess of that necessary under the circumstances. Every order entered under this section shall require that such interception begin and terminate as soon as practicable and be conducted in such a manner as to minimize or eliminate the interception of such com-

munications not otherwise subject to interception under this act by making reasonable efforts, whenever possible, to reduce the hours of interception authorized by said order. In no case shall an order entered under this section authorize the interception of wire or oral communications for any period exceeding 20 days. Extensions or renewals of such an order may be granted for two additional periods of not more than 10 days. No extension or renewal shall be granted unless an application for it is made in accordance with this section, and the court makes the findings required by sections 10, 11 and this section.

Whenever an order authorizing an interception is entered, the order may require reports to be made to the judge who issued the order showing what progress has been made toward achievement of the authorized objective and the need for continued interception. Such reports shall be made at such intervals as the court may require.

An order authorizing the interception of a wire or oral communication shall, upon request of the applicant, direct that a communication common carrier shall furnish the applicant forthwith all information, facilities and technical assistance necessary to accomplish the interception unobtrusively and with a minimum of interference with the services that such carrier is affording the person whose communications are to be intercepted.

The obligation of a communication common carrier under such an order may include but is not limited to conducting, for good cause shown, an in-progress trace during an interception provided, however, that a county prosecutor must receive the approval of the Attorney General or his designee prior to requesting an order which includes an in-progress trace. Any communication common carrier furnishing such facilities or technical assistance shall be compensated therefor by the applicant at the prevailing rates. Said carrier shall be immune from civil liability for any assistance rendered to the applicant pursuant to this section.

(F) No resolution or other action of the authority providing for the issuance of bonds, refunding bonds or other obligations or for the fixing, revising or adjusting of tolls for the use of any expressway project or parts or sections thereof shall be adopted or otherwise made effective by the authority without the prior approval in writing of the Governor and either the State Treasurer or the Comptroller of the Treasury.

Excess State funds realized by Federal involvement through Medicaid in the Dental program for non-institutionalized mentally retarded and handicapped children should be committed for the program's support during the subsequent fiscal year, rather than for expansion.

The unexpended balance as of June 30, 1978 in the Reserve for State's liability for education of children in out-of-State placements account are hereby appropriated for the same purpose.

Receipts representing reimbursements to the institutions for the mentally retarded and the Purchased residential care program for eligible expenses under the Intermediate care facility—Mental retardation (ICF-MR) program are hereby appropriated, as the Director of the Divi-

sion of Budget and Accounting shall determine, to the Division of Mental Retardation for allocation to the several institutions included within that Division and for other related program and administrative costs required to meet compliance plan commitments so as to enable the continuance of the reimbursements and to qualify additional institutional and purchased residential care facilities for the ICF-MR program.

The Director of the Division of Budget and Accounting is hereby empowered to transfer funds to the Division of Medical Assistance and Health Services from the various appropriations made to the Division of Mental Retardation and the several institutions included within that Division for the non-Federal share of medical assistance payments under the ICF-MR program.

None of the additional funds for Supplemental educational and/or training services for those mentally retarded eligible for day training and/or residents of State institutions shall be expended until a plan for the use of such additional funds is developed by the Commissioner of Education and the Commissioner of Human Services and approved by the Director of the Division of Budget and Accounting.

These actions will result in an ending surplus for the General State Fund on June 30, 1979 of \$12.9 million and a surplus for the Property Tax Relief Fund of \$13.3 million. Such amounts, while they are extremely low, still indicate to the public and the Legislature that the State of New Jersey has met the constitutional mandate to provide a balanced State budget, wherein expenditures are contained within revenues available or anticipated during the ensuing fiscal year.

This Appropriations Act reflects a tight and prudent spending plan. We will continue to review with State agencies areas where we can cut spending further, where we can consolidate or where

we can do without. The Legislature has acted responsibly in the review and approval of this Act, but we cannot jeopardize our progress by allowing unnecessary spending or programs without identified sources of funding. I cannot and will not approve new programs or spending without being shown how they are to be supported.

Once again this State financial plan shows my commitment to provide a significant portion of the State's resources to support the programs of local governments. Almost 54% of the State's resources will be utilized for the purpose of reducing or holding down property taxes—as recently as fiscal year 1976, the State provided 48% of its resources as an offset to local property taxes.

Recent events in California have suggested that many taxpayers have become frustrated with the increasing costs of government. We in New Jersey have faced this problem in the last two years. We have acted to provide a more equitable tax system and to provide State services at a low cost to our citizens.

In many states, property taxes continue to increase at unacceptable rates and the cost to the homeowner is becoming increasingly prohibitive. In 1977, we reversed the situation in New Jersey. After almost two decades of average annual increases of 10% in local property taxes, homeowners in New Jersey had their taxes reduced by almost 18%. When homestead rebates are included, property taxes were reduced by over \$640 million.

In many states, the number of employees is excessive. In New Jersey we continue to be conservative. New Jersey State government ranks 49th in number of State government employees per 10,000 population. When all levels of government are considered, New Jersey is still well below the national level—we rank 38th in the nation.

In many states, expenditures of public funds have reached undesirable levels. In New Jersey we maintain a modest approach. Including state and local governments, New Jersey ranks 43rd in total expenditures per \$1,000 of personal income. In many states, government continues to increase its budget indiscriminately without regard to the availability of funds. In New Jersey we have utilized zero-base budgeting techniques and have implemented spending limitations on all governments—state, municipal, county and school districts. I have endorsed these spending limitations in the past, and I support their continuation. In many states,

operating programs have been expanded and continued by borrowing excessively on the future. In New Jersey we have not used fiscal gimmicks. We never borrow for operating programs, and our long-term borrowing patterns and decisions are carefully developed and monitored. These practices have earned us the highest credit rating which can be assigned.

The Appropriations Act which I sign today will enable New Jersey to continue this record of responsibility. I recognize the desires of our citizens to pay the least amount in taxes and receive the highest possible level of service. This spending and revenue plan for fiscal year 1979 will enable us to provide the citizens of this State with the best services at the lowest possible cost within a more effective and efficient tax structure than had previously existed.

The reductions listed on the preceding pages reduce the Appropriations Act for 1979 by almost \$4 million. The explanation for my action is given in the following paragraphs.

The Appropriations Bill contained a recommendation for the State Commission of Investigation which exceeded the amount originally requested by that Agency for its operations in 1978-79. I have, therefore, reduced that appropriation by \$50,000.

The recently enacted legislation provided for a new tax court as a substitute for the Division of Tax Appeals, and the provision in that legislation for appropriate costs makes the line item provided for increasing salary and staff in that Division unnecessary. Accordingly, an amount of \$188,000 has been reduced.

Two of the organizations singled out for special financing by the New Jersey Council on the Arts did not qualify for the Council's basic guidelines for funding, therefore, the items have been eliminated. These organizations appear to have merit as groups contributing to the arts in our State, and I would urge that the Council contact each of them and consider initial allocations of a lesser sum. The other allocations account is also to be reduced by \$25,000.

The Department of Labor and Industry has a new program of jobs transportation. A further review of the implementation of this program indicates that a lesser sum is required for 1978-79, therefore, I have reduced the item to \$350,000. This Department has also been provided with an appropriation for establishing a

new Central Jersey Ethnic Heritage and Cultural Center. I have reduced this item by \$50,000 and also ask the Department to assure that this item be contingent upon firm commitments from business and industry for the full financing of this new and worthwhile center.

I have eliminated \$90,000 which reinstates a special grant program for teachers. I feel that if programs such as this are warranted, they should be funded within the "thorough and efficient" education process.

I am reducing the appropriations for assisting independent colleges and universities to the level recommended in my original budget. This reduction of \$232,240 would preclude increasing grants for data processing and administrative support. The final recommendation for this account is \$400,000 over the previous year.

At Rutgers, the State University, I am reducing the appropriation for extension and public service back to the same sum recommended in my original budget. After this reduction of \$325,000, the budget for this important program will still increase. I am reducing the appropriation at the Agricultural Experiment Station by an amount of \$185,000. This recommendation will approximate the one provided in my original budget and will provide for a continuation level of financing of Experiment Station programs. A review of the funds added to my original budget for the South Jersey Medical Program and for the New Jersey School of Osteopathic Medicine indicates that the programs will not increase to the high rate of expenditure in 1979. I am, therefore, reducing the appropriation by \$403,579 for the South Jersey Medical School and by \$50,000 for the New Jersey School of Osteopathic Medicine.

Recent changes in Federal regulations pertaining to the percentage of match required for programs involved in investigating medical fraud of the medicaid program make the provision of a \$336,000 item unnecessary. The elimination of these funds will in no way detract from the ability of the Division and the Attorney General to continue such investigations.

Funding for the Newark Community Center for the Arts by the Department of Community Affairs has been reduced by \$40,000. Since the activity of this Center provides introduction to the arts for children, further financing should be done under the sponsorship and cooperation of the New Jersey Council of the Arts.

The bill provides for increasing the level of support to local libraries. I am reducing the item back to my original recommendation which provides a sufficient amount to maintain the State's present level of aid.

An amount of \$200,000 is being eliminated for the specific line item of academic support for Passaic County College. I do not wish to set a precedent of singling out one college for special support when there is a basic statutory formula geared to the needs of all community colleges.

I am reducing the item for Revolving Housing Development and Demonstration Grant Fund by \$150,000. This reduced amount will still permit a continuation of the present level of financing due to balances within the fund. The Department of Community Affairs also has a line item for developing innovative new programs for citizens of our towns. This program is currently financed at a level of \$100,000 and I suggest it remain at that level.

The Appropriation Act makes provision for a grant to the Gloucester County Sewerage Authority. I have previously vetoed this item when it was submitted in a separate Appropriation Act. At this time, I am reducing the recommendation to the sum necessary to conform to a Department of Environmental Protection ceiling on grants. I am also eliminating the entire amount provided for the Somerset County waste water facilities plan for the same reason.

I am reducing the item for Site Development at the Rutgers Camden Campus by \$225,000. This item was not included in the recommendations of the Capital Planning and Budgeting Commission. I am acknowledging, however, the importance of this project to the City of Camden by leaving a portion of the funds to permit continuation of development started this year.

I have deleted language compelling the participation and approval of the Sub-Committee on Transfers of the Joint Appropriations Committee in the administration of the Executive branch of government. In particular, I have deleted language requiring: approval by the Sub-Committee of the expenditure of appropriated monies in the area of academic development and improvement; approval by the Sub-Committee of new contracts for community care for mental health; and submission of a plan to the Sub-Committee with regard to planning for community based correctional facilities and tourism. The deleted language injects a legisla-

tive sub-committee into the details of administering substantive programs that are the responsibility of executive State agencies.

The requirement for the approval of a legislative sub-committee infringes on my exclusive constitutional duty to exercise the executive power of State government. Article V, Section 1, Paragraph 1. This language also authorizes legislative action that has the effect of legislation while denying me the opportunity to exercise my constitutional veto power under Article V, Section 1, Paragraph 14. Moreover, this language raises fundamental questions as to the appropriate roles of the Legislative and Executive Branches under the separation of powers provision of our State Constitution. Article III.

The language is defective for the further reason that it represents an attempt by the Legislature to delegate to one of its sub-committees the ongoing responsibility to participate in the approval of the planning for the expenditure of monies without the concurrence of the full legislative body. Therefore, this language is an improper delegation of legislative power vested in the Senate and General Assembly to a legislative sub-committee. Article IV, Section 1, Paragraph 1.

In summary, I am constrained to excise the cited language because it improperly restricts executive discretion. I have deleted the language because it represents an improper intrusion into my role as Chief Executive under the New Jersey Constitution.

/s/ BRENDAN BYRNE,
Governor.

STATEMENT TO SENATE BILL NO. 1076

To the Senate:

Pursuant to Article V, Section I, Paragraph 15 of the Constitution, I am appending to Senate Bill No. 1076 at the time of signing it, this statement of the item to which I object so it shall not take effect.

On Page 3:

“County of Morris, Court House, Morristown, New Jersey 07960, c/o Robert T. Natoli, County Treasurer, for overtime expended by the Sheriff's Office for security in the jury selection for the Squires and Chesimard Jury. \$7,491.00”.

Senate Bill No. 1076 is a supplemental appropriation bill for the payment of certain claims filed against the State of New Jersey.

I have decided, for the reason stated below to delete entirely the following claim.

The Morris County claim is for overtime expenses of the Sheriff's Office for providing security in jury selection. I vetoed this same claim in past years and find no new justification which persuades me to alter that position. It is still my view that the expense of providing security through the Sheriff's Office in a particular county is not an appropriate expense for the Judiciary in the first instance. The mere fact that a case is transferred from one county to another is not justification for modifying this sound principle.

I note that page 1 provides: "Ms. Sandra L. Richard, 19 Dogwood Drive, Newton, New Jersey 07860, for failure to collect on a pari-mutuel ticket on time, \$1,875.60". The claim filed by Sandra L. Richard is for payment of a winning pari-mutuel ticket. The ticket was not presented within the six-month period after the race and thus could not be honored pursuant to the Racing Commission's rules. Although I have not deleted that item, I take this opportunity to state that I will not in the future approve the payment of winning pari-mutuel tickets that are not presented pursuant to the Racing Commission's rules.

Respectfully,

Governor.

AN ACT concerning residency requirements for municipal and county employees, supplementing Title 40A of the New Jersey Statutes and repealing R. S. 11:22-7 and N. J. S. 40A:9-1.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

C. 40A:9-1.3 Residency requirement; bona fide resident; copy of ordinance or resolution to be transmitted to civil service.

1. Unless otherwise provided by law, the governing body of any local unit may by resolution or ordinance, as appropriate, require, subject to the provisions of this act, all officers and employees employed by the local unit after the effective date of this act to be bona fide residents therein. A bona fide resident for the purpose of this act is a person having a permanent domicile within the local unit and one which has not been adopted with the intention of again taking up or claiming a previous residence acquired outside of the local unit's boundaries. Any local unit wherein the provisions of Title 11 (Civil Service) of the Revised Statutes are operative, shall transmit a copy of the adopting ordinance or resolution, as the case may be, to the Civil Service Commission.

C. 40A:9-1.4 Limitation on eligibility of applicants; opening of eligibility lists to qualified nonresidents.

2. Any local unit having adopted the provisions of Title 11 (Civil Service) of the Revised Statutes, which has also adopted the provisions of section 1 of this act by ordinance or resolution, as appropriate, may therein limit the eligibility of applicants for positions and employments in the classified service of such local unit to residents of that local unit. Upon receipt of a copy of such ordinance or resolution, as the case may be, the Civil Service Commission thereafter shall not open such local unit's eligibility lists to anyone who is not a bona fide resident of the local unit at the time of the closing date following the announcement of examination; provided, however, that if the commission, after ample advertisement, determines that an insufficient number of qualified residents exist for available positions or employments in a particular local unit, it may open eligibility lists for such positions or employments to qualified nonresidents.

C. 40A:9-1.5 Requirement to become bona fide resident within 1 year; exception; duties of hiring authority to insure compliance.

3. The governing body of a local unit which has adopted a resolution or ordinance, as the case may be, pursuant to section 1 of this act shall require therein that all nonresidents subsequently appointed to positions or employments shall become bona fide residents of the local unit within 1 year of their appointment, except as otherwise provided in such ordinance or resolution pursuant to sections 4 and 5 of this act.

It shall be the duty of the hiring authority to insure that all employees hired after the effective date of this act remain bona fide residents of the local unit in which they are employed. Failure of any such employee to maintain residency in a local unit shall be cause for removal or discharge from service. In the event such employee does not maintain bona fide residency, the hiring authority shall notify said employee that failure to again take up bona fide residency in the local unit within 6 months of such notification will result in removal or discharge from service. Such removal or discharge shall take effect on the date specified in such notice, but any employee so removed or discharged shall have the right to such appeals as are available pursuant to law.

C. 40A:9-1.6 Advertisement for other qualified applicants; classification; order of appointment.

4. Any local unit which has adopted an ordinance or resolution, as the case may be, pursuant to section 1 of this act, shall provide therein that whenever the governing body, or appointing authority, shall determine that there cannot be recruited a sufficient number of qualified residents for available specific positions or employments, the local unit shall advertise for other qualified applicants. The local unit, or the hiring authority thereof, shall thereupon classify all qualified applicants for such positions or employments so determined in the following manner.

a. In the case of municipalities:

(1) Other residents of the county in which the municipality is situate.

(2) Other residents of counties contiguous to the county in which the municipality is situate.

(3) Other residents of the State.

(4) All other applicants.

b. In the case of counties:

(1) Other residents of contiguous counties.

(2) Other residents of the State.

(3) All other qualified applicants.

The hiring authority shall first appoint all those in class 1 and then those in each succeeding class in the order above listed and shall appoint a person or persons in any such class only to a position or positions, or employment or employments, remaining after all qualified applicants in the preceding class or classes have been appointed or have declined an offer of appointment. The preference established by this section shall in no way diminish, reduce or affect the preferences granted pursuant to any other provisions of the law. A local unit which has recruited and hired officers and employees under the provisions of this section may require such officers and employees, as a condition of their continued employment, to become bona fide residents thereof. Such a requirement shall be specified at the time of appointment and a reasonable amount of time granted for such officers and employees to become bona fide residents of the local unit. The Civil Service Commission shall, upon any subsequent notice of the determination of the governing body or the hiring authority of any such local unit wherein Title 11 (Civil Service) of the Revised Statutes is operative that such preference schedule shall be applicable for any specific position or employment, classify all applicants for such position or employment accordingly.

C. 40A:9-1.7 Filling of certain positions without reference to residency as provided in ordinance or resolution.

5. Any local unit adopting the provisions of section 1 of this act shall provide in the adopting ordinance or resolution, as the case may be, that whenever the governing body, or the hiring authority of the local unit, shall determine that there are certain specific positions and employments, requiring special talents or skills which are necessary for the operations of the local unit and which are not likely to be found among the residents of the local unit, such positions or employments so determined shall be filled without reference to residency. Any such provision shall set forth the formal criteria pursuant to which such positions and employments shall be so determined.

C. 40A:9-1.8 Preference to bona fide residents.

6. Any local unit which has adopted a resolution or ordinance, as the case may be, pursuant to section 1 of this act shall give preference in promotion to officers and employees who are bona fide residents of the local unit. When promotions are based upon merit as determined by suitable promotion tests or other objective criteria, a resident shall be given preference over a nonresident in any instance when all other measurable criteria are equal. The

preference granted by this section shall in no way diminish, reduce, or affect the preference granted pursuant to any other provision of law.

C. 40A:9-1.9 Application of act.

7. The provisions of this act shall apply to all residency requirements adopted on and after the effective date of this act. Nothing herein shall be construed as to alter, abrogate, repeal or otherwise affect any residency requirement in effect in any local unit by ordinance or resolution, or rule or regulation of a local unit, on the effective date of this act; provided, however, that any amendment, modification or other change in any such residency requirement shall be subject to all the relevant provisions of this act.

C. 40A:9-1.10 Certain requirements subject to order of court; exception.

8. Any requirements concerning eligibility, appointment or promotion contained in any ordinance or resolution adopted pursuant to this act shall be subject to any order issued by any court, or by any State or Federal agency pursuant to law, with respect to a requirement of action to eliminate discrimination in employment based upon race, creed, color, national origin, ancestry, marital status or sex, except that any requirement contained in any such ordinance or resolution pursuant to the provisions of section 3 of this act shall continue to apply notwithstanding any such order.

Repealer.

9. R. S. 11:22-7 and N. J. S. 40A:9-1 are repealed.

10. This act shall take effect immediately.

Approved June 30, 1978.

8. Section 10 of P. L. 1968, c. 410 (C. 52:14B-10) is amended to read as follows:

C. 52:14B-10 Admissible evidence; certain notice authorized; hearings; recommended report and decision; filing; adoption or rejection by agency head; contents and effective date of final decision.

All relevant evidence is admissible, except as otherwise provided herein. The administrative law judge may in his discretion exclude any evidence if he finds that its probative value is substantially outweighed by the risk that its admission will either (i) necessitate undue consumption of time or (ii) create substantial danger of undue prejudice or confusion. The administrative law judge shall give effect to the rules of privilege recognized by law. Any party in a contested case may present his case or defense by oral and documentary evidence, submit rebuttal evidence and conduct such cross-examination as may be required, in the discretion of the administrative law judge, for a full and true disclosure of the facts.

(b) Notice may be taken of judicially noticeable facts. In addition, notice may be taken of generally recognized technical or scientific facts within the specialized knowledge of the agency or administrative law judge. Parties shall be notified either before or during the hearing, or by reference in preliminary reports or otherwise, of the material noticed, including any staff memoranda or data, and they shall be afforded an opportunity to contest the material so noticed. The experience, technical competence, and specialized knowledge of the agency or administrative law judge may be utilized in the evaluation of the evidence, provided this is disclosed of record.

(c) All hearings of a State agency required to be conducted as a contested case under this act or any other law shall be conducted by an administrative law judge assigned by the Director of the Office of Administrative Law, except as provided by this amendatory and supplementary act. A recommended report and decision which contains recommended findings of fact and conclusions of law and which shall be based upon sufficient, competent, and credible

evidence shall be filed, not later than 45 days after the hearing is concluded, with the agency in such form that it may be adopted as the decision in the case and delivered or mailed, to the parties of record with an indication of the date of receipt by the agency head; and an opportunity shall be afforded each party of record to file exceptions, objections, and replies thereto, and to present argument to the head of the agency or a majority thereof, either orally or in writing, as the agency may direct. The head of the agency, upon a review of the record submitted by the administrative law judge, shall adopt, reject or modify the recommended report and decision no later than 45 days after receipt of such recommendations. Unless the head of the agency modifies or rejects the report within such period, the decision of the administrative law judge shall be deemed adopted as the final decision of the head of the agency. The recommended report and decision shall be a part of the record in the case. For good cause shown, upon certification by the director and the agency head, the time limits established herein may be subject to extension.

(d) A final decision or order adverse to a party in a contested case shall be in writing or stated in the record. A final decision shall include findings of fact and conclusions of law, separately stated and shall be based only upon the evidence of record at the hearing, as such evidence may be established by rules of evidence and procedure promulgated by the director.

Findings of fact, if set forth in statutory language, shall be accompanied by a concise and explicit statement of the underlying facts supporting the findings. The final decision may incorporate by reference any or all of the recommendations of the administrative law judge. Parties shall be notified either personally or by mail of any decision or order. Upon request a copy of the decision or order shall be delivered or mailed forthwith by registered or certified mail to each party and to his attorney of record.

(e) Except where otherwise provided by law, the administrative adjudication of the agency shall be effective on the date of delivery or the date of mailing, of the final decision to the parties of record, whichever shall occur first, or shall be effective on any date after the date of delivery or mailing, as the agency may provide by general rule or by order in the case. The date of delivery or mailing shall be stamped on the face of the decision.

C. 52:14F-7 Authority of agency head to make determinations in connection with cases; conduct of contested cases initiated prior to effective date of act not affected.

9. (New section) a. Nothing in this amendatory and supplementary act shall be construed to deprive the head of any agency of the authority pursuant to section 10 of P. L. 1968, c. 410 (C. 52:14B-10) to determine whether a case is contested or to adopt, reject or modify the findings of fact and conclusions of law of any administrative law judge.

b. Nothing in this amendatory and supplementary act shall be construed to affect the conduct of any contested case initiated prior to the effective date of this act, or the making of any administrative adjudication in such contested case.

C. 52:14F-8 Assignment of administrative law judges to certain contested cases.

10. (New section) Unless a specific request is made by the agency, no administrative law judge shall be assigned by the director to hear contested cases with respect to:

C. 52:14F-11 Partial invalidity.

15. (New section) If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application and to this end the provisions of this act are declared to be severable.

16. (New section) This act shall remain inoperative until 6 months following its enactment, except with respect to the making of appointments and the taking of preparatory actions, which may take effect immediately upon enactment.

8. The commission shall be entitled to call to its assistance and avail itself of the services of such employees of any State, county

or municipal department, board, bureau, commission or agency as it may require and as may be available to it for said purpose, and to employ counsel and such stenographic and clerical assistants and incur such traveling and other miscellaneous expenses as it may deem necessary, in order to perform its duties, and as may be within the limits of funds appropriated or otherwise made available to it for said purposes.

9. No later than October 1, 1979, the chairman of the commission shall submit to the President of the Senate, the Speaker of the General Assembly, and the Governor a report describing the activities and the accomplishments of the commission and, if it is the judgment of the commission that its termination date should be postponed or eliminated, stating the reasons for such judgment.

11. This act shall take effect immediately and shall expire on January 8, 1980.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

C. 45:1-14 Legislature's findings and declarations; construction.

1. The Legislature finds and declares that effective implementation of consumer protection laws and the administration of laws pertaining to the professional and occupational boards located within the Division of Consumer Affairs require uniform investigative and enforcement powers and procedures and uniform standards for license revocation, suspension and other disciplinary proceedings by such boards. This act is deemed remedial, and the provisions hereof should be afforded a liberal construction.

C. 45:1-15 Application of act.

2. The provisions of this act shall apply to the following boards and all professions or occupations regulated by or through such boards: the New Jersey State Board of Certified Public Accountants, the New Jersey State Board of Architects, the State Board

C. 45:1-17 Powers of attorney general in implementing and administering act.

4. In implementing the provisions of this act and administering the law enforcement activities of those professional and occupational boards located within the Division of Consumer Affairs, the Attorney General may :

a. After advice to the board or boards in question of his intent to proceed under this section, and the specific action he intends to take, and the failure of such board or boards to take steps in accordance with the advice of the Attorney General within 30 days of receipt of such advice, promulgate rules and regulations consistent with the provisions of this act and the Administrative Procedure Act, P. L. 1968, c. 410 (C. 52:14B-1 et seq.) governing the procedure for administrative hearings before all boards within the Division of Consumer Affairs. Such rules and regulations shall govern administrative complaints, answers thereto, issuance of

subpenas, appointment of hearing examiners, adjournments, submission of proposed findings of fact and conclusions of law, the filing of briefs, and such other procedural aspects of administrative hearings before the boards as the Attorney General may deem necessary; provided, however, nothing herein authorized shall be construed to require the Attorney General to promulgate rules regarding prehearing investigative procedures.

b. After advice to the board or boards in question of his intent to proceed under this section, and the specific action he intends to take, and the failure of such board or boards to take steps in accordance with the advice of the Attorney General within 30 days of receipt of such advice, promulgate substantive rules and regulations consistent with the provisions of any statute governing the activities of any licensing agency, board or committee located within the Division of Consumer Affairs, which shall be limited to disciplinary matters and arbitrary restrictions on initial licensure. In addition to promulgating such rules and regulations, the Attorney General may direct that any proposed or existing regulation be amended, abandoned or repealed. Prior to the final adoption of any regulation affecting the activities of any professional or occupational licensing agency, board or committee located within the division and prior to the issuance of any directive to amend, abandon or repeal any regulation, the Attorney General or his designee shall first consult with the agency, board or committee whose activities are affected regarding the proposed action.

c. After a full consideration of all relevant facts and the applicable law, may direct the initiation of any appropriate enforcement action by a professional or occupational licensing board or set aside, modify or amend, as may be necessary, any action or decision of a licensing agency, board or committee located within the Division of Consumer Affairs; provided, however, no such action shall be directed by the Attorney General in reviewing the action or decision of an agency, board or committee unless such action or decision is contrary to applicable law.

C. 45:1-18 Investigative powers.

5. Whenever it shall appear to any board, the director or the Attorney General that a person has engaged in, or is engaging in any act or practice declared unlawful by a statute or regulation administered by such board, or when the board, the director or the Attorney General shall deem it to be in the public interest to inquire whether any such violation may exist, the board or the director through the Attorney General, or the Attorney General

acting independently, may exercise any of the following investigative powers:

a. Require any person to file on such form as may be prescribed, a statement or report in writing under oath, or otherwise, as to the facts and circumstances concerning the rendition of any service or conduct of any sale incidental to the discharge of any act or practice subject to an act or regulation administered by the board;

b. Examine under oath any person in connection with any act or practice subject to an act or regulation administered by the board;

c. Inspect any premises from which a licensed profession or occupation is conducted;

d. Examine any goods, ware or item used in the rendition of any professional or occupational service;

e. Examine any record, book, document, account or paper maintained by or for any professional or occupational licensee in the regular course of practicing such profession or engaging in such occupation;

f. For the purpose of preserving evidence of an unlawful act or practice, pursuant to an order of the Superior Court, impound any record, book, document, account, paper, goods, ware, or item used or maintained by or for any board licensee in the regular course of practicing such profession or engaging in such occupation. In such cases as may be necessary, the Superior Court may, on application of the Attorney General, issue an order sealing items or material subject to this subsection.

In order to accomplish the objectives of this act or any act or regulation administered by a board, the Attorney General may hold such investigative hearings as may be necessary and may issue subpoenas to compel the attendance of any person or the production of books, records or papers at any such hearing or inquiry.

C. 45:1-19 Failure to cooperate in lawfully conducted investigative matter or obey a subpoena; court order.

6. If any person shall fail or refuse to file any statement or report or refuse access to premises from which a licensed profession or occupation is conducted in any lawfully conducted investigative matter or fail to obey a subpoena issued pursuant to this act, the Attorney General may apply to the Superior Court and obtain an order:

- a. Adjudging such person in contempt of court; or
- b. Granting such other relief as may be required; or
- c. Suspending the license of any such person unless and until compliance with the subpoena or investigative demand is effected.

C. 45:1-20 Requirement to testify or produce book, paper or other document; compliance.

7. If any person shall refuse to testify or produce any book, paper, or other document in any proceeding under this act for the reason that the testimony or evidence, documentary or otherwise, required of him may tend to incriminate him, convict him of a crime, or subject him to a penalty or forfeiture, and shall, notwithstanding, be directed to testify or to produce such book, paper, or document by the Attorney General, he shall comply with such direction.

A person who is entitled by law to, and does assert such privilege, and who complies with such direction of the Attorney General shall not thereafter be prosecuted or subjected to any penalty or forfeiture in any criminal proceeding which arises out of and relates to the subject matter of the proceeding. No person so testifying shall be exempt from prosecution or punishment for perjury or false swearing committed by him in giving such testimony or from any civil or administrative action arising from such testimony.

C. 45:1-21 Refusal to admit person to examination or to issue license; suspension or revocation of license; grounds.

8. A board may refuse to admit a person to an examination or may refuse to issue or may suspend or revoke any certificate, registration or license issued by the board upon proof that the applicant or holder of such certificate, registration or license

a. Has obtained a certificate, registration, license or authorization to sit for an examination, as the case may be, through fraud, deception, or misrepresentation;

b. Has engaged in the use or employment of dishonesty, fraud, deception, misrepresentation, false promise or false pretense;

c. Has engaged in gross negligence, gross malpractice or gross incompetence;

d. Has engaged in repeated acts of negligence, malpractice or incompetence;

e. Has engaged in professional or occupational misconduct as may be determined by the board;

f. Has been convicted of any crime involving moral turpitude or any crime relating adversely to the activity regulated by the board. For the purpose of this subsection a plea of guilty, non vult,

nolo contendere or any other such disposition of alleged criminal activity shall be deemed a conviction;

g. Has had his authority to engage in the activity regulated by the board revoked or suspended by any other state, agency or authority for reasons consistent with this section;

h. Has violated or failed to comply with the provisions of any act or regulation administered by the board;

i. Is incapable, for medical or any other good cause, of discharging the functions of a licensee in a manner consistent with the public's health, safety and welfare.

C. 45:1-22 Additional or alternative sanctions.

9. In addition or as an alternative, as the case may be, to revoking, suspending or refusing to renew any license, registration or certificate issued by it, a board may, after affording an opportunity to be heard:

a. Issue a letter of warning, reprimand, or censure with regard to any act, conduct or practice which in the judgment of the board upon consideration of all relevant facts and circumstances does not warrant the initiation of formal action;

b. Assess civil penalties in accordance with this act;

c. Order that any person violating any provision of an act or regulation administered by such board to cease and desist from future violations thereof or to take such affirmative corrective action as may be necessary with regard to any act or practice found unlawful by the board;

d. Order any person found to have violated any provision of an act or regulation administered by such board to restore to any person aggrieved by an unlawful act or practice, any moneys or property, real or personal, acquired by means of such act or practice; provided, however, no board shall order restoration in a dollar amount greater than those moneys received by a licensee or his agent or any other person violating the act or regulation administered by the board;

e. Order any person, as a condition for continued, reinstated or renewed licensure, to secure medical or such other professional treatment as may be necessary to properly discharge licensee functions.

A board may, upon a duly verified application of the Attorney General alleging an act or practice violating any provision of an act or regulation administered by such board, enter a temporary order suspending or limiting any license issued by the board pend-

ing plenary hearing on an administrative complaint; provided, however, no such temporary order shall be entered unless the application made to the board palpably demonstrates a clear and imminent danger to the public health, safety and welfare and notice of such application is given to the licensee affected by such order.

In any administrative proceeding commenced on a complaint alleging a violation of an act or regulation administered by a board, such board may issue subpoenas to compel the attendance of witnesses or the production of books, records, or documents at the hearing on the complaint.

C. 45:1-23 Injunctive relief.

10. Whenever it shall appear to a board, the director or the Attorney General that a violation of any act, including the unlicensed practice of the regulated profession or occupation, or regulation administered by such board has occurred, is occurring, or will occur, the Attorney General, in addition to any other proceeding authorized by law, may seek and obtain in a summary proceeding in the Superior Court an injunction prohibiting such act or practice. In any such proceeding the court may assess a civil penalty in accordance with the provisions of this act, order restoration to any person in interest of any moneys or property, real or personal, acquired by means of an unlawful act or practice and may enter such orders as may be necessary to prevent the performance of an unlawful practice in the future and to fully remedy any past unlawful activity. In any action brought pursuant to this section, the court shall not suspend or revoke any license issued by a board.

C. 45:1-24 Failure to pay penalties; certificate of indebtedness; entry upon record; rights and remedies; penalty enforcement.

11. Upon the failure of any person to comply within 10 days after service of any order of a board directing payment of penalties or restoration of moneys or property, the Attorney General or the secretary of such board may issue a certificate to the Clerk of the Superior Court that such person is indebted to the State for the payment of such penalty and the moneys or property ordered restored. A copy of such certificate shall be served upon the person against whom the order was entered. Thereupon the clerk shall immediately enter upon his record of docketed judgments the name of the person so indebted and of the State, a designation of the statute under which the penalty is imposed, the amount of the penalty imposed, and amount of moneys ordered

restored, a listing of property ordered restored, and the date of the certification. Such entry shall have the same force and effect as the entry of a docketed judgment in the Superior Court, and the Attorney General shall have all rights and remedies of a judgment creditor in addition to exercising any other available remedies. Such entry, however, shall be without prejudice to the right of appeal to the Appellate Division of the Superior Court from the board's order.

An action to enforce the provisions of any order entered by a board or to collect any penalty levied thereby may be brought in any municipal or county district court or the Superior Court in summary manner pursuant to the Penalty Enforcement Act, (N. J. S. 2A:58-1 et seq.) and the rules of court governing the collection of civil penalties. Process in such action shall be by summons or warrant, and in the event that the defendant fails to answer such action, the court shall issue a warrant for the defendant's arrest for the purpose of bringing such person before the court to satisfy any order entered.

C. 45:1-25 Violation of act or regulation; penalty enforcement.

12. Any person violating any provision of an act or regulation administered by a board shall, in addition to any other sanctions provided herein, be liable to a civil penalty of not more than \$2,500.00 for the first offense and not more than \$5,000.00 for the second and each subsequent offense. For the purpose of construing this section, each transaction or statutory violation shall constitute a separate offense; provided, however, a second or subsequent offense shall not be deemed to exist unless an administrative or court order has been entered in a prior, separate and independent proceeding. In lieu of an administrative proceeding or an action in the Superior Court, the Attorney General may bring an action in the name of any board for the collection or enforcement of civil penalties for the violation of any provision of an act or regulation administered by such board. Such action may be brought in summary manner pursuant to the Penalty Enforcement Act (N. J. S. 2A:58-1 et seq.) and the rules of court governing actions for the collection of civil penalties in the municipal or county district court where the offense occurred. Process in such action may be by summons or warrant and in the event that the defendant in such action fails to answer such action, the court shall, upon finding an unlawful act or practice to have been committed by the defendant issue a warrant for the defendant's arrest in order to bring such person before the court to satisfy the civil penalties imposed. Ir

any action commenced pursuant to this section, the court may order restored to any person in interest any moneys or property acquired by means of an unlawful act or practice. Any action alleging the unlicensed practice of a profession or occupation shall be brought pursuant to this section or, where injunctive relief is sought, by an action commenced in the Superior Court. In any action brought pursuant to this act, a board or the court may order the payment of costs for the use of the State.

C. 45:1-26 Inconsistent acts repealed.

13. All acts and parts of acts inconsistent with this act are hereby superseded and repealed.

C. 45:1-27 Partial invalidity.

14. If any provision of this law or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the law which can be given effect without the invalid provision or application, and to this end the provisions of this law are severable.

15. This act shall take effect immediately.

Approved July 13, 1978.

CHAPTER 74

AN ACT providing for additional State school building aid and supplementing Title 18A of the New Jersey Statutes.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

C. 18A:58-33.22 Short title.

1. This act may be cited as the "Additional State School Building Aid Act."

C. 18A:58-33.23 Legislature's findings.

2. The Legislature finds:

a. That there are many school districts in the State which should immediately renovate or replace aged and deteriorated school buildings and construct new facilities in order to provide suitable educational facilities pursuant to the provisions of N. J. S. 18A:33-1.

b. That there is a serious shortage of vocational facilities at the secondary level for handicapped pupils between the ages of 13 and 21 who would benefit from vocational education.

c. Additional State building aid is needed to provide financial assistance which would permit local school districts, county special services school districts and county vocational school districts to immediately begin capital projects to meet such needs.

d. The New Jersey Commission on Capital Budgeting and Planning has recommended that an Additional State Aid Program be authorized to finance such capital projects.

C. 18A:58-33.24 Additional State school building aid to school districts, county special services school districts and county vocational school districts; amounts.

3. Additional State school building aid shall be made available to school districts, county special services school districts and county vocational school districts in accordance with the provisions of this act for the payment of debt service (interest and principal) on bonds and notes (as hereinafter defined) entitled to the benefits of this act, provided that the amount of bonds entitled to the benefits of this act shall not exceed \$100,000,000.00, and provided further that of the total principal amount of the bonds, no more than \$80,000,000.00 shall be allocated to the renovation or replacement of aged and deteriorated school buildings and construction of new facilities in districts with financial need and no more than \$40,000,000.00 shall be allocated to the expansion and establishment of secondary vocational educational facilities to serve handicapped students between the ages of 13 and 21 who would benefit from vocational education in local school districts, county special services school districts and county vocational school districts with financial need. The amount of aid payable to any local school district for the renovation or replacement of aged and deteriorated school buildings and construction of new facilities shall not exceed an amount equal to 20% of the total aid allocated to this program and in any year such aid shall not exceed an amount equal to \$25.00 per pupil in resident enrollment in such school district on September 30, 1976. The amount of aid payable in any year to any local school district, county special services school districts or county vocational school districts for the expansion and construction of secondary vocational education facilities to serve handicapped students between the ages of 13 and 21 shall be no more than 75% of the total debt service of bonds and notes for secondary vocational education projects constructed under the

provisions of this act and shall not exceed an amount equal to the number of handicapped pupils between the ages of 13 and 21 enrolled in such school district whose vocational education needs were not met due to the lack of suitable facilities prior to any application date for funds under this act, multiplied by a standard per student construction cost, established pursuant to guidelines promulgated by the Commissioner of Education.

C. 18A:58-33.25 Application for additional State school building aid; investigation by commissioner of conditions in district; report to board; contents.

4. a. Whenever the board of education of a local school district shall determine by resolution that it is unable to provide suitable general purpose educational facilities to comply with the provisions of N. J. S. 18A:33-1, it may file an application with the Commissioner of Education for additional State school building aid under this act. Upon the receipt of such application, the Commissioner of Education shall cause an investigation to be made of the conditions in the district, taking into consideration the number of unhoused pupils, number of years on split or curtailed sessions, the rate of pupil population increase, the total tax rate of the municipalities in the district, the school tax rate of the district, the net debt of such municipalities and the school debt, the density of population, the equalized valuations allocable with respect to each child in the school district, the number of children on welfare rolls, effects of judicial determinations prior to the enactment hereof concerning constitutional requirements of equal educational opportunity, existing and proposed educational facilities and all such other factors as said commissioner or the State Board of Education may deem necessary for the purpose of this act. The Commissioner of Education shall report the results of such investigation to the State Board of Education and may include therein an evaluation of the ability of such school district to provide suitable educational facilities to comply with the provisions of N. J. S. 18A:33-1, and of the need of such school district for additional State school building aid under this act, advice as to the resident enrollment in such school district as of September 30, 1976 as shown by records with respect thereto on file in his office, recommendation as to the amount (if any) of entitlement (as hereinafter defined) proposed with respect to said school district, and such further information with respect to such school district as requested or required by said board.

b. Whenever the board of education of a local school district, county special services school district or county vocational school

district shall determine by resolution that there are handicapped students between the ages of 13 and 21 who would benefit from vocational education but are not enrolled in such a program and that it is unable to provide suitable facilities for such pupils, it may file an application with the Commissioner of Education for additional State school building aid under this act and forward its plan to provide secondary vocational facilities for handicapped pupils to the County Career Education Coordinating Council. Upon the receipt of such application the County Career Education Coordinating Council shall review the facilities plan as soon as possible and forward its recommendations to the Commissioner of Education forthwith. Upon the receipt of such application from a local school district, the Commissioner of Education shall cause an investigation to be made of the conditions of the district, taking into consideration the number of handicapped pupils between the ages of 13 and 21 who would benefit from such a program and are not presently enrolled in vocational programs due to the lack of facilities, the projected increase or decrease of such pupils in future years, the total tax rate of the municipalities in the district, the school tax rate of the district, the net debt of such municipalities and the school debt, the equalized valuations allocable with respect to each child in the school district, effects of judicial determinations prior to the enactment hereof concerning constitutional requirements of equal educational opportunity, existing and proposed education facilities, the recommendations of the County Career Education Coordinating Council and all such other factors as said commissioner or State Board of Education may deem necessary for the purpose of this act. Upon the receipt of such application from a county special services school district or a county vocational school district, the Commissioner of Education shall cause an investigation to be made of the conditions of the district, taking into consideration the number of handicapped pupils between the ages of 13 and 21 who would benefit from such a program and are not presently enrolled in vocational programs due to the lack of facilities, the projected increase of such pupils in future years, the county vocational school debt, the county debt, the total tax rate of the county, the county average equalized valuations per pupil, existing and proposed educational facilities, the recommendations of the County Career Education Coordinating Council and all such factors as said commissioner or State Board of Education may deem necessary for the purpose of this act. The Commissioner of Education shall

report the results of such investigations to the State Board of Education and may include therein an evaluation of the ability of such school district to provide suitable secondary vocational educational facilities for handicapped pupils, and of the need of such school district for additional State school building aid under this act, advice as to the enrollment of handicapped pupils in such school as of the effective date of this act as shown by records with respect thereto on file in his office, recommendation as to the amount (if any) of entitlement (as hereinafter defined) proposed with respect to said school district, and such further information with respect to such school district as requested or required by said board.

C. 18A:58-33.26 Findings and determinations of board; submission of proposal or ordinance to board authorizing issuance of bonds; indorsement.

5. a. If the State Board of Education shall find that any such school district is not able to provide the suitable educational facilities described hereinabove the State Board of Education shall by resolution determine (1) that such school district is entitled to receive additional State school building aid pursuant to this act, (2) the number of pupils in resident enrollment in such school district on September 30, 1976 for purposes of computation under this act or the number of handicapped pupils between the ages of 13 and 21 whose vocational education needs were not met prior to the enactment of this act, (3) the principal amount of bonds (which amount is hereinafter sometimes referred to as the "entitlement") which are to be entitled to the benefits of the provisions of this act, and (4) the maturity schedule for such principal amount of bonds approved by said board.

b. At any time within 1 year after the adoption by the State Board of Education of the resolution referred to in subsection a. with respect to a particular school district, said school district may submit to the Commissioner of Education a copy of a proposal or ordinance authorizing the issuance of bonds entitled to the benefits of this act in accordance with said resolution, provided that such ordinance or proposal had not been adopted, approved or become effective prior to January 1, 1978, and to make or provide any and all investigations, determinations, endorsements, certifications, considerations, approvals, restrictions, limitations, consents, resolutions, estimates or approvals, which may be required or provided by this act with respect to any such ordinance or proposal, school district or school district projects or educational facilities,

as if such ordinance or proposal had not been adopted, approved or become effective, and any bonds authorized by such ordinance or proposal shall be entitled to all the benefits of this act. If no such proposal or ordinance is submitted within 1 year the said resolution shall be of no further force and effect and the commissioner shall so notify said school district. The Commissioner of Education shall be and is hereby authorized to endorse upon any copy of such proposal or ordinance a certification thereof as being the proposal or ordinance as to which a determination of the State Board of Education has been made as aforesaid, and such indorsement shall be made in such form or manner as said commissioner shall determine.

C. 18A:58-33.27 Additional aid to districts providing community or social services.

6. If the State Board of Education shall determine that it is necessary and appropriate to prorate or approve less than the full entitlement for all the qualifying school districts, the board, after receiving the recommendation of the commissioner, may provide additional aid up to 10% of the district's full entitlement for districts which submit plans for facilities that provide general community or social services.

C. 18A:58-33.28 Submission of proposal or ordinance bearing commissioner's endorsement and board's resolution to local finance board; consent by board for issuance of bonds within 60 days.

7. a. A copy of the resolution of the State Board of Education referred to in subsection a. of section 5 and a copy of the proposal or ordinance referred to in subsection b. of section 5, bearing the endorsement of the Commissioner of Education as aforesaid, shall be submitted to the Local Finance Board in the Department of Community Affairs for its consideration, and the Local Finance Board in considering such copy of proposal or ordinance submitted to it and before endorsing its consent thereon may require the county, the board of education of any school district or the governing body of any municipality in such school district to adopt resolutions restricting or limiting any future proceedings therein or other matters or things deemed by the Local Finance Board to affect any estimate made or to be made by it in accordance with subsection b. hereof, and every such resolution so adopted shall constitute a valid and binding obligation of such school district, municipality or county, as the case may be, running to and enforceable by, and releaseable by, the Local Finance Board.

b. Within 60 days after such submission to it, the Local Finance Board shall cause its consent to be endorsed upon such copy of any

proposal or ordinance authorizing such bonds, if it shall be satisfied, and shall record by resolution, its estimates that the amounts to be expended for the education facilities to be financed pursuant to such proposal or ordinance are not unreasonable or exorbitant, and that issuance of the bonds, to be authorized by such proposal or ordinance, will not materially impair the credit of the county, any municipality comprised within the district or substantially reduce its ability, during the ensuing 10 years, to pay punctually the principal and interest of its debts and supply essential public improvements and services, but if the Local Finance Board is not so satisfied it shall cause its disapproval to be endorsed on such copy within said period of 60 days.

C. 18A:58-33.29 Schedule of maturities; request to board of education for approval; endorsement by local finance board within 60 days.

8. a. If the board of education of a school district shall determine by resolution that the maturity schedule for bonds entitled to the benefits of this act, other than the maturity schedule approved by the State Board of Education by resolution pursuant to subsection a. of section 5 of this act, is in the best interest of said school district, it may make application to the State Board of Education setting forth such belief and the grounds therefor and requesting approval of a schedule of maturities for such bonds set forth in the application. If the State Board of Education, by resolution, shall find that the schedule of maturities set forth in the application is in the best interest of the school district and the State, it shall cause its approval to be endorsed thereon and shall forward said application to the Local Finance Board.

b. Within 60 days after submission to the Local Finance Board of an application in accordance with subsection a. of section 8 of this act, it shall cause its approval to be endorsed thereon if it shall be satisfied and shall record by resolution its findings that the belief set forth in such application is well founded and that issuance of the bonds mentioned and described in such application would not materially impair the credit of the county or any municipality comprised within the school district or substantially reduce their ability, during the ensuing 10 years, to pay punctually the principal and interest of its debts and supply essential public improvements and services, but if the Local Finance Board is not so satisfied, it shall cause its disapproval to be endorsed on such copy within said period of 60 days.

C. 18A:58-33.30 Deduction of bonds from school debt and county and municipal gross debt.

9. Any bonds entitled to the benefits of the provisions of this act, shall be deducted from the school debt in determining the net school debt of any school district for any purpose or computation under N. J. S. 18A :24-19, and the amount of all such bonds shall be deducted from the gross debt of any county or municipality constituting the whole or any part of such school district pursuant to N. J. S. 40A :2-44 g.

C. 18A:58-33.31 Issuance of bonds.

10. All of such bonds when issued shall contain a recital to the effect that they are issued pursuant to Title 18A, Education, of the New Jersey Statutes and are entitled to the benefits of the provisions of this act. Except as otherwise provided in this act, any bonds entitled to the benefits of the provisions of this act shall be authorized and issued in the manner provided for in said Title 18A. Compliance with the provisions of this act by or on behalf of any school district or municipality shall make it unnecessary to comply with any of the provisions of N. J. S. 18A :24-20 through N. J. S. 18A :24-27, and such sections shall not be applicable with respect to authorization or issuance of any bonds entitled to the benefits of the provisions of this act. Bonds entitled to the benefits of the provisions of this act shall mature not later than 30 years from their date, without regard to any limitations as to maturities or amounts of annual installments for such bonds as provided in said Title 18A.

C. 18A:58-33.32 Issuance of temporary notes.

11. Any school district, municipality or county which has authorized bonds which are entitled to the benefits of this act, may issue temporary notes or loan bonds (hereinafter called "notes") in anticipation of the issuance of permanent bonds to the extent permitted or provided by or pursuant to the provisions of Title 18A, Education, of the New Jersey Statutes or any other laws applicable, subject to such additional terms or conditions with respect to such notes as may be fixed or required by the Commissioner of Education to insure that funds are borrowed only as needed to meet required payments for construction or acquisition of the educational facilities to be financed by the issuance of permanent bonds.

C. 18A:58-33.33 Certification of amount payable on account of debt service and name and address of paying agents to commissioner; verification and certification to State treasurer.

12. Within 10 days after issuance of any bonds or notes entitled to the benefits of this act, the chief financial officer of the school district, municipality or county issuing such bonds or notes shall certify to the Commissioner of Education the exact amount payable on account of debt service (interest and principal) on such bonds or notes in each year and the name and address of the paying agent or paying agents for such bonds or notes. The Commissioner of Education shall thereupon verify said amounts and certify the same to the State Treasurer together with the name and address of the paying agent or paying agents for such bonds or notes. The certification by the Commissioner of Education as to amount payable in any year for debt service (principal and interest) on such bonds or notes shall be fully conclusive as to such bonds or notes from and after the time of issuance of such bonds or notes, notwithstanding any irregularity, omission or failure as to compliance with any of the provisions of this act with respect to such bonds or notes, provided that such bonds or notes contain a recital to the effect that they are entitled to the benefits of the provisions of this act, and all persons shall be forever estopped from denying that such bonds or notes are entitled to the benefits of the provisions of this act.

C. 18A:58-33.34 Eligibility for additional entitlement and State school aid.

13. Any school district, with respect to which any determination as to additional State school building aid or any entitlement has been theretofore made pursuant to this act, may make application for further additional State school building aid and for further entitlement, or increase or revision in any such entitlement theretofore made, provided that the aggregate amount of State aid for any school district in any year pursuant to this act shall not exceed the amount specified in section 3 of this act.

The Commissioner of Education, the State Board of Education and the Local Finance Board are each hereby authorized and empowered to consider any application of any school district with respect to additional State school building aid under this act in connection with any educational facilities authorized to be undertaken pursuant to Title 18A of the New Jersey Statutes notwithstanding that such facilities were authorized or approved prior to the taking effect of this act. The State board shall, within 1 year from the effective date of this act and during each succeeding year, review the status of educational facilities of each school district, which is entitled to receive additional State building aid pursuant to this act. Said reviews shall continue annually until such facilities are completed.

C. 18A:58-33.36 Payment to paying agents.

15. All amounts of additional State school building aid to be paid under the provisions of this act with respect to any school district for debt service (principal and interest) on bonds or notes entitled to the benefits of this act shall, on or before the date of such payment of interest and principal, be paid on behalf of the school district, municipality or county issuing such bonds or notes to the paying agent or paying agents for such bonds or notes in amount with respect to such date as reflects the amount of principal or interest, respectively, payable as to such date by reason of such additional State school building aid hereunder payable with respect to such school district. Amounts so paid to such paying agent or paying agents shall be applied to the payment of debt service (principal and interest) on such bonds or notes and for no other purpose.

C. 18A:58-33.37 Annual distribution of aid; inclusion in board's budget; use of amounts.

16. As provided in this act, every school district and municipality which shall be entitled thereto, shall receive annually the amount of its additional State school building aid and the State Board of Education shall include such amount thereof in its annual budget for building aid for such school district. Amounts of such building aid paid under this act shall be used for the payment of debt service (interest and principal) on bonds or notes entitled to the benefits of the provisions of this act.

C. 18A:58-33.38 Investment or deposit of proceeds; certification and payment to State Treasurer; application to payment of principal and interest.

17. Pending application to the purposes for which bonds or notes entitled to the benefits of this act are issued, the proceeds of such bonds or notes shall be invested or deposited subject to regulations prescribed by the State Treasurer. On January 10 in each year the custodian of school moneys of a Type II school district, the chief financial officer of the municipality of a Type I school district or chief financial officer of the county, as the case may be, shall certify and pay to the State Treasurer the amount of earnings received during the preceding year from the investment or deposit of the proceeds from the sale of such bonds or notes, which amounts shall be held by him and applied only to the payment of principal and interest on such bonds or notes.

C. 18A:58-33.39 Regulations; compliance.

18. The commissioner, after consultation with the State Treasurer and approval by the State Board of Education, shall promulgate regulations relating to use of the proceeds of bonds and notes entitled to the benefits of this act, establishing standards for construction progress and practices, fiscal controls, accounting procedures and auditing of funds, and such other matters as he shall deem necessary.

The commissioner shall determine each district's compliance with the regulations promulgated pursuant to this section. When he determines that a district is not in compliance with such regulations, the commissioner is authorized to take appropriate action to insure the proper use of the funds and completion of the project.

C. 18A:58-33.40 Designation of paying agents.

19. No bonds or notes entitled to the benefits of this act shall be issued unless there is designated therefor a paying agent or paying agents, at least one of which is a bank or trust company authorized to do business in this State.

20. This act shall take effect immediately.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

1. Section 1 of P. L. 1969, c. 130 (C. 18A:24-61.1) is amended to read as follows:

1. Any bonds heretofore or hereafter issued (a) by any county to meet or finance any county college appropriation or purpose or any county vocational school appropriation or purpose, or (b) by any municipality to meet or finance any school district appropriation or purpose, or (c) by any school district which at the time of issuance of such bonds was governed by the provisions of chapter 7 or of chapter 8 of Title 18, Education, of the Revised Statutes or constituted a Type II school district under the provisions of this Title, may be funded or refunded at or prior to the maturity of such bonds as herein provided by issuance of bonds (herein called the "refunding bonds"). Such refunding bonds may be issued in any amount deemed necessary by the governing body of the county or municipality and, in the case of a Type II School District, the Board of Education thereof, and approved by the Local Finance Board.

2. Section 2 of P. L. 1969, c. 130 (C. 18A:24-61.2) is amended to read as follows:

C. 18A:24-61.2 Authorized purposes for refunding bonds.

2. Notwithstanding the provisions of any other law or any debt limitation or requirement for down payment or for referendum or other action by legal voters, refunding bonds may be authorized and issued for the purpose of paying, funding or refunding any refunded bonds and paying the cost or expense of issuing refunding bonds including printing, advertising, accounting, financial, legal or other expense in connection therewith. Obligations to be paid, funded or refunded with respect to which an ordinance

authorizing the issuance of refunding bonds has been adopted pursuant to this act and not otherwise deductible shall be excluded in calculating the net school debt of a municipality or a district. Refunding bonds shall be authorized (a) in the case of any county or municipality by refunding bond ordinance enacted in the manner or mode of procedure provided for adoption of a refunding bond ordinance pursuant to the Local Bond Law, constituting chapter 2 of Title 40A, Municipalities and Counties, of the New Jersey Statutes, and (b) in the case of a Type II school district by an ordinance (herein called the "refunding bond ordinance") adopted by the board of education of such school district as provided in this chapter.

3. Section 4 of P. L. 1969, c. 130 (C. 18A:24-61.4) is amended to read as follows:

C. 18A:24-61.4 Enactment and contents of ordinance.

4. A refunding bond ordinance may be enacted by the board of education of any Type II school district after the approval thereof by resolution of such board of education, and by subsequent adoption thereof after advertised public hearing, notice of which shall be given by publication of such proposed refunding bond ordinance and notice of hearing once at least 7 days prior to date of such hearing, in a newspaper circulating in the school district. Following the holding of such public hearing, at which all interested persons shall be given an opportunity to be heard, such refunding bond ordinance may thereupon be adopted by the recorded affirmative vote of $\frac{2}{3}$ of the full membership of such board of education or at such other time and place to which such hearing or further consideration thereof shall have been adjourned. The refunding bond ordinance in the case of a Type II school district shall contain in substance: (a) an authorization of the issuance of the refunding bonds, stating in brief and general terms sufficient for reasonable identification the refunded bonds to be funded or refunded, and the amount of the cost of issuing the refunding bonds which is included in the authorized principal amount of the refunding bonds; (b) the principal amount of refunding bonds authorized; and (c) in either the refunding bond ordinance or a resolution adopted prior to the issuance of the refunding bonds such further provisions as the Local Finance Board in the Department of Community Affairs of the State of New Jersey may require or approve as to deposit, securing, regulation, investment, reinvestment, disposition or application of the proceeds of such refunding bonds, and matters in connection therewith, including the officer

or officers of the school district to be responsible therefor, and amortization or other provision for premiums or other losses incurred.

Such refunding bond ordinance or resolution may also contain provisions, which shall be a part of the contract with the holders of the refunding bonds, as to the establishment of, and the making of appropriations for, reserves or sinking funds and the amount, source, securing, regulation and disposition thereof. Any matter relating to refunding bonds and not required to be contained in the refunding bond ordinance may be performed or determined by subsequent resolution of the board of education, or the performance or determination thereof delegated by resolution to a financial officer of the school district.

4. Section 5 of P. L. 1969, c. 130 (C. 18A:24-61.5) is amended to read as follows:

C. 18A:24-61.5 Filing copy of ordinance; consent of local finance board; entering into contracts or agreements.

5. A certified copy of any refunding bond ordinance shall be filed with the Director of the Division of Local Finance in the Department of Community Affairs before adoption, together with a complete statement in form prescribed by the director and signed by the chief financial officer of the school district as to the outstanding bonds to be funded or refunded by issuance of the refunding bonds. No refunding bond ordinance or any resolution performing, determining or authorizing matters or acts in connection with refunding bonds shall take effect until the consent of the local finance board shall have been endorsed upon a certified copy thereof as adopted.

Any certification or endorsement of consent made by the local finance board or by a majority of the members thereof or by the secretary thereof pursuant to its direction as to any issue of refunding bonds shall, after the issuance of such refunding bonds in reliance thereon, be conclusive as to its validity or regularity and shall not be contested in any action or proceeding relating to such refunding bonds instituted after the issuance of such bonds.

The county, municipality or school district may enter into any contracts or agreements to implement the refunding program, including agreements with banking institutions with respect to the application of moneys deposited in a sinking fund for the payment of the refunding bonds at their maturity date to the purchase of obligations of the United States Government or obligations of the

principal of and interest on which are guaranteed by the United States Government or obligations of any agency or instrumentality of the United States Government without regard to any limitations as to the investment or deposit of moneys.

5. Section 8 of P. L. 1969, c. 130 (C. 18A:24-61.8) is amended to read as follows:

8. Refunding bonds may be issued in one or more series and shall contain the word "refunding" in their title and shall recite that they are issued pursuant to this chapter and shall bear such date or dates, mature at such time or times not exceeding 40 years, as may be approved by the Local Finance Board, from their date, bear interest at such rate or rates, payable at such time or times, be in such denomination and in such form, either coupon or registered, carry such registration privileges, be executed in such manner consistent with the provisions of this Title for bonds of such school district, be payable at such place or places, and be subject to such terms of redemption, with or without premium, as may be determined by the refunding bond ordinance or by subsequent resolution or resolutions of the board of education.

6. Section 10 of P. L. 1969, c. 130 (C. 18A:24-61.10) is amended to read as follows:

C. 18A:24-61.10 Use of sinking or reserve funds to retire bonds; investment of sinking fund moneys.

10. Moneys or investments in any sinking fund or reserve fund of the school district established or held for any refunded bonds to be paid, funded or refunded by issuance of refunding bonds shall, unless the refunding bond ordinance provides otherwise, be applied to the payment or retirement of any such refunded bonds. In the event that there shall be in any such fund any bonds of the school district other than those which are being paid, funded or refunded, said bonds or notes shall be removed from such fund and canceled but only to the extent that the moneys or investment remaining in such fund shall be not less than the outstanding refunded bonds of the school district not funded or refunded and for which such fund was established or held, but any excess of such moneys or investment may be held for and applied to the payment of the principal of and interest on the refunding bonds. The refunding bond ordinance may provide that the proceeds from the sale of any refunding bonds shall be deposited in such sinking fund or reserve fund in trust to provide for the payment and re-

retirement of the obligations being refunded at the maturity dates thereof or by redemption prior to the maturity dates and provision may be made for the pledge and disposition of any amounts in excess of the amounts required for such purposes. Money in any such sinking fund may be invested in (a) direct obligations of the United States Government, (b) obligations the principal of and interest on which are guaranteed by the United States Government, (c) to the extent then permitted by law in obligations of any agency or instrumentality of the United States Government or (d) in certificates of deposit issued by a bank or trust company located in this State if such certificate shall be secured by a pledge of any of said obligations described in (a), (b) or (c) above having an aggregate market value, exclusive of accrued interest, equal at least to the principal amount of the certificates so secured. Nothing herein shall be construed as a limitation on the duration of any deposit in trust for the retirement of obligations being refunded but which shall not have matured and which shall not be presently redeemable or, if presently redeemable, shall not have been called for redemption.

7. This act shall take effect immediately.

Approved July 13, 1978.

b. The continuation of these conditions endangers the public health, safety and welfare, as well as adversely affecting the economy of the State;

c. In many areas of the State, local governments have been financially unable to assume the full costs of flood protection and control projects needed to address chronic conditions; and

d. The provision of State assistance for local flood control projects and the development of comprehensive flood control master plans are required to initiate an ongoing program to address these problems in a systematic, intergovernmental and environmentally acceptable manner.

a. \$22,000,000.00 of the proceeds of the bonds shall be reserved to the department for purposes of State grants to local units for the acquisition, development, construction and maintenance of flood control facilities. b. \$3,000,000.00 of the proceeds shall be reserved to the department for the preparation, development and maintenance of a comprehensive Statewide flood control master plan and for the purpose of grants to counties and other regional agencies for the preparation, development and maintenance, of comprehensive regional flood control master plans. The terms and conditions of such grants shall be specified by law; provided, however, that no such grant shall be for more than 50% of the cost of any project.

5. The commissioner shall issue and promulgate, pursuant to law, such rules and regulations as are necessary and appropriate to carry out the provisions of this act. The commissioner shall review

and consider the findings and recommendations of the commission in the administration of the provisions of this act.

6. Said bonds shall be serial bonds and known as "Emergency Flood Control Bonds" and as to each series, the last annual installment thereof (subject to redemption prior to maturity) shall mature and be paid not later than 35 years from the date of its issuance but may be issued in whole or in part for a shorter term.

Said bonds shall be issued from time to time as the issuing officials herein named shall determine.

7. The Governor, State Treasurer and Comptroller of the Treasury or any two of such officials (hereinafter referred to as "the issuing officials") are hereby authorized to carry out the provisions of this act relating to the issuance of said bonds, and shall determine all matters in connection therewith subject to provisions hereof. In case any of said officials shall be absent from the State or incapable of acting for any reason, his powers and duties shall be exercised and performed by such person as shall be authorized by law to act in his place as a State official.

8. Bonds issued in accordance with the provisions of this act shall be a direct obligation of the State of New Jersey and the faith and credit of the State are pledged for the payment of the interest thereon as same shall become due and the payment of the principal at maturity. The principal and interest of such bonds shall be exempt from taxation by the State or by any county, municipality or other taxing district of the State.

9. Said bonds shall be signed in the name of the State by the Governor or by his facsimile signature, under the Great Seal of the State, and attested by the Secretary of State, or an assistant Secretary of State, and shall be countersigned by the facsimile signature of the Comptroller of the Treasury. Interest coupons attached to said bonds shall be signed by the facsimile signature of the Comptroller of the Treasury. Such bonds may be issued notwithstanding that any of the officials signing them or whose facsimile signatures appear on the bonds or coupons shall cease to hold office at the time of such issue or at the time of the delivery of such bonds to the purchaser.

10. a. Such bonds shall recite that they are issued for the purposes set forth in section 4 of this act and that they are issued in pursuance of this act and that this act was submitted to the

people of the State at the general election held in the month of November, 1978, and that it received the approval of the majority of votes cast for and against it at such election. Such recital in said bonds shall be conclusive evidence of the authority of the State to issue said bonds and of their validity. Any bonds containing such recital shall in any suit, action or proceeding involving their validity be conclusively deemed to be fully authorized by this act and to have been issued, sold, executed and delivered in conformity herewith and with all other provisions of statutes applicable thereto, and shall be incontestable for any cause.

b. Such bonds shall be issued in such denominations and in such form or forms, whether coupon or registered as to both principal and interest, and with or without such provisions for interchangeability thereof, as may be determined by the issuing officials.

11. When the bonds are issued from time to time the bonds of each issue shall constitute a separate series to be designated by the issuing officials. Each series of bonds shall bear such rate or rates of interest as may be determined by the issuing officials, which interest shall be payable semiannually; provided, that the first and last interest periods may be longer or shorter, in order that intervening semiannual payments may be at convenient dates.

12. Said bonds shall be issued and sold at such price not less than the par value thereof and accrued interest thereon, and under such terms, conditions and regulations, as the issuing officials may prescribe, after notice of said sale, published at least once in at least three newspapers published in the State of New Jersey, and at least once in a publication carrying municipal bond notices and devoted primarily to financial news, published in the city of New York or in New Jersey, the first notice to be at least 5 days prior to the day of bidding. The said notice of sale may contain a provision to the effect that any or all bids in pursuance thereof may be rejected. In the event of such rejection or of failure to receive any acceptable bid, the issuing officials, at any time within 60 days from the date of such advertised sale, may sell such bonds at private sale at such price not less than the par value thereof and accrued interest thereon and under such terms and conditions as the issuing officials may prescribe. The issuing officials may sell all or part of the bonds of any series as issued to any State fund or to the Federal Government or any agency thereof, at private sale, without advertisement.

13. Until permanent bonds can be prepared, the issuing officials may, in their discretion, issue in lieu of such permanent bonds temporary bonds in such form and with such privileges as to registration and exchange for permanent bonds as may be determined by the issuing officials.

14. The proceeds from the sale of the bonds shall be paid to the State Treasurer and be held by him in a separate fund, and be deposited in such depositories as may be selected by him to the credit of the fund, which fund shall be known as the "Emergency Flood Control Fund."

15. a. The moneys in said "Emergency Flood Control Fund" are hereby specifically dedicated and shall be applied to the cost of the purposes set forth in section 4 of this act, and all such moneys are hereby appropriated for such purposes, and no such moneys shall be expended for such purpose (except as otherwise hereinbelow authorized) without the specific appropriation thereof by the Legislature, but bonds may be issued as herein provided notwithstanding that the Legislature shall not have then adopted an act making specific appropriation of any of said moneys.

b. At any time prior to the issuance and sale of bonds under this act, the State Treasurer is hereby authorized to transfer from any available money in the treasury of the State to the credit of the "Emergency Flood Control Fund" such sum as he may deem necessary. Said sum so transferred shall be returned to the treasury of this State by the treasurer thereof from the proceeds of the sale of the first issue of bonds.

c. Pending their application to the purpose provided in this act, moneys in the "Emergency Flood Control Fund" may be invested and reinvested as other trust funds in the custody of the State Treasurer in the manner provided by law. Net earnings received from the investment or deposit of such fund shall be paid into the General State Fund.

16. In case any coupon bonds or coupons thereunto appertaining or any registered bond shall become lost, mutilated or destroyed, a new bond shall be executed and delivered of like tenor, in substitution for the lost, mutilated or destroyed bonds or coupons, upon the owner furnishing to the issuing officials evidence satisfactory to them of such loss, mutilation or destruction, proof of ownership and such security and indemnity and reimbursement for expenses as the issuing officials may require.

17. Accrued interest received upon the sale of said bonds shall be applied to the discharge of a like amount of interest upon said bonds when due. Any expense incurred by the issuing officials for advertising, engraving, printing, clerical, legal or other services necessary to carry out the duties imposed upon them by the provisions of this act shall be paid from the proceeds of the sale of said bonds, by the State Treasurer upon warrant of the Comptroller of the Treasury, in the same manner as other obligations of the State are paid.

18. Bonds of each series issued hereunder shall mature in annual installments commencing not later than the tenth year and ending not later than the thirty-fifth year from the date of issue of such series, and in such amounts as shall be determined by the issuing officials, and the issuing officials may reserve to the State by appropriate provision in the bonds of any series the power to redeem all or any of such bonds prior to maturity at such price or prices and upon such terms and conditions as may be provided in such bonds.

19. The issuing officials may at any time and from time to time issue refunding bonds for the purpose of refunding in whole or in part an equal principal amount of the bonds of any series issued and outstanding hereunder, which by their terms are subject to redemption prior to maturity, provided such refunding bonds shall mature at any time or times not later than the latest maturity date of such series, and the aggregate amount of interest to be paid on the refunding bonds, plus the premium, if any, to be paid on the bonds refunded, shall not exceed the aggregate amount of interest which would be paid on the bonds refunded if such bonds were not so refunded. Refunding bonds shall constitute direct obligations of the State of New Jersey, and the faith and credit of the State are pledged for the payment of the principal thereof and the interest thereon. The proceeds received from the sale of refunding bonds shall be held in trust and applied to the payment of the bonds refunded thereby. Refunding bonds shall be entitled to all the benefits of this act and subject to all its limitations except as to the maturities thereof and to the extent herein otherwise expressly provided.

20. To provide funds to meet the interest and principal payment requirements for the bonds issued under this act and outstanding, there is hereby appropriated in the order following:

a. Revenue derived from the collection of taxes as provided by the "Sales and Use Tax Act" (P. L. 1966, c. 30) as amended and supplemented, or so much thereof as may be required; and

b. If in any year or at any time funds, as hereinabove appropriated, necessary to meet interest and principal payments upon outstanding bonds issued under this act, be insufficient or not available then and in that case there shall be assessed, levied and collected annually in each of the municipalities of the counties of this State a tax on real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to meet the interest on all outstanding bonds issued hereunder and on such bonds as it is proposed to issue under this act in the calendar year in which such tax is to be raised and for the payment of bonds falling due in the year following the year for which the tax is levied. The tax thus imposed shall be assessed, levied and collected in the same manner and at the same time as other taxes upon real and personal property are assessed, levied and collected. The governing body of each municipality shall cause to be paid to the county treasurer of the county in which such municipality is located, on or before December 15 in each year, the amount of tax herein directed to be assessed and levied, and the county treasurer shall pay the amount of said tax to the State Treasurer on or before December 20 in each year.

If on or before December 31 in any year the issuing officials shall determine that there are moneys in the General State Fund beyond the needs of the State, sufficient to meet the principal of bonds falling due and all interest payable in the ensuing calendar year, then and in the event such issuing officials shall by resolution so find and shall file the same in the office of the State Treasurer, whereupon the State Treasurer shall transfer such moneys to a separate fund to be designated by him, and shall pay the principal and interest out of said fund as the same shall become due and payable, and the other sources of payment of said principal and interest provided for in this section shall not then be available, and the receipts for said year from the tax specified in subsection a. of this section shall thereon be considered and treated as part of the General State Fund, available for general purposes.

21. Should the State Treasurer, by December 31 of any year, deem it necessary, because of insufficiency of funds to be collected from the sources of revenues as hereinabove provided, to meet the interest and principal payments for the year after the ensuing

year, then the treasurer shall certify to the Comptroller of the Treasury the amount necessary to be raised by taxation for such purposes, the same to be assessed, levied and collected for and in the ensuing calendar year. In such case the Comptroller of the Treasury shall, on or before March 1 following, calculate the amount in dollars to be assessed, levied and collected as herein set forth in each county. Such calculation shall be based upon the corrected assessed valuation of such county for the year preceding the year in which such tax is to be assessed, but such tax shall be assessed, levied and collected upon the assessed valuation of the year in which the tax is assessed and levied. The Comptroller of the Treasury shall certify said amount to the county board of taxation and the county treasurer of each county. The said county board of taxation shall include the proper amount in the current tax levy of the several taxing districts of the county in proportion to the ratables as ascertained for the current year.

22. For the purpose of complying with the provisions of the State Constitution this act shall, at the general election to be held in the month of November, 1978 be submitted to the people. 7. The Governor, State Treasurer and Comptroller of the Treasury or any two of such officials (hereinafter referred to as "the issuing officials") are hereby authorized to carry out the provisions of this act relating to the issuance of said bonds, and shall determine all matters in connection therewith subject to provisions hereof. In case any of said officials shall be absent from the State or incapable of acting for any reason, his powers and duties shall be exercised and performed by such person as shall be authorized by law to act in his place as a State official.

8. Bonds issued in accordance with the provisions of this act shall be a direct obligation of the State of New Jersey and the faith and credit of the State are pledged for the payment of the interest thereon as same shall become due and the payment of the principal at maturity. The principal and interest of such bonds shall be exempt from taxation by the State or by any county, municipality or other taxing district of the State.

9. Said bonds shall be signed in the name of the State by the Governor or by his facsimile signature, under the Great Seal of the State, and attested by the Secretary of State, or an assistant Secretary of State, and shall be countersigned by the facsimile signature of the Comptroller of the Treasury. Such recital in

said bonds shall be conclusive evidence of the authority of the State to issue said bonds and of their validity. Any bonds containing such recital shall in any suit, action or proceeding involving their validity be conclusively deemed to be fully authorized by this act and to have been issued, sold, executed and delivered in conformity herewith and with all other provisions of statutes applicable thereto, and shall be incontestable for any cause.

b. Such bonds shall be issued in such denominations and in such form or forms, whether coupon or registered as to both principal and interest, and with or without such provisions for interchangeability thereof, as may be determined by the issuing officials.

11. When the bonds are issued from time to time the bonds of each issue shall constitute a separate series to be designated by the issuing officials. Each series of bonds shall bear such rate or rates of interest as may be determined by the issuing officials, which interest shall be payable semiannually; provided, that the first and last interest periods may be longer or shorter, in order that intervening semiannual payments may be at convenient dates.

12. Said bonds shall be issued and sold at such price not less than the par value thereof and accrued interest thereon, and under such terms, conditions and regulations, as the issuing officials may prescribe, after notice of said sale, published at least once in at least three newspapers published in the State of New Jersey, and at least once in a publication carrying municipal bond notices and devoted primarily to financial news, published in the city of New York or in New Jersey, the first notice to be at least 5 days prior to the day of bidding. In the event of such rejection or of failure to receive any acceptable bid, the issuing officials, at any time within 60 days from the date of such advertised sale, may sell such bonds at private sale at such price not less than the par value thereof and accrued interest thereon and under such terms and conditions as the issuing officials may prescribe. tion and exchange for permanent bonds as may be determined by the issuing officials.

14. The proceeds from the sale of the bonds shall be paid to the State Treasurer and be held by him in a separate fund and be deposited in such depositories as may be selected by him to the credit of the fund, which fund shall be known as the "Institutional Construction Fund."

15. a. The moneys in said "Institutional Construction Fund" are hereby specifically dedicated and shall be applied to the cost of the purposes set forth in section 5 of this act, and all such moneys are hereby appropriated for such purposes, and no such moneys shall be expended for such purpose (except as otherwise hereinbelow authorized) without the specific appropriation thereof by the Legislature, but bonds may be issued as herein provided notwithstanding that the Legislature shall not have then adopted an act making specific appropriation of any of said moneys.

b. At any time prior to the issuance and sale of bonds under this act, the State Treasurer is hereby authorized to transfer from any available money in the treasury of the State to the credit of the "Institutional Construction Fund" such sum as he may deem necessary. Said sum so transferred shall be returned to the treasury of this State by the treasurer thereof from the proceeds of the sale of the first issue of bonds.

c. Pending their application to the purpose provided in this act, moneys in the "Institutional Construction Fund" may be invested and reinvested as other trust funds in the custody of the State Treasurer in the manner provided by law. Net earnings received from the investment or deposit of such fund shall be paid into the General State Fund.

16. In case any coupon bonds or coupons thereunto appertaining or any registered bond shall become lost, mutilated or destroyed, a new bond shall be executed and delivered of like tenor, in substitution for the lost, mutilated or destroyed bonds or coupons, upon the owner furnishing to the issuing officials evidence satisfactory to them of such loss, mutilation or destruction, proof of ownership and such security and indemnity and reimbursement for expenses as the issuing officials may require.

17. Accrued interest received upon the sale of said bonds shall be applied to the discharge of a like amount of interest upon said

bonds when due. Any expense incurred by the issuing officials for advertising, engraving, printing, clerical, legal or other services necessary to carry out the duties imposed upon them by the provisions of this act shall be paid from the proceeds of the sale of said bonds, by the State Treasurer upon warrant of the Comptroller of the Treasury, in the same manner as other obligations of the State are paid.

18. Bonds of each series issued hereunder shall mature in annual installments commencing not later than the tenth year and ending not later than the thirty-fifth year from the date of issue of such series, and in such amounts as shall be determined by the issuing officials, and the issuing officials may reserve to the State by appropriate provision in the bonds of any series the power to redeem all or any of such bonds prior to maturity at such price or prices and upon such terms and conditions as may be provided in such bonds.

19. The issuing officials may at any time and from time to time issue refunding bonds for the purpose of refunding in whole or in part an equal principal amount of the bonds of any series issued and outstanding hereunder, which by their terms are subject to redemption prior to maturity, provided such refunding bonds shall mature at any time or times not later than the latest maturity date of such series, and the aggregate amount of interest to be paid on the refunding bonds, plus the premium, if any, to be paid on the bonds refunded, shall not exceed the aggregate amount of interest which would be paid on the bonds refunded if such bonds were not so refunded. Refunding bonds shall constitute direct obligations of the State of New Jersey, and the faith and credit of the State are pledged for the payment of the principal thereof and the interest thereon. The proceeds received from the sale of refunding bonds shall be held in trust and applied to the payment of the bonds refunded thereby. Refunding bonds shall be entitled to all the benefits of this act and subject to all its limitations except as to the maturities thereof and to the extent herein otherwise expressly provided.

20. To provide funds to meet the interest and principal payment requirements for the bonds issued under this act and outstanding, there is hereby appropriated in the order following:

a. Revenue derived from the collection of taxes as provided by the "Sales and Use Tax Act" (P. L. 1966, c. 30) as amended and supplemented, or so much thereof as may be required; and

The tax thus imposed shall be assessed, levied and collected in the same manner and at the same time as other taxes upon real and personal property are assessed, levied and collected. The governing body of each municipality shall cause to be paid to the county treasurer of the county in which such municipality is located, on or before December 15 in each year, the amount of tax herein directed to be assessed and levied, and the county treasurer shall pay the amount of said tax to the State Treasurer on or before December 20 in each year.

If on or before December 31 in any year the issuing officials shall determine that there are moneys in the General State Fund beyond the needs of the State, sufficient to meet the principal of bonds falling due and all interest payable in the ensuing calendar year, then and in the event such issuing officials shall by resolution so find and shall file the same in the office of the State Treasurer, whereupon the State Treasurer shall transfer such moneys to a separate fund to be designated by him, and shall pay the principal and interest out of said fund as the same shall become due and payable, and the other sources of payment of said principal and interest provided for in this section shall not then be available, and the receipts for said year from the tax specified in subsection a. of this section shall thereon be considered and treated as part of the General State Fund, available for general purposes.

21. Should the State Treasurer, by December 31 of any year, deem it necessary, because of insufficiency of funds to be collected from the sources of revenues as hereinabove provided, to meet the interest and principal payments for the year after the ensuing year, then the treasurer shall certify to the Comptroller of the Treasury the amount necessary to be raised by taxation for such purposes, the same to be assessed, levied and collected for and in

the ensuing calendar year. In such case the Comptroller of the Treasury shall, on or before March 1 following, calculate the amount in dollars to be assessed, levied and collected as herein set forth in each county. Such calculation shall be based upon the corrected assessed valuation of such county for the year preceding the year in which such tax is to be assessed, but such tax shall be assessed, levied and collected upon the assessed valuation of the year in which the tax is assessed and levied. The Comptroller of the Treasury shall certify said amount to the county board of taxation and the county treasurer of each county. The said county board of taxation shall include the proper amount in the current tax levy of the several taxing districts of the county in proportion to the ratables as ascertained for the current year.

18. a. No government agency and no hospital service corporation organized under the laws of the State and no other purchasers of health care services shall purchase, pay for or make reimbursement or grant-in-aid for any health care service provided by a health care facility unless at the time the service was provided, the health care facility possessed a valid license or was otherwise authorized to provide such service.

b. Payment by government agencies other than those made through the Medical Assistance and Health Services Act P. L. 1968, c. 413 (C. 30:4D-1 et seq.), and payment by hospital service corporations organized under the laws of this State for health care services provided by a hospital shall be at reasonable rates approved by the commission as provided for by regulations proposed by the commissioner and approved by the board.

The schedule of rates shall be reasonable and sufficient to provide the revenue requirements of the certified revenue base of a hospital, considering the health care system as a whole and based on financial elements approved by the commissioner. Nothing herein shall be construed to prohibit the Commissioner of Human Services from contracting with the Commissioner of Health for the commission to approve rates, on behalf of the Commissioner of Health, by which hospitals are reimbursed pursuant to the Medical Assistance and Health Services Act, P. L. 1968, c. 413 (C. 30:4D-1 et seq.). Rates of payment by hospital service corporations organized under the law of this State for health care services provided by a hospital shall be set by the commission. Payment by all other purchasers of health care services provided by a hospital shall be at reasonable rates approved by the commission as provided in this act. All payment rates shall be equitable for each payor or class of payors without discrimination or individual preference except for quantifiable economic benefits rendered to the institution or to the health care delivery system taken as a whole. In addition to other such benefits which the commission may consider, it shall consider the following, if found to be quantifiable: (1) degree of promptness and volume of payments to hospitals so that hospitals are provided with funds for current financing of their services; and (2) broad provision of health insurance coverages which are not otherwise affordable or obtainable at premium rates which are not self-supporting. In determining the quantifiable economic benefits to which consideration shall be given in approving payment rates, the commission may consider overall financial benefits to society which are provided by programs offered by a payor or class of payors.

c. Payment by government agencies other than those made through the Medical Assistance and Health Services Act, P. L. 1968, c. 413 (C. 30:4D-1 et seq.), and payment by hospital service corporations organized under the laws of this State for health care services provided by health care facilities other than hospitals shall be at reasonable rates set by the commissioner based on financial

elements approved by him; provided, however, that nothing herein shall be construed to prohibit the Commissioner of Human Services from contracting with the commissioner for the setting of rates by which health care facilities other than hospitals are reimbursed pursuant to the Medical Assistance and Health Services Act, P. L. 1968, c. 413 (C. 30:4D-1 et seq.). Rates of payment by hospital service corporations organized under the laws of this State for health care services provided by a health care facility other than hospitals shall be set in consultation with the Commissioner of Insurance.

d. The financial elements of the preliminary cost base and of the certified revenue base shall include the reasonable cost of the following, as defined in regulations proposed by the commissioner and approved by the board: direct patient care; principal and interest payments; paid taxes, excluding income taxes; educational, research and training programs, not otherwise paid for by the State; the provision of health care services to individuals unable to pay for them for reasons of indigency; bad debts, provided adequate recovery procedures are followed; preservation, replacement and improvement of facility and equipment subject to appropriate planning requirements; and reasonable working capital. Said financial elements may include, where applicable and appropriate, a reasonable return on investment where a hospital is operating efficiently and effectively. In determining proposed payments to hospitals, the commissioner shall take into account a facility's income from all sources, including specific purpose grants and other funds from governmental sources, but excluding income and principal from board or donor restricted funds, gifts and special fund-raising projects.

To establish and maintain a fair and equitable system for determining such payments, the commissioner shall require each health care facility to report such financial, statistical and patient information as may be required, in accordance with a uniform system of reporting established by him. The commissioner may propose regulations for approval by the board which assess penalties for failure to report such information within such time as may be prescribed therein.

C. 26:2H-18.1 Determinations and hearings; regulations.

11. (New section)

a. The commission shall make the determinations and hear appeals provided for in this act in a timely manner pursuant to

regulations proposed by the commissioner and approved by the board. Such regulations shall be presented to the Standing Legislative Committees on Institutions, Health and Welfare for final approval within 1 year following establishment of the commission pursuant to the provisions of this act, and shall remain in effect in the form proposed by the commissioner and approved by the board until the provisions of such regulations are enacted into law as amendments to this act. Such regulations shall require that in the event the commission does not perform its duties within the time period specified therein the commission may permit a hospital to make a temporary reasonable change in rates which shall be effective immediately, when it deems it in the public interest to do so. Notwithstanding such temporary change in rates, the review procedure set forth in this section shall be conducted by the commission as soon thereafter as is possible.

b. Pursuant to regulations proposed by the commissioner and approved by the board, the commissioner shall propose and the commission shall make automatic periodic adjustments to each preliminary cost base or certified revenue base for changes in economic factors reasonably calculated to provide for the effects of general economic inflation or deflation; for industrywide changes in the efficiency of delivering health care services; and for each hospital's actual changes in volume and case-mix, which are necessary and appropriate. The commission shall approve an appropriate change in the schedule of rates to reflect these adjustments.

c. Pursuant to regulations proposed by the commissioner and approved by the board, the commission shall consider adjustments to the certified revenue bases and schedules of rates, provided such adjustments: (1) result from statutes and regulations affecting the delivery of health care; and (2) may affect one or more hospitals. Such adjustments shall take into account the effectiveness and efficiency of the health care delivery system as a whole. Where appropriate the commission may sit en banc and hold public hearings in order to obtain the evidence required to support its conclusions and determinations. In the case of such hearings the commission shall provide actual notice to the affected planning and licensing authorities and hospitals, and to the commissioner and the Public Advocate.

d. Pursuant to regulations proposed by the commissioner and approved by the board, all other changes in the commission's determinations shall require a review by the commission in a public

hearing of the entire preliminary cost base or certified revenue base and schedule of rates. Determinations of the commission may be appealed by hospitals, the commissioner, the Public Advocate, affected planning, licensing or inspection agencies and payors, and other affected parties, and shall be conducted as contested proceedings under the Administrative Procedures Act, P. L. 1968, c. 410 (C. 52:14B-1 et seq.). During the pendency of any appeal, the schedule of rates approved by the commission pursuant to sections 5 and 10 of this act shall remain in effect.

In all appeals, the burden of proof shall be on the petitioner. All determinations rendered hereunder shall be consistent with regulations and shall set forth in detail the commission's reasoning and conclusions regarding the parties and considerations specified in this act.

12. Section 7 of P. L. 1938, c. 366 (C. 17:48-7) is amended to read as follows:

C. 17:48-7 Health care facilities eligible for contracts; approval of rates of payment.

7. Any hospital service corporation may enter into contracts with health care facilities for the rendering of health care services to any of its subscribers only with licensed health care facilities.

Rates of payment by such hospital service corporation shall be approved as to reasonableness by the Hospital Rate Setting Commission pursuant to section 18 of the Health Care Facilities Planning Act (P. L. 1971, c. 136). The maximum rate of payment to eligible hospitals and institutions not under contract with such hospital service corporation shall not exceed the particular hospital's or institution's regular charges to the general public for the same services and shall be set forth in the certificate issued by such hospital service corporation to any subscriber. The basis and extent of payment, if any, by such hospital service corporation under agreement with nonprofit hospital service plans of other states shall be subject to the approval of the Commissioner of Insurance.

C. 26:2H-18.2 Annual fees.

13. (New section)

The Department of Health, to effectuate the provisions and purposes of sections 10 and 11 of this act and to support the functions described therein, may charge health care facilities such reasonable annual fees as shall be provided by law.

C. 26:2H-18.3 Reports to Governor and Legislature.

14. (New section)

The commissioner and the commission shall each submit a report to the Governor and the Legislature at least once each year. The reports shall include a summary of the activities of the Department of Health and the commission pursuant to the provisions of this act, and any recommendations or suggestions for legislative consideration.

The Legislature, through the Senate and General Assembly Standing Committees on Institutions, Health and Welfare shall review, on a continuous basis, the development, administration and operation of the programs provided for in this act. To facilitate this review and oversight, the commissioner shall submit to the committees the report required above, and shall consult with the committees concerning the preparation of regulations to implement the provisions of this act.

Notwithstanding anything to the contrary contained in the act to which this act is amendatory and supplementary, when an urban renewal corporation or an urban renewal association, being a party to a financial agreement prepared in compliance with sections 20 to 25, inclusive, of said act (C. 40:55C-59 to 40:55C-64), files a master deed pursuant to P. L. 1969, c. 257 (C. 46:8B-1 et seq.) creating a condominium as to all or a portion of a project which has been approved for tax exemption under section 19 of said act (C. 40:55C-58), each unit of the condominium whether owned by the urban renewal corporation, urban renewal association or a successor unit purchaser of either, shall continue to be subject to the provisions of said act, as modified in this section, and the tax exemption previously approved under the provisions of said act with respect to the property converted to condominium ownership shall be unaffected by the recording of the master deed or any subsequent deed conveying the condominium unit and its appurtenant interest in the common elements. The constant payments to principal and interest shall be calculated by assuming a loan amount as aforesaid at the maximum lawful interest rate under R. S. 31:1-1 as of the date of recording of the unit deed, for a term equal to the full term of the exemption from taxation stipulated in the financial agreement.

b. There is expressly excluded from calculation of annual gross revenue and from allowable net profit any gain realized on the sale of a condominium unit, whether or not taxable under applicable Federal or State laws.

11. Section 23 of P. L. 1961, c. 40 (C. 40:55C-62) is amended to read as follows:

12. Section 26 of P. L. 1961, c. 40 (C. 40:55C-65) is amended to read as follows:

C. 40:55C-65 Exemption of rehabilitation or improvements from taxation; annual service charge; amount; credit against annual charge; expiration of tax exemption.

26. The rehabilitation or improvements made in the development or redevelopment of a blighted area, pursuant to this act, shall be exempt from taxation for a period of not more than 20 years from the date of the execution of a financial agreement for the development or redevelopment of the property upon which the improvements are to be made pursuant to a financial agreement entered into with the municipality in which said area is situate, provided, in an instance of housing the redevelopment or improvements shall be exempt from taxation for a period of 35 years. Any such exemption shall be claimed and allowed in the same or a similar manner as in the case of other real property exemptions and no such claim shall be allowed unless the municipality wherein said property is situated shall certify that a financial agreement with an urban renewal corporation or association for the development or the redevelopment of the property has been entered into and is in effect as required by the provisions of this act. In event that an exemption status changes during a tax year, the procedure for the apportionment of the taxes for said year shall be the same as in the case of other changes in tax exemptions status during the tax year.

With respect to any projects or portions of any projects not devoted to condominium ownership pursuant to P. L. 1969, c. 257 (C. 46:8B-1 et seq.), the urban renewal corporation or association shall make payment to the municipality of an annual service charge for municipal services supplied to said project, in an annual amount equal to 15% of the annual gross revenues from each unit of the project, if the project is undertaken in units, or from the total project if the project is not undertaken in units, for each of the years of operation commencing with the date of the completion of such unit or of the project, as the case may be.

Where all or part of a project is devoted to condominium ownership by the recording of a master deed pursuant to P. L. 1969, c. 257 (C. 46:8B-1 et seq.), the project or portions thereof so utilized shall be liable for, and the urban renewal corporation or association, or a condominium owner, as the case may be, shall pay to the municipality, an amount equal to 15% of the annual gross revenue from each condominium unit in the project, or the condominium unit owned, as the case may be, for each of the first 10 years of operation commencing upon the date of the completion of the project, or each condominium unit, if the project is undertaken in units, as the case may be. For the remainder of the period of the exemption, the annual service charge shall be determined in the same manner as provided in this paragraph, subject to the following modifications:

a. For the eleventh year and for each succeeding year thereafter through the fifteenth year, an amount equal to either 15% of the annual gross revenue, or 20% of the amount of taxes otherwise due on the value of the land and improvements, whichever shall be greater;

b. For the sixteenth year and for each succeeding year thereafter through the twentieth year, an amount equal to either 15% of the annual gross revenue, or 40% of the amount of taxes otherwise due on the value of the land and improvements, whichever shall be greater;

c. For the twenty-first year and for each succeeding year thereafter through the twenty-fifth year, an amount equal to either 15% of the annual gross revenue, or 60% of the amount of taxes otherwise due on the value of the land and improvements, whichever shall be greater; and,

d. For the twenty-sixth year and for each succeeding year thereafter through the thirtieth year, an amount equal to either 15% of the annual gross revenue, or 80% of the amount of taxes other-

wise due on the value of the land and improvements, whichever shall be greater.

Where because of the nature of the development, ownership, use or occupancy of the project or any unit thereof if the project is to be undertaken in units, the total annual gross rental cannot be reasonably ascertained under the provisions of section 12 of this act (C. 40:55C-51), the governing body shall provide in the financial agreement that the annual service charge shall be a sum equal to 2% of the total project cost or total project unit cost determined pursuant to section 8 of this act (C. 40:55C-47), calculated from first day of the month following the substantial completion of the project or any unit thereof if the project is undertaken in units; provided, however, that in no event shall such payment together with the taxes on the land, in any year after first occupancy of the project be less than the total taxes assessed on all real property in the area covered by the project in the calendar year immediately preceding the acquisition of the said area by the municipality or its agency, or by the private or public owner from whom the urban renewal corporation acquired the land.

The aforesaid payment shall be made annually within 30 days after the close of each such calendar year.

Against such annual charge the corporation or association, or, in the case of a condominium unit, the unit owner, shall be entitled to credit for the amount, without interest, of the real estate taxes on land paid by it in the last four preceding quarterly installments. On or before January 15 in each year each taxing district shall report to the county board of taxation, in such form as shall be approved by the director of the Division of Taxation, the amount of the service charge in excess of the taxes on the land chargeable for the preceding calendar year for each project or unit thereof subject to the provisions of this act. The county tax board shall capitalize the amount so reported by each taxing district by dividing the same by the tax rate per \$100.00 of valuation for the taxing district for the preceding year and multiplying the resultant quotient by 100. The result of such capitalization shall be included in the ensuing table of aggregates in a separate column as locally assessed real estate and shall be equalized in the same manner as other real estate for the purposes of apportionment of county taxes.

At the end of 20 years from the date of the execution of said financial agreement or earlier at the end of 15 years of operation

of any unit, if the project is undertaken in units, or the entire project, if it is not undertaken in units, whichever occurs first, the tax exemption upon said unit, if the project is undertaken in units, or upon the entire project, if the project is not undertaken in units, shall cease and the improvements and any other property of the corporation or association as well as the land shall be assessed and taxed, according to general law, like other property in the municipality. In an instance of housing, the exemptions shall cease as provided above at the end of 35 years from the date of execution of the financial agreement or earlier at the end of 30 years of the operation of any unit, if the project is undertaken in units, or of the entire project if it is not undertaken in units, whichever first occurs, or if the project is devoted to condominium ownership at the end of 30 years after the recording of the master deed.

At the same date all restrictions and limitations upon the corporation or association shall terminate and be at an end upon the corporation's or association's rendering its final account with the municipality.

13. Section 28 of P. L. 1961, c. 40 (C. 40:55C-67) is amended to read as follows:

C. 40:55C-67 Limitation on tax exemption.

28. The tax exemption provided herein shall apply only so long as the urban renewal corporation or association and its project remain subject to the provisions of this act but in no event longer than 20 years from the date of the execution of the financial agreement, except in the instance of housing the tax exemption to the extent of such use shall apply for 35 years from said date. Any corporation or association organized hereunder may, at any time after the expiration of 1 year from the completion date of the project, notify the governing body of the municipality with which it has entered into a financial agreement that, as of a certain date designated in the notice, it relinquishes its status hereunder. As of the date so set, the tax exemption, the service charges and the profit and dividend restriction shall terminate. Upon any termination of such tax exemption, obligations and restrictions, whether by affirmative action of the corporation or association as above provided or by the provisions of this act or pursuant to the financial agreement made hereunder the date of such termination shall be deemed to be the end of the fiscal year of said corporation or association. Within 90 days after the date of such termination, the corporation or association shall pay to the municipality a sum equal to the

amount of the reserve, if any, maintained pursuant to section 27 of this act (C. 40:55C-66), as well as the excess profit, if any, payable pursuant to said section 27 by reason of the treatment of such date as the end of a fiscal year.

14. This act shall take effect immediately.

Approved July 31, 1978.

CHAPTER 94

AN Act to amend "An act concerning hospital service corporations and regulating the establishment, maintenance and operation of hospital service plans, and supplementing Title 17 of the Revised Statutes by adding thereto a new chapter entitled 'Hospital Service Corporations,' " approved June 14, 1938 (P. L. 1938, c. 366).

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

1. Section 1 of P. L. 1938, c. 366, (C. 17:48-1) is amended to read as follows:

C. 17:48-1 Definitions.

1. A hospital service corporation is hereby declared to be any corporation organized, without capital stock and not for profit, for the purpose of establishing, maintaining and operating a non-profit hospital service plan. A hospital service plan is hereby defined as a plan whereunder service benefit contracts are issued providing complete prepayment or postpayment of eligible health care services and supplies for a given period to persons covered under such contracts, and arrangements are made for payment for such health care services and supplies directly to the provider thereof, including but not limited to, health care facilities and other suppliers of health care services; in addition, hospital service corporations may issue contracts providing for whole or partial payment for health care services and supplies furnished to persons covered under such contracts; provided, however, that not more than 20% of persons covered by other than service benefit contract may be covered by contracts which include deductible option exceeding \$1,000.00 or such higher amount as the Commissione

of Insurance may permit by regulation, or co-insurance exceeding 30% of the total amount billed for covered health care services or supplies. Arrangements may be made for payment for such health care services and supplies directly to the provider thereof, including but not limited to, health care facilities and other suppliers of health care services, or to the subscribers under such contracts. Such providers or suppliers may include but are not limited to:

(a) A hospital service corporation; (b) a health care facility with which the corporation has a contract for such health care services or supplies to persons who become subscribers under contracts with the corporation; (c) a health care facility which is maintained by a State or any of its political subdivisions; (d) a health care facility licensed by the Department of Health; (e) such other health care facilities as shall have been designated by the Department of Health for health care services; (f) health care facilities located in other States, which are subject to the supervision of such other States provided that such last mentioned health care facilities, if they were to be located in this State, would be eligible to be licensed or designated by the Department of Health; or (g) nonprofit hospital service plans of other states approved by the Commissioner of Insurance.

2. Section 1 of P. L. 1970, c. 111, (C. 17:48-6.9) is amended to read as follows:

17:48-6.9 Adjustment of premium rates; experience rating formulas; approval by commissioner.

1. Any group contract, covering at least 50 employees or members, may provide for the adjustment of the rate of premium at the end of the first year or any subsequent year of insurance thereunder based on the experience thereunder both past and contemplated. No hospital service corporation shall use any form of experience rating plan until it shall have filed with the commissioner the formulas to be used and the classes of groups to which they are to apply. The commissioner may disapprove the formulas or classes at any time if he finds that the rates produced thereby are excessive, inadequate or unfairly discriminatory or that the formulas or classes are such as to prejudice the interests of persons who are eligible for hospital services under contracts with the hospital service corporation which are not subject to experience rating.

Excluding those rating formulas applicable to groups the employees or members of which are located in more than one state

and which are underwritten in participation with other corporation(s) of other state(s), no rating formula shall be approved by the commissioner unless it provides that the experience rated groups will be assessed a reasonable community charge. Any such rating formula may provide for the allowance of an equitable discount in the event the policyholder agrees to perform certain administrative and record keeping functions in connection with the routine maintenance of the group account.

Nothing in this section shall preclude the hospital service corporation from incorporating in the rate formula such claim cost and utilization trend factors as it deems necessary in its discretion so long as the rates produced are self-supporting and the formulas for classes do not prejudice the interests of persons who are eligible for hospital services under contracts with the hospital service corporation which are not subject to experience rating.

For experience rated groups of 50 to 99 employees or members, the commissioner will have the authority to determine that rates charged depart from community rates in such a way as to assure continuity of rating principles with the community rated and experience rated groups of 100 or more.

3. Section 10 of P. L. 1938, c. 366, (C. 17:48-10) is amended to read as follows:

C. 17:48-10 Solicitation and administrative expenses; investment of funds special contingent surplus.

10. No corporation subject to the provisions of this chapter shall during any one year disburse more than 10% of the aggregate amount of the payments received from subscribers during that year as expenditures for the soliciting of subscribers, except that during the first year after the issuance of a certificate of authority such corporation may so disburse not more than 20% of such amount and during the second year not more than 15%.

No such corporation shall, during any one year, disburse a sum greater than 20% of the payments received from subscribers during that year as administrative expenses. The term, "administrative expenses," as used in this section, shall include all expenditures for nonprofessional services and in general all expenses not directly connected with the furnishing of hospital services, but not including expenses of soliciting subscribers.

The funds of any hospital service corporation may be invested only in accordance with the requirements now or hereafter pro

vided by law for the investment of funds of life insurance companies. Every hospital service corporation after the first full calendar year of doing business after the effective date of this chapter, shall accumulate and maintain a special contingent surplus over and above its reserves and liabilities at the rate of 2% annually of its net premium income until such surplus shall be not less than \$100,000.00. Thereafter for any subsequent calendar year, such special contingent surplus shall be maintained at 2½% of the net premium income received during that year as determined by reference to the statement of financial condition filed pursuant to R. S. 17:48-11. The special contingent surplus as herein provided shall be contributed by each of the following two categories: 1) community rated, excluding open enrollment and conversion groups; and 2) experience rated subscribers, in the ratio that the net premium income of each category bears to the total net premium income of the corporation and by contribution from the category that gives rise to a diminution of the surplus required to be maintained under this act. Whenever it shall appear that such special contingent surplus has deviated from the amount required to be maintained by more than 2% of the aggregate amount of the net premium income received during that year, the Commissioner of Insurance shall approve and promulgate a plan reasonably calculated to return such special contingent surplus to the amount required to be maintained, within 2 years from the date of implementation of the plan specified above. Approval and promulgation of said plan by the Commissioner of Insurance shall not abrogate the responsibilities of corporate officers with regard to the reporting of financial conditions pursuant to section 11 of the act which this act amends.

4. Sections 1 and 2 of this act shall take effect immediately; section 3 shall take effect on January 1, 1981.

Approved August 2, 1978.

Section

2C:1-13. Proof Beyond a Reasonable Doubt; Affirmative Defenses; Burden of Proving Fact When Not an Element of an Offense.

2C:1-14. General Definitions.

C. 2C:1-1 Short Title; Rules of Construction.

2C:1-1. Short Title; Rules of Construction. a. This Title shall be known and may be cited as the "New Jersey Code of Criminal Justice."

b. Except as provided in subsections c. and d. of this section, the code does not apply to offenses committed prior to its effective date and prosecutions for such offenses shall be governed by the prior law, which is continued in effect for that purpose, as if this code were not in force. For the purposes of this section, an offense was committed after the effective date of the code if any of the elements of the offenses occurred subsequent thereto.

c. In any case pending on or initiated after the effective date of the code involving an offense committed prior to such date:

(1) The procedural provisions of the code shall govern, insofar as they are justly applicable and their application does not introduce confusion or delay;

(2) The court, with the consent of the defendant, may impose sentence under the provisions of the code applicable to the offense and the offender.

(3) The court shall, if the offense committed is no longer an offense under the provisions of the code, dismiss such prosecution.

d. (1) The provisions of the code governing the treatment and the release or discharge of prisoners, probationers and parolees shall apply to persons under sentence for offenses committed prior to the effective date of the code, except that the minimum or maximum period of their detention or supervision shall in no case be increased.

(2) Any person who is under sentence of imprisonment on the effective date of the code for an offense committed prior to the effective date which has been eliminated by the code or who has been sentenced to a maximum term of imprisonment for an offense committed prior to the effective date which exceeds the maximum established by the code for such an offense and who, on said effective date, has not had his sentence suspended or been paroled or discharged, may move to have his sentence reviewed by the sentencing court and the court may impose a new sentence, for

good cause shown as though the person had been convicted under the code, except that no period of detention or supervision shall be increased as a result of such resentencing.

e. The provisions of the code not inconsistent with those of prior laws shall be construed as a continuation of such laws.

f. The classification and arrangement of the several sections of the code have been made for the purpose of convenience, reference and orderly arrangement, and therefore no implication or presumption of a legislative construction is to be drawn therefrom.

g. In the construction of the code, or any part thereof, no outline or analysis of the contents of said title or of any subtitle, chapter, article or section, no cross-reference or cross-reference note and no headnote or source note to any section shall be deemed to be a part of the code.

h. If said title or any subtitle, chapter, article or section of the code, or any provision thereof, shall be declared to be unconstitutional, invalid or inoperative in whole or in part, by a court of competent jurisdiction, such title, subtitle, chapter, article, section or provision shall, to the extent that it is not unconstitutional, invalid or inoperative, be enforced and effectuated, and no such determination shall be deemed to invalidate or make ineffectual the remaining provisions of the title, or of any subtitle, chapter, article or section of the code.

C. 2C:1-2 Purposes; Principles of Construction.

2C:1-2. Purposes; Principles of Construction. a. The general purposes of the provisions governing the definition of offenses are:

(1) To forbid, prevent, and condemn conduct that unjustifiably and inexcusably inflicts or threatens substantial harm to individual or public interests;

(2) To insure the public safety by preventing the commission of offenses through the deterrent influence of the sentences authorized, the rehabilitation of those convicted, and their confinement when required in the interests of public protection;

(3) To subject to public control persons whose conduct indicates that they are disposed to commit offenses;

(4) To give fair warning of the nature of the conduct proscribed and of the sentences authorized upon conviction;

(5) To differentiate on reasonable grounds between serious and minor offenses; and

(6) To define adequately the act and mental state which constitute each offense, and limit the condemnation of conduct as criminal when it is without fault.

b. The general purposes of the provisions governing the sentencing of offenders are:

- (1) To prevent and condemn the commission of offenses;
- (2) To promote the correction and rehabilitation of offenders;
- (3) To insure the public safety by preventing the commission of offenses through the deterrent influence of sentences imposed and the confinement of offenders when required in the interest of public protection;
- (4) To safeguard offenders against excessive, disproportionate or arbitrary punishment;
- (5) To give fair warning of the nature of the sentences that may be imposed on conviction of an offense;
- (6) To differentiate among offenders with a view to a just individualization in their treatment; and
- (7) To advance the use of generally accepted scientific methods and knowledge in sentencing offenders.

c. The provisions of the code shall be construed according to the fair import of their terms but when the language is susceptible of differing constructions it shall be interpreted to further the general purposes stated in this section and the special purposes of the particular provision involved. The discretionary powers conferred by the code shall be exercised in accordance with the criteria stated in the code and, insofar as such criteria are not decisive, to further the general purposes stated in this section.

C. 2C:1-3 Territorial Applicability.

2C:1-3. Territorial Applicability. a. Except as otherwise provided in this section, a person may be convicted under the law of this State of an offense committed by his own conduct or the conduct of another for which he is legally accountable if:

- (1) Either the conduct which is an element of the offense or the result which is such an element occurs within this State;
- (2) Conduct occurring outside the State is sufficient under the law of this State to constitute an attempt to commit a crime within the State;
- (3) Conduct occurring outside the State is sufficient under the law of this State to constitute a conspiracy to commit an offense

within the State and an overt act in furtherance of such conspiracy occurs within the State;

(4) Conduct occurring within the State establishes complicity in the commission of, or an attempt, or conspiracy to commit, an offense in another jurisdiction which also is an offense under the law of this State;

(5) The offense consists of the omission to perform a legal duty imposed by the law of this State with respect to domicile, residence or a relationship to a person, thing or transaction in the State; or

(6) The offense is based on a statute of this State which expressly prohibits conduct outside the State, when the conduct bears a reasonable relation to a legitimate interest of this State and the actor knows or should know that his conduct is likely to affect that interest.

b. Subsection a. (1) does not apply when either causing a specified result or a purpose to cause or danger of causing such a result is an element of an offense and the result occurs or is designed or likely to occur only in another jurisdiction where the conduct charged would not constitute an offense, unless a legislative purpose plainly appears to declare the conduct criminal regardless of the place of the result.

c. Subsection a. (1) does not apply when causing a particular result is an element of an offense and the result is caused by conduct occurring outside the State which would not constitute an offense if the result had occurred there, unless the actor purposely or knowingly caused the result within the State.

d. When the offense is homicide, either the death of the victim or the bodily impact causing death constitutes a "result," within the meaning of subsection a. (1) and if the body of a homicide victim is found within the State, it may be inferred that such result occurred within the State.

e. This State includes the land and water, including the waters set forth in R. S. 40:18-5 and the air space above such land and water with respect to which the State has legislative jurisdiction. It also includes any territory made subject to the criminal jurisdiction of this State by compacts between it and another state or between it and the Federal Government.

f. Notwithstanding that territorial jurisdiction may be found under this section, the court may dismiss, hold in abeyance for up to 6 months, or, with the permission of the defendant, place on the inactive list a criminal prosecution under the law of this State

where it appears that such action is in the interests of justice because the defendant is being prosecuted for an offense based on the same conduct in another jurisdiction and this State's interest will be adequately served by a prosecution in the other jurisdiction.

C. 2C:1-4 Classes of Offenses.

2C:1-4. Classes of Offenses. a. An offense defined by this code or by any other statute of this State, for which a sentence of imprisonment in excess of 6 months is authorized, constitutes a crime within the meaning of the Constitution of this State. Crimes are designated in this code as being of the first, second, third or fourth degree.

b. An offense is a disorderly persons offense if it is so designated in this code or in a statute other than this code or if it is defined by a statute other than this code which now provides that persons convicted thereof may not be sentenced to imprisonment for a term of more than 6 months. An offense is a petty disorderly persons offense if it is so designated in this code or in a statute other than this code. Disorderly persons offenses and petty disorderly persons offenses are petty offenses and are not crimes within the meaning of the Constitution of this State. There shall be no right to indictment by a grand jury nor any right to trial by jury on such offenses. Conviction of such offenses shall not give rise to any disability or legal disadvantage based on conviction of a crime.

c. An offense defined by any statute of this State other than this code shall be classified as provided in this section or in section 2C:43-1 and the sentence that may be imposed upon conviction thereof shall hereafter be governed by this code. The provisions of this subsection shall not, however, apply to the offenses defined by the "New Jersey Controlled Dangerous Substances Act," (P. L. 1970, c. 226, C. 24:21-1 through 45), which shall be continued in effect.

C. 2C:1-5 Abolition of Common Law Crimes; All Offenses Defined by Statute; Application of General Provisions of the Code; Limitation of Local Government Laws.

2C:1-5. Abolition of Common Law Crimes; All Offenses Defined by Statute; Application of General Provisions of the Code; Limitation of Local Government Laws. a. Common law crimes are

abolished and no conduct constitutes an offense unless the offense is defined by this code or another statute of this State.

b. The provisions of subtitles 1 and 3 of the code are applicable to offenses defined by other statutes, unless the code otherwise provides.

c. This section does not affect the power to punish for contempt, either summarily or after indictment, or to employ any sanction authorized by law for the enforcement of an order or a civil judgment or decree.

d. Notwithstanding any other provision of law, the local governmental units of this State may neither enact nor enforce any ordinance or other local law or regulation conflicting with, or preempted by, any provision of this code or with any policy of this State expressed by this code, whether that policy be expressed by inclusion of a provision in the code or by exclusion of that subject from the code.

C. 2C:1-6 Time Limitations.

2C:1-6. Time Limitations. a. A prosecution for murder may be commenced at any time.

b. Except as otherwise provided in this section, prosecutions for other offenses are subject to the following periods of limitations:

(1) A prosecution for a crime must be commenced within 5 years after it is committed;

(2) A prosecution for a disorderly persons offense or petty disorderly persons offense must be commenced within 1 year after it is committed.

(3) A prosecution for any offense set forth in 2C:27-2, 2C:27-4, 2C:27-6, 2C:27-7, 2C:27-8, 2C:29-4, 2C:30-1, 2C:30-2, 2C:30-3, or any attempt or conspiracy to commit such an offense, must be commenced within 7 years after the commission of the offense.

c. An offense is committed either when every element occurs, or, if a legislative purpose to prohibit a continuing course of conduct plainly appears, at the time when the course of conduct or the defendant's complicity therein is terminated. Time starts to run on the day after the offense is committed. This subsection shall not apply to any person accused of a violation of 2C:27-2, 2C:27-4, 2C:27-6, 2C:27-7, 2C:27-8, 2C:29-4, 2C:30-1, 2C:30-2, 2C:30-3, or any attempt or conspiracy to commit such offense.

d. A prosecution is commenced for a crime when an indictment is found and for a nonindictable offense, as defined in section

2C:1-4 b., when a warrant or other process is issued, provided that such warrant or process is executed without unreasonable delay.

e. The period of limitation does not run during any time when a prosecution against the accused for the same conduct is pending in this State.

2C:1-7. Blank.

C. 2C:1-8 Method of Prosecution When Conduct Constitutes More Than One Offense.

2C:1-8. Method of Prosecution When Conduct Constitutes More Than One Offense. a. Prosecution for multiple offenses; limitation on convictions. When the same conduct of a defendant may establish the commission of more than one offense, the defendant may be prosecuted for each such offense. He may not, however, be convicted of more than one offense if:

(1) One offense is included in the other, as defined in subsection d. of this section;

(2) One offense consists only of a conspiracy or other form of preparation to commit the other;

(3) Inconsistent findings of fact are required to establish the commission of the offenses; or

(4) The offenses differ only in that one is defined to prohibit a designated kind of conduct generally and the other to prohibit a specific instance of such conduct.

b. Limitation on separate trials for multiple offenses. Except as provided in subsection c. of this section, a defendant shall not be subject to separate trials for multiple offenses based on the same conduct or arising from the same criminal episode, if such offenses are known to the appropriate prosecuting officer at the time of the commencement of the first trial and are within the jurisdiction and venue of a single court.

c. Authority of court to order separate trials. When a defendant is charged with two or more offenses based on the same conduct or arising from the same criminal episode, the court may order any such charge to be tried separately in accordance with the Rules of Court.

d. Conviction of included offense permitted. A defendant may be convicted of an offense included in an offense charged whether

or not the included offense is an indictable offense. An offense is so included when:

(1) It is established by proof of the same or less than all the facts required to establish the commission of the offense charged; or

(2) It consists of an attempt or conspiracy to commit the offense charged or to commit an offense otherwise included therein; or

(3) It differs from the offense charged only in the respect that a less serious injury or risk of injury to the same person, property or public interest or a lesser kind of culpability suffices to establish its commission.

e. Submission of included offense to jury. The court shall not charge the jury with respect to an included offense unless there is a rational basis for a verdict convicting the defendant of the included offense.

C. 2C:1-9 When Prosecution Barred by Former Prosecution for the Same Offense.

2C:1-9. When Prosecution Barred by Former Prosecution for the Same Offense. A prosecution of a defendant for a violation of the same provision of the statutes based upon the same facts as a former prosecution is barred by such former prosecution under the following circumstances:

a. The former prosecution resulted in an acquittal by a finding of not guilty by the trier of fact or in a determination that there was insufficient evidence to warrant a conviction. A finding of guilty of a lesser included offense is an acquittal of the greater inclusive offense, although the conviction is subsequently set aside.

b. The former prosecution was terminated, after the complaint had been filed or the indictment found, by a final order or judgment for the defendant, which has not been set aside, reversed, or vacated and which necessarily required a determination inconsistent with a fact or a legal proposition that must be established for conviction of the offense. This subsection shall not apply to an order or judgment quashing an indictment prior to trial.

c. The former prosecution resulted in a conviction. There is a conviction if the prosecution resulted in a judgment of conviction which has not been reversed or vacated, a verdict of guilty which has not been set aside and which is capable of supporting a judgment, or a plea of guilty accepted by the court. In the latter two cases failure to enter judgment must be for a reason other than a motion of the defendant.

d. The former prosecution was improperly terminated. Except as provided in this subsection, there is an improper termination of a prosecution if the termination is for reasons not amounting to an acquittal, and it takes place after the jury was impaneled and sworn or, in a trial before a court without a jury, after the first witness was sworn but before findings were rendered by the trier of facts. Termination under any of the following circumstances is not improper:

(1) The defendant consents to the termination or waives, by motion to dismiss or otherwise, his right to object to the termination.

(2) The trial court finds that the termination is necessary because of the failure of the jury to agree upon a verdict after a reasonable time for deliberation has been allowed.

(3) The trial court finds that the termination is required by a sufficient legal reason and a manifest or absolute or overriding necessity.

C. 2C:1-10 When Prosecution Barred by Former Prosecution for Different Offense.

2C:1-10. When Prosecution Barred by Former Prosecution for Different Offense. A prosecution of a defendant for a violation of a different provision of the statutes or based on different facts than a former prosecution is barred by such former prosecution under the following circumstances:

a. The former prosecution resulted in an acquittal or in a conviction as defined in section 2C:1-9 and the subsequent prosecution is for:

(1) Any offense of which the defendant could have been convicted on the first prosecution; or

(2) Any offense for which the defendant should have been tried on the first prosecution under section 2C:1-8 unless the court ordered a separate trial of the charge of such offense; or

(3) The same conduct, unless (a) the offense of which the defendant was formerly convicted or acquitted and the offense for which he is subsequently prosecuted each requires proof of a fact not required by the other and the law defining each of such offenses is intended to prevent a substantially different harm or evil, or (b) the second offense was not consummated when the former trial began.

b. The former prosecution was terminated, after the complaint was filed or the indictment found, by an acquittal or by a final

order or judgment for the defendant which has not been set aside, reversed or vacated and which acquittal, final order or judgment necessarily required a determination inconsistent with a fact which must be established for conviction of the second offense.

c. The former prosecution was improperly terminated, as improper termination is defined in section 2C:1-9, and the subsequent prosecution is for an offense of which the defendant could have been convicted had the former prosecution not been improperly terminated.

C. 2C:1-11 Former Prosecution in Another Jurisdiction: When a Bar.

2C:1-11. Former Prosecution in Another Jurisdiction: When a Bar. When conduct constitutes an offense within the concurrent jurisdiction of this State and of the United States, a prosecution in the District Court of the United States is a bar to a subsequent prosecution in this State under the following circumstances:

a. The first prosecution resulted in an acquittal or in a conviction, or in an improper termination as defined in section 2C:1-9 and the subsequent prosecution is based on the same conduct, unless (1) the offense of which the defendant was formerly convicted or acquitted and the offense for which he is subsequently prosecuted each requires proof of a fact not required by the other and the law defining each of such offenses is intended to prevent a substantially different harm or evil or (2) the offense for which the defendant is subsequently prosecuted is intended to prevent a substantially more serious harm or evil than the offense of which he was formerly convicted or acquitted or (3) the second offense was not consummated when the former trial began; or

b. The former prosecution was terminated, after the information was filed or the indictment found, by an acquittal or by a final order or judgment for the defendant which has not been set aside, reversed or vacated and which acquittal, final order or judgment necessarily required a determination inconsistent with a fact which must be established for conviction of the offense of which the defendant is subsequently prosecuted.

C. 2C:1-12 Former Prosecution Before Court Lacking Jurisdiction or When Fraudulently Procured by the Defendant.

2C:1-12. Former Prosecution Before Court Lacking Jurisdiction or When Fraudulently Procured by the Defendant. A prose-

cution is not a bar within the meaning of sections 2C:1-9, 10 and 11 under any of the following circumstances:

- a. The former prosecution was before a court which lacked jurisdiction over the defendant or the offense tried in that court; or
- b. The former prosecution was procured by the defendant without the knowledge of the appropriate prosecuting officer; or
- c. The former prosecution resulted in a judgment of conviction which was held invalid in a subsequent proceeding on a petition for post-conviction relief or similar process, except that any bar as to reprosecution for a greater inclusive offense created by section 2C:1-9 a. shall apply.

C. 2C:1-13 Proof Beyond a Reasonable Doubt; Affirmative Defenses; Burden of Proving Fact When Not an Element of an Offense.

2C:1-13. Proof Beyond a Reasonable Doubt; Affirmative Defenses; Burden of Proving Fact When Not an Element of an Offense. a. No person may be convicted of an offense unless each element of such offense is proved beyond a reasonable doubt. In the absence of such proof, the innocence of the defendant is assumed.

- b. Subsection a of this section does not:
 - (1) Require the disproof of an affirmative defense unless and until there is evidence supporting such defense; or
 - (2) Apply to any defense which the code or another statute plainly requires the defendant to prove by a preponderance of evidence.
- c. A defense is affirmative, within the meaning of subsection b (1) of this section, when:
 - (1) It arises under a section of the code which so provides; or
 - (2) It relates to an offense defined by a statute other than the code and such statute so provides; or
- d. When the application of the code depends upon the finding of a fact which is not an element of an offense, unless the code otherwise provides:
 - (1) The burden of proving the fact is on the prosecution or defendant, depending on whose interest or contention will be furthered if the finding should be made; and
 - (2) The fact must be proved to the satisfaction of the court or jury, as the case may be.

e. When the code or other statute defining an offense establishes a presumption with respect to any fact which is an element of an offense, it has the meaning accorded it by the law of evidence.

C. 2C:1-14 General Definitions.

2C:1-14. General Definitions. In this code, unless a different meaning plainly is required:

a. "Statute" includes the Constitution and a local law or ordinance of a political subdivision of the State;

b. "Act" or "action" means a bodily movement whether voluntary or involuntary;

c. "Omission" means a failure to act;

d. "Conduct" means an action or omission and its accompanying state of mind, or, where relevant, a series of acts and omission;

e. "Actor" includes, where relevant, a person guilty of an omission;

f. "Acted" includes, where relevant, "omitted to act";

g. "Person," "he," and "actor" include any natural person and, where relevant, a corporation or an unincorporated association;

h. "Element of an offense" means (1) such conduct or (2) such attendant circumstances or (3) such a result of conduct as

(a) Is included in the description of the forbidden conduct in the definition of the offense;

(b) Establishes the required kind of culpability;

(c) Negatives an excuse or justification for such conduct;

(d) Negatives a defense under the statute of limitations; or

(e) Establishes jurisdiction or venue;

i. "Material element of an offense" means an element that does not relate exclusively to the statute of limitations, jurisdiction, venue or to any other matter similarly unconnected with (1) the harm or evil, incident to conduct, sought to be prevented by the law defining the offense, or (2) the existence of a justification or excuse for such conduct;

j. "Reasonably believes" or "reasonable belief" designates a belief the holding of which does not make the actor reckless or criminally negligent.

Section

- 2C:2-1. Requirement of Voluntary Act; Omission as Basis of Liability; Possession as an Act.

- 2C:2-9. Duress.
- 2C:2-10. Consent.
- 2C:2-11. De Minimis Infractions.
- 2C:2-12. Entrapment.

C. 2C:2-1 Requirement of Voluntary Act; Omission as Basis of Liability; Possession as an Act.

2C:2-1. Requirement of Voluntary Act; Omission as Basis of Liability; Possession as an Act. a. A person is not guilty of an offense unless his liability is based on conduct which includes a voluntary act or the omission to perform an act of which he is physically capable. A bodily movement that is not a product of the effort or determination of the actor, either conscious or habitual, is not a voluntary act within the meaning of this section.

b. Liability for the commission of an offense may not be based on an omission unaccompanied by action unless:

(1) The omission is expressly made sufficient by the law defining the offense; or

(2) A duty to perform the omitted act is otherwise imposed by law.

c. Possession is an act, within the meaning of this section, if the possessor knowingly procured or received the thing possessed or was aware of his control thereof for a sufficient period to have been able to terminate his possession.

Source: Model Penal Code: 2.01.

C. 2C:2-2 General Requirements of Culpability.

2C:2-2. General Requirements of Culpability. a. Minimum Requirements of Culpability. Except as provided in subsection

c. (3) of this section, a person is not guilty of an offense unless he acted purposely, knowingly, recklessly or negligently, as the law may require, with respect to each material element of the offense.

b. Kinds of culpability defined.

(1) Purposely. A person acts purposely with respect to the nature of his conduct or a result thereof if it is his conscious object to engage in conduct of that nature or to cause such a result. A person acts purposely with respect to attendant circumstances if he is aware of the existence of such circumstances or he believes or hopes that they exist. "With purpose," "designed," "with design" or equivalent terms have the same meaning.

(2) Knowingly. A person acts knowingly with respect to the nature of his conduct or the attendant circumstances if he is aware that his conduct is of that nature, or that such circumstances exist, or he is aware of a high probability of their existence. A person acts knowingly with respect to a result of his conduct if he is aware that it is practically certain that his conduct will cause such a result. "Knowing," "with knowledge" or equivalent terms have the same meaning.

(3) Recklessly. A person acts recklessly with respect to a material element of an offense when he consciously disregards a substantial and unjustifiable risk that the material element exists or will result from his conduct. The risk must be of such a nature and degree that, considering the nature and purpose of the actor's conduct and the circumstances known to him, its disregard involves a gross deviation from the standard of conduct that a reasonable person would observe in the actor's situation. "Recklessness," "with recklessness" or equivalent terms have the same meaning.

(4) Negligently. A person acts negligently with respect to a material element of an offense when he should be aware of a substantial and unjustifiable risk that the material element exists or will result from his conduct. The risk must be of such a nature and degree that the actor's failure to perceive it, considering the nature and purpose of his conduct and the circumstances known to him, involves a gross deviation from the standard of care that a reasonable person would observe in the actor's situation. "Negligently" or "negligence" when used in this code, shall refer to the standard set forth in this section and not to the standard applied in civil cases.

c. Construction of statutes with respect to culpability requirements.

(1) Prescribed culpability requirement applies to all material elements. When the law defining an offense prescribes the kind of culpability that is sufficient for the commission of an offense, without distinguishing among the material elements thereof, such provision shall apply to all the material elements of the offense, unless a contrary purpose plainly appears.

(2) Substitutes for kinds of culpability. When the law provides that a particular kind of culpability suffices to establish an element of an offense such element is also established if a person acts with higher kind of culpability.

(3) Construction of statutes not stating culpability requirement. Although no culpable mental state is expressly designated in a statute defining an offense, a culpable mental state may nevertheless be required for the commission of such offense, or with respect to some or all of the material elements thereof, if the proscribed conduct necessarily involves such culpable mental state. A statute defining a crime, unless clearly indicating a legislative intent to impose strict liability, should be construed as defining a crime with mental culpability. This provision applies to offenses defined both within and outside of this code.

d. Culpability as to illegality of conduct. Neither knowledge nor recklessness nor negligence as to whether conduct constitutes an offense or as to the existence, meaning or application of the law determining the elements of an offense is an element of such offense, unless the definition of the offense or the code so provides.

e. Culpability as determinant of grade of offense. When the grade or degree of an offense depends on whether the offense is committed purposely, knowingly, recklessly or criminally negligently, its grade or degree shall be the lowest for which the determinative kind of culpability is established with respect to any material element of the offense.

Source: Model Penal Code: 2.02.

C. 2C:2-3 Causal Relationship Between Conduct and Result; Divergence Between Result Designed, Contemplated or Risked and Actual Result.

2C:2-3. Causal Relationship Between Conduct and Result; Divergence Between Result Designed, Contemplated or Risked and Actual Result. a. Conduct is the cause of a result when:

(1) It is an antecedent but for which the result in question would not have occurred; and

(2) The relationship between the conduct and result satisfies any additional causal requirements imposed by the code or by the law defining the offense.

b. When the offense requires that the defendant purposely or knowingly cause a particular result, the actual result must be within the design or contemplation, as the case may be, of the actor, or, if not, the actual result must involve the same kind of injury or harm as that designed or contemplated and not be too remote, accidental in its occurrence, or dependent on another's volitional act to have a just bearing on the actor's liability or on the gravity of his offense.

c. When the offense requires that the defendant recklessly or criminally negligently cause a particular result, the actual result must be within the risk of which the actor is aware or, in the case of criminal negligence, of which he should be aware, or, if not, the actual result must involve the same kind of injury or harm as the probable result and must not be too remote, accidental in its occurrence, or dependent on another's volitional act to have a just bearing on the actor's liability or on the gravity of his offense.

d. A defendant shall not be relieved of responsibility for causing a result if the only difference between what actually occurred and what was designed, contemplated or risked is that a different person or property was injured or affected or that a less serious or less extensive injury or harm occurred.

e. When causing a particular result is a material element of an offense for which absolute liability is imposed by law, the element is not established unless the actual result is a probable consequence of the actor's conduct.

Source: Model Penal Code: 2.03.

C. 2C:2-4 Ignorance or Mistake.

2C:2-4. Ignorance or Mistake. a. Ignorance or mistake as to a matter of fact or law is a defense if the defendant reasonably arrived at the conclusion underlying the mistake and:

(1) It negatives the culpable mental state required to establish the offense; or

(2) The law provides that the state of mind established by such ignorance or mistake constitutes a defense.

b. Although ignorance or mistake would otherwise afford a defense to the offense charged, the defense is not available if the defendant would be guilty of another offense had the situation been as he supposed. In such case, however, the ignorance or

mistake of the defendant shall reduce the grade and degree of the offense of which he may be convicted to those of the offense of which he would be guilty had the situation been as he supposed.

c. A belief that conduct does not legally constitute an offense is a defense to a prosecution for that offense based upon such conduct when:

(1) The statute defining the offense is not known to the actor and has not been published or otherwise reasonably made available prior to the conduct alleged; or

(2) The actor acts in reasonable reliance upon an official statement of the law, afterward determined to be invalid or erroneous, contained in (a) a statute, (b) judicial decision, opinion, judgment, or rule, (c) an administrative order or grant of permission, or (d) an official interpretation of the public officer or body charged by law with responsibility for the interpretation, administration or enforcement of the law defining the offense; or

(3) The actor otherwise diligently pursues all means available to ascertain the meaning and application of the offense to his conduct and honestly and in good faith concludes his conduct is not an offense in circumstances in which a law-abiding and prudent person would also so conclude.

The defendant must prove a defense arising under subsection c. of this section by clear and convincing evidence.

Source: Model Penal Code: 2.04.

C. 2C:2-5 Defenses Generally.

2C:2-5. Defenses Generally. Conduct which would otherwise be an offense is excused or alleviated by reason of any defense now provided by law for which neither the code nor other statutory law defining the offense provides exceptions or defenses dealing with the specific situation involved and a legislative purpose to exclude the defense claimed does not otherwise plainly appear.

C. 2C:2-6 Liability for Conduct of Another; Complicity.

2C:2-6. Liability for Conduct of Another; Complicity. a. A person is guilty of an offense if it is committed by his own conduct or by the conduct of another person for which he is legally accountable, or both.

b. A person is legally accountable for the conduct of another person when:

(1) Acting with the kind of culpability that is sufficient for the commission of the offense, he causes an innocent or irresponsible person to engage in such conduct;

(2) He is made accountable for the conduct of such other person by the code or by the law defining the offense;

(3) He is an accomplice of such other person in the commission of an offense; or

(4) He is engaged in a conspiracy with such other person.

c. A person is an accomplice of another person in the commission of an offense if:

(1) With the purpose of promoting or facilitating the commission of the offense; he

(a) Solicits such other person to commit it;

(b) Aids or agrees or attempts to aid such other person in planning or committing it; or

(c) Having a legal duty to prevent the commission of the offense, fails to make proper effort so to do; or

(2) His conduct is expressly declared by law to establish his complicity.

d. A person who is legally incapable of committing a particular offense himself may be guilty thereof if it is committed by another person for whose conduct he is legally accountable, unless such liability is inconsistent with the purpose of the provision establishing his incapacity.

e. Unless otherwise provided by the code or by the law defining the offense, a person is not an accomplice in an offense committed by another person if:

(1) He is a victim of that offense;

(2) The offense is so defined that his conduct is inevitably incident to its commission; or

(3) He terminates his complicity under circumstances manifesting a complete and voluntary renunciation as defined in section 2C:5-1 d. prior to the commission of the offense. Termination by renunciation is an affirmative defense which the defendant must prove by a preponderance of evidence.

f. An accomplice may be convicted on proof of the commission of the offense and of his complicity therein, though the person claimed to have committed the offense has not been prosecuted or convicted or has been convicted of a different offense or degree

of offense or has an immunity to prosecution or conviction or has been acquitted.

C. 2C:2-7 Liability of Corporations and Persons Acting, or Under a Duty to Act, in Their Behalf.

2C:2-7. Liability of Corporations and Persons Acting, or Under a Duty to Act, in Their Behalf. a. A corporation may be convicted of the commission of an offense if:

(1) The conduct constituting the offense is engaged in by an agent of the corporation while acting within the scope of his employment and in behalf of the corporation unless the offense is one defined by a statute which indicates a legislative purpose not to impose criminal liability on corporations. If the law governing the offense designates the agents for whose conduct the corporation is accountable or the circumstances under which it is accountable, such provisions shall apply;

(2) The offense consists of an omission to discharge a specific duty of affirmative performance imposed on corporations by law; or

(3) The conduct constituting the offense is engaged in, authorized, solicited, requested, commanded, or recklessly tolerated by the board of directors or by a high managerial agent acting within the scope of his employment and in behalf of the corporation.

b. As used in this section:

(1) "Corporation" does not include an entity organized as or by a governmental agency for the execution of a governmental program;

(2) "Agent" means any director, officer, servant, employee or other person authorized to act in behalf of the corporation;

(3) "High managerial agent" means an officer of a corporation or any other agent of a corporation having duties of such responsibility that his conduct may fairly be assumed to represent the policy of the corporation.

c. In any prosecution of a corporation for the commission of an offense included within the terms of subsection a. (1) of this section, other than an offense for which absolute liability has been imposed, it shall be a defense if the defendant proves by a preponderance of evidence that the high managerial agent having supervisory responsibility over the subject matter of the offense employed due diligence to prevent its commission. This paragraph shall not apply if it is plainly inconsistent with the legislative purpose in defining the particular offense.

d. Nothing in this section imposing liability upon a corporation shall be construed as limiting the liability for an offense of an individual by reason of his being an agent of the corporation.

Source: Model Penal Code: 2.07.

C. 2C:2-8 Intoxication.

2C:2-8. Intoxication. a. Except as provided in subsection d. of this section, intoxication of the actor is not a defense unless it negatives an element of the offense.

b. When recklessness establishes an element of the offense, if the actor, due to self-induced intoxication, is unaware of a risk of which he would have been aware had he been sober, such unawareness is immaterial.

c. Intoxication does not, in itself, constitute mental disease within the meaning of chapter 4.

d. Intoxication which (1) is not self-induced or (2) is pathological is an affirmative defense if by reason of such intoxication the actor at the time of his conduct lacks substantial and adequate capacity either to appreciate its wrongfulness or to conform his conduct to the requirement of law.

e. Definitions. In this section unless a different meaning plainly is required:

(1) "Intoxication" means a disturbance of mental or physical capacities resulting from the introduction of substances into the body;

(2) "Self-induced intoxication" means intoxication caused by substances which the actor knowingly introduces into his body, the tendency of which to cause intoxication he knows or ought to know, unless he introduces them pursuant to medical advice or under such circumstances as would afford a defense to a charge of crime;

(3) "Pathological intoxication" means intoxication grossly excessive in degree, given the amount of the intoxicant, to which the actor does not know he is susceptible.

Source: Model Penal Code: 2.08.

C. 2C:2-9 Duress.

2C:2-9. Duress. a. Subject to subsection b. of this section, it is an affirmative defense that the actor engaged in the conduct charged to constitute an offense because he was coerced to do so by the use of, or a threat to use, unlawful force against his person or the person of another, which a person of reasonable firmness in his situation would have been unable to resist.

b. The defense provided by this section is unavailable if the actor recklessly placed himself in a situation in which it was probable that he would be subjected to duress. The defense is also unavailable if he was criminally negligent in placing himself in such a situation, whenever criminal negligence suffices to establish culpability for the offense charged. In a prosecution for murder, the defense is only available to reduce the degree of the crime to manslaughter.

c. It is not a defense that a woman acted on the command of her husband, unless she acted under such coercion as would establish a defense under this section. The presumption that a woman, acting in the presence of her husband, is coerced is abolished.

Source: N. J. S. 2A:85-3; Model Penal Code: 2.09.

C. 2C:2-10 Consent.

2C:2-10. Consent. a. In general. The consent of the victim to conduct charged to constitute an offense or to the result thereof is a defense if such consent negatives an element of the offense or precludes the infliction of the harm or evil sought to be prevented by the law defining the offense.

b. Consent to bodily harm. When conduct is charged to constitute an offense because it causes or threatens bodily harm, consent to such conduct or to the infliction of such harm is a defense if:

(1) The bodily harm consented to or threatened by the conduct consented to is not serious; or

(2) The conduct and the harm are reasonably foreseeable hazards of joint participation in a concerted activity of a kind not forbidden by law; or

(3) The consent establishes a justification for the conduct under chapter 3 of the code.

c. Ineffective consent. Unless otherwise provided by the code or by the law defining the offense, assent does not constitute consent if:

(1) It is given by a person who is legally incompetent to authorize the conduct charged to constitute the offense; or

(2) It is given by a person who by reason of youth, mental disease or defect or intoxication is manifestly unable or known by the actor to be unable to make a reasonable judgment as to the nature of harmfulness of the conduct charged to constitute an offense; or

(3) It is induced by force, duress or deception of a kind sought to be prevented by the law defining the offense.

C. 2C:2-11 De Minimis Infractions.

2C:2-11. De Minimis Infractions. The assignment judge may dismiss a prosecution if, having regard to the nature of the conduct charged to constitute an offense and the nature of the attendant circumstances, it finds that the defendant's conduct:

a. Was within a customary license or tolerance, neither expressly negated by the person whose interest was infringed nor inconsistent with the purpose of the law defining the offense;

b. Did not actually cause or threaten the harm or evil sought to be prevented by the law defining the offense or did so only to an extent too trivial to warrant the condemnation of conviction; or

c. Presents such other extenuations that it cannot reasonably be regarded as envisaged by the Legislature in forbidding the offense. The assignment judge shall not dismiss a prosecution under this section without giving the prosecutor notice and an opportunity to be heard. The prosecutor shall have a right to appeal any such dismissal.

Source: Model Penal Code: 2.12.

C. 2C:2-12 Entrapment.

2C:2-12. Entrapment. a. A public law enforcement official or a person engaged in cooperation with such an official or one acting as an agent of a public law enforcement official perpetrates an entrapment if for the purpose of obtaining evidence of the commission of an offense, he induces or encourages and, as a direct result, causes another person to engage in conduct constituting such offense by either:

(1) Making knowingly false representations designed to induce the belief that such conduct is not prohibited; or

(2) Employing methods of persuasion or inducement which create a substantial risk that such an offense will be committed by persons other than those who are ready to commit it.

b. Except as provided in subsection c. of this section, a person prosecuted for an offense shall be acquitted if he proves by a preponderance of evidence that his conduct occurred in response to an entrapment. The issue of entrapment shall be tried by the jury.

c. The defense afforded by this section is unavailable when causing or threatening bodily injury is an element of the offense charged and the prosecution is based on conduct causing or threatening such injury to a person other than the person perpetrating the entrapment.

C. 2C:3-1 Justification an Affirmative Defense; Civil Remedies Unaffected.

2C:3-1. Justification an Affirmative Defense; Civil Remedies Unaffected. a. In any prosecution based on conduct which is justifiable under this chapter, justification is an affirmative defense.

b. The fact that conduct is justifiable under this chapter does not abolish or impair any remedy for such conduct which is available in any civil action.

C. 2C:3-2 Necessity and Other Justifications in General.

2C:3-2. Necessity and Other Justifications in General. a. Necessity. b. Other justifications in general. Conduct which would otherwise be an offense is justifiable by reason of any defense of justification provided by law for which neither the code nor other statutory law defining the offense provides exceptions or defenses dealing with the specific situation involved and a legislative pur-

pose to exclude the justification claimed does not otherwise plainly appear.

C. 2C:3-3 Execution of Public Duty.

2C:3-3. Execution of Public Duty. a. Except as provided in subsection b. of this section, conduct is justifiable when it is required or authorized by:

- (1) The law defining the duties or functions of a public officer or the assistance to be rendered to such officer in the performance of his duties;
- (2) The law governing the execution of legal process;
- (3) The judgment or order of a competent court or tribunal;
- (4) The law governing the armed services or the lawful conduct of war; or
- (5) Any other provision of law imposing a public duty.

b. The other sections of this chapter apply to:

- (1) The use of force upon or toward the person of another for any of the purposes dealt with in such sections; and
- (2) The use of deadly force for any purpose, unless the use of such force is otherwise expressly authorized by law.

c. The justification afforded by subsection a. of this section applies:

- (1) When the actor reasonably believes his conduct to be required or authorized by the judgment or direction of a competent court or tribunal or in the lawful execution of legal process, notwithstanding lack of jurisdiction of the court or defect in the legal process; and
- (2) When the actor reasonably believes his conduct to be required or authorized to assist a public officer in the performance of his duties, notwithstanding that the officer exceeded his legal authority.

C. 2C:3-4 Use of Force in Self-Protection.

2C:3-4. Use of Force in Self-Protection. a. Use of force justifiable for protection of the person. Subject to the provisions of this section and of section 2C:3-9, the use of force upon or toward another person is justifiable when the actor reasonably believes that such force is immediately necessary for the purpose of protecting himself against the use of unlawful force by such other person on the present occasion.

b. Limitations on justifying necessity for use of force.

(1) The use of force is not justifiable under this section:

(a) To resist an arrest which the actor knows is being made by a peace officer in the performance of his duties, although the arrest is unlawful, unless the peace officer employs unlawful force to effect such arrest; or

(b) To resist force used by the occupier or possessor of property or by another person on his behalf, where the actor knows that the person using the force is doing so under a claim of right to protect the property, except that this limitation shall not apply if:

(i) The actor is a public officer acting in the performance of his duties or a person lawfully assisting him therein or a person making or assisting in a lawful arrest;

(ii) The actor has been unlawfully dispossessed of the property and is making a reentry or recaption justified by section 2C:3-6; or

(iii) The actor reasonably believes that such force is necessary to protect himself against death or serious bodily harm.

(2) The use of deadly force is not justifiable under this section unless the actor reasonably believes that such force is necessary to protect himself against death or serious bodily harm; nor is it justifiable if:

(a) The actor, with the purpose of causing death or serious bodily harm, provoked the use of force against himself in the same encounter; or

(b) The actor knows that he can avoid the necessity of using such force with complete safety by retreating or by surrendering possession of a thing to a person asserting a claim of right thereto or by complying with a demand that he abstain from any action which he has no duty to take, except that:

(i) The actor is not obliged to retreat from his dwelling, unless he was the initial aggressor or is assailed in his dwelling by another person whose dwelling the actor knows it to be; and

(ii) A public officer justified in using force in the performance of his duties or a person justified in using force in his assistance or a person justified in using force in making an arrest or preventing an escape is not obliged to desist from efforts to perform such duty, effect such arrest or prevent such escape because of resistance or threatened resistance by or on behalf of the person against whom such action is directed.

(3) Except as required by paragraphs (1) and (2) of this subsection, a person employing protective force may estimate the necessity of using force when the force is used, without retreating, surrendering possession, doing any other act which he has no legal duty to do or abstaining from any lawful action.

C. 2C:3-5 Use of Force for the Protection of Other Persons.

2C:3-5. Use of Force for the Protection of Other Persons.

a. Subject to the provisions of this section and of section 2C:3-9, the use of force upon or toward the person of another is justifiable to protect a third person when:

(1) The actor would be justified under section 2C:3-4 in using such force to protect himself against the injury he believes to be threatened to the person whom he seeks to protect; and

(2) Under the circumstances as the actor reasonably believes them to be, the person whom he seeks to protect would be justified in using such protective force; and

(3) The actor reasonably believes that his intervention is necessary for the protection of such other person.

b. Notwithstanding subsection a. of this section:

(1) When the actor would be obliged under section 2C:3-4 b. (2) (b) to retreat or take other action he is not obliged to do so before using force for the protection of another person, unless he knows that he can thereby secure the complete safety of such other person, and

(2) When the person whom the actor seeks to protect would be obliged under section 2C:3-4 b. (2) (b) to retreat or take similar action if he knew that he could obtain complete safety by so doing, the actor is obliged to try to cause him to do so before using force in his protection if the actor knows that he can obtain complete safety in that way; and

(3) Neither the actor nor the person whom he seeks to protect is obliged to retreat when in the other's dwelling to any greater extent than in his own.

C. 2C:3-6 Use of Force in Defense of Premises or Personal Property.

2C:3-6. Use of Force in Defense of Premises or Personal Property. a. Use of force in defense of premises. Subject to the provisions of this section and of section 2C:3-9, the use of force upon or toward the person of another is justifiable when the actor

is in possession or control of premises or is licensed or privileged to be thereon and he reasonably believes such force necessary to prevent or terminate what he reasonably believes to be the commission or attempted commission of a criminal trespass by such other person in or upon such premises.

b. Limitations on justifiable use of force in defense of premises.

(1) Request to desist. The use of force is justifiable under this section only if the actor first requests the person against whom such force is used to desist from his interference with the property, unless the actor reasonably believes that:

(a) Such request would be useless;

(b) It would be dangerous to himself or another person to make the request; or

(c) Substantial harm will be done to the physical condition of the property which is sought to be protected before the request can effectively be made.

(2) Exclusion of trespasser. The use of force is not justifiable under this section if the actor knows that the exclusion of the trespasser will expose him to substantial danger of serious bodily harm.

(3) Use of deadly force. The use of deadly force is not justifiable under subsection a. of this section unless the actor reasonably believes that:

(a) The person against whom the force is used is attempting to dispossess him of his dwelling otherwise than under a claim of right to its possession; or

(b) The person against whom the force is used is attempting to commit or consummate arson, burglary, robbery or other criminal theft or property destruction; except that

(c) Deadly force does not become justifiable under subsections (a) and (b) of this subsection unless:

(i) The person against whom it is employed has employed or threatened deadly force against or in the presence of the actor; or

(ii) The use of force other than deadly force to prevent the commission or the consummation of the crime would expose the actor or another in his presence to substantial danger of serious bodily harm.

c. Use of force in defense of personal property. Subject to the provisions of subsection d. of this section and of section 2C:3-9,

the use of force upon or toward the person of another is justifiable when the actor reasonably believes it necessary to prevent what he reasonably believes to be an attempt by such other person to commit theft, criminal mischief or other criminal interference with personal property in his possession or in the possession of another for whose protection he acts.

d. Limitations on justifiable use of force in defense of personal property.

(1) Request to desist and exclusion of trespasser. The limitations of subsection b. (1) and (2) of this section apply to subsection c. of this section.

(2) Use of deadly force. The use of deadly force in defense of personal property is not justified unless justified under another provision of this chapter.

C. 2C:3-7 Use of Force in Law Enforcement.

2C:3-7. Use of Force in Law Enforcement. a. Use of force justifiable to effect an arrest. Subject to the provisions of this section and of section 2C:3-9, the use of force upon or toward the person of another is justifiable when the actor is making or assisting in making an arrest and the actor reasonably believes that such force is immediately necessary to effect a lawful arrest.

b. Limitations on the use of force.

(1) The use of force is not justifiable under this section unless:

(a) The actor makes known the purpose of the arrest or reasonably believes that it is otherwise known by or cannot reasonably be made known to the person to be arrested; and

(b) When the arrest is made under a warrant, the warrant is valid or reasonably believed by the actor to be valid.

(2) The use of deadly force is not justifiable under this section unless:

(a) The actor effecting the arrest is authorized to act as a peace officer or has been summoned by and is assisting a person whom he reasonably believes to be authorized to act as a peace officer; and

(b) The actor reasonably believes that the force employed creates no substantial risk of injury to innocent persons; and

(c) The actor reasonably believes that the crime for which the arrest is made was homicide, kidnapping, an offense under 2C:14-2 or 2C:14-3, arson, robbery, burglary of an occupied dwelling, or an attempt to commit one of these crimes; and

(d) The actor reasonably believes:

(i) There is an imminent threat of deadly force to himself or a third party;

(ii) The use of deadly force is necessary to thwart the commission of a crime as set forth in subparagraph (c) of this paragraph; or

(iii) The use of deadly force is necessary to prevent an escape.

c. Use of force to prevent escape from custody. The use of force to prevent the escape of an arrested person from custody is justifiable when the force could, under subsections a. and b. of this section, have been employed to effect the arrest under which the person is in custody. A correction officer or other person authorized to act as a peace officer is, however, justified in using any force including deadly force, which he reasonably believes to be immediately necessary to prevent the escape of a person committed to a jail, prison, or other institution for the detention of persons charged with or convicted of an offense so long as the actor believes that the force employed creates no substantial risk of injury to innocent persons.

d. Use of force by private person assisting an unlawful arrest.

(1) A private person who is summoned by a peace officer to assist in effecting an unlawful arrest is justified in using any force which he would be justified in using if the arrest were lawful, provided that he does not believe the arrest is unlawful.

(2) A private person who assists another private person in effecting an unlawful arrest, or who, not being summoned, assists a peace officer in effecting an unlawful arrest, is justified in using any force which he would be justified in using if the arrest were lawful, provided that (a) he reasonably believes the arrest is lawful, and (b) the arrest would be lawful if the facts were as he believes them to be and such belief is reasonable.

e. Use of force to prevent suicide or the commission of a crime. The use of force upon or toward the person of another is justifiable when the actor reasonably believes that such force is immediately necessary to prevent such other person from committing suicide, inflicting serious bodily harm upon himself, committing or consummating the commission of a crime involving or threatening bodily harm, damage to or loss of property or a breach of the peace, except that:

(1) Any limitations imposed by the other provisions of this chapter on the justifiable use of force in self-protection, for the protection of others, the protection of property, the effectuation of an arrest or the prevention of an escape from custody shall apply notwithstanding the criminality of the conduct against which such force is used; and

(2) The use of deadly force is not in any event justifiable under this subsection unless the actor reasonably believes that it is likely that the person whom he seeks to prevent from committing a crime will endanger human life or inflict serious physical injury upon another unless the commission or the consummation of the crime is prevented and that the use of such force presents no substantial risk of injury to innocent persons.

C. 2C:3-8 Use of Force by Persons With Special Responsibility for Care, Discipline or Safety of Others.

2C:3-8. Use of Force by Persons With Special Responsibility for Care, Discipline or Safety of Others. The use of force upon or toward the person of another is justifiable as permitted by law or as would be a defense in a civil action based thereon where the actor has been vested or entrusted with special responsibility for the care, supervision, discipline or safety of another or of others and the force is used for the purpose of and, subject to section 2C:3-9 (b), to the extent necessary to further that responsibility, unless:

- a. The code or the law defining the offense deals with the specific situation involved; or
- b. A legislative purpose to exclude the justification claimed otherwise plainly appears; or
- c. Deadly force is used, in which case such force must be otherwise justifiable under the provisions of this chapter.

Source: Model Penal Code: 3.08.

C. 2C:3-9 Mistake of Law as to Unlawfulness of Force or Legality of Arrest; Reckless or Negligent Use of Excessive But Otherwise Justifiable Force; Reckless or Negligent Injury or Risk of Injury to Innocent Persons.

2C:3-9. Mistake of Law as to Unlawfulness of Force or Legality of Arrest; Reckless or Negligent Use of Excessive But Otherwise Justifiable Force; Reckless or Negligent Injury or Risk of Injury to Innocent Persons. a. The justification afforded by sections 2C:3-4 to 2C:3-7 is unavailable when:

(1) The actor's belief in the unlawfulness of the force or conduct against which he employs protective force or his belief in the lawfulness of an arrest which he endeavors to effect by force is erroneous; and

(2) His error is due to ignorance or mistake as to the provisions of the code, any other provisions of the criminal law or the law governing the legality of an arrest or search.

b. When the actor believes that the use of force upon or toward the person of another is necessary for any of the purposes for which such belief would establish a justification under sections 2C:3-3 to 2C:3-8 but the actor is reckless or negligent in having such belief or in acquiring or failing to acquire any knowledge or belief which is material to the justifiability of his use of force, the justification afforded by those sections shall not prevent the actor being found guilty of an offense for which recklessness or negligence, as the case may be, suffices to establish culpability.

c. When the actor is justified under sections 2C:3-3 to 2C:3-8 in using force upon or toward the person of another but he recklessly or negligently injures or creates a risk of injury to innocent persons, the justification afforded by those sections is unavailable in a prosecution for such recklessness or negligence towards innocent persons.

C. 2C:3-10 Justification in Property Crimes.

2C:3-10. Justification in Property Crimes. Conduct involving the appropriation, seizure or destruction of, damage to, intrusion on, or interference with, property is justifiable under circumstances which would establish a defense of privilege in a civil action based thereon, unless:

a. The code or the law defining the offense deals with the specific situation involved; or

b. A legislative purpose to exclude the justification claimed otherwise plainly appears.

Source: Model Penal Code: 3.10.

C. 2C:3-11 Definitions.

2C:3-11. Definitions. In this chapter, unless a different meaning plainly is required: a. "Unlawful force" means force, including confinement, which is employed without the consent of the person against whom it is directed and the employment of which constitutes an offense or actionable tort or would constitute such

offense or tort except for a defense (such as the absence of intent, negligence, or mental capacity; duress, youth, or diplomatic status) not amounting to a privilege to use the force. Assent constitutes consent, within the meaning of this section, whether or not it otherwise is legally effective, except assent to the infliction of death or serious bodily harm.

b. "Deadly force" means force which the actor uses with the purpose of causing or which he knows to create a substantial risk of causing death or serious bodily harm. Purposely firing a firearm in the direction of another person or at a vehicle, building or structure in which another person is believed to be constitutes deadly force. A threat to cause death or serious bodily harm, by the production of a weapon or otherwise, so long as the actor's purpose is limited to creating an apprehension that he will use deadly force if necessary, does not constitute deadly force.

c. "Dwelling" means any building or structure, though movable or temporary, or a portion thereof, which is for the time being the actor's home or place of lodging.

d. "Serious bodily harm" means bodily harm which creates a substantial risk of death or which causes serious, permanent disfigurement or protracted loss or impairment of the function of any bodily member or organ or which results from aggravated rape or aggravated sodomy.

C. 2C:4-1 Insanity Defense.

2C:4-1. Insanity Defense. A person is not criminally responsible for conduct if at the time of such conduct he was laboring under such a defect of reason, from disease of the mind as not to know the nature and quality of the act he was doing, or if he did know it, that he did not know what he was doing was wrong.

C. 2C:4-2 Evidence of Mental Disease or Defect Admissible When Relevant to Element of the Offense.

2C:4-2. Evidence of Mental Disease or Defect Admissible When Relevant to Element of the Offense. a. Evidence that the defendant suffered from a mental disease or defect is admissible whenever it is relevant to prove that the defendant did not have a state of mind which is an element of the offense.

b. Whenever evidence is admitted under subsection a. of this section, the prosecution may thereafter offer evidence in rebuttal.

C. 2C:4-3 Requirement of Notice.

2C:4-3. Requirement of Notice.

a. Mental disease or defect excluding responsibility is an affirmative defense to be proved by the accused by a preponderance of the evidence.

b. If a defendant intends to claim insanity or mental infirmity as a defense, he shall serve notice of such intention upon the prosecuting attorney in accordance with the Rules of Court.

c. When a defendant is acquitted on the ground of mental disease or defect excluding responsibility, the verdict and judgment shall so state.

C. 2C:4-4 Mental Disease or Defect Excluding Fitness to Proceed.

2C:4-4. Mental Disease or Defect Excluding Fitness to Proceed.

a. No person who as a result of mental disease or defect lacks capacity to understand the proceedings against him or to assist in

his own defense shall be tried, convicted or sentenced for the commission of an offense so long as such incapacity endures.

b. A person shall be considered mentally competent to stand trial on criminal charges if the proofs shall establish:

(1) That the defendant has the mental capacity to appreciate his presence in relation to time, place and things; and

(2) That his elementary mental processes are such that he comprehends:

(a) That he is in a court of justice charged with a criminal offense;

(b) That there is a judge on the bench;

(c) That there is a prosecutor present who will try to convict him of a criminal charge;

(d) That he has a lawyer who will undertake to defend him against that charge;

(e) That he will be expected to tell to the best of his mental ability the facts surrounding him at the time and place where the alleged violation was committed if he chooses to testify and understands the right not to testify;

(f) That there is or will be a jury present to pass upon evidence adduced as to guilt or innocence of such charge or, that if he should choose to enter into plea negotiations or to plead guilty, that he comprehend the consequences of a guilty plea and that he be able to knowingly, intelligently, and voluntarily waive those rights which are waived upon such entry of a guilty plea; and

(g) That he has the ability to participate in an adequate presentation of his defense.

C. 2C:4-5 Psychiatric Examination of Defendant With Respect to Fitness to Proceed.

2C:4-5. Psychiatric Examination of Defendant With Respect to Fitness to Proceed. a. Whenever there is reason to doubt the defendant's fitness to proceed, the court may on motion by the prosecutor, the defendant or on its own motion, appoint at least one qualified psychiatrist to examine and report upon the mental condition of the defendant. The psychiatrist so appointed shall be either:

(1) From a list agreed to by the court, the prosecutor and the defendant; or

(2) Agreed to by the court, prosecutor and defendant. The court may order the defendant to be committed to a hospital or

other suitable facility for the purpose of the examination for a period of not exceeding 30 days. A qualified psychiatrist retained by the defendant or by the prosecution shall, if requested, be permitted to examine the defendant. Upon showing of particular need, upon motion, the court may order commitment for an additional period not exceeding 15 days.

b. The report of the examination shall include at least the following: (1) a description of the nature of the examination; (2) a diagnosis of the mental condition of the defendant; (3) if the defendant suffers from a mental disease or defect, an opinion as to his capacity to understand the proceedings against him and to assist in his own defense. The examining psychiatrist or psychiatrists may ask questions respecting the crime charged when such questions are necessary to enable formation of an opinion as to a relevant issue, however, the evidentiary character of any inculpatory statement shall be limited expressly to the question of competency and shall not be admissible on the issue of guilt.

c. If the examination cannot be conducted by reason of the unwillingness of the defendant to participate therein, the report shall so state and shall include, if possible, an opinion as to whether such unwillingness of the defendant was the result of mental disease or defect. Upon the filing of such a report, the Court may permit examination without cooperation, may appoint a different psychiatrist, or may commit the defendant for observation for a period not exceeding 30 days except on good cause shown, or exclude or limit testimony by the defense psychiatrist.

d. The report of the examination shall be sent by the psychiatrist to the court, the prosecutor and counsel for the defendant.

Source: Model Penal Code: 4.05.

C. 2C:4-6 Determination of Fitness to Proceed; Effect of Finding of Unfitness; Proceedings if Fitness is Regained; Post-Commitment Hearing.

2C:4-6. Determination of Fitness to Proceed; Effect of Finding of Unfitness; Proceedings if Fitness is Regained; Post-Commitment Hearing. a. When the issue of the defendant's fitness to proceed is raised, the issue shall be determined by the court. If neither the prosecutor nor counsel for the defendant contests the finding of the report filed pursuant to section 2C:4-5, the court may make the determination on the basis of such report. If the finding is contested or if there is no report, the court shall hold a hearing on the issue. If the report is received in evidence upon such hearing, either party shall have the right to summon and examine the

psychiatrists who joined in the report and to offer evidence upon the issue.

b. If the court determines that the defendant lacks fitness to proceed, the proceeding against him shall be suspended, except as provided in subsection c. of this section. At this time, the court may commit him to the custody of the Commissioner of Human Services to be placed in an appropriate institution if it is found that the defendant is so dangerous to himself or others as to require institutionalization, or it shall proceed to determine whether placement in an out-patient setting or release is appropriate; provided, however, that no commitment to any institution shall be in excess of such period of time during which it can be determined whether it is substantially probable that the defendant could regain his competence within the foreseeable future.

c. If the defendant has not regained his fitness to proceed within such time as the court may deem adequate from the time that it was determined that the defendant lacked such fitness, the court shall after a hearing, if one is requested, dismiss the charges and either order the defendant discharged, or, subject to law governing civil commitment of persons suffering from mental disease or defect, order the defendant committed to an appropriate institution. When the charges are not dismissed, each defendant's case shall be specifically reviewed by the court at 6-month intervals until an order is made by the court that the defendant stand trial or that the charges be dismissed.

d. When the court, on its own motion or upon application of the commissioner, his designee or either party, determines after a hearing, if a hearing is requested, that the defendant has regained fitness to proceed, the proceedings shall be resumed.

e. When the court, on its own motion or upon application to the commissioner, his designee, or either party, determines after a hearing, if a hearing is requested, that the defendant has not regained fitness to proceed, the court may order the institution of civil commitment proceedings, or, if it is found that the defendant may be paroled or released on condition without danger to himself or to others, the court may so order. If it is determined that it is not substantially probable that the defendant will regain his competence in the foreseeable future, the court may dismiss the charge and either order the defendant to be discharged, or, subject to the law governing the civil commitment of persons suffering from mental disease or defect, order the defendant committed to an appropriate institution.

f. The fact that the defendant is unfit to proceed does not preclude determination of any legal objection to the prosecution which is susceptible of fair determination prior to trial and without the personal participation of the defendant.

C. 2C:4-7 Disposition.

2C:4-7. Disposition. If a defendant is acquitted by reason of insanity the court shall dispose of the case as provided for in section 2C:4-8 of this chapter.

C. 2C:4-8 Commitment of a Person by Reason of Mental Disease or Defect.

2C:4-8. Commitment of a Person by Reason of Mental Disease or Defect. a. After acquittal by reason of insanity or mental defect, the court shall order that the defendant undergo a psychiatric examination by a psychiatrist of the prosecutor's choice. If the examination cannot take place because of the unwillingness of the defendant to participate, the court shall proceed as in section 2C:4-5c. The defendant, pursuant to this section, may also be examined by a psychiatrist of his own choice.

b. The court shall dispose of the defendant in the following manner:

(1) If the court finds that the defendant may be released without danger to the community or himself without supervision, the court shall so release the defendant; or

(2) If the court finds that the defendant may be released without danger to the community or to himself under supervision or under conditions, the court shall so order; or

(3) If the court finds that the defendant cannot be released with or without supervision or conditions without posing a danger to the community or to himself, it shall commit the defendant to a mental health facility approved for this purpose by the Commissioner of Human Services for an indeterminate term not to exceed the maximum term of imprisonment provided by law for the crime of which the defendant has been acquitted.

c. No person committed under this section shall be confined within any penal or correctional institution or any part thereof.

C. 2C:4-9 Release of Persons Committed by Reason of Mental Disease or Defect.

2C:4-9. Release of Persons Committed by Reason of Mental Disease or Defect. a. If a person has been committed because of dangerousness to the community and if the commissioner, or his designee, or the superintendent of the institution to which the person has been committed, is of the view that a person committed to his custody, pursuant to section 2C:4-8, may be discharged or released on condition without danger to himself or to others, or that he may be transferred to a less restrictive setting for treatment, the commissioner or superintendent shall make application for the discharge or release of such person in a report to the court by which such person was committed and shall transmit a copy of such application and report to the prosecutor, the court, and defense counsel. The court may, in its discretion, appoint at least two qualified psychiatrists, neither of whom may be on the staff of the hospital to which the defendant had been committed, to examine such person and to report within 30 days, or such longer period as the court determines to be necessary for the purpose, their opinion as to his mental condition.

b. If the court is satisfied by the report filed pursuant to subsection a. of this section and such testimony of the reporting psychiatrists as the court deems necessary that the committed person may be discharged, released on condition without danger to himself or others, or treated as in civil commitment the court shall order his discharge, his release on such conditions as the court determines to be necessary or his transfer. If the court is not so satisfied, it shall promptly order a hearing to determine whether such person may safely be discharged, released or transferred. Any such hearing shall be deemed a civil proceeding. According to the determination of the court upon the hearing, the court shall proceed as in section 2C:4-8 b. (1), (2) or (3).

c. A committed person may make application for his discharge or release to the court by which he was committed, and the procedure to be followed upon such application shall be the same as that prescribed above in the case of an application by the commissioner.

d. Each defendant's case shall be specifically reviewed by the committing court at 6-month intervals until the expiration of the maximum period pursuant to subsection b. (3) of section 2C:4-8. At the expiration of that maximum, the defendant must be discharged; however, the State or other properly specified party

may then choose to bring an involuntary civil commitment action pursuant to R. S. 30:4-25 et seq.

C. 2C:4-10 Statements for Purposes of Examination or Treatment Inadmissible Except on Issue of Mental Condition.

2C:4-10. Statements for Purposes of Examination or Treatment Inadmissible Except on Issue of Mental Condition. A statement made by a person subjected to psychiatric examination or treatment pursuant to sections 2C:4-5, 2C:4-6 or 2C:4-9 for the purposes of such examination or treatment shall not be admissible in evidence against him in any criminal proceeding on any issue other than that of his mental condition but it shall be admissible upon that issue, whether or not it would otherwise be deemed a privileged communication. When such a statement constitutes an admission of guilt of the crime charged or of an element thereof, it shall only be admissible where it appears at trial that conversations with the examining psychiatrist were necessary to enable him to form an opinion as to a matter in issue.

C. 2C:4-11 Immaturity Excluding Criminal Conviction; Transfer of Proceedings to Juvenile Court.

2C:4-11. Immaturity Excluding Criminal Conviction; Transfer of Proceedings to Juvenile Court. a. A person shall not be tried for or convicted of an offense if:

(1) At the time of the conduct charged to constitute the offense he was less than 14 years of age, in which case the juvenile and domestic relations court shall have exclusive jurisdiction; or

(2) At the time of the conduct charged to constitute the offense he was 14, 15, 16, or 17 years of age, unless:

(a) The juvenile and domestic relations court has no jurisdiction over him;

(b) The juvenile and domestic relations court has, pursuant to P. L. 1973, c. 306, s. 7 (C. 2A:4-48), entered an order waiving jurisdiction and referring the case to the county prosecutor for the institution of criminal proceedings against him;

(c) The juvenile has, pursuant to P. L. 1973, c. 306, s. 8 (C. 2A:4-49), demanded indictment and trial by jury.

b. No court shall have jurisdiction to try and convict a person of an offense if criminal proceedings against him are barred by subsection a. of this section. When it appears that a person charged with the commission of an offense may be of such an age

that proceedings may be barred under subsection a. of this section, the court shall hold a hearing thereon, and the burden shall be on the prosecution to establish to the satisfaction of the court that the proceeding is not barred upon such grounds. If the court determines that the proceeding is barred, custody of the person charged shall be surrendered to the juvenile and domestic relations court, and the case, including all papers and processes relating thereto shall be transferred.

CHAPTER 5. INCHOATE CRIMES

Section

2C:5-1. Criminal Attempt.

2C:5-2. Conspiracy.

2C:5-3. Incapacity, Irresponsibility or Immunity of Party to Conspiracy.

2C:5-4. Grading of Criminal Attempt and Conspiracy; Mitigation in Cases of Lesser Danger; Multiple Convictions Barred.

2C:5-5. Burglar's Tools.

2C:5-6. Motor Vehicle Master Keys.

C. 2C:5-1 Criminal Attempt.

2C:5-1. Criminal Attempt. a. Definition of attempt. A person is guilty of an attempt to commit a crime if, acting with the kind of culpability otherwise required for commission of the crime, he:

(1) Purposely engages in conduct which would constitute the crime if the attendant circumstances were as a reasonable person would believe them to be;

(2) When causing a particular result is an element of the crime, does or omits to do anything with the purpose of causing such result without further conduct on his part; or

(3) Purposely does or omits to do anything which, under the circumstances as a reasonable person would believe them to be, is an act or omission constituting a substantial step in a course of conduct planned to culminate in his commission of the crime.

b. Conduct which may be held substantial step under subsection a. (3). Conduct shall not be held to constitute a substantial step under subsection a. (3) of this section unless it is strongly corroborative of the actor's criminal purpose.

c. Conduct designed to aid another in commission of a crime. A person who engages in conduct designed to aid another to commit a crime which would establish his complicity under section 2C:2-6 if the crime were committed by such other person, is guilty of an attempt to commit the crime, although the crime is not committed or attempted by such other person.

d. Renunciation of criminal purpose. When the actor's conduct would otherwise constitute an attempt under subsection a. (2) or (3) of this section, it is an affirmative defense which he must prove by a preponderance of the evidence that he abandoned his effort to commit the crime or otherwise prevented its commission, under circumstances manifesting a complete and voluntary renunciation of his criminal purpose. The establishment of such defense does not, however, affect the liability of an accomplice who did not join in such abandonment or prevention.

Within the meaning of this chapter, renunciation of criminal purpose is not voluntary if it is motivated, in whole or in part, by circumstances, not present or apparent at the inception of the actor's course of conduct, which increase the probability of detection or apprehension or which make more difficult the accomplishment of the criminal purpose. Renunciation is not complete if it is motivated by a decision to postpone the criminal conduct until a more advantageous time or to transfer the criminal effort to another but similar objective or victim. Renunciation is also not complete if mere abandonment is insufficient to accomplish avoidance of the offense in which case the defendant must have taken further and affirmative steps that prevented the commission thereof.

C. 2C:5-2 Conspiracy.

2C:5-2. Conspiracy. a. Definition of conspiracy. A person is guilty of conspiracy with another person or persons to commit a crime if with the purpose of promoting or facilitating its commission he:

(1) Agrees with such other person or persons that they or one or more of them will engage in conduct which constitutes such crime or an attempt or solicitation to commit such crime; or

(2) Agrees to aid such other person or persons in the planning or commission of such crime or of an attempt or solicitation to commit such crime.

b. Scope of conspiratorial relationship. If a person guilty of conspiracy, as defined by subsection a. of this section, knows that a person with whom he conspires to commit a crime has conspired with another person or persons to commit the same crime, he is guilty of conspiring with such other person or persons, whether or not he knows their identity, to commit such crime.

c. Conspiracy with multiple objectives. If a person conspires to commit a number of crimes, he is guilty of only one conspiracy so long as such multiple crimes are the object of the same agreement or continuous conspiratorial relationship.

d. Overt act. No person may be convicted of conspiracy to commit a crime, other than a crime of the first or second degree, unless an overt act in pursuance of such conspiracy is proved to have been done by him or by a person with whom he conspired.

e. Renunciation of purpose. It is an affirmative defense which the actor must prove by a preponderance of the evidence that he, after conspiring to commit a crime, informed the authority of the existence of the conspiracy and his participation therein, and thwarted or caused to be thwarted the commission of any offense in furtherance of the conspiracy, under circumstances manifesting a complete and voluntary renunciation of criminal purpose as defined in 2C:5-1 (d), provided, however, that an attempt as defined in 2C:5-1 shall not be considered an offense for purposes of renunciation under this subsection.

f. Duration of conspiracy. For the purpose of section 2C:1-6 d.:

(1) Conspiracy is a continuing course of conduct which terminates when the crime or crimes which are its object are committed or the agreement that they be committed is abandoned by the defendant and by those with whom he conspired; and

(2) Such abandonment is presumed if neither the defendant nor anyone with whom he conspired does any overt act in pursuance of the conspiracy during the applicable period of limitation; and

(3) If an individual abandons the agreement, the conspiracy is terminated as to him only if and when he advises those with whom he conspired of his abandonment or he informs the law enforcement authorities of the existence of the conspiracy and of his participation therein.

C. 2C:5-3 Incapacity, Irresponsibility or Immunity of Party to Conspiracy.

2C:5-3. Incapacity, Irresponsibility or Immunity of Party to Conspiracy. a. In general. Except as provided in subsection b. of this section, it is immaterial to the liability of a person who conspires with another to commit a crime that:

(1) He or the person with whom he conspires does not occupy a particular position or have a particular characteristic which is an element of such crime, if he believes that one of them does; or

(2) The person with whom he conspires is irresponsible or has an immunity to prosecution or conviction for the commission of the crime.

b. Exceptions to subsection a.: Victims, behavior inevitably incident to the commission of the crime. It is a defense to a charge of conspiracy to commit a crime that if the object of the conspiracy were achieved, the person charged would not be guilty of a crime under the law defining the crime or as an accomplice under section 2C:2-6 e. (1) or (2).

C. 2C:5-4 Grading of Criminal Attempt and Conspiracy; Mitigation in Cases of Lesser Danger; Multiple Convictions Barred.

2C:5-4. Grading of Criminal Attempt and Conspiracy; Mitigation in Cases of Lesser Danger; Multiple Convictions Barred. a. Grading. Except as otherwise provided in this section:

(1) Attempt is a crime of the same grade and degree as the most serious crime which is attempted; and

(2) Conspiracy is a crime of the same grade and degree as the most serious crime which is an object of the conspiracy.

An attempt or conspiracy to commit a crime of the first degree is a crime of the second degree.

b. Mitigation. The court may impose sentence for a crime of a lower grade or degree if neither the particular conduct charged nor the defendant presents a public danger warranting the grading provided for such crime under subsection a. because:

(1) The criminal attempt or conspiracy charged is so inherently unlikely to result or culminate in the commission of a crime; or

(2) The conspiracy, as to the particular defendant charged, is so peripherally related to the main unlawful enterprise.

or commonly used for committing or facilitating offenses involving forcible entry into premises, larceny by a physical taking, or theft of services

a. Knowing the same to be so adapted or designed or commonly used; and

b. With either a purpose so to use or employ it, or with a purpose to provide it to some person who he knows has such a purpose to use or employ it, is guilty of an offense.

The offense is a crime of the fourth degree if the defendant manufactured such instrument or implements; otherwise it is a disorderly persons offense.

b. Any person who offers or advertises for sale, sells or gives to any person other than those excepted in subsection c. a motor vehicle master key or device designed to operate a lock or locks on a motor vehicle or to start a motor vehicle without an ignition key is guilty of a crime of the fourth degree.

c. Subsection a. shall not apply to a law enforcement officer, constable, locksmith or dealer, distributor or manufacturer of motor vehicles or motor vehicle locks, a garage keeper, or a person engaged in the business of lending on the security of motor vehicles, or in the business of acquiring by purchase evidence of debt secured by interests in motor vehicles, and his employees and agents.

2C:13-2. Criminal Restraint.

2C:13-3. False Imprisonment.

2C:13-4. Interference with Custody.

2C:13-5. Criminal Coercion.

C. 2C:13-1 Kidnapping.

2C:13-1. Kidnapping. a. Holding for ransom, reward or as a hostage. A person is guilty of kidnapping if he unlawfully removes another from the place where he is found or if he unlawfully confines another with the purpose of holding that person for ransom or reward or as a shield or hostage.

b. Holding for other purposes. A person is guilty of kidnapping if he unlawfully removes another from his place of residence or business, or a substantial distance from the vicinity where he is found, or if he unlawfully confines another for a substantial period, with any of the following purposes:

(1) To facilitate commission of any crime or flight thereafter;

(2) To inflict bodily injury on or to terrorize the victim or another; or

(3) To interfere with the performance of any governmental or political function.

c. Gradation of kidnapping. Unless the actor releases the victim unharmed and in a safe place prior to apprehension, in which case it is a crime of the second degree, kidnapping is a crime of the first degree except that a person convicted of kidnapping as a crime of the first degree, may be sentenced to an ordinary term of imprisonment of between 15 years and 30 years.

d. "Unlawful" removal or confinement. A removal or confinement is unlawful within the meaning of this section and of sections 2C:13-2 and 3 if it is accomplished by force, threat or deception, or, in the case of a person who is under the age of 14 or is incompetent, if it is accomplished without the consent of a parent, guardian or other person responsible for general supervision of his welfare.

Source: N. J. S. 2A :118-1; Model Penal Code: 212.1.

C. 2C:13-2 Criminal Restraint.

2C:13-2. Criminal Restraint. A person commits a crime of the third degree if he knowingly:

a. Restrains another unlawfully in circumstances exposing the other to risk of serious bodily injury; or

b. Holds another in a condition of involuntary servitude.

The creation by the actor of circumstances resulting in a belief by another that he must remain in a particular location shall for purposes of this section be deemed to be a holding in a condition of involuntary servitude.

In any prosecution under subsection b., it is an affirmative defense that the person held was a child less than 18 years old and the actor was a relative or legal guardian of such child and his sole purpose was to assume control of such child.

Source: Model Penal Code: 212.2.

C. 2C:13-3 False Imprisonment.

2C:13-3. False Imprisonment. A person commits a disorderly persons offense if he knowingly restrains another unlawfully so as to interfere substantially with his liberty. In any prosecution under this section, it is an affirmative defense that the person restrained was a child less than eighteen years old and that the actor was a relative of such child and that his sole purpose was to assume control of such child.

Source: Model Penal Code: 212.3.

C. 2C:13-4 Interference With Custody.

2C:13-4. Interference With Custody. a. Custody of children. A person commits an offense if he knowingly takes or entices any

child under the age of 18 from the custody of its parent, guardian or other lawful custodian, when he has no privilege to do so, or he does so in violation of a court order. It is an affirmative defense that:

(1) The actor believed that his action was necessary to preserve the child from danger to its welfare; or

(2) The child, being at the time not less than 14 years old, was taken away at its own volition and without purpose to commit a criminal offense with or against the child.

Proof that the child was below the critical age gives rise to a presumption that the actor knew the child's age.

The offense is a crime of the fourth degree if the actor is neither a parent of or person in equivalent relation to the child and if he acted with knowledge that his conduct would cause serious alarm for the child's safety or in reckless disregard of a likelihood of causing such alarm. In all other cases it is a disorderly persons offense.

b. Custody of committed persons. A person is guilty of a crime of the fourth degree if he knowingly takes or entices any committed person away from lawful custody when he is not privileged to do so. "Committed person" means, in addition to anyone committed under judicial warrant, any orphan, neglected or delinquent child, mentally defective or insane person, or other dependent or incompetent person entrusted to another's custody by or through a recognized social agency or otherwise by authority of law.

Source: Model Penal Code: 212.4.

C. 2C:13-5 Criminal Coercion.

2C:13-5. Criminal Coercion. a. Offense defined. A person is guilty of criminal coercion if, with purpose unlawfully to restrict another's freedom of action to engage or refrain from engaging in conduct, he threatens to:

- (1) Inflict bodily injury on anyone or commit any other offense;
- (2) Accuse anyone of an offense;
- (3) Expose any secret which would tend to subject any person to hatred, contempt or ridicule, or to impair his credit or business repute;
- (4) Take or withhold action as an official, or cause an official to take or withhold action;
- (5) Bring about or continue a strike, boycott or other collective action, except that such a threat shall not be deemed coercive when

the restriction compelled is demanded in the course of negotiation for the benefit of the group in whose interest the actor acts;

(6) Testify or provide information or withhold testimony or information with respect to another's legal claim or defense; or

(7) Perform any other act which would not in itself substantially benefit the actor but which is calculated to substantially harm another person with respect to his health, safety, business, calling, career, financial condition, reputation or personal relationships.

It is an affirmative defense to prosecution based on paragraphs (2), (3), (4), (6) and (7) that the actor believed the accusation or secret to be true or the proposed official action justified and that his purpose was limited to compelling the other to behave in a way reasonably related to the circumstances which were the subject of the accusation, exposure or proposed official action, as by desisting from further misbehavior, making good a wrong done, or refraining from taking any action or responsibility for which the actor believes the other disqualified.

b. Grading. Criminal coercion is a crime of the fourth degree unless the threat is to commit a crime more serious than one of the fourth degree or the actor's purpose is criminal, in which cases the offense is a crime of the third degree.

(4) The victim is at least 16 but less than 18 years old and the actor is a member of the victim's household with supervisory or disciplinary power over the victim.

C. 2C:14-4 Lewdness.

2C:14-4. Lewdness. A person commits a disorderly persons offense if he does any flagrantly lewd and offensive act which he knows or reasonably expects is likely to be observed by other non-consenting persons who would be affronted or alarmed. "Lewd acts" shall include the exposing of the genitals for the purpose of arousing or gratifying the sexual desire of the actor or of any other person.

C. 2C:14-5 Provisions Generally Applicable to Chapter 14.

2C:14-5. Provisions Generally Applicable to Chapter 14.

a. The prosecutor shall not be required to offer proof that the victim resisted, or resisted to the utmost, or reasonably resisted the sexual assault in any offense proscribed by this chapter.

b. No actor shall be presumed to be incapable of committing a crime under this chapter because of age or impotency or marriage to the victim.

c. It shall be no defense to a prosecution for a crime under this chapter that the actor believed the victim to be above the age stated for the offense, even if such a mistaken belief was reasonable.

C. 2C:14-6 Sentencing.

2C:14-6. Sentencing. If a person is convicted of a second or subsequent offense under sections 2C:14-2 or 2C:14-3a., the sentence imposed under those sections for the second or subsequent offense shall, unless the person is sentenced pursuant to the provisions of 2C:43-7, include a fixed minimum sentence of not less than 5 years during which the defendant shall not be eligible for parole. The court may not suspend or make any other non-custodial disposition of any person sentenced as a second or subsequent offender pursuant to this section. For the purpose of this section an offense is considered a second or subsequent offense, if the actor has at any time been convicted under sections 2C:14-2 or 2C:14-3a. or under any similar statute of the United States, this state, or any other state for an offense that is substantially equivalent to sections 2C:14-2 or 2C:14-3a.

C. 2C:14-7 Admissibility of Evidence.

2C:14-7. Admissibility of Evidence.

a. In prosecutions for aggravated sexual assault, sexual assault, aggravated criminal sexual contact, or criminal sexual contact, evidence of the victim's previous sexual conduct shall not be admitted nor reference made to it in the presence of the jury except as provided in this section. When the defendant seeks to admit such evidence for any purpose he must apply for an order of the court before the trial or preliminary hearing, except that the court may allow the motion to be made during trial if the court determines that the evidence is newly discovered and could not have been obtained earlier through the exercise of due diligence. After the application is made, the court shall conduct a hearing in camera to determine the admissibility of the evidence. If the court finds that evidence offered by the defendant regarding the sexual conduct of the victim is relevant and that the probative value of the evidence offered is not outweighed by its collateral nature or the probability that its admission will create undue prejudice, confusion of the issues, or unwarranted invasion of the privacy of the victim, the court shall enter an order setting forth with specificity what evidence may be introduced and the nature of the questions which shall be permitted, and the reasons why the court finds that such evidence satisfies the standards contained in this section. The defendant may then offer evidence under the order of the court.

b. In the absence of clear and convincing proof to the contrary, evidence of the victim's sexual conduct occurring more than 1 year

before the date of the offense charged is presumed to be inadmissible under this section.

c. Evidence of previous sexual conduct shall not be considered relevant unless it is material to negating the element of force or coercion or to proving that the source of semen, pregnancy or disease is a person other than the defendant. For the purposes of this section, "sexual conduct" shall mean any conduct or behavior relating to sexual activities of the victim, including but not limited to previous or subsequent experience of sexual penetration or sexual contact, use of contraceptives, living arrangement and life style.

C. 2C:17-4 Endangering Pipes Transmitting Certain Gases.

2C:17-4. Endangering Pipes Transmitting Certain Gases. a. A person who discharges explosives in the ground within a distance of 200 feet of any pipe distributing or transmitting manufactured, mixed or natural gas, or synthetic natural gas, liquefied natural gas or propane gas, or who excavates in a street, highway, or public place, or on private property, without having first ascertained whether any such pipe is located within 200 feet of the place of discharge or excavation, is guilty of a disorderly persons offense.

The term "excavate" shall not include the opening of the surface and the disturbance of the subsoil thereunder of any street, highway, public place or private property for the purpose of installing or replacing poles and their appurtenances used or to be used in connection with the supplying to the public of electricity for light, heat or power or of communication services. This section shall not apply to any work performed by or on behalf of the New Jersey Department of Transportation, New Jersey Highway Authority or New Jersey Turnpike Authority or by any person excavating with nonpowered hand tools on private property to a depth not to exceed 18 inches.

b. To ascertain whether such pipes are within 200 feet of the proposed discharge or excavation, the person responsible for such discharge or excavation shall serve a written notice of intention at least 3 full working days (excluding Saturdays, Sundays and holidays) prior to the discharge of explosives or commencement of any excavation on the person engaged in the distribution or transmission of manufactured, mixed or natural gas in the area. The said written notice of intention shall be served personally or by registered or certified mail, return receipt requested, on the person so engaged in the transmission or distribution of the aforesaid gases and shall contain the name of the person responsible, the date, place and type of discharge or excavation to be conducted. Service of a single notice of intention shall constitute compliance with this section when the discharge of explosives or the excavations take place on more than one day provided either or both are part of a single continuing project. Within 3 days after receipt of such notice of intention, the person engaged in the distribution or transmission of the aforesaid gases shall advise the person named in the notice of the location of all such pipes within 200 feet of the place of discharge or place of excavation.

c. It shall be an affirmative defense to prosecution under this section that:

(1) There was an emergency involving danger to life, health or property, the excavation was done without using explosives, and such notice and reply were given as soon as reasonably possible; or

(2) There was an emergency involving an immediate and substantial danger of death or serious personal injury, and the discharge of explosives in the ground was done only after notice and reply were given.

d. A public utility engaged in supplying electricity for light, heat or power or in furnishing communication services may enter

into a written agreement with a person engaged in the distribution or transmission of manufactured, mixed or natural gas, or synthetic natural gas, liquefied natural gas or propane gas with respect to the securing of information as to the location of its transmission or distribution pipes within any private place in order to ascertain whether pipes are within 200 feet of the proposed excavation in lieu of the 3-day written notification.

e. No person who proposes to excavate or discharge explosives shall be issued a building permit, street opening permit or other permit for such excavation or discharge of explosives until he presents satisfactory proof to the issuing authority in the form of a written statement that he has complied with the requirements of this section. Upon issuance of such permit or permits the person proposing to excavate or discharge explosives shall be provided with a placard not less than 8½ inches by 11 inches by the issuing authority which shall be prominently displayed at the site of the excavation or discharge of explosives, clearly indicating that such permit or permits have been issued and that the holder thereof has complied with this section.

2C:17-5. Damage to Pipes During Excavation or Discharge. Any excavation or discharge within 200 feet of a pipe distributing or transmitting manufactured, mixed or natural or synthetic natural gas, liquefied natural gas or propane gas, shall be performed in such manner as to avoid damage to any such pipe. In the event that damage does occur, the person performing the excavation or discharge shall immediately notify the person who is distributing or transmitting manufactured, mixed or natural gas, or synthetic natural gas, liquefied natural gas or propane gas in the area. Any person who fails to do so is guilty of a disorderly persons offense.

Source: Model Penal Code: 221.0.

C. 2C:18-2 Burglary.

2C:18-2. Burglary. a. Burglary defined. A person is guilty of burglary if, with purpose to commit an offense therein he:

(1) Enters a building or occupied structure, or a separately secured or occupied portion thereof, unless the premises are at the time open to the public or the actor is licensed or privileged to enter; or

(2) Surreptitiously remains in a building or occupied structure or a separately secured or occupied portion thereof knowing that he is not licensed or privileged to do so.

It is an affirmative defense to prosecution for burglary that the building or structure was abandoned.

b. Grading. Burglary is a crime of the second degree if in the course of committing the offense, the actor:

(1) Purposely, knowingly or recklessly inflicts, attempts to inflict or threatens to inflict bodily injury on anyone; or

(2) Is armed with or displays what appears to be explosives or a deadly weapon.

Otherwise burglary is a crime of the third degree if the defendant's purpose was to commit a crime and is a crime of the fourth degree if the defendant's purpose was to commit a disorderly person's offense. An act shall be deemed "in the course of committing" an offense if it occurs in an attempt to commit an offense or in immediate flight after the attempt or commission.

A person commits an offense if, knowing that he is not licensed or privileged to do so, he enters or surreptitiously remains in any building or occupied structure, or separately secured or occupied portion thereof. An offense under this subsection is a crime of the fourth degree if it is committed in a dwelling. Otherwise it is a disorderly persons offense.

b. Defiant trespasser. A person commits a petty disorderly persons offense if, knowing that he is not licensed or privileged to do so, he enters or remains in any place as to which notice against trespass is given by:

- (1) Actual communication to the actor; or
- (2) Posting in a manner prescribed by law or reasonably likely to come to the attention of intruders; or
- (3) Fencing or other enclosure manifestly designed to exclude intruders.

c. Defenses. It is an affirmative defense to prosecution under this section that:

- (1) A building or occupied structure involved in an offense under subsection a. was abandoned.
- (2) The premises were at the time open to members of the public and the actor complied with all lawful conditions imposed on access to or remaining in the premises; or
- (3) The actor reasonably believed that the owner of the premises, or other person empowered to license access thereto, would have licensed him to enter or remain.

 2C:20-11. Shoplifting.

C. 2C:20-1 Definitions.

2C:20-1. Definitions. In chapters 20 and 21 unless a different meaning plainly is required:

a. "Deprive" means: (1) to withhold or cause to be withheld property of another permanently or for so extended a period as to appropriate a substantial portion of its economic value, or with purpose to restore only upon payment of reward or other compensation; or (2) to dispose or cause disposal of the property so as to make it unlikely that the owner will recover it.

b. "Fiduciary" means an executor, general administrator of an intestate, administrator with the will annexed, substituted administrator, guardian, substituted guardian, trustee under any trust expressed, implied, resulting or constructive, substituted trustee, executor, conservator, curator, receiver, trustee in bankruptcy, assignee for the benefit of creditors, partner, agent or officer of a corporation, public or private, temporary administrator, administrator, administrator pendente lite, administrator ad prosequendum, administrator ad litem or other person acting in a similar capacity.

c. "Financial institution" means a bank, insurance company, credit union, savings and loan association, investment trust or other organization held out to the public as a place of deposit of funds or medium of savings or collective investment.

d. "Government" means the United States, any State, county, municipality, or other political unit, or any department, agency or subdivision of any of the foregoing, or any corporation or other association carrying out the functions of government.

e. "Movable property" means property the location of which can be changed, including things growing on, affixed to, or found in land, and documents although the rights represented thereby have no physical location. "Immovable property" is all other property.

f. "Obtain" means: (1) in relation to property, to bring about a transfer or purported transfer of a legal interest in the property, whether to the obtainer or another; or (2) in relation to labor or service, to secure performance thereof.

g. "Property" means anything of value, including real estate, tangible and intangible personal property, trade secrets, contract rights, choses-in-action and other interests in or claims to wealth, admission or transportation tickets, captured or domestic animals, food and drink, electric, gas, steam or other power.

h. "Property of another" includes property in which any person other than the actor has an interest which the actor is not privileged to infringe, regardless of the fact that the actor also has an interest in the property and regardless of the fact that the other person might be precluded from civil recovery because the property was used in an unlawful transaction or was subject to forfeiture as contraband. Property in possession of the actor shall not be deemed property of another who has only a security interest therein, even if legal title is in the creditor pursuant to a conditional sales contract or other security agreement.

i. "Trade secret" means the whole or any portion or phase of any scientific or technical information, design, process, procedure, formula or improvement which is secret and of value. A trade secret shall be presumed to be secret when the owner thereof takes measures to prevent it from becoming available to persons other than those selected by the owner to have access thereto for limited purposes.

C. 2C:20-2 Consolidation of Theft Offenses; Grading; Provisions Applicable to Theft Generally.

2C:20-2. Consolidation of Theft Offenses; Grading; Provisions Applicable to Theft Generally. a. Consolidation of Theft Offenses. Conduct denominated theft in this chapter constitutes a single offense. A charge of theft may be supported by evidence that it was committed in any manner that would be theft under this chapter, notwithstanding the specification of a different manner in the indictment or accusation, subject only to the power of the court to ensure fair trial by granting a bill of particulars, discovery, a continuance, or other appropriate relief where the conduct of the defense would be prejudiced by lack of fair notice or by surprise.

b. Grading of theft offenses.

(1) Theft constitutes a crime of the second degree if the property is taken by extortion.

(2) Theft constitutes a crime of the third degree if:

(a) The amount involved exceeds \$500.00;

(b) The property stolen is a firearm, automobile, boat or airplane;

(c) The property stolen is a controlled dangerous substance as defined in P. L. 1970, c. 226 (C. 24:21-1 et seq.);

(d) It is from the person of the victim;

(e) It is in breach of an obligation by a person in his capacity as a fiduciary;

(f) It is by threat not amounting to extortion; or

(g) It is of a public record, writing or instrument kept, filed or deposited according to law with or in the keeping of any public office or public servant.

(3) Theft not within the preceding paragraphs constitutes a crime of the fourth degree. If, however, the amount involved was less than \$200.00 the offense constitutes a disorderly persons offense.

(4) The amount involved in a theft shall be determined by the trier of fact. Amounts involved in thefts committed pursuant to one scheme or course of conduct, whether from the same person or several persons, may be aggregated in determining the grade of the offense.

c. Claim of right. It is an affirmative defense to prosecution for theft that the actor:

(1) Was unaware that the property or service was that of another;

(2) Acted under an honest claim of right to the property or service involved or that he had a right to acquire or dispose of it as he did; or

(3) Took property exposed for sale, intending to purchase and pay for it promptly, or reasonably believing that the owner, if present, would have consented.

d. Theft from spouse. It is no defense that theft was from the actor's spouse, except that misappropriation of household and personal effects, or other property normally accessible to both spouses, is theft only if it occurs after the parties have ceased living together.

b. Immovable property. A person is guilty of theft if he unlawfully transfers any interest in immovable property of another with purpose to benefit himself or another not entitled thereto.

Source: Model Penal Code: 223.2.

C. 2C:20-4 Theft by Deception.

2C:20-4. Theft by Deception. A person is guilty of theft if he purposely obtains property of another by deception. A person deceives if he purposely:

a. Creates or reinforces a false impression, including false impressions as to law, value, intention or other state of mind; but deception as to a person's intention to perform a promise shall not be inferred from the fact alone that he did not subsequently perform the promise;

b. Prevents another from acquiring information which would affect his judgment of a transaction; or

c. Fails to correct a false impression which the deceiver previously created or reinforced, or which the deceiver knows to be influencing another to whom he stands in a fiduciary or confidential relationship.

The term "deceive" does not, however, include falsity as to matters having no pecuniary significance, or puffing or exaggera-

tion by statements unlikely to deceive ordinary persons in the group addressed.

C. 2C:20-5 Theft by Extortion.

2C:20-5. Theft by Extortion. A person is guilty of theft by extortion if he purposely obtains property of another by extortion. A person extorts if he purposely threatens to:

- a. Inflict bodily injury on or physically confine or restrain anyone or commit any other criminal offense;
- b. Accuse anyone of an offense or cause charges of an offense to be instituted against any person;
- c. Expose or publicize any secret or any asserted fact, whether true or false, tending to subject any person to hatred, contempt or ridicule, or to impair his credit or business repute;
- d. Take or withhold action as an official, or cause an official to take or withhold action;
- e. Bring about or continue a strike, boycott or other collective action, if the property is not demanded or received for the benefit of the group in whose interest the actor purports to act;
- f. Testify or provide information or withhold testimony or information with respect to another's legal claim or defense; or
- g. Inflict any other harm which would not substantially benefit the actor but which is calculated to materially harm another person.

It is an affirmative defense to prosecution based on paragraphs b, c, d or f that the property obtained was honestly claimed as restitution or indemnification for harm done in the circumstances or as lawful compensation for property or services.

C. 2C:20-6 Theft of Property Lost, Mislaid, or Delivered by Mistake.

2C:20-6. Theft of Property Lost, Mislaid, or Delivered by Mistake. A person who comes into control of property of another that he knows to have been lost, mislaid, or delivered under a mistake as to the nature or amount of the property or the identity of the recipient is guilty of theft if, knowing the identity of the owner and with purpose to deprive said owner thereof, he converts the property to his own use.

Source: Model Penal Code: 223.5.

C. 2C:20-7 Receiving Stolen Property.

2C:20-7. Receiving Stolen Property. a. Receiving. A person is guilty of theft if he purposely receives movable property of another knowing that it has been stolen, or believing that it has probably been stolen. It is an affirmative defense that the property was received with purpose to restore it to the owner. "Receiving" means acquiring possession, control or title, or lending on the security of the property.

b. Presumption of knowledge. The requisite knowledge or belief is presumed in the case of a person who:

(1) Is found in possession or control of two or more items of property stolen on two or more separate occasions;

(2) Has received stolen property in another transaction within the year preceding the transaction charged; or

(3) Being a person in the business of buying or selling property of the sort received, acquires the property without having ascertained by reasonable inquiry that the person from whom he obtained it had a legal right to possess and dispose of it.

C. 2C:20-8 Theft of Services.

2C:20-8. Theft of Services. a. A person is guilty of theft if he purposely obtains services which he knows are available only for compensation, by deception or threat, or by false token, slug, or other means, including but not limited to mechanical or electronic devices or through fraudulent statements, to avoid payment for the service. "Services" include labor, professional

service, transportation, telephone, or other public service, accommodation in hotels, restaurants or elsewhere, entertainment, admission to exhibitions, use of vehicles or other movable property. Where compensation for service is ordinarily paid immediately upon the rendering of such service, as in the case of hotels and restaurants, absconding without payment or offer to pay gives rise to a presumption that the service was obtained by deception as to intention to pay.

b. A person commits theft if, having control over the disposition of services of another, to which he is not entitled, he knowingly diverts such services to his own benefit or to the benefit of another not entitled thereto.

c. Any person who, without permission and for the purpose of obtaining electric current, gas or water with intent to defraud any vendor of electricity, gas or water:

(1) Connects or causes to be connected by wire or any other device with the wires, cables or conductors of any such vendor; or

(2) Connects or disconnects the meters, pipes or conduits of such vendor or in any other manner tampers or interferes with such meters, pipes or conduits, or connects with such meters, pipes or conduits by pipes, conduits or other instruments—is guilty of a disorderly persons offense.

The existence of any of the conditions with reference to meters, pipes, conduits or attachments, described in this section, is presumptive evidence that the person to whom gas, electricity or water is at the time being furnished by or through such meters, pipes, conduits or attachments has, with intent to defraud, created or caused to be created with reference to such meters, pipes, conduits or attachments, the condition so existing; provided, however, that the presumption shall not apply to any person so furnished with gas, electricity or water for less than 31 days or until there has been at least one meter reading.

d. Any person who, without permission or authority, connects or causes to be connected by wires or other devices, any meter erected or set up for the purpose of registering or recording the amount of electric current supplied to any customer by any vendor of electricity within this State, or changes or shunts the wiring leading to or from any such meter, or by any device, appliance or means whatsoever tampers with any such meter so that the meter will not measure or record the full amount of electric current supplied to such customer, is guilty of a disorderly persons offense.

The existence of any of the conditions with reference to meters or attachments described in this subsection or in subsection c. is presumptive evidence that the person to whom electricity is at the time being furnished by or through such meters or attachments has, with intent to defraud, created or caused to be created with reference to such meters or attachments, the condition so existing; provided, however, that the presumption shall not apply to any person so furnished with electricity for less than 31 days or until there has been at least one meter reading.

C. 2C:20-9 Theft by Failure to Make Required Disposition of Property Received.

2C:20-9. Theft by Failure to Make Required Disposition of Property Received. A person who purposely obtains or retains property upon agreement or subject to a known legal obligation to make specified payment or other disposition, whether from such property or its proceeds or from his own property to be reserved in equivalent amount, is guilty of theft if he deals with the property obtained as his own and fails to make the required payment or disposition. The foregoing applies notwithstanding that it may be impossible to identify particular property as belonging to the victim at the time of the actor's failure to make the required payment or disposition. An officer or employee of the government or of a financial institution is presumed: (a) to know any legal obligation relevant to his criminal liability under this section, and (b) to have dealt with the property as his own if he fails to pay or account upon lawful demand, or if an audit reveals a shortage or falsification of accounts.

C. 2C:20-10 Unlawful Taking of Means of Conveyance.

2C:20-10. Unlawful Taking of Means of Conveyance. a. A person commits a disorderly persons offense if he takes, operates, or exercises control over any means of conveyance without consent of the owner or other person authorized to give consent. "Means of conveyance" includes but is not limited to motor vehicles, motorcycles, motorbikes, bicycles, boats, vessels, surfboards, rafts, skimobiles, airplanes, trains, trams and trailers. It is an affirmative defense to prosecution under this section that the actor reasonably believed that the owner or any other person authorized to

give consent would have consented to the operation had he known of it.

b. A person commits a petty disorderly persons offense if he knowingly rides in a vehicle described in subsection a. which at the time he entered he knew or had been informed that it had been taken, or was being operated or controlled in violation of subsection a.

C. 2C:28-1 Perjury.

2C:28-1. Perjury. a. Offense defined. A person is guilty of perjury, a crime of the third degree, if in any official proceeding he makes a false statement under oath or equivalent affirmation, or swears or affirms the truth of a statement previously made, when the statement is material and he does not believe it to be true.

b. Materiality. Falsification is material, regardless of the admissibility of the statement under rules of evidence, if it could have affected the course or outcome of the proceeding or the disposition of the matter. It is no defense that the declarant mistakenly believed the falsification to be immaterial. Whether a falsification is material is a question of law.

c. Irregularities no defense. It is not a defense to prosecution under this section that the oath or affirmation was administered or taken in an irregular manner. A document purporting to be made upon oath or affirmation at any time when the actor presents it as being so verified shall be deemed to have been duly sworn or affirmed.

d. Retraction. It is an affirmative defense under this section that the actor retracted the falsification in the course of the proceeding or matter in which it was made prior to the termination of the proceeding or matter.

e. Corroboration. No person shall be convicted of an offense under this section where proof of falsity rests solely upon contradiction by testimony of a single person other than the defendant.

C. 2C:28-2 False Swearing.

2C:28-2. False Swearing. a. False swearing. A person who makes a false statement under oath or equivalent affirmation, or swears or affirms the truth of such a statement previously made, when he does not believe the statement to be true, is guilty of a disorderly persons offense.

b. Perjury provisions applicable. Subsections c. and d. of section 2C:28-1 apply to the present section.

c. Inconsistent statements. Where the defendant made inconsistent statements under oath or equivalent affirmation, both having been made within the period of the statute of limitations, the prosecution may proceed by setting forth the inconsistent statements in a single count alleging in the alternative that one or the other was false and not believed by the defendant. In such case it shall not be necessary for the prosecution to prove which statement was false but only that one or the other was false and not believed by the defendant to be true.

(1) Reports or causes to be reported to law enforcement authorities an offense or other incident within their concern knowing that it did not occur; or

(2) Pretends to furnish or causes to be furnished such authorities with information relating to an offense or incident when he knows he has no information relating to such offense or incident.

2C:29-1. Obstructing Administration of Law or Other Governmental Function. A person commits a disorderly persons offense if he purposely obstructs, impairs or perverts the administration of law or other governmental function or prevents or attempts to prevent a public servant from lawfully performing an official function by means of intimidation, force, violence, or physical interference or obstacle, or by means of any independently unlawful act. - a. Uses or threatens to use physical force or violence against the law enforcement officer or another; or
- b. Uses any other means to create a substantial risk of causing physical injury to the public servant or another. Otherwise it is a disorderly persons offense.

C. 2C:29-3 Hindering Apprehension or Prosecution.

- d. Warns the other of impending discovery or apprehension, except that this paragraph does not apply to a warning given in connection with an effort to bring another into compliance with law;
- e. Prevents or obstructs, by means of force, intimidation or deception, any one from performing an act which might aid in the discovery or apprehension of such person or in the lodging of a charge against him;
- f. Aids such person to protect or expeditiously profit from an advantage derived from such crime; or
- g. Volunteers false information to a law enforcement officer.

The offense is a crime of the third degree if the conduct which the actor knows has been charged or is liable to be charged against the person aided would constitute a crime of the second degree or greater, unless the actor is a spouse, parent or child of the person aided, in which case the offense is a crime of the fourth degree. The offense is a crime of the fourth degree if such conduct would constitute a crime of the third degree. Otherwise it is a disorderly persons offense.

2C:29-4. Compounding. A person commits a crime if he accepts or agrees to accept any pecuniary benefit in consideration of re-

fraining from reporting to law enforcement authorities the commission or suspected commission of any offense or information relating to an offense or from seeking prosecution of an offense. A person commits a crime if he confers or agrees to confer any pecuniary benefit in consideration of the other person agreeing to refrain from any such reporting or seeking prosecution. It is an affirmative defense to prosecution under this section that the pecuniary benefit did not exceed an amount which the actor reasonably believed to be due as restitution or indemnification for harm caused by the offense. An offense proscribed by this section shall be a crime of the second degree. If the thing of value accepted, agreed to be accepted, conferred or agreed to be conferred is money in an amount of \$200.00 or less, an offense proscribed by this section shall be a crime of the third degree.

C. 2C:29-5 Escape.

2C:29-5. Escape. a. Escape. A person commits an offense if he without lawful authority removes himself from official detention or fails to return to official detention following temporary leave granted for a specific purpose or limited period. "Official detention" means arrest, detention in any facility for custody of persons under charge or conviction of crime or alleged or found to be delinquent, detention for extradition or deportation, or any other detention for law enforcement purposes; but "official detention" does not include supervision of probation or parole, or constraint incidental to release on bail.

b. Permitting or facilitating escape. A public servant concerned in detention commits an offense if he knowingly or recklessly permits an escape. Any person who knowingly causes or facilitates an escape commits an offense.

c. Effect of legal irregularity in detention. Irregularity in bringing about or maintaining detention, or lack of jurisdiction of the committing or detaining authority, shall not be a defense to prosecution under this section if the escape is from a prison or other custodial facility or from detention pursuant to commitment by official proceedings. In the case of other detentions, irregularity or lack of jurisdiction shall be a defense only if:

- (1) The escape involved no substantial risk of harm to the person or property of anyone other than the detainee; or
- (2) The detaining authority did not act in good faith under color of law.

d. Grading of offenses. An offense under this section is a crime of the third degree where:

An inmate commits an offense if he knowingly and unlawfully procures, makes, or otherwise provides himself with, or has in his possession, any such implement of escape. "Unlawfully" means surreptitiously or contrary to law, regulation or order of the detaining authority. The offense is a crime of the third degree if the item is a weapon. 2C:29-7. Bail Jumping; Default in Required Appearance. A person set at liberty by court order, with or without bail, upon condition that he will subsequently appear at a specified time and place in connection with any offense, commits an offense if, without lawful excuse, he fails to appear at that time and place. It is an affirmative defense for the defendant to prove, by a preponderance of evidence, that he did not knowingly fail to appear. The offense constitutes a crime of the third degree where the required appearance was to answer to a charge of a crime of the third degree or greater, or for disposition of any such charge and the actor took

flight or went into hiding to avoid apprehension, trial or punishment. The offense constitutes a crime of the fourth degree where the required appearance was otherwise to answer to a charge of crime or for disposition of such charge. The offense constitutes a disorderly persons offense or a petty disorderly persons offense, respectively, when the required appearance was to answer a charge of such an offense or for disposition of any such charge.

This section does not apply to obligations to appear incident to release under suspended sentence or on probation or parole. Nothing herein shall interfere with or prevent the exercise by any court of this State of its power to punish for contempt.

C. 2C:37-1 Definitions.

2C:37-1. Definitions. The following definitions apply to this chapter and to chapter 64:

a. "Contest of chance" means any contest, game, pool, gaming scheme or gaming device in which the outcome depends in a material degree upon an element of chance, notwithstanding that skill of the contestants or some other persons may also be a factor therein.

b. "Gambling" means staking or risking something of value upon the outcome of a contest of chance or a future contingent event not under the actor's control or influence, upon an agreement or understanding that he will receive something of value in the event of a certain outcome.

c. "Player" means a person who engages in any form of gambling solely as a contestant or bettor, without receiving or becoming entitled to receive any profit therefrom other than personal gambling winnings, and without otherwise rendering any material assistance to the establishment, conduct or operation of the particular gambling activity. A person who gambles at a social game of chance on equal terms with the other participants therein does not thereby render material assistance to the establishment, conduct or operation of such game if he performs, without fee or remuneration, acts directed toward the arrangement or facilitation of the game, such as inviting persons to play, permitting the use of premises therefor or supplying cards or other equipment used therein. A person who engages in "bookmaking," as defined in this section is not a "player."

d. "Something of value" means any money or property, any token, object or article exchangeable for money or property, or any form of credit or promise directly or indirectly contemplating transfer of money or property or of any interest therein, or involving extension of a service, entertainment or a privilege of playing at a game or scheme without charge.

e. "Gambling device" means any device, machine, paraphernalia or equipment which is used or usable in the playing phases of any gambling activity, whether such activity consists of gambling

between persons or gambling by a person involving the playing of a machine. Notwithstanding the foregoing, lottery tickets, policy slips and other items used in the playing phases of lottery and policy schemes are not gambling devices.

f. "Slot machine" means a gambling device which, as a result of the insertion of a coin or other object, operates, either completely automatically or with the aid of some physical act by the player, in such manner that, depending upon elements of chance, it may eject something of value. A device so constructed, or readily adaptable or convertible to such use, is no less a slot machine because it is not in working order or because some mechanical act of manipulation or repair is required to accomplish its adaptation, conversion or workability. Nor is it any less a slot machine because, apart from its use or adaptability as such, it may also sell or deliver something of value on a basis other than chance. A machine which sells items of merchandise which are of equivalent value, is not a slot machine merely because such items differ from each other in composition, size, shape or color.

g. "Bookmaking" means advancing gambling activity by unlawfully accepting bets from members of the public upon the outcome of future contingent events as a business.

h. "Lottery" means an unlawful gambling scheme in which (a) the players pay or agree to pay something of value for chances, represented and differentiated by numbers or by combinations of numbers or by some other media, one or more of which chances are to be designated the winning ones; and (b) the winning chances are to be determined by a drawing or by some other method based upon the element of chance; and (c) the holders of the willing chances are to receive something of value.

i. "Policy" or "the numbers game" means a form of lottery in which the winning chances or plays are not determined upon the basis of a drawing or other act on the part of persons conducting or connected with the scheme, but upon the basis of the outcome or outcomes of a future contingent event or events otherwise unrelated to the particular scheme.

j. "Gambling resort" means a place to which persons may resort for engaging in gambling activity.

k. "Unlawful" means not specifically authorized by law.

Such conduct includes but is not limited to conduct directed toward the creation or establishment of the particular game, contest, scheme, device or activity involved, toward the acquisition or maintenance of premises, paraphernalia, equipment or apparatus therefor, toward the solicitation or inducement of persons to participate therein, toward the actual conduct of the playing phases thereof, toward the arrangement of any of its financial or recording phases, or toward any other phase of its operation.

b. Grading. A person who violates the provisions of subsection a. by:

(1) Engaging in bookmaking to the extent he receives or accepts in any 1 day more than five bets totaling more than \$1,000.00; or

(2) Receiving, in connection with a lottery or policy scheme or enterprise (a) money or written records from a person other than a player whose chances or plays are represented by such money or records, or (b) more than \$100.00 in any 1 day of money played in such scheme or enterprise, is guilty of a crime of the third degree and in lieu of the fine provided in 2C:43-3, shall be subject to a fine of not more than \$25,000.00.

Otherwise, promoting gambling is a disorderly persons offense and in lieu of a fine provided in 2C:43-3, shall be subject to a fine of not more than \$10,000.00.

c. It is a defense to a prosecution under subsection a. that the person participated only as a player. It shall be the burden of the defendant to prove by clear and convincing evidence his status as such player.

(2) Of a kind commonly used in the operation, promotion or playing of a lottery or policy scheme or enterprise.

b. Defenses.

(1) It is a defense to a prosecution under subsection a. (2) that the writing, paper, instrument or article possessed by the defendant constituted, reflected or represented plays, bets or chances of the defendant himself in a number not exceeding 10.

(2) It is a defense to a prosecution under subsection a. that the writing, paper, instrument or article possessed by the defendant was neither used nor intended to be used in the operation or promotion of a bookmaking scheme or enterprise, or in the operation, promotion or playing of a lottery or policy scheme or enterprise.

c. Grading. Possession of gambling records is a crime of the third degree and in lieu of the fine provided in 2C:43-3, shall be subject to a fine of not more than \$25,000.00 when the writing, paper, instrument or article:

(1) In a bookmaking scheme or enterprise, constitute, reflect or represent more than five bets totaling more than \$1,000.00; or

(2) In the case of a lottery or policy scheme or enterprise, constitute, reflect or represent more than one hundred plays or chances therein.

Otherwise, possession of gambling records is a disorderly persons offense and in lieu of the fine provided in 2C:43-3, such a person shall be subject to a fine of not more than \$10,000.00.

b. Notwithstanding any other provision of law, a crime defined by any statute of this State other than this code and designated as a high misdemeanor shall constitute for the purpose of sentence a crime of the third degree. Notwithstanding any other provision of law, a crime defined by any statute of this State other than this code and designated as a misdemeanor shall constitute for the purpose of sentence a crime of the fourth degree. The provisions of this subsection shall not, however, apply to the sentences authorized by the "New Jersey Controlled Dangerous Substances Act," P. C. 2C:43-12 Supervisory Treatment—Pretrial Intervention.

2C:43-12. Supervisory Treatment—Pretrial Intervention. a. Public policy. The purpose of “The Supervisory Treatment Act” is to effectuate a statewide program of Pretrial Intervention. It is the policy of the State of New Jersey that supervisory treatment should ordinarily be limited to persons who have not previously been convicted of any criminal offense under the laws of New Jersey or, subsequent to the effective date of this act, under any criminal law of the United States, this State or any other state when supervisory treatment would:

(1) Provide applicants, on an equal basis, with opportunities to avoid ordinary prosecution by receiving early rehabilitative services or supervision, when such services or supervision can reasonably be expected to deter future criminal behavior by an applicant, and when there is apparent causal connection between the offense charged and the rehabilitative or supervisory need, without which cause both the alleged offense and the need to prosecute might not have occurred; or

(2) Provide an alternative to prosecution for applicants who might be harmed by the imposition of criminal sanctions as pres-

ently administered, when such an alternative can be expected to serve as sufficient sanction to deter criminal conduct; or

(3) Provide a mechanism for permitting the least burdensome form of prosecution possible for defendants charged with "victimless" offenses; or

(4) Provide assistance to criminal calendars in order to focus expenditure of criminal justice resources on matters involving serious criminality and severe correctional problems; or

(5) Provide deterrence of future criminal or disorderly behavior by an applicant in a program of supervisory treatment.

b. Admission of an applicant into a program of supervisory treatment shall be measured according to the applicant's amenability to correction, responsiveness to rehabilitation and the nature of the offense.

c. The decisions and reasons therefor made by the designated judges (or assignment judges), prosecutors and program directors in granting or denying applications for supervisory treatment, in recommending and ordering termination from the program or dismissal of charges, in all cases shall be reduced to writing and disclosed to the applicant.

d. If an applicant desires to challenge the decision of the prosecutor or program director not to recommend enrollment in a program of supervisory treatment the proceedings prescribed under section 14 shall be followed.

e. Referral. At any time prior to trial but after the filing of a criminal complaint or accusation or the return of an indictment, with the consent of the prosecutor and upon written recommendation of the program director, the assignment judge or a judge designated by him may postpone all further proceedings against an applicant and refer said applicant to a program supervisory treatment approved by the Supreme Court. Prosecutors and program directors may consider in formulating their recommendation of an applicant's participation in a supervisory treatment program, among others, the following criteria:

- (1) The nature of the offense;
 - (2) The facts of the case;
 - (3) The motivation and age of the defendant;
 - (4) The desire of the complainant or victim to forego prosecution;
 - (5) The existence of personal problems and character traits which may be related to the applicant's crime and for which services
-

are unavailable within the criminal justice system, or which may be provided more effectively through supervisory treatment and the probability that the causes of criminal behavior can be controlled by proper treatment;

(6) The likelihood that the applicant's crime is related to a condition or situation that would be conducive to change through his participation in supervisory treatment;

(7) The needs and interests of the victim and society;

(8) The extent to which the applicant's crime constitutes part of a continuing pattern of anti-social behavior;

(9) The applicant's record of criminal and penal violations and the extent to which he may present a substantial danger to others;

(10) Whether or not the crime is of an assaultive or violent nature, whether in the criminal act itself or in the possible injurious consequences of such behavior;

(11) Consideration of whether or not prosecution would exacerbate the social problem that led to the applicant's criminal act;

(12) The history of the use of physical violence toward others;

(13) Any involvement of the applicant with organized crime;

(14) Whether or not the crime is of such a nature that the value of supervisory treatment would be outweighed by the public need for prosecution;

(15) Whether or not the applicant's involvement with other people in the crime charged or in other crime is such that the interest of the State would be best served by processing his case through traditional criminal justice system procedures;

(16) Whether or not applicant's participation in pretrial intervention will adversely affect the prosecution of codefendants; and

(17) Whether or not the harm done to society by abandoning criminal prosecution would outweigh the benefits to society from channeling an offender into a supervisory treatment program.

f. Review of Supervisory Treatment Applications. Procedure Upon Denial: Each applicant for supervisory treatment shall be entitled to full and fair consideration of his application. If an application is denied, the program director or the prosecutor shall precisely state his findings and conclusion which shall include the facts upon which the application is based and the reasons offered for the denial. If the applicant desires to challenge the decision of a program director not to recommend, or of a prosecutor to consent to, enrollment into a supervisory treatment program, a motion shall

be filed before the designated judge (or assignment judge) authorized pursuant to the rules of court to enter orders.

g. Limitations. Supervisory treatment, whether under this section or under section 27 of P. L. 1970, c. 226 (C. 24:21-27), may occur only once with respect to any defendant, however, supervisory treatment, as provided herein, shall be available to a defendant irrespective of whether the defendant contests his guilt of the charge or charges against him.

h. Termination. Termination of supervisory treatment under this section shall be immediately reported to the assignment judge of the county who shall forward such information to the Administrative Director of the Courts.

i. Appointment of Program Directors; Authorized Referrals. Programs of supervisory treatment and appointment of the program directors require approval by the Supreme Court with the consent of the assignment judge and prosecutor. Referrals of participants from supervisory treatment programs may be to any public or private office of agency, including but not limited to programs within the probation service of the Court, offering counseling or any other social service likely to aid in the rehabilitation of the participant and to deter the commission of other offenses.

C. 2C:43-13 Supervisory Treatment Procedure.

2C:43-13. Supervisory Treatment Procedure. a. Agreement. The terms and duration of the supervisory treatment shall be set forth in writing, signed by the prosecutor and agreed to and signed by the participant. If the participant is represented by counsel, defense counsel shall also sign the agreement. Each order of supervisory treatment shall be filed with the county clerk.

b. Charges. During a period of supervisory treatment the charge or charges on which the participant is undergoing supervisory treatment shall be held in an inactive status pending termination of the supervisory treatment pursuant to subsection d. or e. of this section.

c. Period of treatment. Supervisory Treatment may be for such period, not to exceed 1 year, provided, however, that the period of supervisory treatment may be shortened or terminated as the program director may determine with the consent of the prosecutor and the approval of the court.

d. Dismissal. Upon completion of supervisory treatment, and with the consent of the prosecutor, the complaint, indictment or accusation against the participant may be dismissed with prejudice.

e. Violation of conditions. Upon violation of the conditions of supervisory treatment, the court shall determine, after summary hearing, whether said violation warrants the participant's dismissal from the supervisory treatment program or modification of the conditions of continued participation in that or another supervisory treatment program. Upon dismissal of participant from the supervisory treatment program, the charges against the participant may be reactivated and the prosecutor may proceed as though no supervisory treatment had been commenced.

f. Evidence. No statement or other disclosure by a participant undergoing supervisory treatment made or disclosed to the person designated to provide such supervisory treatment shall be disclosed, at any time, to the prosecutor in connection with the charge or charges against the participant, nor shall any such statement or disclosure be admitted as evidence in any civil or criminal proceeding against the participant. Nothing provided herein, however, shall prevent the person providing supervisory treatment from informing the prosecutor, or the court, upon request or otherwise as to whether or not the participant is satisfactorily responding to supervisory treatment.

g. Delay. No participant agreeing to undergo supervisory treatment shall be permitted to complain of a lack of speedy trial for any delay caused by the commencement of supervisory treatment.

Section

- 2C:44-1. Criteria for Withholding or Imposing Sentence of Imprisonment.
- 2C:44-2. Criteria for Imposing Fines and Restitutions.
- 2C:44-3. Criteria for Sentence of Extended Term of Imprisonment.

- 2C:44-5. Multiple Sentences; Concurrent and Consecutive Terms.
- 2C:44-6. Procedure on Sentence; Presentence Investigation and Report.
- 2C:44-7. Appellate Review of Actions of Sentencing Court.

C. 2C:44-1 Criteria for Withholding or Imposing Sentence of Imprisonment.

2C:44-1. Criteria for Withholding or Imposing Sentence of Imprisonment. a. In determining the appropriate sentence to be imposed on a person who has been convicted of an offense, the court may properly consider the following aggravating circumstances:

(1) The nature and circumstances of the offense, and the role of the actor therein, including whether or not the crime was committed in an especially heinous, cruel, or depraved manner;

(2) The gravity and seriousness of harm inflicted on the victim, including whether or not the defendant knew or reasonably should have known that the victim of the offense was particularly vulnerable or incapable of resistance due to advanced age, disability, ill-health, or extreme youth, or was for any other reason substantially incapable of exercising normal physical or mental power of resistance;

(3) The risk that the defendant will commit another crime;

(4) A lesser sentence will depreciate the seriousness of the defendant's crime because it involved a breach of the public trust under chapters 27 and 30, or the defendant took advantage of a position of trust or confidence to commit the offense;

(5) There is a substantial likelihood that the defendant is involved in organized criminal activity;

(6) The extent of the defendant's prior criminal record and the seriousness of the offenses of which he has been convicted;

(7) The defendant committed the offense pursuant to an agreement that he either pay or be paid for the commission of the offense

and the pecuniary incentive was beyond that inherent in the offense itself;

(8) The defendant committed the offense against a police or other law enforcement officer, correctional employee or fireman, while performing his duties or because of his status as a public servant;

(9) The need for deterring the defendant and others from violating the law.

b. In determining the appropriate sentence to be imposed on a person who has been convicted of an offense, the court may properly consider the following mitigating circumstances:

(1) The defendant's conduct neither caused nor threatened serious harm;

(2) The defendant did not contemplate that his conduct would cause or threaten serious harm;

(3) The defendant acted under a strong provocation;

(4) There were substantial grounds tending to excuse or justify the defendant's conduct, though failing to establish a defense;

(5) The victim of the defendant's conduct induced or facilitated its commission;

(6) The defendant has compensated or will compensate the victim of his conduct for the damage or injury that he sustained, or will participate in a program of community service;

(7) The defendant has no history of prior delinquency or criminal activity or has led a law-abiding life for a substantial period of time before the commission of the present offense;

(8) The defendant's conduct was the result of circumstances unlikely to recur;

(9) The character and attitudes of the defendant indicate that he is unlikely to commit another offense;

(10) The defendant is particularly likely to respond affirmatively to probationary treatment;

(11) The imprisonment of the defendant would entail excessive hardship to himself or his dependents;

(12) The willingness of the defendant to cooperate with law enforcement authorities;

(13) The conduct of a youthful defendant was substantially influenced by another person more mature than the defendant.

c. A plea of guilty by a defendant or failure to so plead shall not be considered in withholding or imposing a sentence of imprisonment.

d. Presumption of imprisonment. Where a statute defining an offense of the first or second degree provides that a presumption of imprisonment shall be applied upon conviction or where a statute outside the code defining an offense which would be a first or second degree offense under the code provides for a mandatory sentence, the provision as to sentencing without imprisonment under subsection a. shall not apply and a presumption of imprisonment shall apply. The court shall deal with a person who has been convicted of such a crime by imposing a sentence of imprisonment unless, having regard to the character and condition of the defendant, it is of the opinion that his imprisonment would be a serious injustice which overrides the need to deter such conduct by others.

e. The court shall deal with a person convicted of an offense other than an offense of the first or second degree, who has not previously been convicted of an offense, without imposing sentence of imprisonment unless, having regard to the nature and circumstances of the offense and the history, character and condition of the defendant, it is of the opinion that his imprisonment is necessary for the protection of the public under the criteria set forth in subsection a.

f. Presumptive Sentences. (1) When a court determines that a sentence of imprisonment be imposed, it shall sentence the defendant to a term of 15 years for a crime of the first degree, to a term of 7 years for a crime of the second degree, to a term of 4 years for a crime of the third degree and to a term of 9 months for a crime of the fourth degree unless the preponderance of aggravating factors or preponderance of mitigating factors, as set forth in subsections a. and b., weighs in favor of higher or lower terms within the limits provided in 2C:43-6.

(2) In cases of convictions for crimes of the first or second degree where the court is clearly convinced that the mitigating factors substantially outweigh the aggravating factors and where the interest of justice demands, the court may sentence the defendant to a term appropriate to a crime of one degree lower than that of the crime for which he was convicted. If the court does impose sentence pursuant to this section, such sentence shall not become final for 10 days in order to permit the appeal of such sentence by the prosecution.

C. 2C:44-2 Criteria for Imposing Fines and Restitutions.

2C:44-2. Criteria for Imposing Fines and Restitutions. a. The court may sentence a defendant to pay a fine or make restitution in addition to a sentence of imprisonment or probation if:

(1) The defendant has derived a pecuniary gain from the offense; or

(2) The court is of opinion that a fine or restitution is specially adapted to deterrence of the type of offense involved or to the correction of the offender.

b. The court may sentence a defendant to pay a fine or make restitution if the defendant is, or given a fair opportunity to do so, will be able to pay the fine or restitution. The court may sentence a defendant to pay a fine only if the fine will not prevent the defendant from making restitution to the victim of the offense.

c. In determining the amount and method of payment of a fine or restitution, the court shall take into account the financial resources of the defendant and the nature of the burden that its payment will impose.

d. Nonpayment. When a defendant is sentenced to pay a fine or to make restitution, the court shall not impose at the same time an alternative sentence to be served in the event that the fine is not paid. The response of the court to nonpayment shall be determined only after the fine has not been paid, as provided in section 2C:46-2.

C. 2C:44-3 Criteria for Sentence of Extended Term of Imprisonment.

2C:44-3. Criteria for Sentence of Extended Term of Imprisonment. The court may sentence a person who has been convicted of a crime of the first, second or third degree to an extended term of imprisonment if it finds one or more of the grounds specified in this section. The finding of the court shall be incorporated in the record.

a. The defendant is a persistent offender. A persistent offender is a person who is 21 years of age or over, who has been previously convicted on at least two separate occasions of two crimes, committed at different times, when he was at least 18 years of age, if the latest in time of these crimes is within 10 years of the date of the current offense.

b. The defendant is a professional criminal. A professional criminal is a person who committed an offense as part of a continuing criminal activity in concert with two or more persons, and the

circumstances of the crime show he has knowingly devoted himself to criminal activity as a major source of livelihood.

c. The defendant committed the offense as consideration for the receipt, or in expectation of the receipt, of anything of pecuniary value the amount of which was unrelated to the proceeds of the crime or he procured the commission of the offense by payment or promise of payment of anything of pecuniary value.

C. 2C:44-4 Former Conviction in Another Jurisdiction; Definition and Proof of Conviction.

2C:44-4. Former Conviction in Another Jurisdiction; Definition and Proof of Conviction. a. For purposes of section 2C:44-1 e. or section 2C:44-3 a., a conviction of the commission of an offense in another jurisdiction shall constitute a previous conviction. Such conviction shall be deemed to have been of a crime if sentence of death or of imprisonment of 1 year or more was imposed under the law of such other jurisdiction.

b. An adjudication by a court of competent jurisdiction that the defendant committed a crime constitutes a conviction for purposes of section 2C:44-1, of section 2C:44-3 and of this section, although sentence or the execution thereof was suspended, provided that the time to appeal has expired and that the defendant was not pardoned on the ground of innocence.

c. Prior conviction may be proved by any evidence, including fingerprint records made in connection with arrest, conviction or imprisonment, that reasonably satisfies the court that the defendant was convicted.

Source: N. J. S. 2A:85-8 amended 1953, c. 166, s. 1; Model Penal Code: 7.05.

C. 2C:44-5 Multiple Sentences; Concurrent and Consecutive Terms.

2C:44-5. Multiple Sentences; Concurrent and Consecutive Terms. a. Sentences of imprisonment for more than one offense. When multiple sentences of imprisonment are imposed on a defendant for more than one offense, including an offense for which a previous suspended sentence or sentence of probation has been revoked, such multiple sentences shall run concurrently or consecutively as the court determines at the time of sentence, except that:

(1) A term to a State penal or correctional institution and a

definite term to a county institution shall run concurrently and both sentences shall be satisfied by service of the State term; and

(2) The aggregate of consecutive terms to a county institution shall not exceed 18 months; and

(3) Not more than one sentence for an extended term shall be imposed.

b. Sentences of imprisonment imposed at different times. When a defendant who has previously been sentenced to imprisonment is subsequently sentenced to another term for an offense committed prior to the former sentence, other than an offense committed while in custody;

(1) The multiple sentences imposed shall so far as possible conform to subsection a. of this section; and

(2) Whether the court determines that the terms shall run concurrently or consecutively, the defendant shall be credited with time served in imprisonment on the prior sentence in determining the permissible aggregate length of the term or terms remaining to be served; and

(3) When a new sentence is imposed on a prisoner who is on parole, the balance of the parole term on the former sentence shall be deemed to run during the period of the new imprisonment.

c. Sentence of imprisonment for offense committed while on parole. When a defendant is sentenced to imprisonment for an offense committed while on parole in this State, such term of imprisonment and any period of reimprisonment that the parole board may require the defendant to serve upon the revocation of his parole shall run concurrently, unless the court orders them to run consecutively.

d. Multiple sentences of imprisonment in other cases. Except as otherwise provided in this section, multiple terms of imprisonment shall run concurrently or consecutively as the court determines when the second or subsequent sentence is imposed.

e. Calculation of concurrent and consecutive terms of imprisonment.

f. Suspension of sentence or probation and imprisonment; multiple terms of suspension and probation. When a defendant is sen-

2C:51-4. Order Sealing Records of Arrest or Conviction; Effect of Order of Sealing. a. Any person who has been arrested for a crime or offense and against whom proceedings were dismissed, or who was discharged without a conviction, or who was acquitted, may at any time following the dismissal of proceedings, or the discharge without a conviction, or the acquittal, present a duly verified petition to the court in which the judgment of acquittal, discharge or dismissal was entered, or, if there were no court proceedings, to the court in whose jurisdiction the arrest occurred, setting forth all the facts in the matter and praying for the relief provided by this subsection.

(1) Upon the filing of a petition pursuant to this act the court may by order fix a time, not less than 15 nor more than 45 days thereafter, for the hearing of the matter. A copy of this order shall be served pursuant to the Rules of Court upon the Attorney General, upon the prosecutor of the county wherein the court is located, upon the chief of police or other executive head of the police department of the municipality in which the arrest occurred, and upon the chief law enforcement officer of any other law enforcement agency of this State which participated in the arrest, within 5 days from the date of the order.

(2) At the time so appointed the court shall hear the matter and if no compelling public interest in denying said expungement can be shown by substantial and convincing evidence, an order shall be granted directing the clerk of the court, and the parties upon whom notice was served to expunge from their records all evidence of said arrest including evidence of detection relating thereto, and that the person arrested shall be forthwith relieved from any disabilities as may have otherwise existed by reason thereof. Thereafter, the arrest and any proceedings relating thereto shall be deemed not to have occurred, and the petitioner may answer accordingly any question relating to their occurrence. In response to requests for information or records on the person who was arrested, the law enforcement officers and departments shall reply, with respect to the arrests and proceedings which are the subject of the order, that there is no record.

(3) For services performed under this act the same fees shall be taxed as are usual for like service in other matters, which fees shall be payable by the petitioner; unless said petitioner is indigent, whereby the fees shall be waived and legal counsel appointed to represent him.

(4) As used in this subsection:

(a) "Expunge" means the destruction, erasure, obliteration, or blotting out of all records relating to an arrest.

(b) "Arrest record" means records, references, data or documents (including fingerprints) compiled by law enforcement agencies for purposes of identifying alleged criminal offenders or maintaining summaries of arrest and the nature and disposition of criminal charges arising out of such arrest.

(1) Upon reading and filing such petition the court may by order fix a time, not less than 10 or more than 30 days thereafter, for the hearing of the matter, a copy of which order shall be served in the usual manner, within 5 days from its date, upon the county prosecutor and upon the chief of police or other executive head of the police department of the municipality wherein the offense was committed and, if the conviction was entered in a municipal court, upon the judge of that court. A denial of such an order shall be appealable by the petitioner and the burden of proof for sustaining the denial shall lay upon the State.

(2) If within 5 years, following final discharge or termination of sentence from a conviction of a disorderly persons offense, an order expunging the record of conviction has not been granted, and no subsequent criminal conviction has occurred, the court shall enter such an order on the motion of the ex-offender.

(3) The term "expunge" as used in this subsection refers to the destruction, erasure, obliteration, or blotting out of all records and index entries relating to an arrest and conviction of a disorderly persons offense.

c. In all cases wherein a person has been convicted of a crime or offense, the person so convicted may petition the court wherein such conviction was entered for an order annulling and sealing the record of such conviction after termination of probation or parole supervision or after final discharge or release from any term of imprisonment. He may present such petition in person, by an attorney, or by a probation or parole officer and the expenses coincident with this petition shall be borne by the State.

The court shall explicitly state in writing any reasons for not granting an order of annulment and sealing. A denial of such an order shall be appealable by the petitioner and the burden of proof for sustaining the denial shall lay upon the State.

(1) Departments of probation, parole, or corrections exercising supervision or custody over any convicted person shall inform such person in writing of the completion of probation, parole or imprisonment, and the termination of supervision or custody. Information concerning annulment and sealing rights shall, in non-technical and clearly understandable language, be included in this written communication.

(2) If within 10 years, following termination of probation or parole and after final discharge from imprisonment or mandatory release, an order annulling and sealing the record of conviction has not occurred, and no subsequent criminal conviction has occurred, the court shall enter such an order on the motion of the ex-offender. The court shall notify the person whose record has been annulled and sealed, of its effect on his or her legal status.

(3) Upon the entry of an order to annul and seal a record of criminal conviction, the petitioner shall be released from all penalties and disabilities resulting from the offense or crime of which he has been convicted. In any subsequent prosecution of such defendant, such prior conviction shall have the same effect as if it had not been annulled. Nothing in this act shall affect any right of the offender to appeal from his or her conviction or to rely on it in bar of any subsequent proceeding for the same offense.

(4) Upon granting of the motion to annul the petitioner's conviction the court shall order the criminal records of the petitioner physically sealed and removed to a separate location and maintained in a confidential status. The court shall notify local and State law enforcement agencies and the Federal Bureau of Investigation of the order annulling and sealing the conviction. This notification shall direct these agencies not to divulge and release information about the conviction except as otherwise provided in this act. Upon receipt of this notification, these agencies shall take whatever action is necessary to ensure compliance with this order and shall then notify the court that action has been taken. The court shall supervise this action and response and may hold in contempt of court anyone failing to abide by its order.

(5) Except under the following circumstances the court's motion and receipt of such a notice shall thereafter prohibit the court and law enforcement agencies from divulging the record of conviction or fact of annulling and sealing:

- (a) Inquiries received from another court of law;
- (b) Inquiries from an agency preparing a presentence report for another court;

(c) Inquiries from law enforcement agencies where the request for information is related to the investigation of a crime or a position within that agency; and

(d) Inquiries from an agency considering the person for a position immediately and directly affecting the national security. The term "national security" does not include regular military service.

(6) Information about an annulled conviction may not otherwise be released. Responses to inquiries concerning a record of criminal conviction, shall not be different from responses made about persons who have no criminal records. In any application, interview, or other form of evaluation process for employment, bonding or any civil right privilege, with only the exceptions enumerated in this section, a person may be questioned about previous conviction of a crime only in language such as the following:

"Have you ever been convicted of a crime which has not been annulled or sealed by a court?"

C. 2C:58-1 Registration of Manufacturers and Wholesale Dealers of Firearms.

2C:58-1. Registration of Manufacturers and Wholesale Dealers of Firearms. a. Registration. Every manufacturer and wholesale dealer of firearms shall register with the superintendent as provided in this section. No person shall engage in the business of, or act as a manufacturer or wholesale dealer of firearms, or manufacture or sell at wholesale any firearm, until he has so registered.

Applications for registration shall be made on such forms as shall be prescribed by the superintendent, and the applicant shall furnish such information and other particulars as may be prescribed by law or by any rules or regulations promulgated by the superintendent. Each application for registration or renewal shall be accompanied by a fee of \$150.00.

The superintendent shall prescribe standards and qualifications for the registration of manufacturers and wholesalers of firearms, for the protection of the public safety, health and welfare. He shall refuse to register any applicant for registration unless he is satisfied that the applicant can be permitted to engage in business as a manufacturer or wholesale dealer of firearms without any danger to the public safety, health or welfare.

The superintendent shall issue a certificate of registration to every person registered under this section, and such certificate shall be valid for a period of 3 years from the date of issuance.

b. Wholesale dealer's agent. Every registered wholesale dealer of firearms shall cause each of his agents or employees actively engaged in the purchase or sale of firearms to be licensed with the superintendent as a wholesale dealer's agent. Applications for agents' licenses shall be submitted on such forms as shall be prescribed by the superintendent, and shall be signed by the registered wholesale dealer and by the agent. Each application shall be accompanied by a fee of \$5.00, and each license shall be valid for so

long as the agent or employee remains in the employ of the wholesale dealer and the wholesale dealer remains validly registered under this section. The superintendent shall prescribe standards and qualifications for licensed wholesale dealers' agents, for the protection of the public safety, health and welfare.

c. Revocation of certificate of registration or license. The superintendent may, after reasonable notice to all affected parties and a hearing if requested, revoke any certificate of registration or agent's license if he finds that the registered or licensed person is no longer engaged in the business of manufacturing or wholesaling firearms in this State or that he can no longer be permitted to carry on such business without endangering the public safety, health or welfare. A certificate or license may be canceled at any time at the request of the registered or licensed person.

d. Appeals. Any person aggrieved by the refusal of the superintendent to register him as a manufacturer or wholesale dealer or a wholesale dealer's agent, or by revocation of his certificate or license, may appeal to the Appellate Division of the Superior Court.

e. Records of Sales. Every manufacturer and wholesale dealer shall keep a detailed record of each firearm sold by him. The record shall include the date of sale, the name and address of the purchaser, a description of each firearm and the serial number thereof. The records shall be available for inspection at all reasonable times by any law enforcement officer.

C. 2C:58-2 Retailing of Firearms.

2C:58-2. Retailing of Firearms. a. Licensing of retail dealers and their employees. No retail dealer of firearms nor any employee of a retail dealer shall sell or expose for sale, or possess with the intent of selling, any firearm unless licensed to do so as hereinafter provided. The superintendent shall prescribe standards and qualifications for retail dealers of firearms and their employees for the protection of the public safety, health and welfare.

Applications shall be made in the form prescribed by the superintendent, accompanied by a fee of \$50.00 payable to the superintendent, and shall be made to a judge of the county court in the county where the applicant maintains his place of business. The judge shall grant a license to an applicant if he finds that the applicant meets the standards and qualifications established by the

superintendent and that the applicant can be permitted to engage in business as a retail dealer of firearms or employee thereof without any danger to the public safety, health and welfare. Each license shall be valid for a period of 3 years from the date of issuance, and shall authorize the holder to sell firearms at retail in a specified municipality.

In addition, every retail dealer shall pay a fee of \$5.00 for each employee actively engaged in the sale or purchase of firearms. The superintendent shall issue a license for each employee for whom said fee has been paid, which license shall be valid for 3 years or so long as the employee remains in the employ of said retail dealer if such period is less than 3 years.

No license shall be granted to any person under the age of 18 years or to any person who could not qualify to obtain a permit to purchase a handgun or a firearms purchaser identification card, or to any corporation, partnership or other business organization in which an actual or equitable controlling interest is held or possessed by such an ineligible person.

All licenses shall be granted subject to the following conditions, for breach of any of which the license shall be subject to revocation on the application of any law enforcement officer and after notice and hearing by the issuing court:

(1) The business shall be carried on only in the building or buildings designated in the license, provided that repairs may be made by the dealer or his employees outside of such premises.

(2) The license or a copy certified by the issuing authority shall be displayed at all times in a conspicuous place on the business premises where it can be easily read.

(3) No firearm or imitation thereof shall be placed in any window or in any other part of the premises where it can be readily seen from the outside.

(4) No rifle or shotgun shall be delivered to any person unless such person possesses and exhibits a valid firearms purchaser identification card and furnishes the seller, on the form prescribed by the superintendent, a certification signed by him setting forth his name, permanent address, firearms purchaser identification card number and such other information as the superintendent may by rule or regulation require. The certification shall be retained by the dealer and shall be made available for inspection by any law enforcement officer at any reasonable time.

(5) No handgun shall be delivered to any person unless:

(a) Such person possesses and exhibits a valid permit to purchase a firearm and at least 7 days have elapsed since the date of application for the permit;

(b) The person is personally known to the seller or presents evidence of his identity; and

(c) The handgun is unloaded and securely wrapped.

(6) The dealer shall keep a true record of every handgun sold, given or otherwise delivered or disposed of, in accordance with the provisions of subsections b. through e. of this section.

b. Records. Every person engaged in the retail business of selling, leasing or otherwise transferring a handgun, as a retail dealer or otherwise, shall keep a register in which shall be entered the time of the sale, lease or other transfer, the date thereof, the name, age, date of birth, complexion, occupation, residence and a physical description including distinguishing physical characteristics, if any, of the purchaser, lessee or transferee, the name and permanent home address of the person making the sale, lease or transfer, the place of the transaction, and the make, model, manufacturer's number, caliber and other marks of identification on such handgun and such other information as the superintendent shall deem necessary for the proper enforcement of this chapter. The register shall be retained by the dealer and shall be made available at all reasonable hours for inspection by any law enforcement officer.

c. Forms of register. The superintendent shall prepare the form of the register as described in subsection b. of this section and furnish the same in triplicate to each person licensed to be engaged in the business of selling, leasing or otherwise transferring firearms.

d. Signatures on register. The purchaser, lessee or transferee of any handgun shall sign, and the dealer shall require him to sign his name to the register, in triplicate, and the person making the sale, lease or transfer shall affix his name, in triplicate, as a witness to the signature. The signatures shall constitute a representation of the accuracy of the information contained in the register.

e. Copies of register entries; delivery to chief of police or county clerk. Within 5 days of the date of the sale, assignment or transfer, the dealer shall deliver or mail by certified mail, return receipt requested, to the office of the chief of police of the municipality in which the purchaser resides, or to the office of the captain of the precinct of the municipality in which the purchaser resides, and

to the superintendent, legible copies of the register forms. If hand delivered a receipt shall be given to the dealer therefor.

Where a sale, assignment or transfer is made to a purchaser who resides in a municipality having no chief of police, the dealer shall, within 5 days of the transaction, mail a duplicate copy of the register sheet to the clerk of the county within which the purchaser resides.

C. 2C:58-3 Purchase of Firearms.

2C:58-3. Purchase of Firearms. a. Permit to Purchase a Handgun. No person shall sell, give, transfer, assign or otherwise dispose of, nor receive, purchase, or otherwise acquire a handgun unless the purchaser, assignee, donee, receiver or holder is licensed as a dealer under this chapter or has first secured a permit to purchase a handgun as provided by this section.

b. Firearms purchaser identification card. No person shall sell, give, transfer, assign or otherwise dispose of nor receive, purchase or otherwise acquire a rifle or shotgun unless the purchaser, assignee, donee, receiver or holder is licensed as a dealer under this chapter or possesses a valid firearms purchaser identification card, and first exhibits said card to the seller, donor, transferor or assignor, and unless the purchaser, assignee, donee, receiver or holder signs a written certification, on a form prescribed by the superintendent, which shall indicate that he presently complies with the requirements of subsection c. of this section and shall contain his name, address and firearms purchaser identification card number or dealer's registration number. The said certification shall be retained by the seller, as provided in section 2C:58-2 a., or, in the case of a person who is not a dealer, it may be filed with the chief of police of the municipality in which he resides or with the superintendent.

c. Who may obtain. No person of good character and good repute in the community in which he lives, and who is not subject to any of the disabilities set forth in this section or other sections of this chapter, shall be denied a permit to purchase a handgun or a firearms purchaser identification card, except as hereinafter set forth. No handgun purchase permit or firearms purchaser identification card shall be issued:

(1) To any person who has been convicted in this State of a crime, whether or not armed with or possessing a weapon at the time of such offense;

(2) To any drug dependent person as defined in P. L. 1970, c. 226 (C. 24:21-2), to any person who is confined for a mental disorder to a hospital, mental institution or sanitarium, or to any person who is presently an alcoholic or an habitual drunkard;

(3) To any person who suffers from a physical defect or disease which would make it unsafe for him to handle firearms unless he produces a certificate of a medical doctor or psychiatrist licensed in New Jersey, or other satisfactory proof, that he is no longer suffering from that particular disability in such a manner that would interfere with or handicap him in the handling of firearms; to any person who knowingly falsifies any information on the application forms for a handgun purchase permit or firearms purchaser identification card;

(4) To any person under the age of 18 years; or

(5) To any person where the issuance would not be in the interest of the public health, safety or welfare.

d. Issuance. The chief of police of an organized full-time police department of the municipality where the applicant resides or the superintendent, in all other cases, shall upon application, issue to any person qualified under the provisions of subsection c. of this section a permit to purchase a handgun or a firearms purchaser identification card.

Any person aggrieved by the denial of a permit or identification card may request a hearing in the County Court of the county in which he resides if he is a resident of New Jersey or in the County Court of the county in which his application was filed if he is a nonresident. The request for a hearing shall be made in writing within 30 days of the denial of the application for a permit or identification card. The applicant shall serve a copy of his request for a hearing upon the chief of police of the municipality in which he resides, if he is a resident of New Jersey, and upon the superintendent in all cases. The hearing shall be held and a record made thereof within 30 days of the receipt of the application for such hearing by the judge of the county court. No formal pleading and no filing fee shall be required as a preliminary to such hearing. Appeals from the results of such hearing shall be in accordance with law.

e. Applications. Applications for permits to purchase a handgun and for firearms purchaser identification cards shall be in the form

prescribed by the superintendent and shall set forth the name, residence, place of business, age, date of birth, occupation, sex and physical description, including distinguishing physical characteristics, if any, of the applicant, and shall state whether the applicant is a citizen, whether he is an alcoholic, habitual drunkard, drug dependent person as defined in P. L. 1970, c. 226 (C. 24:21-2) whether he has ever been confined or committed to a mental institution or hospital for treatment or observation of a mental or psychiatric condition on a temporary, interim or permanent basis, giving the name and location of the institution or hospital and the dates of such confinement or commitment, whether he has been attended, treated or observed by any doctor or psychiatrist or at any hospital or mental institution on an inpatient or outpatient basis for any mental or psychiatric condition giving the name and location of the doctor, psychiatrist, hospital or institution and the dates of such occurrence, whether he presently or ever has been a member of any organization which advocates or approves the commission of acts of force and violence to overthrow the Government of the United States or of this State, or which seeks to deny others their rights under the Constitution of either the United States or the State of New Jersey, whether he has ever been convicted of a crime or disorderly persons offense, and such other information as the superintendent shall deem necessary for the proper enforcement of this chapter. The application shall be signed by the applicant and shall contain as reference the names and addresses of two reputable citizens personally acquainted with him.

Application blanks shall be obtainable from the superintendent, from any other officer authorized to grant such permit or identification card, and from licensed retail dealers.

The chief police officer or the superintendent shall obtain the fingerprints of the applicant and shall have them compared with any and all records of fingerprints in the municipality and county in which the applicant resides and also the records of the State Bureau of Identification and the Federal Bureau of Investigation, provided that an applicant for a handgun purchase permit who possesses a valid firearms purchaser identification card, or who has previously obtained a handgun purchase permit from the same licensing authority for which he was previously fingerprinted, and who provides other reasonably satisfactory proof of his identity, need not be fingerprinted again; however, the chief police officer or the superintendent shall proceed to investigate the application

to determine whether or not the applicant has become subject to any of the disabilities set forth in this chapter.

f. Granting of permit or identification card; fee; term; renewal; revocation. The application for the permit to purchase a handgun together with a fee of \$2.00, or the application for the firearms purchase identification card together with a fee of \$5.00, shall be delivered or forwarded to the licensing authority who shall investigate the same and, unless good cause for the denial thereof appears, shall grant the permit or the identification card, or both, if application has been made therefor, within 30 days from the date of receipt of the application for residents of this State and within 45 days for nonresident applicants. A permit to purchase a handgun shall be valid for a period of 90 days from the date of issuance and may be renewed by the issuing authority for good cause for an additional 90 days. A firearms purchaser identification card shall be valid until such time as the holder becomes subject to any of the disabilities set forth in subsection c. of this section, whereupon the card shall be void and shall be returned within 5 days by the holder to the superintendent, who shall then advise the licensing authority. Failure of the holder to return the firearms purchaser identification card to the superintendent within the said 5 days shall be an offense under section 2C:39-10 a. Any firearms purchaser identification card may be revoked by the County Court of the county wherein the card was issued, after hearing upon notice, upon a finding that the holder thereof no longer qualifies for the issuance of such permit. The county prosecutor of any county, the chief police officer of any municipality or any citizen may apply to such court at any time for the revocation of such card.

There shall be no conditions or requirements added to the form or content of the application, or required by the licensing authority for the issuance of a permit or identification card, other than those that are specifically set forth in this chapter.

g. Disposition of fees. All fees for permits shall be paid to the State Treasury if the permit is issued by the superintendent, to the municipality if issued by the chief of police, and to the county treasurer if issued by the judge of the county court.

h. Form of permit; quadruplicate; disposition of copies. The permit shall be in the form prescribed by the superintendent and shall be issued to the applicant in quadruplicate. Prior to the time he receives the handgun from the seller, the applicant shall deliver to the seller the permit in quadruplicate and the seller shall complete all of the information required on the form. Within 5 days of

the date of the sale, the seller shall forward the original copy to the superintendent and the second copy to the chief of police of the municipality in which the purchaser resides, except that in a municipality having no chief of police, such copy shall be forwarded to the superintendent. The third copy shall then be returned to the purchaser with the pistol or revolver and the fourth copy shall be kept by the seller as a permanent record.

i. Restriction on number of firearms person may purchase. Only one handgun shall be purchased or delivered on each permit, but a person shall not be restricted as to the number of rifles or shotguns he may purchase, provided he possesses a valid firearms purchaser identification card and provided further that he signs the certification required in subsection b. of this section for each transaction.

j. Firearms passing to heirs or legatees. Notwithstanding any other provision of this section concerning the transfer, receipt or acquisition of a firearm, a permit to purchase or a firearms purchaser identification card shall not be required for the passing of a firearm upon the death of an owner thereof to his heir or legatee, whether the same be by testamentary bequest or by the laws of intestacy. The person who shall so receive or acquire said firearm shall, however, be subject to all other provisions of this chapter, and if the heir or legatee of such firearm does not qualify to possess or carry it, the firearm may be possessed by him for the purpose of sale for a period not exceeding 180 days, or for such further limited period as may be approved by the chief law enforcement officer of the municipality in which the heir or legatee resides or the superintendent.

k. Sawed-off shotguns. Nothing in this section shall be construed to authorize the purchase or possession of any sawed-off shotgun.

C. 2C:58-4 Permits to Carry Handguns.

2C:58-4. Permits to Carry Handguns. a. Scope and duration of authority. Any person who holds a valid permit to carry a handgun issued pursuant to this section shall be authorized to carry a handgun in all parts of this State, except as prohibited by section 2C:39-5 e. One permit shall be sufficient for all handguns owned

by the holder thereof, but the permit shall apply only to a handgun carried by the actual and legal holder of the permit.

All permits to carry handguns shall expire on December 31 of the year in which they were issued, and they may thereafter be renewed annually in the same manner and subject to the same conditions as in the case of original applications.

b. Application forms. All applications for permits to carry handguns, and all applications for renewal of such permits, shall be made on the forms prescribed by the superintendent. Each application shall set forth the full name, date of birth, sex, residence, occupation, place of business or employment, and physical description of the applicant, and such other information as the superintendent may prescribe for the determination of the applicant's eligibility for a permit and for the proper enforcement of this chapter. The application shall be signed by the applicant under oath, and shall be indorsed by three reputable persons who have known the applicant for at least 3 years preceding the date of application, and who shall certify thereon that the applicant is a person of good moral character and behavior.

c. Investigation and approval. Each application shall in the first instance be submitted to the chief police officer of the municipality in which the applicant resides, or to the superintendent, if there is no chief police officer in the municipality where the applicant resides or if the applicant does not reside in this State. The chief police officer, or the superintendent, as the case may be, shall cause the fingerprints of the applicant to be taken and compared with any and all records maintained by the municipality, the county in which it is located, the State Bureau of Identification and the Federal Bureau of Identification. He shall also determine and record a complete description of each handgun the applicant intends to carry.

No application shall be approved by the chief police officer or the superintendent unless the applicant demonstrates that he is not subject to any of the disabilities set forth in 2C:58-3 e., that he is thoroughly familiar with the safe handling and use of handguns, and that he has a justifiable need to carry a handgun. If the application is not approved by the chief police officer or the superintendent within 60 days of filing, it shall be deemed to have been approved, unless the applicant agrees to an extension of time in writing.

d. Issuance by County Court; fee. If the application has been approved by the chief police officer or the superintendent, as the

case may be, the applicant shall forthwith present it to the County Court of the county in which the applicant resides, or to the County Court in any county where he intends to carry a handgun, in the case of a nonresident. The court shall issue the permit to the applicant if, but only if, it is satisfied that the applicant is a person of good character who is not subject to any of the disabilities set forth in section 2C:58-3 c., that he is thoroughly familiar with the safe handling and use of handguns, and that he has a justifiable need to carry a handgun. The court may at its discretion issue a limited-type permit which would restrict the applicant as to the types of firearms he may carry and where and for what purposes such firearms may be carried. At the time of issuance, the applicant shall pay to the county clerk of the county where the permit was issued a permit fee of \$10.00.

e. Appeals from denial of applications. Any person aggrieved by the denial by the chief police officer or the superintendent of approval for a permit to carry a handgun may request a hearing in the County Court of the county in which he resides or of any county in which he intends to carry a handgun, in the case of a nonresident, by filing a written request for such a hearing within 30 days of the denial. Copies of the request shall be served upon the superintendent, the county prosecutor and the chief police officer of the municipality where the applicant resides, if he is a resident of this State. The hearing shall be held within 30 days of the filing of the request, and no formal pleading or filing fee shall be required. Appeals from the determination at such a hearing shall be in accordance with law and the rules governing the courts of this State.

If the superintendent or chief police officer approves an application and the County Court denies the application and refuses to issue a permit, the applicant may appeal such denial in accordance with law and the rules governing the courts of this State.

f. Revocation of permits. Any permit issued under this section shall be void at such time as the holder thereof becomes subject to any of the disabilities set forth in section 2C:58-3 c., and the holder of such a void permit shall immediately surrender the permit to the superintendent who shall give notice to the licensing authority.

Any permit may be revoked by the County Court which issued it, after hearing upon notice to the holder, if the court finds that the holder is no longer qualified for the issuance of such a permit. The county prosecutor of any county, the chief police officer of any municipality, the superintendent or any citizen may apply to the

court at any time for the revocation of any permit issued pursuant to this section.

C. 2C:58-5 Licenses to Possess and Carry Machine Guns.

2C:58-5. Licenses to Possess and Carry Machine Guns. a. Any person who desires to purchase, possess and carry a machine gun in this State may apply for a license to do so by filing in the County Court of the county in which he resides, or conducts his business if a nonresident, a written application setting forth in detail his reasons for desiring such a license. The County Court shall refer the application to the county prosecutor for investigation and recommendation. A copy of the prosecutor's report, together with a copy of the notice of the hearing on the application, shall be served upon the superintendent, the county sheriff, and the chief police officer of every municipality in which the applicant intends to carry the machine gun, unless, for good cause shown, the court orders notice to be given wholly or in part by publication.

b. No license shall be issued to any person who would not qualify for a permit to carry a handgun under section 2C:58-4, and no license shall be issued unless the court finds that the public safety and welfare so require. Any person aggrieved by the decision of the court in granting or denying an application, including the applicant, the prosecutor, or any law enforcement officer entitled to notice under subsection a. who appeared in opposition to the application, may appeal said decision in accordance with law and the rules governing the courts of this State.

c. Upon the issuance of any license under this section, true copies of such license shall be filed with the superintendent and the chief police officer of the municipality where the licensee resides or has his place of business.

d. In issuing any license under this section, the court shall attach thereto such conditions and limitations as it deems to be in the public interest. Unless otherwise provided by court order at the time of issuance, each license shall expire 1 year from the date of issuance, and may be renewed in the same manner and under the same conditions as apply to original applications.

e. Any license may be revoked by the County Court which issued it, after a hearing upon notice to the holder thereof, if the court finds that the holder is no longer qualified for the issuance of such

a license or that revocation is necessary for the public safety and welfare. Any citizen may apply to the court for revocation of a license issued under this section.

2C:58-6. Limited Licenses to Carry Firearms by Minors. a. No person under the age of 18 may carry, fire or use any firearm in this State unless he possesses a valid limited permit to carry firearms. Any minor may obtain a limited permit to carry firearms by filing an application together with a fee of \$3.00 with the chief of police of the municipality in which he resides or if there is no chief of police, with the superintendent. Such application shall be on a form to be prescribed by the superintendent and shall contain his name, residence, age, date of birth, sex and physical description, including distinguishing physical characteristics, if any, of the applicant. The application shall also state whether the minor has ever been adjudged delinquent as defined by P. L. 1973, c. 306, s. 3 (C. 2A:4-44), or otherwise adjudged guilty of a crime or disorderly persons offense. The form shall be signed by a parent or legal guardian of the minor and notarized.

b. No minor submitting a properly completed form shall be denied a limited permit to carry firearms unless he has previously been adjudged delinquent, or otherwise adjudged guilty of a crime or a disorderly persons offense; provided, however, that if the minor shall have obtained an order sealing the records of any such prior adjudications pursuant to P. L. 1973, c. 306, s. 26 (C. 2A:4-67), the existence of such records shall not be a bar under this section. The chief of police or the superintendent shall grant the permit.

c. Such limited permit to carry firearms shall be granted within 15 days of filing and shall be valid for a period of 1 year from the date of issuance or until the eighteenth birthday of the applicant, whichever shall come first, and may be renewed annually for a fee of \$1.00. No additional application shall be required for renewal.

d. Any minor person aggrieved by a denial of application for a limited permit to carry firearms, may request a hearing and, thereafter, appeal, in the manner prescribed for denials of permits to purchase a handgun or firearms purchaser identification card by section 2C:58-3d.

e. Any minor person possessing a valid limited permit to carry firearms granted pursuant to this section and whose conduct is otherwise lawful under this chapter, may carry, fire or use a firearm only under the following circumstances:

(3) For the purpose of competition or target practice in and upon a firing range approved by the governing body of the municipality in which the range is located or the National Rifle Association, and which is under competent supervision at the time of such competition or target practice;

(4) For the purpose of hunting during the regularly designated hunting season, provided that he possesses a valid hunting license and has successfully completed a hunter's safety course taught by a qualified instructor or conservation officer and carries in his possession a certificate indicating the successful completion of such a course.

f. Any person under the age of 18 who violates any provision of this section by carrying, firing or using any firearm, or who otherwise purchases, barter, acquires, exchanges or possesses any firearm shall be deemed a juvenile in need of supervision as defined in P. L. 1973, c. 306, s. 4 (C. 2A:4-45).

Any person who becomes the possessor of any explosive, destructive device, or ammunition therefor, which is or may be loaded or otherwise dangerous, except such as is possessed for any lawful commercial or other purpose in connection with which the use of explosives is authorized, shall within 15 days notify the police authorities of the municipality in which he resides or the State Police that the same is in his possession and shall present the same to them for inspection.

b. When any such ammunition, explosive or destructive device is presented for inspection it shall be inspected to ascertain whether or not it is loaded or of a dangerous character, and if it is found to be loaded or of dangerous character, it shall be destroyed or be unloaded or so processed as to remove its dangerous character before being returned to the possessor.

c. Any police officer having reasonable cause to believe that any person is possessed of any such ammunition, explosive, or destruc-

tive device shall investigate, under a proper search warrant when necessary, and shall seize the same for the purpose of inspection, unloading, processing or destruction, as provided in this section, and the same shall not be returned to the possessor thereof until it has been unloaded or so processed.

CHAPTER 62. WILLFUL NONSUPPORT**Section**

2C:62-1. Support Orders for Willful Nonsupport.

C. 2C:62-1 Support Orders for Willful Nonsupport.

2C:62-1. Support Orders for Willful Nonsupport. a. Order for support pendente lite. At any time after a sworn complaint is made charging an offense under section 2C:24-5 and before trial, the court may enter such temporary order as may seem just, providing for the support of the spouse or children, or both, pendente lite, and may punish a violation of such order as for contempt.

b. Order for future support; release on recognizance conditioned on obeying order; periodic service of sentence. Before trial, with the consent of the defendant, or after conviction, instead of imposing the penalty provided for violation of section 2C:24-5, or in addition thereto, the court, having regard to the circumstances and the financial ability or earning capacity of the defendant, may make an order, which shall be subject to change by the court from time to time as circumstances may require, directing the

defendant to pay a sum certain periodically to the spouse, or to the guardian or custodian of the minor child or children, or to an organization or individual approved by the court as trustee. The court may release the defendant from custody on probation, upon his or her entering into a recognizance, with or without surety, in such sum as the court may order and approve. The condition of the recognizance shall be such that if the defendant shall personally appear in court whenever ordered to do so, and shall comply with the terms of the order, or of any modification thereof, the recognizance shall be void, otherwise it will remain in full force and effect. The court may, in addition to or in place of any order under this section, order and direct that any sentence of imprisonment be served periodically, instead of consecutively, during periods of time between Friday at 6 p.m. and Monday at 8 a.m. or at other times or on other days, whenever the court determines the existence of proper circumstances and that the ends of justice will be served thereby. Any person so imprisoned shall be given credit for each day or fraction of a day to the nearest hour actually served.

c. Violation of order. If the court be satisfied by information and due proof under oath that the defendant has violated the terms of the order, it may forthwith proceed with the trial of the defendant under the original charge, or sentence the defendant under the original conviction or plea of guilty, or enforce the suspended sentence or punish for contempt, as the case may be. In case of forfeiture of a recognizance, and the enforcement thereof by execution, the sum recovered may, in the discretion of the court, be paid in whole or part to the spouse, or to the guardian, custodian or trustee of such minor child or children.

d. Proof of marriage; husband and wife as witness. No other or greater evidence shall be required to prove the marriage of such husband and wife, or that the defendant is the father or mother of such child or children, than is required in a civil action. In no prosecution under this chapter shall any existing statute or rule of law prohibiting the disclosure of confidential communications between husband and wife apply, and both husband and wife shall be competent and compellable witnesses to testify against each other as to any and all relevant matters, including the fact of the marriage and the parentage of the child or children.

e. Place of residence confers jurisdiction of offense. The place of residence at the time of the desertion of the spouse, child or children, under the provisions of this chapter, shall confer jurisdiction of the offense set forth therein, upon the county, county

district, or juvenile and domestic relations court having territorial jurisdiction of the place of such residence, until the deserted party shall establish a legal residence in some other county or State.

(2) All property which has been, or is intended to be, utilized in furtherance of an unlawful activity, including, but not limited to, conveyances intended to facilitate the perpetration of illegal acts, or buildings or premises maintained for the purpose of committing offenses against the State.

(3) Property which has become or is intended to become an integral part of illegal activity, including, but not limited to, money which is earmarked for use as financing for an illegal gambling enterprise.

(4) Proceeds of illegal activities, including, but not limited to, property or money obtained as a result of the sale of prima facie contraband as defined by subsection a. (1), proceeds of illegal gambling, prostitution, bribery and extortion. Provided that an

individual, who can demonstrate that said money or property was his, may recover such money or property.

b. Any article subject to forfeiture under this chapter may be seized by the State or any law enforcement officer upon process issued by any court of competent jurisdiction over the property, except that seizure without such process may be made when:

- (1) The article is prima facie contraband.
- (2) The property subject to seizure poses an immediate threat to the public health, safety or welfare.
- (3) It is otherwise not inconsistent with the Constitution of this State or the United States.

C. 2C:64-2 Forfeiture Procedures; Prima Facie Contraband.

2C:64-2. Forfeiture Procedures; Prima Facie Contraband. a. Upon seizure of prima facie contraband, the seizing officer shall immediately file an application with a court of competent jurisdiction seeking a judicial declaration that the property has been forfeited to the State. Such a determination may be made in an ex parte proceeding.

b. The court shall declare all prima facie contraband forfeited either to the State, or to the county, whichever was the seizing authority, unless it shall have reason to believe that the seized property was possessed or utilized in a legal manner or that the owner of the article had no knowledge of its illegal possession or use.

c. If the court finds that the seized property may have been possessed or utilized in a legal manner or that the owner of the property had no knowledge of its unlawful possession or use, the seizing officer shall be required to serve notice that the property had been seized, in accordance with the provisions of 2C:64-3 c.

d. Any person with an interest in the seized property shall file his claim within 30 days. The claim shall set forth the reason or reasons why the claimant has a legitimate interest in the property.

e. The claimant shall be required to prove, by a preponderance of the evidence, that the property claimed was possessed or utilized by him in a lawful manner, or that he had no knowledge of its illegal possession or use.

f. If no action is commenced within 30 days of the service of notice, the property seized shall be disposed of in accordance with the provisions of 2C:64-6.

C. 2C:64-3 Forfeiture Procedures; Other Property.

2C:64-3. Forfeiture Procedures; Other Property. a. Whenever any property other than prima facie contraband is subject to forfeiture under this chapter, such forfeiture may be enforced by a civil action, commenced by the seizing authority in the name of the State of New Jersey and against the property sought to be forfeited.

b. The complaint shall be verified on oath or affirmation. It shall describe with reasonable particularity the property that is the subject matter of the action and shall contain allegations setting forth the reason or reasons the article sought to be or which has been seized is contraband.

c. Notice of the action shall be given to any person known to have a property interest in the article. In addition, the notice requirements of the Rules of Court for an in rem action shall be followed.

d. The claimant of the property that is the subject of an action under this chapter shall file his claim within 10 days after the service of notice or within such additional time as may be allowed by the court, and shall serve his answer within 20 days after the filing of the claim. The claim shall be verified on oath or affirmation, and shall state the interest in the property by virtue of which the claimant demands its restitution and the right to defend the action. If the claim is made in behalf of the person entitled to possession by an agent, bailee or attorney, it shall state that he is duly authorized to make the claim.

e. If no claim is filed in accordance with the provisions of subsection d. the property seized shall be declared forfeited to the State.

f. Any person with a property interest in the seized property, other than a defendant who is being prosecuted in connection with the seizure of property may secure its release pending the forfeiture action unless the article is dangerous to the public health, safety and welfare or the seizing officer can demonstrate that the property will probably be lost or destroyed if released.

C. 2C:64-4 Seized Property; Evidentiary Use.

2C:64-4. Seized Property; Evidentiary Use. a. Nothing in this chapter shall impair the right of the State to retain evidence pending a criminal prosecution.

b. The fact that a prosecution for possession, use or sale of prima facie contraband terminates without a conviction does not preclude forfeiture proceedings against the property.

c. If an individual is convicted of the illegal possession, use or sale of prima facie contraband, the article which is the subject matter of the conviction shall be forfeited upon the entry of judgment, subject to the provisions of 2C:64-5 of this chapter.

*BE IT ENACTED by the Senate and General Assembly of the State

The original owner may, by proper sworn application on a form to be furnished by the division, register another motor vehicle for the unexpired portion of the registration period of the original vehicle, upon payment of a fee of \$4.50 if the vehicle is of a weight or other classification equal with or less than the one originally

registered, and upon the payment of a fee of \$4.50 and the difference between the fee originally paid and that due if the new motor vehicle is properly registerable in a higher class. Unless the original license plates have been destroyed, the owner shall be assigned the license number previously issued to him and shall receive a new registration certificate. If the original license plates have been destroyed, replacement of the plates will be made under the provisions of R. S. 39:3-32.

The registered owner of any motor vehicle shall, upon application to the director, and payment of a fee of \$4.50, be entitled to have the vehicle registered jointly in the name of the registered owner and the spouse of said owner. AN ACT concerning certain appointees of parking authorities, and amending the "Parking Authority Law," approved July 2, 1948 (P. L. 1948, c. 198, C. 40:11A-1 et seq.).

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

1. Section 5 of P. L. 1948, c. 198 (C. 40:11A-5) is amended to read as follows:

C. 40:11A-5 Appointment of traffic engineer or chief of police to authority; commissioner, appointment, compensation; chairman, vice-chairman and other employees; conflict of interest; removal of commissioner.

5. No commissioner of any authority may be an officer or employee of the municipality or county for which the authority is created; provided, however, that a municipality may appoint its traffic engineer or chief of police to such authority. A commissioner shall hold office until his successor has been appointed and has qualified. A certificate of the appointment or reappointment of any commissioner shall be filed with the clerk and such certificate shall be conclusive evidence of the due and proper appointment of such commissioner. A commissioner shall receive no compensation for his services but he shall be entitled to the necessary expenses, including travel-

ing expenses incurred in the discharge of his duties. The powers of each authority shall be vested in the commissioners thereof in office from time to time. A majority shall constitute a quorum of the authority for the purpose of conducting its business and exercising its powers and for all other purposes. Action may be taken by the authority upon a vote of the majority of the commissioners present, unless in any case the bylaws of the authority shall require a larger number. The authority shall select a chairman and a vice-chairman from among its commissioners, and it may employ a secretary, technical experts and such other officers, agents and employees, permanent and temporary, as it may require, and shall determine their qualifications, duties and compensation. For such legal services as it may require, an authority may call upon any chief law officers of the municipality, or the county, as the case may be, or may employ its own counsel and legal staff. An authority may delegate to one or more of its agents or employees such powers and duties as it may deem proper. No commissioner or employee of an authority shall acquire any interest direct or indirect in any parking project or in any property included or planned to be included in the project nor shall he have any interest direct or indirect in any contract or proposed contract for materials or services to be furnished or used in connection with any parking project. If any commissioner or employee of an authority owns or controls an interest direct or indirect in any property included or planned to be included in a parking project he shall immediately disclose the same in writing to the authority and such disclosure shall be entered upon the minutes of the authority. Failure so to disclose such interest shall constitute misconduct in office. Upon such disclosure such commissioner or employee shall not participate in any action by the authority affecting such property. For inefficiency or neglect of duty or misconduct in office, a commissioner of an authority may be removed by the governing body which made the original appointment, but a commissioner shall be removed only after he shall have been given a copy of the charges at least 10 days prior to the hearing thereon and had an opportunity to be heard in person or by counsel. In the event of the removal of any commissioner, a record of the proceedings, together with the charges and findings thereon, shall be filed in the office of the clerk.

2. This act shall take effect immediately.

Approved August 14, 1978.

CHAPTER 99

CHAPTER 110

AN ACT to provide for the further coordination, facilitation, promotion, preservation and protection of trade and commerce in and through the Port of New York District through the financing and effectuation of industrial development projects therein by the Port Authority of New York and New Jersey, and agreeing with the state of New York with respect thereto.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

C. 32:1-35.72 Findings and determinations of States of New York and New Jersey.

1. The States of New York and New Jersey hereby find and determine that:

a. To prevent further deterioration of the economy of the port district and thereby to promote, preserve and protect trade and commerce in and through the Port of New York District as defined in the compact between the two states dated April 30, 1921 (hereinafter called the port district), it is the policy of each of the two states actively to promote, attract, encourage and develop economically sound commerce and industry through governmental action;

b. In order to preserve and protect the position of the port of New York as the nation's leading gateway for world commerce, it is incumbent on the States of New York and New Jersey to make every effort to insure that the port receives its rightful share of interstate and international commerce generated by the manufacturing, industrial, trade and commercial segments of the economy of the Nation and of the port district;

c. Since 1950 the number of available jobs in the port district, particularly within the older central cities thereof, has decreased, thereby resulting in the underutilization of available land and other resources, the erosion of the port district's tax bases and a rate of unemployment substantially in excess of the national average;

d. In order to preserve the port district from further economic deterioration, adequate industrial development projects and facilities must be provided, preserved and maintained to attract and retain industry within the port district;

e. A number of new industrial development projects and facilities should be organized into industrial parks or districts;

f. The construction of such industrial parks or districts shall conform to the policies of the two states with respect to affirmative action and equal employment opportunities;

g. Providing port district industrial development projects and facilities is in the public interest and involves the exercise of public and essential governmental functions which may include appropriate and reasonable limitations on competition and which must be performed by the two states, or any municipality, public authority, agency or commission of either state and by a joint agency of the two states to accomplish the purposes of this act;

h. That it is an objective of the two states, acting through the port authority, to facilitate reemployment of residents of the older cities through job training programs and employment opportunity

priorities in connection with industrial development parks in their respective cities;

i. The acquisition and use by such joint agency of abandoned, undeveloped or underutilized land or land owned by governmental entities within the port district for the generation of jobs and to reduce the hazards of unemployment would promote, preserve and protect the industry, trade and commerce of the port district, and will materially assist in preserving for the two states and the people thereof the material and other benefits of a prosperous port community;

j. The collection, disposal and utilization of refuse, solid waste or waste resulting from other treatment processes is an activity of concern to all citizens within the port district, that the health, safety and general welfare of the citizens within the port district require efficient and reasonable collection and disposal services and efficient utilization of such refuse, solid waste or waste resulting from other treatment processes with adequate consideration given to regional planning and coordination, and, therefore, that the construction and operation of any port district industrial development project and facility should conform to the environmental and solid waste disposal standards and state and county plans therefor in the state in which such project or facility is located;

k. The dedication by the municipalities of the port district of refuse, solid waste or waste resulting from other treatment processes to resource recovery to permit the generation of lower priced energy and the recovery of useful materials, together with the commitment by such municipalities to pay fees to permit the delivery and removal after processing of such refuse or solid waste at rates and for periods of time at least sufficient to assure the continued furnishing of such lower priced energy and material is in the public interest and would be a major incentive for the attraction and retention of industry within the port district;

l. The Port Authority of New York and New Jersey (hereinafter called the port authority), which was created by agreement of the two states as a joint agent for the development of terminal, transportation and other facilities of commerce of the port district and for the promotion and protection of the commerce of the port, is a proper agency to act in their behalf (either directly or by any subsidiary corporation) to finance and effectuate such industrial development projects and facilities;

m. It is desirable for the port authority, after consultation with the governing body of each municipality and within the city

of New York the appropriate community board or boards and elsewhere another governmental entity or entities designated by such municipality in which industrial development projects or facilities are proposed to be located and with other persons, including but not limited to private real estate developers, to prepare and adopt a master plan providing for the development of such industrial development projects and facilities in the port district, which plan shall give consideration to the extent of unemployment and the general economic conditions of the respective portions of the port district and shall include among other things the locations and the nature and scope of such projects and facilities as may be included in the plan;

n. The undertaking of such industrial development projects and facilities by the port authority has the single object of and is part of a unified plan to aid in preserving the economic well-being of the port district and is found and determined to be in the public interest;

o. No such port district industrial development projects and facilities are to be constructed if the sole intent of the construction thereof would be the removal of an industrial or manufacturing plant of an occupant of such projects and facilities from one location to another location or in the abandonment of one or more plants or facilities of such occupant, unless such port district industrial development projects and facilities are reasonably necessary to discourage such occupant from removing such plant or facility to a location outside the port district or are reasonably necessary to preserve the competitive position of such project occupant in its industry;

p. No such port district industrial development projects or facilities are to be constructed unless and until the port authority has entered into an agreement or agreements with the municipality in which any such project or facility is to be located with respect to payments in lieu of real estate taxes and the location, nature and scope of any project or facility; and

q. Subject to entering into said agreement or agreements, the port authority should have the ability to acquire, lease, vacate, clear and otherwise develop abandoned, undeveloped or underutilized property or property owned by governmental entities within the port district and to finance and construct industrial development projects and facilities.

3. a. In furtherance of the aforesaid findings and determinations, in partial effectuation of and supplemental to the compre-

hensive plan heretofore adopted by the two said states for the development of the said port district, and subject to the preparation and adoption of the plan authorized in subsection b. of this section and the execution of an agreement or agreements authorized by sections 11 and 12 of this act, the port authority is hereby authorized, empowered and directed to establish, acquire, construct, effectuate, develop, own, lease, maintain, operate, improve, rehabilitate, sell, transfer and mortgage projects or facilities herein referred to as port district industrial development projects or facilities, as defined in this act.

The port authority is hereby authorized and empowered to establish, levy and collect such rentals, fares, fees and other charges as it may deem necessary, proper or desirable in connection with any facility or part of any facility constituting a portion of any port district industrial development project or facility and to issue bonds for any of the purposes of this act and to provide for payment thereof, with interest thereon, and for the amortization and retirement of such bonds, and to secure all or any portion of such bonds by a pledge of such rentals, fares, fees, charges and other revenues or any part thereof including but not limited to the revenues of any subsidiary corporation incorporated for any of the purposes of this act, and to secure all or any portion of such bonds by mortgages upon any property held or to be held by the port authority for any of the purposes of this act, and for any of the purposes of this act to exercise all appropriate powers heretofore or hereafter delegated to it by the states of New York and New Jersey, including, but not limited to, those expressly set forth in this act. The surplus revenues of port district industrial development projects or facilities may be pledged in whole or in part as hereinafter provided.

b. The port authority is hereby authorized to initiate studies and prepare and adopt a master plan providing for the development of port district industrial development projects and facilities which shall include the location of such projects and facilities as may be included in the plan and shall to the maximum extent practicable include inter alia a general description of each of such projects and facilities, the land use requirements necessary therefor, and estimates of project costs, of project employment potential and of a schedule for commencement of each such project. Prior to adopting such master plan, the port authority shall give written notice to, afford a reasonable opportunity for comment, consult with and consider any recommendation made by the gov-

erning body of municipalities and within the city of New York the appropriate community board or boards and elsewhere another governmental entity or entities designated by such municipality in which industrial development projects or facilities are proposed to be located and with such other persons, including but not limited to private real estate developers, which in the opinion of the port authority is either necessary or desirable. The master plan shall include the port authority's estimate of the revenues to be derived by municipalities from each such industrial development project or facility and also a description of the proposed additional arrangements with municipalities necessary or desirable for each such project or facility. The port authority may modify or change any part of such plan in the same form and manner as provided for the adoption of such original plan. At the time the port authority authorizes any industrial development project or facility, the port authority shall include with such authorization a statement as to the status of each project in such master plan and any amendment thereof.

c. No industrial development project proposed to be located within the city of New York may be included in such master plan unless and until the mayor of the city of New York requests the port authority to conduct a comprehensive study of the feasibility of the effectuation of one or more industrial development projects or any parts thereof (including resource recovery or industrial pollution control facilities) in such city, which request shall specify the borough in which such comprehensive study is to take place; provided, however, that the president of any borough in which an industrial development project or facility is proposed to be located may within 60 days of receipt of notice of such request, and after consulting with and considering any recommendation made by the local borough improvement board, notify the port authority not to include any proposed industrial development project or facility within that county in such feasibility study. Any such request by the mayor of the city of New York may specify the facilities to be included in such industrial park project.

C. 32:1-35.75 Moneys in general reserve fund; application.

4. The moneys in the general reserve fund may be pledged in whole or in part by the port authority as security for or applied by it to the repayment with interest of any moneys which it may raise upon bonds issued or incurred by it from time to time for any of the purposes of this act or upon bonds secured in whole or in part by the pledge of the revenues from any industrial develop-

ment project or facility or any portion thereof or upon bonds both so issued or incurred and so secured; and the moneys in said general reserve fund may be applied by the port authority to the fulfillment of any other undertakings which it may assume to or for the benefit of the holders of any such bonds.

Subject to prior liens and pledges and to the obligation of the port authority to apply revenues to the maintenance of its general reserve fund in the amount prescribed by the general reserve fund statutes, the revenues from facilities established, constructed, acquired or otherwise effectuated through the issuance or sale of bonds of the port authority secured in whole or in part by a pledge of its general reserve fund or any portion thereof may be pledged in whole or in part as security for or applied by it to any of the purposes of this act, including the repayment with interest of any moneys which it may raise upon bonds issued or incurred from time to time for any of the purposes of this act or upon bonds secured in whole or in part by the pledge of the revenues of the port authority from any industrial development project or facility or any portion thereof or upon bonds both so issued or incurred and so secured; and said revenues may be applied by the port authority to the fulfillment of any other undertakings which it may assume to or for the benefit of the holders of such bonds.

C. 32:1-35.76 Application of surplus revenues to establishment and maintenance of general fund; use of excess amounts for authorized purposes.

5. In all cases where the port authority has raised or shall hereafter raise moneys for any of the purposes of this act by the issue and sale of bonds which are secured in whole or in part by a pledge of the general reserve fund or any portion thereof, the surplus revenues from industrial development projects or facilities financed in whole or in part out of the proceeds of such bonds and the surplus revenues from any other port authority facility the surplus revenues of which at such time may be payable into the general reserve fund shall be pooled and applied by the port authority to the establishment and maintenance of the general reserve fund in an amount equal to one-tenth of the par value of all bonds legal for investment, as defined in the general reserve fund statutes, issued by the port authority and currently outstanding, including such bonds issued for any of the purposes of this act; and all such moneys in said general reserve fund may be pledged and applied in the manner provided in the general reserve fund statutes.

In the event that any time the balance of moneys theretofore paid into the general reserve fund and not applied therefrom shall

exceed an amount equal to one-tenth of the par value of all bonds upon the principal amount of which the amount of the general reserve fund is calculated, by reason of the retirement of bonds issued or incurred from time to time for any of the purposes of this act the par value of which had theretofore been included in the computation of said amount of the general reserve fund, then the port authority may pledge or apply such excess for and only for the purposes for which it is authorized by the general reserve fund statutes to pledge the moneys in the general reserve fund and such pledge may be made in advance of the time when such excess may occur.

C. 32:1-35.77 Power to establish, levy and collect rentals, fares, fees or other charges.

6. The two states covenant and agree with each other and with the holders of any bonds issued by the port authority for the purposes of this act, that so long as any of such bonds remain outstanding and unpaid and the holders thereof shall not have given their consent as provided in their contract with the port authority, the two states shall not diminish or impair the power of the port authority to establish, levy and collect rentals, fares, fees or other charges in connection with industrial development projects or facilities or any other facility owned or operated by the port authority the revenues of which have been or shall be pledged in whole or in part as security for such bonds, directly or indirectly, or through the medium of the general reserve fund or otherwise, or to determine the quantity, quality, frequency or nature of any services provided by the port authority in connection with the operation of each such project or facility. This section shall not affect or diminish the provisions of section 12. of this act.

C. 32:1-35.78 Authorization to cooperate and enter into agreements with States of New York and New Jersey, municipalities, commissions, public authorities and federal government.

7. The port authority is authorized and empowered to cooperate with the States of New York and New Jersey, with any municipality thereof, with any person, with the Federal Government and with any agency, public authority or commission of any one or more of the foregoing, or with any one or more of them, for and in connection with the acquisition, clearance, replanning, rehabilitation, reconstruction or redevelopment of any industrial development project or facility or of any other area forming part of any industrial development project or facility for the purpose of renewal and improvement of said area and for any of the purposes

of this act, and to enter into an agreement or agreements, and from time to time to enter into agreements amending or supplementing the same, with any such person, municipality, commission, public authority or agency and with the States of New York and New Jersey and with the Federal Government, or with any one or more of them, for or relating to such purposes, including but not limited to agreements with respect to the dedication by the municipalities of the port district of refuse, solid waste or waste resulting from other treatment processes to resource recovery to permit the generation of lower priced energy and the recovery of useful materials; with respect to a commitment by such municipalities to pay fees to permit the delivery and removal after processing of such refuse or solid waste at rates and for periods of time at least sufficient to assure the continued availability of such energy and recovered materials; with respect to financial assistance, loans and grants pursuant to any Federal law now in effect or hereinafter enacted which would provide such financial assistance, loans and grants in connection with any of the purposes of this act, provided, that if either state shall have or adopt general legislation governing applications for such Federal aid by municipalities, public authorities, agencies or commissions of such state or the receipt or disbursement of such Federal aid by or on behalf of such municipalities, public authorities, agencies or commissions, then such legislation shall at the option of such state apply to applications by the port authority for such Federal aid in connection with an industrial development project or facility located in such state and to the receipt and disbursement of such Federal aid by or on behalf of the port authority, in the same manner and to the same extent as other municipalities, public authorities, agencies or commissions of such state; and, with respect to occupancy of space in any industrial development project or facility. The port authority is hereby authorized and empowered to apply for and accept financial assistance, loans and grants for such purposes under Federal, State or local laws, and to make application directly to the proper officials or agencies for and receive Federal, State or local loans or grants in aid for any of the purposes of this act. Nothing contained in this act shall be construed to limit or impair the power of the Governor of the State of New York and the Governor of the State of New Jersey to review the actions of the commissioners of the port authority as provided for in chapter 700 of the laws of New York of 1927, as

amended, and in chapter 333 of the laws of New Jersey of 1927, as amended, or to authorize the port authority to commence the effectuation of any industrial development project or facility unless and until the municipality in which such project or facility is to be located has consented to the commencement of such effectuation, with such consent to be provided for in the agreement authorized by section 11 or section 12 hereof. The port authority is authorized and empowered to enter into an agreement or agreements (and from time to time to enter into agreements amending or supplementing the same) with any public authority, agency or commission of either or both states to provide for the effectuation of any of the purposes of this act through a subsidiary corporation owned jointly by the port authority and any such public authority, agency or commission, and any such public authority, agency or commission is authorized and empowered to enter into such agreement or agreements with the port authority.

C. 32:1-35.79 Authorization to cooperate and enter into agreements with port authority.

8. Notwithstanding any contrary provision of law, general, special or local, either state and any municipality thereof and any commission, public authority or agency of either or both of said two states is authorized and empowered to cooperate with the port authority and to enter into an agreement or agreements and from time to time to enter into agreements amending or supplementing the same with the port authority or with any other person for and in connection with or relating to the acquisition, clearance, replanning, rehabilitation, reconstruction, redevelopment, sale, transfer or mortgage of any industrial development project or facility or of any other area forming part of any industrial development project or facility for the purpose of renewal and improvement of said area as aforesaid or for any of the other purposes of this act, including but not limited to the dedication by the municipalities of the port district of refuse, solid waste or waste resulting from other treatment processes to resource recovery to permit the generation of lower priced energy and the recovery of useful materials and a commitment by such municipalities to pay fees to permit the delivery and removal after processing of such refuse or solid waste at rates and for periods of time at least sufficient to assure the continued availability of such energy and recovered materials, upon such reasonable terms and conditions as may be determined by such state, municipality, public authority, agency or commission and the port authority. Such agreement may, with-

out limiting the generality of the foregoing, further include consent to the use by the port authority or any other person of any real property owned or to be acquired by said state, municipality, public authority, agency or commission and consent to the use by such state, municipality, public authority, agency or commission of any real property owned or to be acquired by the port authority or by any other person which in either case is necessary, convenient or desirable in the opinion of the port authority for any of the purposes of this act, including such real property, improved or unimproved, as has already been devoted to or has been or is to be acquired for urban renewal or other public use, and as an incident to such consent such State, municipality, public authority, agency or commission may grant, convey, lease or otherwise transfer any such real property to the port authority or to any other person and the port authority may grant, convey, lease or otherwise transfer any such real property to such state, municipality, public authority, agency, commission or any other person for such term and upon such conditions as may be agreed upon. If any real property of such state, municipality, public authority, agency or commission be leased to the port authority or to any other person for any of the purposes of this act, such state, municipality, public authority, agency or commission may consent to the port authority or any other person having the right to mortgage the fee of such property and thus enable the port authority or such other person to give as security for its bond or bonds a lien upon the land and improvements, but such state, municipality, public authority, agency or commission by consenting to the execution by the port authority or such other person of a mortgage upon the leased property shall not thereby assume and such consent shall not be construed as imposing upon such state, municipality, public authority, agency or commission any liability upon the bond or bonds secured by the mortgage. In connection with any of the purposes of this act, either state and any municipality thereof, any commission, public authority or agency of either or both of said two states, the port authority and any other person are empowered to enter into any other agreement or agreements, and from time to time to enter into agreements amending or supplementing same, which may provide inter alia for the establishment of prices or rates, a requirement that any person sell, lease or purchase any commodity or service from any other person, or any other similar arrangement.

Nothing contained in this section shall impair or diminish the powers vested in either state or in any municipality, public

authority, agency or commission to acquire, clear, replan, reconstruct, rehabilitate or redevelop abandoned, undeveloped or underutilized land and the powers herein granted to either state or any municipality, public authority, agency or commission shall be construed to be in aid of and not in limitation or in derogation of any such powers heretofore or hereafter conferred upon or granted to such state, municipality, public authority, agency or commission.

Nothing contained in this act shall be construed to authorize the port authority to acquire, by condemnation or the exercise of the right of eminent domain, property now or hereafter vested in or held by either state or by any municipality, public authority, agency or commission without the authority or consent of such state, municipality, public authority, agency or commission, provided that the state under whose laws such public authority, agency or commission has been created may authorize by appropriate legislation the port authority to acquire any such property vested in or held by any such public authority, agency or commission by condemnation or the exercise of the right of eminent domain without such authority or consent; nor shall anything herein impair or invalidate in any way any bonded indebtedness of either State or any such municipality, public authority, agency or commission, nor impair the provisions of law regulating the payment into sinking funds of revenues derived from such property, or dedicating the revenues derived from such property to a specific purpose.

The port authority, subject to the express authority or consent of any such state, municipality, public authority, agency or commission, is hereby authorized and empowered to acquire from any such state or municipality, or from any other public authority, agency or commission having jurisdiction in the premises, by agreement therewith, and such state or municipality, public authority, agency or commission, notwithstanding any contrary provision of law, is hereby authorized and empowered to grant and convey, upon reasonable terms and conditions, any real property which may be necessary, convenient or desirable for any of the purposes of this act, including such real property as has already been devoted to a section or act or any compact or general or special law, the port authority may not acquire any park lands for industrial development projects or facilities unless each such conveyance of such land is specifically authorized by the legislature of the state wherein the land is located.

Any consent by a municipality shall be given and the terms, conditions and execution by a municipality of any agreement, deed,

lease, conveyance or other instrument pursuant to this section or any other section of this act shall be authorized in the manner provided in article 22 of the compact of April 30, 1921 between the two states creating the port authority, except that as to towns in the State of New York, such consent shall be authorized in the manner provided in the town law and as to counties in the State of New Jersey, such consent shall be authorized in the manner provided in Title 40 of the Revised Statutes.

Any consent by either state shall be effective if given, and the terms and conditions and execution of any agreement, deed, lease, conveyance or other instrument pursuant to this section or any other section of this act shall be effective if authorized by the Governor of such state. Any consent by a public authority, agency or commission shall be effective if given by such public authority, agency or commission.

C. 32:1-35.80 Suits, actions or proceedings.

9. The States of New York and New Jersey hereby consent to suits, actions or proceedings by any municipality, public authority, agency or commission against the port authority upon, in connection with or arising out of any agreement, or any amendment thereof, entered into for any of the purposes of this act, as follows:

a. For judgments, orders or decrees restraining or enjoining the port authority from transferring title to real property to other persons in cases where it has agreed with said municipality, public authority, agency, or commission for transfer of such title to the municipality, public authority, agency or commission; and

b. For judgments, orders or decrees restraining or enjoining the port authority from committing or continuing to commit other breaches of such agreement or any amendment thereof; provided, that such judgment, order or decree shall not be entered except upon 2 days' prior written notice to the port authority of the proposed entry thereof; and provided further that upon appeal taken by the port authority from such judgment, order or decree the service of the notice of appeal shall perfect the appeal and stay the execution of such judgment, order or decree appealed from without an undertaking or other security.

Nothing herein contained shall be deemed to revoke, rescind or affect any consent to suits, actions, or proceedings against the port authority heretofore given by the two said states in chapter 301 of the laws of New York of 1950 and chapter 204 of the laws of New Jersey of 1951.

C. 32:1-35.81 Effectuation of industrial development projects or facilities.

10. The effectuation of industrial development projects or facilities or any such projects or facilities constituting a portion of any industrial development project or facility, are and will be in all respects for the benefit of the people of the States of New York and New Jersey, for the increase of their commerce and prosperity and for the improvement of their health and living conditions; and the port authority and any subsidiary corporation incorporated for any of the purposes of this act shall be regarded as performing an essential governmental function in undertaking the effectuation thereof, and in carrying out the provisions of law relating thereto.

C. 32:1-35.82 Payment in lieu of taxes.

11. The port authority shall be required to pay no taxes or assessments upon any of the property acquired and used by it for any of the purposes of this act or upon any deed, mortgage or other instrument affecting such property or upon the recording of any such instrument. However, to the end that no taxing jurisdiction shall suffer undue loss of taxes and assessments by reason of the acquisition and ownership of property by the port authority for any of the purposes of this act, the port authority is hereby authorized and empowered, in its discretion, to enter into a voluntary agreement or agreements with any city, town, township or village whereby the port authority will undertake to pay in lieu of taxes a fair and reasonable sum, if any, or sums annually in connection with any real property acquired and owned by the port authority for any of the purposes of this act and to provide for the payment as a rental or additional rental charge by any person occupying any portion of any industrial development project or facility either as lessee, vendee or otherwise of such reasonable sum, if any, or sums as hereinafter provided. Such sums in connection with any real property acquired and owned by the port authority for any of the purposes of this act shall not be more than the sum last paid as taxes upon such real property prior to the time of its acquisition by the port authority; provided, however, that in connection with any portion of any industrial development project or facility, which is owned by the port authority or another governmental entity and improved pursuant to this act with buildings, structures or improvements greater in value than the buildings, structures or improvements in existence at the time of its acquisition, development or improvement by the port authority, any person occupying such portion of such industrial

development project or facility either as lessee, vendee or otherwise shall, as long as title thereto shall remain in the port authority or in another governmental entity, pay as a rental or additional rental charge an amount in lieu of taxes, if any, not in excess of the taxes on such improvements and on personal property, including water and sewer service charges or assessment, which such person would have been required to pay had it been the owner of such property during the period for which such payment is made; provided further, however, that neither the port authority nor any of its projects, facilities, properties, moneys or bonds and notes shall be obligated, liable or subject to lien of any kind whatsoever for the enforcement, collection or payment thereof. Each such city, town, township or village is hereby authorized and empowered to enter into such agreement or agreements with the port authority, which agreement or agreements may also include provisions with respect to the joint review of categories of tenants proposed as occupants for industrial development projects or facilities with the cities, towns, townships or villages in which they are proposed to be located, and to accept the payment or payments which the port authority is hereby authorized and empowered to make or which are paid by a person occupying any such portion of such industrial development project or facility as rental or as additional rental in lieu of taxes, and the sums so received by such city, town, township or village shall be devoted to purposes to which taxes may be applied in all affected taxing jurisdictions unless and until otherwise directed by law of the state in which such city, town, township or village is located. At least 10 days prior to the authorization by the port authority of any agreement provided for in this section 11, the port authority shall notify the chief executive officer of each city in the port district within which an industrial development project or facility has been included in the master plan provided for in paragraph b. of section 3 hereof of the proposed authorization of such agreement, shall seek their comments and shall include with such authorization any comments received from such city. The port authority shall not sell or lease substantially all of an industrial development project or facility to a proposed purchaser or lessee without the prior approval by the municipality wherein the project or facility is located of such purchaser or lessee.

C. 32:1-35.83 Details of effectuation; jurisdiction over projects and facilities; subsidiary corporations.

12. Except as otherwise specifically provided, all details of the effectuation, including but not limited to details of financing,

leasing, rentals, fees and other charges, rates, contracts and services, of industrial development projects or facilities by the port authority shall be within its sole discretion and its decision in connection with any and all matters concerning industrial development projects or facilities shall be controlling and conclusive; provided that the construction and operation of any such project or facility shall conform to the environmental and solid waste disposal standards and any state and county plans therefore in the state in which such project or facility is located. At least 90 days prior to the authorization by the port authority of the first contract for the construction of any industrial development project or facility, the port authority shall transmit to the Governor of the state in which such project or facility is to be located a statement as to the conformance of such industrial development project or facility with such environmental and solid waste disposal standards and any state and county plans therefor, and shall consult with such Governor or his designee with respect thereto. The port authority and the city, town, township or village in which any industrial development project or facility is to be located and for whose benefit such project or facility is undertaken are hereby authorized and empowered to enter into an agreement or agreements to provide which local laws, resolutions, ordinances, rules and regulations, if any, of such city, town, township or village affecting any industrial development project or facility shall apply to such project or facility. All other existing local laws, resolutions, ordinances or rules and regulations not provided for in such agreement shall be applicable to such industrial development projects or facilities. All such local laws, resolutions, ordinances or rules and regulations enacted after the date of such agreement or agreements shall not be applicable to such projects or facilities unless made applicable by such agreement or agreements or any modification or modifications thereto.

So long as any facility constituting a portion of any industrial development project or facility shall be owned, controlled or operated by the port authority, no public authority, agency, commission or municipality of either or both of the two states shall have jurisdiction over such project or facility nor shall any such public authority, agency, commission or municipality have any jurisdiction over the terms or method of effectuation of all or any portion thereof by the port authority including but not limited to the transfer of all or any portion thereof to or by the port authority; provided, however, the port authority is authorized and empowered to submit to the jurisdiction over such project or facility of either

state or any department thereof or any such public authority, agency, commission or municipality when the exercise of such jurisdiction is necessary for the administration or implementation of Federal environmental or solid waste disposal laws by either state.

Nothing in this act shall be deemed to prevent the port authority from establishing, acquiring, owning, leasing, constructing, effectuating, developing, maintaining, operating, rehabilitating, improving, selling, transferring or mortgaging all or any portion of any industrial development project or facility through wholly owned subsidiary corporations of the port authority or subsidiary corporations owned by the port authority jointly with any public authority, agency or commission of either or both of the two states or from transferring to or from any such corporations any moneys, real property or other property for any of the purposes of this act. If the port authority shall determine from time to time to form such a subsidiary corporation it shall do so by executing and filing with the Secretary of State of the State of New York and the Secretary of State of the State of New Jersey a certificate of incorporation, which may be amended from time to time by similar filing, which shall set forth the name of such subsidiary corporation, its duration, the location of its principal office, any joint owners thereof, and the purposes of the corporation which shall be one or more of the purposes of establishing, acquiring, owning, leasing, constructing, effectuating, developing, maintaining, operating, rehabilitating, improving, selling, transferring or mortgaging all or any portion of any industrial development project or facility. The directors of such subsidiary corporation shall be the same persons holding the offices of commissioners of the port authority together with persons representing any joint owner thereof as provided for in the agreement in connection with the incorporation thereof. Such subsidiary corporation shall have all the powers vested in the port authority itself for the purposes of this act except that it shall not have the power to contract indebtedness. Such subsidiary corporation and any of its property, functions and activities shall have all of the privileges, immunities, tax exemptions and other exemptions of the port authority and of the port authority's property, functions and activities. Such subsidiary corporation shall be subject to the restrictions and limitations to which the port authority may be subject, including, but not limited to the requirement that no action taken at any meeting of the board of directors of such subsidiary corporation shall have force or effect until the Governors of the

two states shall have an opportunity, in the same manner and within the same time as now or hereafter provided by law for approval or veto of actions taken at any meeting of the port authority itself, to approve or veto such action. Such subsidiary corporation shall be subject to suit in accordance with section 9 of this act and chapter 303 of the laws of New York of 1950 and chapter 204 of the laws of New Jersey of 1951 as if such subsidiary corporation were the port authority itself. Such subsidiary corporation may be a participating employer under the New York retirement and social security law or any similar law of either state and the employees of any such subsidiary corporation, except those who are also employees of the port authority, shall not be deemed employees of the port authority.

Whenever any state, municipality, commission, public authority, agency, officer, department, board or division is authorized and empowered for any of the purposes of this act to cooperate and enter into agreements with the port authority or to grant any consent to the port authority or to grant, convey, lease or otherwise transfer any property to the port authority or to execute any document, such state, municipality, commission, public authority, agency, officer, department, board or division shall have the same authorization and power for any of such purposes to cooperate and enter into agreements with such subsidiary corporation and to grant consents to such subsidiary corporation and to grant, convey, lease or otherwise transfer property to such subsidiary corporation and to execute documents for such subsidiary corporation.

C. 32:1-35.84 Bonds issued by port authority as securities.

13. The bonds issued by the port authority to provide funds for any of the purposes of this act are hereby made securities in which all state and municipal officers and bodies of both states, all trust companies and banks other than savings banks, all building and loan associations, savings and loan associations, investment companies and other persons carrying on a commercial banking business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all administrators, executors, guardians, trustees and other fiduciaries, and all other persons whatsoever other than savings banks, who are now or may hereafter be authorized by either state to invest in bonds of such state, may properly and legally invest any funds, including capital, belonging to them or within their control, and said bonds are hereby made securities which may properly and legally be deposited with and shall be received by any state or municipal officer or agency of

either state for any purpose for which the deposit of bonds of such state is now or may hereafter be authorized. The bonds issued by the port authority to provide funds for any of the purposes of this act as security for which the general reserve fund shall have been pledged in whole or in part are hereby made securities in which all savings banks also may properly and legally invest any funds including capital, belonging to them or within their control.

C. 32:1-35.85 Acquisition of property; right of eminent domain.

14. Subsequent to and subject to the execution of the agreement or agreements authorized by sections 11 and 12 hereof for the projects and facilities and at the locations specified herein, if the port authority shall find it necessary, convenient or desirable to acquire from time to time any real property or any property other than real property including but not limited to contract rights and other tangible or intangible personal property, for any of the purposes of this act whether for immediate or future use (including temporary construction, rehabilitation or improvement), the port authority may find and determine that such property, whether a fee simple absolute or a lesser interest, is required for a public use, and upon such determination the said property shall be and shall be deemed to be required for such public use until otherwise determined by the port authority, and such determination shall not be affected by the fact that such property has theretofore been taken for and is then devoted to a public use; but the public use in the hands of or under the control of the port authority shall be deemed superior to the public use in the hands of any other person, association or corporation.

The port authority may acquire and is hereby authorized so to acquire from time to time, for any of the purposes of this act, such property, whether a fee simple absolute or a lesser interest, by condemnation, including the exercise of the right of eminent domain under and pursuant to the provisions of the eminent domain procedure law of the State of New York in the case of property located in or having its situs in such state, or the "Eminent Domain Act," P. L. 1971, c. 361 (C. 20:3-1 et seq.), in the case of property located in or having its situs in the State of New Jersey, or, at the option of the port authority, as provided in section 15 of chapter 43 of the laws of New Jersey of 1947, as amended, in the case of property located in or having its situs in such state, or pursuant to such other and alternate procedure as may be provided by law of the state in which such property is located or has its situs; and all of said statutes for the acquisition of real property shall, for any

of the purposes of this act, be applied also to the acquisition of other property authorized by this section, except that such provisions as pertain to surveys, diagrams, maps, plans or profiles, assessed valuation, lis pendens, service of notice and papers, filing in the office of the clerk in which the real property affected is situated and such other provisions as by their nature cannot be applicable to property other than real property, shall not be applicable to the acquisition of such other property. In the event that any property other than real property is acquired for any of the purposes of this act under this section then, with respect to such other property, notice of such proceeding and all subsequent notices or court processes shall be served upon the owners of such other property and upon the port authority by personal service or by registered or certified mail, except as may be otherwise directed by the court.

The port authority is hereby authorized and empowered, in its discretion, from time to time to combine any property which is to be acquired as aforesaid by condemnation for any of the purposes of this act for acquisition in a single action or proceeding notwithstanding that part of the property so to be acquired is personal property or mixed real and personal property or may be owned by more than one owner.

The owner of any property acquired by condemnation or the exercise of the right of eminent domain for any of the purposes of this act shall not be awarded for such property any increment above the just compensation required by the constitutions of the United States and of the state or states in which the property is located or has its situs by reason of any circumstances whatsoever.

Nothing herein contained shall be construed to prevent the port authority from bringing any proceedings to remove a cloud on title or such other proceedings as it may, in its discretion, deem proper and necessary, for from acquiring any such property by negotiation or purchase.

The term does not include the incidental ornamental detail of functional structural elements or of hardware and other functional accessories unless such ornamental detail is not generally available from the manufacturers or purveyors of such materials and must be specially designed and produced for use in a particular building or related group of buildings.

c. "State" means the Government of the State of New Jersey and all departments, bureaus, boards, commissions, agencies and instrumentalities thereof, except political subdivisions (as the same are defined in the "Local Government Supervision Act (1947)" (P. L. 1966, c. 214 (C. 52:16A-25 et seq.), or any committee or officer thereof as may be from time to time authorized and delegated by the council to perform for it and in its name any of the functions provided for in this act.

C. 52:16A-31 Consultations with council; incorporation of council's recommendations; approval of artistic designs; limitation on costs of fine arts elements.

3. (New section) a. b. As a result of such consultations the architect may incorporate the recommendations of the council in the design of such building or buildings. Expenditures for recommendations concerning the inclusion of artistic designs in State buildings shall be approved by the State House Commission.

c. The total estimated cost of the fine arts elements included in such plans and specifications for a public building or group of

public buildings for the purpose of implementing the design thereof in accordance with the purposes of this act shall not exceed 1½% of the total estimated cost of the construction of such building or group of buildings.

c. Contracts for such work shall be negotiated within the limits of the estimated cost as determined pursuant to section 3 of this act. Public competitive bidding shall not be required for any such contract.

C. 52:16A-33 Selection by means of public competition; terms; awarding of prizes; notice of competition; expenditures.

5. (New section) a. c. In any such competition, the council may provide, within the limit of funds appropriated or otherwise made available to it for

the purpose, for the award of prizes to competitors other than those awarded contracts as a result of the competition, on the basis of the artistic qualities of their designs. Such prizes may be awarded when, in the judgment of the council, it is necessary or desirable in order to encourage a sufficient number of artists to enter the competition so as to provide an ample field of choice in selecting an artist to be awarded a contract.

d. In connection with any competition authorized under this section, the council shall take such steps as are within its power to assure that notice of such competition will be effectively publicized so as to attract competitors; and to that end it is authorized to expend such funds as may be appropriated or otherwise made available to it for that purpose.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

1. This act may be cited as the "New Jersey Green Acres Bond Act of 1978."

2. The Legislature hereby finds that:

a. The provision of lands for public recreation and the conservation of natural resources promotes the public health, prosperity and general welfare and is a proper responsibility of government;

b. Lands now provided for such purposes will not be adequate to meet the needs of an expanding population in years to come;

c. The expansion of population, while increasing the need for such lands, will continually diminish the supply and tend to increase the cost of public acquisition of lands available and appropriate for such purposes;

d. It is necessary to provide funds to assure that lands which have been, or which may hereafter be, acquired for recreation and conservation purposes can be developed to provide public recreation and conservation opportunities and to implement the New Jersey Statewide Comprehensive Outdoor Recreation Plan.

e. The State of New Jersey must act now to acquire and develop as well as to assist local units to acquire and develop substantial quantities of such lands as are now available and appropriate for such purposes so that they may be used and preserved for use for such purposes; and

f. The sum of \$200 million is needed at this time to make such acquisition and development possible.

3. a. Bonds of the State of New Jersey in the sum of \$200 million are hereby authorized to provide moneys to meet the cost of public acquisition and development of lands for recreation and conservation purposes.

The cost of public acquisition of such lands shall include the full cost of acquisition of any such lands by the State and, subject to legislation and the conditions prescribed therein, not more than 50% of the cost of acquisition of any such lands by any local unit; provided, however, that the local share of the cost of such acquisition may be reduced by the (1) fair market value, as determined by the commissioner, of any portion of the lands to be acquired which have been donated to, or otherwise received without cost by, such local unit; or (2) in the case of a conveyance to a local unit of such lands or any portion thereof at less than fair market value, by the difference between fair market value thereof at the time of such conveyance and the conveyance price thereof to such local unit.

The cost of development of such lands shall include the full cost of development of any such lands by the State and, subject to legis-

lation and conditions prescribed therein, not more than 50% of the cost of development of any such lands by any local unit.

b. Of the total moneys available under this act, \$100 million is hereby allocated for the State acquisition and development, and for State grants to local units for the acquisition and development, of lands located in urban areas.

c. Of the total moneys available under this act, \$50 million is hereby allocated for the acquisition and development by the State of lands located in nonurban areas and \$50 million is hereby allocated for State grants to local units for the acquisition and development of lands located in nonurban areas.

d. Acquisition of lands actively devoted to agriculture shall be avoided whenever possible and in lieu thereof, whenever feasible, development rights, conservation easements and other interests less than a fee simple shall be acquired.

4. Except as the context may otherwise require:

a. "Cost," as used with respect to cost of acquisition or cost of development, shall include, in addition to the usual connotations thereof, the cost of all things deemed necessary or useful and convenient in connection with the acquisition and development of lands by or with the assistance of the State, for recreation and conservation purposes, including interest or discount on bonds, cost of issuance of bonds, the cost of engineering, inspection, relocation services, legal, financial, geological, hydrological and other professional services, estimates and advice, the cost or organizational, administrative and other work and services, including salaries, supplies, equipment and materials necessary to administer this act, and the cost of reimbursement of any fund from which moneys shall have been advanced to the State Land Acquisition and Development Fund, created herein.

b. "Development" means any improvement to land or water areas designed to expand and enhance their utilization for recreation and conservation purposes, including but not limited to site preparation, landscaping structures or facilities which are substantially consistent with the natural setting and topographical conditions. Such support structures and facilities shall include, but not limited to access roads, interpretative facilities, parking areas, utilities and comfort facilities.

c. "Land" or "lands" means real property, including improvements thereof or thereon, rights-of-way, water, riparian and other rights, easements, privileges and all other rights or interest of

any kind or description in, relating to or connected with real property.

d. "Local unit" means a municipality, county or other political subdivision of this State, or any agency thereof authorized to administer, protect, develop and maintain lands for recreation and conservation purposes.

e. f. "Commissioner" means the Commissioner of Environmental Protection.

g. "Commission" means the New Jersey Commission on Capital Budgeting and Planning.

4.1. The commissioner shall issue and promulgate, pursuant to law, such rules and regulations as are necessary and appropriate to carry out the provisions of this act. The commissioner shall review and consider the findings and recommendations of the commission in the administration of the provisions of this act.

5. To the end that municipalities may not suffer loss of taxes by reason of the acquisition and ownership by the State of New Jersey of property under the provisions of this act, the State shall pay annually on October 1 to each municipality in which property is so acquired, for a period of 13 years following such acquisition the following amounts—in the first year a sum of money equal to the tax last assessed and last paid by the taxpayer upon such land and the improvements thereon for the taxable year immediately prior to the time of its acquisition and thereafter the following percentages of the amount paid in the first year, to wit: second year, 92%; third year, 84%; fourth year, 76%; fifth year, 68%; sixth year, 60%; seventh year, 52%; eighth year, 44%; ninth year, 36%; tenth year, 28%; eleventh year, 20%; twelfth year, 12%; thirteenth year, 4%. In the event that land acquired by the State pursuant to this act had been assessed at an agricultural and horticultural use valuation in accordance with provisions of the "Farmland Assessment Act of 1964," P. L. 1964, c. 48 (C. 54:4-23.1 et seq.), at the time of its acquisition by the State, no rollback tax pursuant to section 8 of P. L. 1964, c. 48 (C. 54:4-23.8) shall be imposed as to such land nor shall such rollback tax be applicable in determining the annual payments to be made by the State to the municipality in which such land is located.

All sums of money received by the respective municipalities as compensation for loss of tax revenue pursuant to this section shall be applied to the same purposes as is the tax revenue from the assessment and collection of taxes on real property of the said municipalities, and to accomplish this end such sums shall be apportioned in the same manner as the general tax rate of the municipality for the tax year preceding the year of receipt.

6. Said bonds shall be serial bonds and known as "State Land Acquisition and Development Bonds" and, as to each series, the last installment thereof (subject to redemption prior to maturity) shall mature and be paid not later than 35 years from the date of its issuance.

7. Said bonds shall be issued from time to time as money is required for the purpose aforesaid, as the issuing officials herein named shall determine.

8. The Governor, State Treasurer and the Comptroller of the Treasury or any two of such officials (hereinafter referred to as "the issuing officials") are hereby authorized to carry out the provisions of this act relating to the issuance of said bonds, and shall determine all matters in connection therewith subject to provisions hereof. In case any of said officials shall be absent from the State or incapable of acting for any reason his powers and duties shall be exercised and performed by such person as shall be authorized by law to act in his place as a State official.

9. Bonds, issued in accordance with the provisions of this act shall be a direct obligation of the State of New Jersey and the faith and credit of the State are pledged for the payment of the interest thereon as same shall become due and the payment of the principal at maturity. The principal and interest of such bonds shall be exempt from taxation by the State or by any county, municipality or other taxing district of the State.

10. Said bonds shall be signed in the name of the State by the Governor or by his facsimile signature, under the Great Seal of the State, and attested by the Secretary of State, or an assistant Secretary of State, and shall be countersigned by the facsimile signature of the Comptroller of the Treasury.

Interest coupons attached to said bonds shall be signed by the facsimile signature of the director of the Comptroller of the Treasury. Such bonds may be issued notwithstanding that any of the officials signing them or whose facsimile signatures appear on the bonds or coupons shall cease to hold office at the time of

such issue or at the time of the delivery of such bonds to the purchaser.

11. a. Such bonds shall recite that they are issued for the purposes set forth in section 3 of this act and that they are issued in pursuance of this act and that this act was submitted to the people of the State at the general election held in the month of November, 1978 and that it was approved by a majority of the legally qualified voters of the State voting thereon at such election. Such recital in said bonds shall be conclusive evidence of the authority of the State to issue said bonds and of their validity. Any bonds containing such recital shall in any suit, action or proceeding involving their validity be conclusively deemed to be fully authorized by this act and to have been issued, sold, executed and delivered in conformity herewith and with all other provisions of statutes applicable thereto, and shall be incontestable for any cause.

b. Such bonds shall be issued in such denominations and in such form or forms, whether coupon or registered as to both principal and interest, and with or without such provisions for interchangeability thereof, as may be determined by the issuing officials.

12. When the bonds are issued from time to time, the bonds of each issue shall constitute a separate series to be designated by the issuing officials. Each series of bonds shall bear such rate or rates of interest, that the aggregate amount of interest payable over the life of such series, less the premium, if any, received upon the sale thereof, shall not exceed an amount not in excess of the maximum rate of interest per annum fixed pursuant to R .S. 31 :1-1 computed over the life of such series, as may be determined by the issuing officials, which interest shall be payable semiannually; provided, that the first and last interest periods may be longer or shorter, in order that intervening semiannual payments may be at convenient dates.

13. Said bonds shall be issued, and sold at such price not less than the par value thereof and accrued interest thereon, and under such terms, conditions and regulations, as the issuing officials may prescribe, after notice of said sale, published at least three times in at least three newspapers published in the State of New Jersey, and at least once in a publication carrying municipal bond notices and devoted primarily to financial news, published in New Jersey or in the city of New York, the first notice to be at least 7 days prior to the day of bidding. The said notice of sale may contain a provision to the effect that any or all bids made in pursuance thereof may be rejected. In the event of such rejection or of

failure to receive any acceptable bid, the issuing officials, at any time within 60 days from the date of such advertised sale, may sell such bonds at private sale upon terms not less favorable to the State than the terms offered by any rejected bid. The issuing officials may sell all or part of the bonds of any series as issued to any State fund or to the Federal Government or any agency thereof, at private sale, without advertisement.

14. Until permanent bonds can be prepared, the issuing officials may, in their discretion, issue in lieu of such permanent bonds temporary bonds in such form and with such privileges as to registration and exchange for permanent bonds as may be determined by the issuing officials.

15. The proceeds from the sale of the bonds shall be paid to the State Treasurer and be held by him in a separate fund, and be deposited in such depositories as may be selected by him to the credit of the fund, which fund shall be known as the "State Land Acquisition and Development Fund."

16. The moneys in the said State Land Acquisition and Development Fund are hereby specifically dedicated to meeting the cost of public acquisition and development of lands for recreation and conservation purposes and shall not be expended except in accordance with appropriations from said fund made by law.

At any time prior to the issuance and sale of bonds under this act, the State Treasurer is hereby authorized to transfer from any available money in the treasury of the State to the credit of the State Land Acquisition and Development Fund such sum as may be deemed necessary for the purposes of this act by the State House Commission, which said sum so transferred shall be returned to the treasury of this State by the treasurer thereof from the proceeds of the sale of the first issue of bonds.

Pending their application to the purposes provided in this act, moneys in the State Land Acquisition and Development Fund may be invested and reinvested as other trust funds in the custody of the State Treasurer in the manner provided by law. All earnings received from the investment or deposit of such funds shall be paid into the General Treasury and become a part of the General State Fund.

17. In case any coupon bonds and coupons thereunto appertaining or any registered bond shall become lost, mutilated or destroyed, a new bond shall be executed and delivered of like tenor, in substitution for the lost, mutilated or destroyed bonds or coupons, upon the owner furnishing to the issuing officials evidence

satisfactory to them of such loss, mutilation or destruction and also such security and indemnity as the issuing officials may require.

18. Accrued interest received upon the sale of said bonds shall be applied to the discharge of a like amount of interest upon said bonds when due. Any expense incurred by the issuing officials for advertising, engraving, printing, clerical, legal or other services necessary to carry out the duties imposed upon them by the provisions of this act shall be paid from the proceeds of the sale of said bonds, by the State Treasurer upon warrant of the Comptroller of the Treasury, in the same manner as other obligations of the State are paid.

19. Bond of each series issued hereunder shall mature in installments commencing not later than the fifth year and ending not later than the thirty-fifth year from the date of issue of such series, and in such amounts as shall be determined by the issuing officials, but the issuing officials may reserve to the State by appropriate provision in the bonds of any series the power to redeem all or any of such bonds prior to maturity at such price or prices and upon such terms and conditions as may be provided in such bonds.

20. The issuing officials may at any time and from time to time issue refunding bonds for the purpose of refunding in whole or in part an equal principal amount of the bonds of any series issued and outstanding hereunder, which by their terms are subject to redemption prior to maturity, providing such refunding bonds shall mature at any time or times not later than the latest maturity date of such series, and the aggregate amount of interest to be paid on the refunding bonds, plus the premium, if any, to be paid on the bonds refunded, shall not exceed the aggregate amount of interest that would be paid on the bonds refunded if such bonds were not so refunded. Refunding bonds shall constitute direct obligations of the State of New Jersey, and the faith and credit of the State are pledged for the payment of the principal thereof and the interest thereon. The proceeds received from the sale of refunding bonds shall be held in trust and applied to the payment of the bonds refunded thereby. Refunding bonds shall be entitled to all the benefits of this act and subject to all its limitations except as to the maturities thereof and to the extent herein otherwise expressly provided.

21. To provide funds to meet the interest and principal payment requirements for the bonds issued under this act and outstanding, there is hereby appropriated in the order following:

a. Revenue derived by the State from fees and other charges of any nature made for the use of State parks and other State recreational facilities or so much thereof as may be required;

b. Revenue derived from the tax collected under and by virtue of the provisions of the "Corporation Business Tax Act (1945)," P. L. 1945, c. 162 (C. 54:10A-1 et seq.), or so much thereof as may be required; and

c. If in any year or at any time funds, as hereinabove appropriated, necessary to meet interest and principal payments upon outstanding bonds issued under this act, be insufficient or not available, then and in that case there shall be assessed, levied and collected annually in each of the municipalities of the counties of this State a tax on real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to meet the interest on all outstanding bonds issued hereunder and on such bonds as it is proposed to issue under this act in the calendar year in which such tax is to be raised and for the payment of bonds falling due in the year following the year for which the tax is levied. The tax thus imposed shall be assessed, levied and collected in the same manner and at the same time as other taxes upon real and personal property are assessed, levied and collected. The governing body of each municipality shall cause to be paid to the county treasurer of the county in which such municipality is located, on or before December 15 in each year, the amount of tax herein directed to be assessed and levied, and the county treasurer shall pay the amount of said tax to the State Treasurer on or before December 20 in each year.

If on or before December 31 in any year the issuing officials shall determine that there are moneys in the General State Fund beyond the needs of the State, sufficient to meet the principal of bonds falling due and all interest payable in the ensuing calendar year, then and in that event such issuing officials shall by resolution so find and shall file the same in the office of the State Treasurer, whereupon the State Treasurer shall transfer such moneys to a separate fund to be designated by him, and shall pay the principal and interest out of said fund as the same shall become due and payable, and the other sources of payment of said principal and interest provided for in this section shall not then be available, and the receipts for said year from the fees, charges and taxes specified in subsections a. and b. of this section treated as part of the General State Fund, available for general purposes.

22. Should the State Treasurer by December 31 of any year deem it necessary, because of insufficiency of funds to be collected from the sources of revenues as hereinabove provided, to meet the interest and principal payments for the year after the ensuing year, then the treasurer shall certify to the Comptroller of the Treasury the amount necessary to be raised by taxation for such purposes, the same to be assessed, levied and collected for and in the ensuing calendar year. In such case the Comptroller of the Treasury shall, on or before March 1 following, calculate the amount in dollars to be assessed, levied and collected as herein set forth in each county. Such calculation shall be based upon the corrected assessed valuation of such county for the year preceding the year in which such tax is to be assessed, but such tax shall be assessed, levied and collected upon the assessed valuation of the year in which the tax is assessed and levied. The Comptroller of the Treasury shall certify said amount to the county board of taxation and the county treasurer of each county. The said county board of taxation shall include the proper amount in the current tax levy of the several taxing districts of the county in proportion to the ratables as ascertained for the current year.

23. For the purpose of complying with the provisions of the State Constitution this act shall, at the general election to be held in the month of November, 1978, be submitted to the people. In order to inform the people of the contents of this act it shall be the duty of the Secretary of State, after this section shall take effect, and at least 15 days prior to the said election, to cause this act to be published in at least ten newspapers published in the State and to notify the clerk of each county of this State of the passage of this act, and the said clerks respectively shall cause to be printed on each of the said ballots, the following:

If voting machines are used, a vote of "Yes" or "No" shall be equivalent to such marking respectively.

The fact and date of the approval or passage of this act, as the case may be, may be inserted in the appropriate place after the title in said ballot. No other requirements of law of any kind or character as to notice or procedure except as herein provided need be adhered to.

24. There is hereby appropriated the sum of \$5,000.00 to the Department of State for expenses in connection with the publication of notice pursuant to section 23.

CHAPTER 122

AN ACT to amend the title of "An act to facilitate the construction and rehabilitation of housing projects in certain areas for families of moderate income by providing for mortgage loans to qualified housing sponsors to be used for such construction and rehabilitation, creating within the Department of Community Affairs a New Jersey Housing Finance Agency and prescribing the powers and duties thereof, authorizing the New Jersey Housing Finance Agency to issue bonds and other obligations and providing for the terms and security thereof and the means to pay such bonds and other obligations and the interest thereon, prescribing penalties for certain violations and making an appropriation," approved May 31, 1967 (P. L. 1967, c. 81), so that the same shall read "An act to facilitate the construction and rehabilitation of housing projects in certain areas for families of moderate income by providing for mortgage loans to qualified housing sponsors to be used for such construction and rehabilitation, providing for exemption of certain housing projects from real property taxation, creating within the Department of Community Affairs a New Jersey Housing Finance Agency and prescribing the powers and duties thereof, authorizing the New Jersey Housing Finance Agency to issue bonds and other obligations and providing for the terms and security thereof and the means to pay such bonds and other obligations and the interest thereon, prescribing penalties for certain violations and making an appropriation," and to amend and supplement the body of said act.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

Title amended.

1. The title of P. L. 1967, c. 81 is amended to read as follows:

An act to facilitate the construction and rehabilitation of housing projects in certain areas for families of moderate income by providing for mortgage loans to qualified housing sponsors to be used for such construction and rehabilitation, providing for exemption

of certain housing projects from real property taxation, creating within the Department of Community Affairs a New Jersey Housing Finance Agency and prescribing the powers and duties thereof, authorizing the New Jersey Housing Finance Agency to issue bonds and other obligations and providing for the terms and security thereof and the means to pay such bonds and other obligations and the interest thereon, prescribing penalties for certain violations and making an appropriation.

C. 55:14J-2.1 Legislature's findings and declarations.

2. (New section) The Legislature hereby finds and declares that blighted areas exist throughout the State; that one effective method of alleviating blight is to increase the supply of adequate, safe and sanitary housing available to persons of low and moderate income throughout the State; that the provision of an increased supply of adequate housing reduces the need for occupancy of substandard housing in blighted areas and thus facilitates the clearance or redevelopment of such areas; that the effect of the construction of new housing is not confined to the municipality in which such housing is located, and can and frequently does assist in the alleviation or elimination of blight in other municipalities within commuting distance of such new housing; that the New Jersey Housing Finance Agency was created for the purpose of increasing the supply of safe and sanitary housing affordable by low and moderate income families and has financed approximately 21,642 housing units already occupied or under construction; that all of the projects containing such units have required some form of tax abatement in order to make the projects financially feasible at rents affordable by families of low and moderate income; and that it is expected that tax abatement will similarly be required for future projects to be financed by the New Jersey Housing Finance Agency.

The Legislature hereby finds and determines that each housing project for low and moderate income families financed by the agency facilitates the clearance or redevelopment of blighted areas within the State and assists in the prevention of blight and accordingly should be eligible for a grant of tax exemption or abatement by the municipality in which it is located irrespective of whether the project is located in a blighted area or whether there is any blighted area within the municipality in which the project is located.

The Legislature further finds and declares that to finance its projects, the Agency has issued in excess of one-half billion dollars of its bonds to the investing public in part on the basis of the

existence of tax abatement for such projects; that a recent court decision invalidated a resolution of the governing body of a municipality granting tax exemption pursuant to section 18 of P. L. 1949, c. 184 (C. 55:16-18) for failure to comply with certain procedural steps, particularly the holding of a public hearing on whether conditions of blight exist in the municipality; and that many of the housing projects presently financed by the agency have received grants of tax exemption pursuant to municipal resolutions adopted without the procedural steps which a court has recently held to be required.

The Legislature further finds and declares that although the above mentioned case does not directly address the validity of tax exemption or abatement agreements for existing projects and although the tax exemption or abatement for such projects may be able to withstand any legal challenge, it is desirable and appropriate for the State to maintain the investing public's confidence in the agency's ability to repay its outstanding bonds in timely fashion and to maintain the agency's ability to market its bonds in the future and that to the extent that the agency should be unable, by reason of the unexpected nonexistence of tax exemptions or abatements, to pay principal and interest on its bonds now outstanding, the State would be faced with a claim for the deficiency pursuant to provisions of section 21 of P. L. 1967, c. 81 (C. 55:14J-21).

The Legislature hereby finds and determines that municipal resolutions adopted prior to the effective date of this act granting or authorizing tax exemption or abatement in respect of housing projects for low and moderate income families financed or to be financed by the agency should be validated and confirmed.

3. Section 30 of P. L. 1967, c. 81 (C. 55:14J-30) is amended to read as follows:

C. 55:14J-30 Legislature's intent; tax exemption; in-lieu payments; equalization table; apportionment.

30. (a) It is the intent of the Legislature that in the event of any conflict or inconsistency in the provisions of this act and any other acts concerning qualified housing sponsors or any rules and regulations adopted thereunder, to the extent of such conflict or inconsistency, the provisions of this act shall be enforced and the provisions of such other acts and rules and regulations adopted thereunder shall be of no force and effect.

(b) The governing body of any municipality in which a housing project, for families of low and moderate income, financed or to be financed by the agency is or is to be located may by resolution pro-

vide that such project shall be exempt from real property taxation; provided, that the qualified housing sponsor shall enter into an agreement with the municipality for payments to the municipality in lieu of taxes for municipal services. Any such agreement may require such qualified housing sponsor to pay to such municipality an amount up to 20% of the annual gross revenue from each housing project situated on such real property for each year of operation thereof following the substantial completion thereof. For the purpose of this section, "annual gross revenue" means the total annual gross rental or carrying charge and other income of a qualified housing sponsor from a housing project. If any such agreement is entered into from the date of recording the mortgage on the project to the date of substantial completion of the project the annual amount payable to the municipality as taxes or as payments in lieu of taxes in respect of the project site shall not be in excess of the amount of taxes on the project site for the year preceding the recording of the mortgage. Any exemption from taxation pursuant to the provisions of this section shall not extend beyond the date on which the mortgage loan owing to the Agency on the project is paid in full.

For the purpose of apportioning the amounts to be raised in the respective municipalities in each county pursuant to R. S. 54:4-49, the county board of taxation shall, for each municipality include in the equalization table for the county the assumed assessed value of the property represented by the amount of payments in lieu of property taxes to any municipality pursuant to this act.

The assumed assessed value of such property in each municipality shall be determined by the county board of taxation in the following manner: (a) the amount of payments in lieu of real property taxes received by each municipality during the preceding tax year pursuant to this section shall be divided by the general tax rate of the municipality for such preceding tax year to obtain an assumed assessed value of such property; (b) this assumed assessed value shall be divided by the fraction produced by dividing the aggregate assessed value by the aggregate true value of the real property as determined by the county board of taxation for equalization purposes in the current tax year, exclusive of class II railroad property, in the municipality; and (c) the resulting

quotient shall be included in the net valuation of each municipality on which county taxes are apportioned.

For the first tax year during which any payments in lieu of real property taxes are made to any municipality pursuant to this section, there shall be included in the equalization table for the county the true value of the property as determined by the assessor in the tax year immediately prior to the tax year in which any payments in lieu of taxes are made pursuant to this section.

As used in this section only, "municipality" means and includes any city of any class, any town, township, village, borough, or any municipal subdivision of the State; and "governing body" means, in the case of a municipality, the common council, or the board of commissioners, or the body managing its affairs, except that, in the case of cities of the second class, having a population of not less than 133,000 nor more than 200,000 inhabitants, "governing body" means the board of finance of such city.

4. (New section) Any resolution adopted by the governing body of any municipality prior to the effective date of this act granting or authorizing tax exemption or abatement in respect of a housing project for low or moderate income families financed or to be financed by the New Jersey Housing Finance Agency is hereby ratified, validated and confirmed notwithstanding that said municipality failed to conduct an investigation or hold a public hearing with respect to a condition of blight within said municipality.

5. This act shall take effect immediately.

The amount of each contribution shall be computed by the administrator, or the board of administration, or other form of administration specified in the bylaws, and with respect to the expenses referred to under (a) above may be based upon the assessed valuation of the apartment, or such other basis of computation as in the opinion of the administrator, or the board of administration, or other form of administration specified in the bylaws, is more equitable, and with respect to the expenses referred to in (b) above shall be based upon a per capita assessment against each occupant, and with respect to the expenses referred to under (c) above, upon the basis agreed upon.

The employer shall appropriate the amount in the fiscal year next following, taking into account payments to be made to such retirants or beneficiaries qualifying for the first time for this adjustment in the following year.

The adjustment in pensions provided for under this supplementary act shall commence with pension benefit payments for the month of January 1978, except as hereinafter specified, provided that there is appropriated the amount certified by the Director of the Division of Pensions of the State Department of the Treasury to the Director of the State Division of Budget and Accounting as set forth in the Pension Adjustment Act (P. L. 1969, c. 169, C. 43:3B-1 et seq.). The percentage of adjustment in the pensions shall be $\frac{3}{4}$ of the percentum change. Any adjustment so calculated shall apply to all of the months of the following calendar year for eligible retirants

and beneficiaries, except for those qualifying for the first time, it shall apply only to those months of the following calendar year in which the retirant or beneficiary is eligible to receive the adjustment.

The director shall certify the amounts sufficient to adjust the pensions payable to all eligible retirants and beneficiaries by $\frac{3}{5}$ of the percentum of change in the index as such pensions may have been originally granted or increased for certain retirants in accordance with section 10 of P. L. 1966, c. 210 (C. 43:10-18.58b) or increased for certain beneficiaries in accordance with section 13 of P. L. 1948, c. 310 (C. 43:10-18.62). C. 43:10-18.64e Termination of increases due to blanket increases; exception; amount payable; annual review.

7. (New section) If legislation is adopted providing for a blanket increase in original pensions or minimum pensions to any group of retirants or beneficiaries eligible for benefits under this supplementary act, other than legislation enacted prior to 1978, all increases provided under this supplementary act shall be terminated on the first of the month when such blanket increases or minimum pensions are payable, except in those instances where the retirant's or beneficiary's original pension plus the increases provided under this supplementary act will exceed the amounts payable to such retirant or beneficiary as a result of such other legislation; in such event the amount payable under this supplementary act shall thereafter be the difference between the new pension payable by the pension fund and the amount which would otherwise have been paid under this act. Any subsequent annual review of amounts payable under this supplementary act for such retirants and beneficiaries shall continue to be determined on the

basis of the original pension as granted by the retirement system prior to any blanket increase or provision for minimum pension for any group of retirants or beneficiaries eligible for benefits under this supplementary act.

(2) For each taxable year beginning in 1978 and ending in 1979 two tentative taxes shall be computed, the first as provided in subsection (c)(1) and the second as provided in subsection (c)(2), and the tax for such year shall be the sum of that proportion of each tentative tax which the number of days in 1978 and the number of days in 1979, respectively, bears to the number of days in the entire taxable year.

(e) For taxable years beginning on or after January 1, 1972, the tax imposed by section 9 of P. L. 1970, c. 304 (C. 54:8A-6.1) on minimum taxable income, as defined in section 10 of P. L. 1970, c. 304 (C. 54:8A-6.2) shall be at the rate of 6%.

2. Section 9 of P. L. 1961, c. 32 (C. 54:8A-9) is amended to read as follows:

C. 54:8A-9 Standard deduction.

9. (a) Any taxpayer may elect to deduct 10% of his gross income, or \$1,000.00, whichever is less, in lieu of all deductions otherwise permitted under this act. The deduction provided for by this section shall become known as the "standard deduction."

For taxable years beginning in 1971, the standard deduction shall be 13% of gross income or \$1,500.00, whichever is less; for taxable years beginning in 1972, the standard deduction shall be 14% or \$2,000.00, whichever is less; for taxable years beginning in 1973 the standard deduction shall be 15% or \$2,000.00, whichever is less; and for taxable years beginning in 1978 and thereafter the standard deduction shall be 16% or \$2,400.00, whichever is less.

A husband and wife shall not be entitled to a standard deduction in an amount greater than one computed on their aggregate gross income, whether they file separate or joint returns. If they file separate returns, neither may elect the standard deduction unless the other also so elects. If both so elect, either may take such deduction, or they may divide it; except that for taxable years beginning in 1971 the standard deductions shall be 13% of gross income or \$1,500.00, whichever is less: for taxable years beginning in 1972 the standard deduction shall be 14% or \$2,000.00, whichever

is less; for taxable years beginning in 1973 the standard deduction shall be 15% or \$2,000.00, whichever is less; and for taxable years beginning in 1978 and thereafter the standard deduction shall be 16% or \$2,400.00, whichever is less.

Such election may be changed for a taxable year after the filing of the return, subject to regulations issued under this act. If a taxpayer wishing to make such change has a spouse who filed a separate return, the change shall not be allowed unless (1) such spouse also makes a change consistent with the change desired by the taxpayer and (2) both consent in writing to the assessment of any additional tax resulting from such change without regard to time limits otherwise preventing such assessment.

(b) Minimum New Jersey standard deduction. For taxable years beginning in 1978 and thereafter:

(1) The New Jersey standard deduction of an individual who is not married nor the head of the household nor a surviving spouse shall be the amount determined under subsection (a) of this section or \$1,400.00, whichever is greater;

(2) The New Jersey standard deduction of a husband and wife whose New Jersey taxable income is determined jointly, or of the head of a household, or of a surviving spouse, shall be the amount determined under subsection (a) of this section or \$1,900.00, whichever is greater; and

(3) The aggregate New Jersey standard deductions of a husband and wife whose New Jersey taxable incomes are determined separately shall be the amount determined under subsection (a) of this section or \$1,900.00, whichever is greater, and such standard deductions may be taken by either or divided between them as they may elect.

3. Section 10 of P. L. 1961, c. 32 (C. 54:8A-10) is amended to read as follows:

C. 54:8A-10 Exemptions.

10. (a) Each taxpayer is allowed the following exemptions with respect to net income:

For each taxpayer, \$650.00; for the taxpayer's spouse, if taxpayer does not file a joint return and if such spouse has no gross income for the eligibility year and is not a dependent of another taxpayer, an additional \$650.00; for each taxpayer who is at least 65 years of age or over at the close of his taxable year, an additional \$650.00, and for taxpayer's spouse under the same conditions and if the initial \$650.00 exemption is allowable, an

additional \$650.00; for each taxpayer who is blind at the close of his taxable year, an additional \$650.00, and for taxpayer's spouse under the same conditions and if the initial \$650.00 exemption is allowable, an additional \$650.00. Blindness shall be deemed to exist when central visual acuity in the better eye does not exceed 20/200 with correcting lenses, or when the widest diameter of the visual field subtends an angle of not more than 20 degrees;

For each dependent whose entire gross income for the eligibility year is less than \$750.00, or who is taxpayer's child or stepchild and has not attained age 19 at the close of the eligibility year or is a student: \$650.00.

For taxable years beginning in 1979, such exemption shall be \$700.00, and for taxable years beginning in 1980 and thereafter such exemption shall be \$750.00.

With respect to all taxable years beginning on or after January 1, 1973, if (1) the taxpayer's gross income as defined in section 7 of P. L. 1961, c. 32 (C. 54:8A-7), is exceeded by (2) his entire gross income by more than \$100.00, his exemptions allowed in this section shall be limited by the percentage which (1) is of (2). The manner for determining a taxpayer's entire gross income shall be provided by regulation. Such regulations may authorize the use of Federal adjusted gross income for this purpose.

(b) Husband and wife. For a husband and wife who have elected to file separate New Jersey returns on a single form pursuant to section 44 (b) of P. L. 1961, c. 32 (C. 54:8A-44 (b)), the limitation under subsection (a) of this section shall be determined by reference to (1) their total New Jersey gross incomes and (2) the combined entire gross income of the husband and wife.

4. Section 10 of P. L. 1970, c. 304 (C. 54:8A-6.2) is amended to read as follows:

C. 54:8A-6.2 Minimum taxable income.

(a) The minimum taxable income shall be the sum of the items of tax preference, as described in subsection (b) of this section, reduced (but not below zero) by the aggregate of the following:

(1) The applicable specific deduction described in subsection (c) of this section;

(2) The tax determined under subsection (b) or (c) of section 6 of P. L. 1961, c. 32 (C. 54:8A-6), as may apply, for the taxable year, reduced by the sum of the credits allowable under section 7 of this amendatory and supplementary act; and

(3) To the extent that the sum of the items of tax preference exceeds the applicable specific deduction described in subsection (c) of this section plus the tax described in paragraph 2 above, the amount of any net operating loss of the taxpayer, determined as provided in subsection (b) (5) of section 35 (C. 54:8A-35), which remains as a net operating loss carryover to a succeeding taxable year. In such case, however, the amount of such net operating loss used to reduce the sum of the items of tax preference shall be treated as an item of tax preference in the next succeeding taxable years, in order of time, to the extent that such net operating loss carryover reduces taxable income.

(b) For purposes of this act, the term "items of tax preference" shall mean the Federal items of tax preference, as defined in the laws of the United States, derived from or connected with New Jersey sources, for the taxable year, with the modifications as may be prescribed by regulations of the Division of Taxation which relate to income derived from or connected with New Jersey sources.

(1) The Federal items of tax preference for amortization of certified pollution control facilities shall be excluded from the computation of items of tax preference with respect to industrial waste treatment facilities and air pollution control facilities which qualify.

(2) The Federal items of tax preference with respect to depletion shall be excluded from the computation of items of tax preference.

(3) The Federal item of tax preference for capital gains shall be computed by subtracting from such tax preference item one-fifth of the net long-term capital gain deduction.

(c) Specific deduction. An amount which bears the same ratio to \$5,000.00, or \$2,500.00 in the case of a married individual filing a separate return, as his items of tax preference computed under subsection (b) of this section bear to his total Federal items of tax preference.

(d) (Deleted by amendment.) P. L. 1972, c. 12, section 3.

5. Section 44 of P. L. 1961, c. 32 (C. 54:8A-44) is amended to read as follows:

C. 54:8A-44 Persons required to make returns; filing.

44. (a) On or before the filing date prescribed in section 18 (C. 54:8A-18) of this act, an income tax return shall be made and filed by or for every individual having a gross income derived from

sources within his source state in excess of the sum of his personal exemptions allowed in section 10 (C. 54:8A-10) of this act, or having any items of tax preference derived from or connected with New Jersey sources in excess of the specific deduction provided in section 6.2(c) (C. 54:8A-6.2(c)).

(b) (1) If the Federal income tax liability of husband or wife is determined on a separate Federal return, their New Jersey income tax liabilities and returns shall be separate.

(2) If the Federal income tax liabilities of husband and wife (other than a husband and wife described in paragraph (3)) are determined on a joint Federal return, or if neither files a Federal return:

(A) They shall file a joint New Jersey income tax return, and their tax liabilities shall be joint and several, or

(B) They may elect to file separate New Jersey income tax returns on a single form if they comply with the requirements of the Division of Taxation in setting forth information, and in such event their tax liabilities shall be separate.

(3) If either husband or wife is a resident and the other is a nonresident, they shall file separate New Jersey income tax returns on such single or separate forms as may be required by the Division of Taxation, and in such event their tax liabilities shall be separate.

(4) Marital or other status. An individual's marital or other status under subsection 2(c) (C. 54:8A-2(c)), subsection 9(b) of P. L. 1961, c. 32 (C. 54:8A-9 (b)) and subsection 7(a)(3)(B) of this amendatory and supplementary act shall be presumed to be the same as his marital or other status for purposes of establishing the applicable Federal income tax rates. However, an individual who is a nonresident alien for Federal income tax purposes and who fails to qualify under subsection 2(c), or subsection 9(b) of P. L. 1961, c. 32 or subsection 7(a)(3)(B) of this amendatory and supplementary act solely by reason of his status for purposes of establishing the applicable Federal income tax rates shall, nevertheless, qualify under such provisions provided he files a statement with his return setting forth such information in respect to his status as the director shall prescribe.

(c) The return for any deceased individual shall be made and filed by his fiduciary or other person charged with his property.

(d) The return for an individual who is unable to make a return by reason of minority or other disability shall be made and filed by his fiduciary or other person charged with the care of his person

or property (other than a receiver in possession of only a part of his property), or by his duly authorized agent.

(e) Any tax under this act, and any increase, interest or penalty thereon, shall, from the time it is due and payable, be a personal debt of the person liable to pay the same, to the State of New Jersey.

(f) If the amount of net income or Federal items of tax preference for any year of any taxpayer as returned to the United States Treasury Department or to an appropriate State officer is changed or corrected by the taxpayer or the Commissioner of Internal Revenue or other officer of the United States or other competent authority, or where a renegotiation of a contract or subcontract with the United States results in a change in net income, or Federal items of tax preference such taxpayer shall report such change or corrected net income, or Federal items of tax preference or the results of such renegotiation, within 90 days after the final determination of such change or correction or renegotiation, or as required by regulation, and shall concede the accuracy of such determination or state wherein it is erroneous. Any taxpayer filing an amended return with such department or officer shall also file within 90 days thereafter an amended return in this State which shall contain such information as the regulations shall require.

C. 54:8A-6.4 Maximum tax rate on personal service income.

6. (New section) Maximum tax rate on personal service income.

(a) If for any taxable year beginning in 1978 and thereafter an individual has personal service entire net income which exceeds the amount of entire net income specified in paragraph (1) of this subsection, the tax determined pursuant to subsection 6(c) of P. L. 1961, c. 32 (C. 54:8A-6(c)) for such year shall be the sum of:

(1) The tax determined by subsection 6(c) of P. L. 1961, c. 32 (C. 54:8A-6(c)) on the highest amount of entire net income on which the rate of tax does not exceed 12%,

(2) 12% of the amount by which his personal service entire net income exceeds the amount of entire net income specified in paragraph (1) of this subsection, and

(3) The excess of the tax determined under section 6(c) of P. L. 1961, c. 32 (C. 54:8A-6(c)), without regard to this section, over the tax so determined with reference solely to his personal service entire net income.

(b) For purposes of this section the term "Personal Service Income" means items of income includible as personal service

income for purposes of section 1348 of the Internal Revenue Code; provided, however, that notwithstanding the provisions of such section of the Internal Revenue Code to the contrary with respect to the filing of returns by married individuals, the provisions of this section of this act shall be applicable in the case of a husband and wife who file separate New Jersey tax returns (whether or not on a single form).

(c) The personal service entire net income of an individual is the excess of:

(1) The amount which bears the same ratio (but not in excess of 100%) to his entire net income as his personal service gross income bears to his entire gross income, over

(2) The sum of his items of tax preference, as defined in this act, for the taxable year.

For purposes of paragraph (1) of this subsection, the term "personal service gross income" means personal service income reduced by any deductions allowable under section 62 of the Internal Revenue Code which are properly allocable to or chargeable against such personal service income.

C. 54:8A-15.1 Household credit; definitions; credit for certain household and dependent care services necessary for gainful employment.

7. (New section) a. Household credit. (1) For taxable years beginning on and after January 1, 1978, a credit shall be allowed against the tax imposed by subsection 6(c) of P. L. 1961, c. 32 (C. 54:8A-6(c)). The credit, computed as described in paragraph (2) of this subsection, shall not exceed the tax imposed by subsection 6(c) of P. L. 1961, c. 32 (C. 54:8A-6(c)) for the taxable year, reduced by the credits permitted under subsection (b) of this section and section 16 P. L. 1961, c. 32 (C. 54:8A-16).

(2) The amount of the credit allowed pursuant to this subsection shall be determined in accordance with the following table:

	The credit
If household gross income is	shall be
Less than \$5,000.00	\$65.00
\$5,000.00 but less than \$6,000.00	\$50.00
\$6,000.00 but less than \$7,000.00	\$40.00
\$7,000.00 but less than \$25,000.00	\$35.00

(3) For the purposes of this subsection:

(A) "Household gross income" shall mean the aggregate entire gross income of a household, as the term household is defined in subparagraph (B) of this paragraph, for the taxable

year, plus the aggregate entire minimum taxable income of that household.

(B) "Household" means a husband and wife, a head of a household, a surviving spouse, or an individual who is not married nor the head of a household nor a surviving spouse nor a taxpayer with respect to whom a deduction under subsection (e) of section 151 of the Internal Revenue Code is allowable to another taxpayer for the taxable year.

(C) "Household gross income of a husband and wife" shall be the aggregate of their entire gross incomes for the taxable year plus the aggregate of their entire minimum taxable incomes irrespective of whether joint or separate tax returns are filed. Provided, however, that a husband or wife filing a separate New Jersey tax return shall be permitted one-half of the credit otherwise allowed his or her household, except as limited by paragraph (1) of this subsection.

(D) "Household gross income" shall be computed in all cases to reflect the entire gross income from all sources of each member of the household for the entire taxable year.

(E) If a taxpayer changes his status during his taxable year from resident to nonresident, or from nonresident to resident, the household credit shall be prorated to reflect the period that the taxpayer was subject to tax under this act. In the case of a husband and wife, if either or both changes his or her status from resident to nonresident or from nonresident to resident and separate returns are filed, the credit computed for the entire year shall be divided first as provided in subparagraph (C) of this paragraph and then prorated according to each period that the taxpayer was subject to tax under this act.

b. Credit for certain household and dependent care services necessary for gainful employment.

(1) For taxable years beginning on and after January 1, 1977, a taxpayer shall be allowed a credit, to be computed as hereinafter provided, against the tax imposed by subsection 6(b) or 6(c) of P. L. 1961, c. 32 (C. 54:8A-6(b) or 6(c)) of this act. Except as provided below, the amount of the credit shall be 20% of the credit allowed such taxpayer pursuant to the provisions of section 44A of the Internal Revenue Code for the same taxable year. The amount of such credit shall not exceed the tax imposed by subsection 6(b) or 6(c) of P. L. 1961, c. 32 (C. 54:8A-6(b) or 6(c)), as may apply, of this act, for the taxable year, reduced by the credit permitted under section 16 of P. L. 1961, c. 32 (C. 54:8A-16).

(2) In the case of a husband and wife who file a joint Federal return, but who elect to determine their New Jersey taxes separately, the credit allowed pursuant to this subsection may only be applied against the tax imposed on the spouse with the lower entire net income computed without regard to such credit.

(3) Any taxpayer who is otherwise eligible to take the credit permitted by this subsection shall be permitted to take the full amount of such credit except that if (a) his gross income, as defined in section 7 of P. L. 1961, c. 32 (C. 54:8A-7), is exceeded by (b) his entire gross income by more than \$100.00, his credit shall be limited to the amount which represents the same percentage of the total allowable credit which (a) is of (b).

For a husband and wife whose Federal taxable income is determined on a joint return but whose New Jersey entire net incomes are determined separately on a single form, the limitation contained in this subparagraph shall be determined by reference to (a) the total of their gross incomes as defined in section 7 of P. L. 1961, c. 32 (C. 54:8A-7) and (b) the joint entire gross income they would be required to report if both were determining their tax on their joint entire gross income.

8. This act shall take effect immediately.

CHAPTER 139

AN ACT concerning grounds for evicting tenants and lessees of certain residential property in certain municipalities.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 2A:18-61.13 Legislature's findings.

1. The Legislature finds, as a result of the "Casino Control Act" (P. L. 1977, c. 110, C. 5:12-1 et seq.) and the introduction of legalized casino gaming in Atlantic City, that:

a. Additional investment capital has been attracted to Atlantic City and hotels, tourist and entertainment facilities and other properties are being refurbished and expanded;

b. There has been a substantial increase in the value of land and buildings in Atlantic City;

c. Many landlords in Atlantic City are converting or demolishing residential apartments so that they can make more profitable use of their property as a hotel, motel, vacation licensing facility, guest house or other use directly or indirectly related to casino gaming and tourism;

d. Such conversion is forcing the displacement of a large number of residential tenants, many of whom are either senior citizens or persons of low and moderate income;

e. There is an acute housing shortage in Atlantic City and in nearby municipalities, and the massive displacement of tenants through conversions or demolitions will make it impossible for displaced tenants to find decent housing at a price they can afford;

f. Although new housing in Atlantic City is being planned to relieve the housing crisis, it will be at least several years before this housing can be produced;

g. The displacement of such tenants without any relocation assistance will force many of them into substandard housing, which does not meet the minimum standards of safety and sanitation, will encourage overcrowding and the blighting of residential neighborhoods in Atlantic City and constitutes a serious threat to the public health, welfare and safety;

h. Landlords seeking to take advantage of the windfall increase in the value of their property caused by the enactment of the "Casino Control Act," and to convert their property to a more profitable use than rental housing have a duty to provide relocation assistance or compensation to the tenants they are displacing;

i. In order to protect the public health, safety and welfare, no such tenant after the date this act takes effect shall be evicted unless he has been provided adequate relocation assistance and compensation or either thereof.

C. 2A:18-61.14 Notice requirement; contents of notice; second notice.

2. Notwithstanding the provisions of section 3 of P. L. 1974, c. 49 (C. 2A:18-61.2) to the contrary, in any municipality in which casino gaming is authorized, 1 year's notice shall be required prior to the institution of an action alleging permanent retirement under subsection h. of section 2 of P. L. 1974, c. 49 (C. 2A:18-61.1) with respect to a tenant who is a permanent domiciliary in such

municipality; provided, that where there is a written lease in effect no action shall be instituted until the lease expires. The notice shall provide the tenant with the information required by section 6 of this act. In the event that a landlord chooses one of the relocation alternatives authorized by section 4 of this act, he shall send a second notice in accordance with the requirements of section 4 of this act at least 6 months prior to the institution of an action for possession.

C. 2A:18-61.15 Landlord seeking to remove tenant; offer of rental of comparable housing.

3. A landlord seeking to remove a tenant who is a permanent domiciliary under subsection h. of section 2 of P. L. 1974, c. 49 (C. 2A:18-61.1) in such municipality shall offer to the tenant, personally or through an agent, the rental of comparable housing as defined in section 4 of P. L. 1975, c. 311 (C. 2A:18-61.7) in such municipality or within 10 miles thereof and a reasonable opportunity to examine and rent such comparable housing.

C. 2A:18-61.16 Alternatives to relocation; notification to tenant.

4. If the landlord is unable to provide the tenant relocation into comparable rental housing because of the housing shortage, he may as an alternative to relocation:

a. Pay the tenant an amount equal to 5 months' rent; or

b. Allow the tenant to remain in the unit for an additional 5 months beyond the notice period during which time the payment of rent shall be waived. The landlord may utilize this alternative only if he maintains the premises in substantially the same condition as they were prior to the sending of the notice to deliver possession.

If the landlord chooses to exercise either of these alternatives to relocation, he shall notify the tenant in writing of the alternative that has been chosen at least 6 months prior to the institution of an action for possession. In the event that the landlord chooses the alternative pursuant to subsection a. of this section, payment to the tenant of the specified amount shall accompany the notice.

C. 2A:18-61.17 Judgment for possession; when entered.

5. In an action brought under subsection h. of section 2 of P. L. 1974, c. 49 (C. 2A:18-61.1) with respect to any premises located in a municipality in which casino gaming is authorized, no judgment for possession shall be entered unless the owner proves that the tenant was given such notice as is required by section 2 hereof and that:

a. The tenant was given such second notice as is provided by section 4 hereof and was offered the opportunity to rent comparable housing;

b. The tenant was paid an amount equal to 5 months' rent in accordance with the provisions of subsection a. of section 4 of this act;

c. The tenant was allowed to remain an additional 5 months beyond the notice period during which the rent was waived in accordance with the provisions of subsection b. of section 4 of this act; or

d. Thirty-six months have elapsed since the notice for delivery of possession of the premises was served and the landlord has been unable to offer the tenant the opportunity to rent comparable housing.

C. 2A:18-61.18 Notice for delivery of possession; contents.

6. Any notice for delivery of possession under subsection h. of section 2 of P. L. 1974, c. 49 (C. 2A:18-61.1) issued in accordance with section 2 of this act shall inform the tenant of the following:

a. That the landlord has a duty to offer to the tenant the rental of comparable housing;

b. That if the landlord is unable to provide relocation housing, he may as an alternative to relocation: (1) pay the tenant an amount equal to 5 months' rent; or, (2) allow the tenant to remain in the unit for an additional 5 months beyond the notice period during which time the payment of rent shall be waived. If the landlord chooses either alternative, he shall additionally notify the tenant of such choice at least 6 months prior to the institution of an action for possession. In the event the landlord chooses the alternative pursuant to (1) of this subsection, payment to the tenant of the specified amount shall accompany the notice.

c. No tenant shall be evicted unless: (1) the tenant was offered the opportunity to rent comparable housing; (2) the tenant was paid an amount equal to 5 months' rent; (3) the tenant was allowed to remain in the unit for an additional 5 months beyond the notice period during which time the payment of rental shall be waived; or, (4) 36 months have elapsed and the landlord is unable to offer the tenant the opportunity to rent comparable housing.

C. 2A:18-61.19 Construction of act.

7. This act shall be liberally construed to effectuate the legislative purpose of the act.

C. 2A:18-61.20 Applicability of provisions of P. L. 1974, c. 49 and P. L. 1975, C. 311.

8. Except as otherwise provided herein, the provisions of P. L. 1974, c. 49 (C. 2A:18-61.1 et seq.) and P. L. 1975, c. 311 (C. 2A:18-61.6 et seq.) shall be applicable to this act.

C. 2A:18-61.21 Partial invalidity.

9. If any provision of this act or the application thereof to any person or circumstances shall be held to be invalid, such holding shall not affect, impair or invalidate the remainder of this act or the application of such portion held invalid to any other person or circumstances, but shall be confined in its operation to the provision directly involved in such holding or to the person or circumstance therein involved.

10. This act shall take effect immediately, be retroactive to September 1, 1978 and shall expire on the earlier of the following dates: (a) 3 years from the day this act takes effect; or, (b) 30 days after the Commissioner of the Department of Community Affairs declares that a special housing state of emergency no longer exists in municipalities in which casino gaming is authorized. The obligations and responsibilities created in this act shall remain in full force and effect, however, with respect to any premises for which a 1 year notice of permanent retirement was served prior to the expiration date of this act.

Nominations and elections for the filling of a vacancy for the unexpired term shall be made in accordance with the pertinent provisions of Title 19 of the Revised Statutes and the "Optional County Charter Law" (P. The board of chosen freeholders may, by majority vote of its remaining members, fill a vacancy temporarily by appointment until the election and qualification of a successor. If the board of chosen freeholders shall fail to fill the vacancy within 30 days of its occurrence, the office shall remain vacant until the election and qualification of a person to fill the vacancy for the unexpired term or to fill a full new term, as the case may be.

17B:19-5. The commissioner shall annually make or cause to be made or shall annually require the insurer to make calculations of policy and loss reserves for health insurance written by insurers authorized to write health insurance in this State as defined in section 17B:17-4. The commissioner may promulgate regulations providing for minimum reserve standards and mortality, morbidity or other contingency bases to be used in connection therewith. All calculations for minimum reserve purposes shall be made on the basis of a rate of interest not exceeding 4% per annum in the case of policies of insurance issued on or after January 1, 1973 and prior to January 1, 1977 and 4½% interest in the case of policies issued on or after January 1, 1977, and not exceeding 3½% per annum in the case of all other policies of insurance.

2. N. J. S. 17B:19-8 is amended to read as follows:

Standard valuation law.

17B:19-8. This section shall be known as the standard valuation law and shall apply to all the life insurance policies, pure endowment contracts and annuity contracts issued by every life insurer on or after January 1, 1948 or such earlier date as shall have been elected by the insurer as the operative date for such insurer of the standard nonforfeiture law.

a. The minimum standard for the valuation of the reserve liabilities for all such policies and contracts shall be the commissioners reserve valuation methods defined in subsections b., e. and f. of this section, 3½% interest, except as otherwise provided in paragraphs (iii), (iv) and (ix) of this subsection for annuity and pure endowment contracts and except 4% interest for life insurance policies and disability and accidental death benefits issued on or after January 1, 1973 and prior to January 1, 1977 and 4½% interest for such policies and benefits issued on or after January 1, 1977, and the following tables:

(i) For all ordinary policies of life insurance issued on the standard basis, excluding any disability and accidental death benefits in such policies, the Commissioners 1941 Standard Ordinary Mortality Table; provided, however, that the Commissioners 1958 Standard Ordinary Mortality Table shall be the table for the minimum standard for such policies issued on or after January 1, 1966 or, for policies in any category of ordinary insurance, such earlier date as shall have been elected by the insurer as the date on which the calculation of the adjusted premiums referred to in the standard nonforfeiture law for such insurer's policies in such category became based upon said table. Notwithstanding the above provisions of this paragraph, for any category of ordinary insurance, reserves for such policies issued on or after July 1, 1957 may be calculated, at the option of the insurer, according to the Approved Standard Ordinary Mortality Table contained in section 17B:19-9; provided, further, that for any category of such policies issued on female risks on or after July 1, 1957 modified net premiums and present values, referred to in subsection b. of this section, may be calculated, at the option of the insurer with approval of the commissioner, according to an age not more than 6 years younger than the actual age of the insured.

(ii) For all industrial life insurance policies issued on the standard basis, excluding any disability and accidental death

benefits in such policies, the 1941 Standard Industrial Mortality Table; provided, however, that the Commissioners 1961 Standard Industrial Mortality Table shall be the table for the minimum standard for such policies issued on or after January 1, 1968 or such earlier date as shall have been elected by the insurer as the date on which the calculation of the adjusted premiums referred to in the standard nonforfeiture law for such insurer's industrial life insurance policies became based upon said table.

(iv) For group annuity and pure endowment contracts, except annuities and pure endowments purchased thereunder on or after the operative date of paragraph (ix) of this subsection, excluding any disability and accidental death benefits in such contracts, the Group Annuity Mortality Table for 1951, any modification of such table approved by the commissioner, or, at the option of the insurer, any of the tables or modifications of tables specified for individual annuity and pure endowment contracts; provided, however, that the commissioner may establish regulations governing the use of 5% interest and either the 1971 Group Annuity Mortality Table or any modification of such table approved by the commissioner for either contracts whose reserves are considered as pension plan reserves of the type set forth in section 805 (d) of the U.S. Internal Revenue Code, as amended, or contracts of a similar type; and further provided that for group annuity benefits arising from considerations received on or after January 1, 1970, excluding any disability and accidental death

benefits, the minimum standard shall be the lesser of (a) the standard just described and (b) the standard based on 4% interest and the Group Annuity Mortality Table for 1951, any modification of such table approved by the commissioner, or, at the option of the insurer, the Annuity Mortality Table for 1949, Ultimate, or any modification of such table specified for individual annuity and pure endowment contracts.

(v) For total and permanent disability benefits in or supplementary to ordinary policies or contracts, for policies or contracts issued on or after January 1, 1966, the tables of Period 2 disablement rates and the 1930 to 1950 termination rates of the 1952 Disability Study of the Society of Actuaries, with due regard to the type of benefit; for policies or contracts issued on or after January 1, 1961 and prior to January 1, 1966, either such tables or, at the option of the insurer, the Class (3) Disability Table (1926); and for policies issued prior to January 1, 1961, the Class (3) Disability Table (1926). Any such table shall, for active lives, be combined with a mortality table permitted for calculating the reserves for life insurance policies.

(vi) For accidental death benefits in or supplementary to policies, for policies issued on or after January 1, 1966, the 1959 Accidental Death Benefits Table; for policies issued on or after January 1, 1961 and prior to January 1, 1966, either such table or, at the option of the insurer, the Inter-Company Double Indemnity Mortality Table; and for policies issued prior to January 1, 1961, the Inter-Company Double Indemnity Mortality Table. Either table shall be combined with a mortality table permitted for calculating the reserves for life insurance policies.

(ix) For individual annuity and pure endowment contracts issued on or after the operative date of this paragraph (ix), as defined herein, and for all annuities and pure endowments purchased on or after such operative date under group annuity and pure endowment contracts, the commissioners reserve

valuation method defined in subsections b., e. and f. and the following tables and interest rates:

(1) For individual annuity and pure endowment contracts, excluding any disability and accidental death benefits in such contracts, the 1971 Individual Annuity Mortality Table, or any modification of this table approved by the commissioner, and, for such contracts issued prior to January 1, 1977, 6% interest for single stipulated payment immediate annuity and single premium pure endowment contracts, and 4% interest for all other individual annuity and pure endowment contracts, and for such contracts issued on or after January 1, 1977, 7½% interest for single stipulated payment immediate annuity contracts either of the type whose reserves are considered as pension plan reserves as set forth in section 805(d) of the U.S. Internal Revenue Code, as amended, or of similar type, and 6% interest for other single stipulated payment immediate annuity contracts, and 4½% interest for other individual annuity and pure endowment contracts, provided, however, that the commissioner may establish regulations governing the use, in subsequent valuations of single stipulated payments not previously valued, of an interest rate not more than 7½% or less than 6%.

(2) For all annuities and pure endowments purchased under group annuity and pure endowment contracts, excluding any disability and accidental death benefits purchased under such contracts, the 1971 Group Annuity Mortality Table, or any modification of this table approved by the commissioner, and 6% interest except 7½% interest for purchases on or after January 1, 1977 under either contracts whose reserves are considered as pension plan reserves of the type set forth in section 805(d) of the U.S. Internal Revenue Code, as amended, or contracts of similar type, provided, however, that the commissioner may establish regulations governing the use, in subsequent valuations of purchases not previously valued, of an interest rate not more than 7½% or less than 6%.

For individual single stipulated payment immediate annuity and single premium pure endowment contracts and for annuities and pure endowments purchased under group annuity and pure endowment contracts, the operative date of this paragraph (ix) shall be January 1, 1973.

For other individual annuity and pure endowment contracts, an insurer may file with the commissioner a written notice of its election to comply with the provisions of this paragraph (ix) beginning on a specific date that is on or after January 1, 1973 but prior to January 1, 1979. Such specified date shall be the operative date of this paragraph for such contracts of the insurer, provided that if an insurer makes no such election, the operative date of this paragraph for such contracts of the insurer shall be January 1, 1979.

b. Except as otherwise provided in subsections e. and f., reserves according to the commissioner's reserve valuation method, for the life insurance and endowment benefits of policies providing for a uniform amount of insurance and requiring the payment of uniform premiums shall be the excess, if any, of the present value, at the date of valuation, of such future guaranteed benefits provided by such policies, over the then present value of any future modified net premiums therefor. The modified net premiums for any such policy shall be such uniform percentage of the respective contract premiums for such benefits that the present value, at the date of issue of the policy, of all such modified net premiums shall be equal to the sum of the then present value of such benefits provided by the policy and the excess of (A) over (B), as follows:

(A) A net level annual premium equal to the present value, at the date of issue, of such benefits provided for after the first policy year, divided by the present value, at the date of issue, of an annuity of one per annum payable on the first and each subsequent anniversary of such policy on which a premium falls due; provided, however, that such net level annual premium shall not exceed the net level annual premium on the 19-year premium whole life plan for insurance of the same amount at an age 1 year higher than the age at issue of such policy.

(B) A net 1-year term premium for such benefits provided for in the first policy year.

Reserves according to the commissioner's reserve valuation method for (i) life insurance policies providing for varying amounts of insurance or requiring the payment of varying premiums, (ii) group annuity and pure endowment contracts purchased in connection with retirement plans or plans of deferred compensation, established or maintained by or for one or more employers (including partnerships or sole proprietorships), em-

ployee organizations, or any combination thereof, other than plans providing individual retirement accounts or individual retirement annuities under section 408 of the Internal Revenue Code, as now or hereafter amended, (iii) disability and accidental death benefits in all policies and contracts, and (iv) all other benefits, except life insurance and endowment benefits in life insurance policies and benefits provided by all other annuity and pure endowment contracts, shall be calculated by a method consistent with the principles of this subsection b., except that any extra premiums charged because of impairments or special hazards shall be disregarded in the determination of modified net premiums.

c. In no event shall an insurer's aggregate reserves for all life insurance policies, excluding disability and accidental death benefits, be less than the aggregate reserves calculated in accordance with the methods set forth in subsections b. and e. and the mortality table or tables and rate or rates of interest used in calculating nonforfeiture benefits for such policies. Reserves for any category of policies, contracts or benefits as established by the commissioner shall not be calculated according to any standards which produce smaller aggregate reserves for such category than the corresponding aggregate value or nonforfeiture benefits available as of the valuation date.

d. Reserves for any category of policies, contracts or benefits as established by the commissioner may be calculated, at the option of the insurer, according to any standards which produce greater aggregate reserves for such category than those calculated according to the minimum standard herein provided, but the rate or rates of interest used for policies and contracts, other than annuity and pure endowment contracts, shall not be higher than the corresponding rate or rates of interest used in calculating any nonforfeiture benefits provided for therein.

e. If in any contract year the gross premium charged by any life insurer on any policy or contract to which this section applies is less than the valuation net premium for the policy or contract calculated by the method used in calculating the reserve thereon but using the minimum valuation standards of mortality and rate of interest, the minimum reserve required for such policy or contract is the greater of either the reserve calculated according to the mortality table, rate of interest, and method actually used for such policy or contract, or the reserve calculated by the method actually used for such policy or contract but using the minimum standards of mortality and rate of interest and replacing the valuation net

premium by the actual gross premium in each contract year for which the valuation net premium exceeds the actual gross premium.

f. This subsection shall apply to all annuity and pure endowment contracts other than group annuity and pure endowment contracts purchased in connection with retirement plans or plans of deferred compensation, established or maintained by or for one or more employers (including partnerships or sole proprietorships), employee organizations, or any combination thereof, except such plans providing individual retirement accounts or individual retirement annuities under section 408 of the Internal Revenue Code, as now or hereafter amended.

Reserves according to the commissioners annuity reserve method for benefits under annuity or pure endowment contracts, excluding any disability and accidental death benefits in such contracts, shall be the greatest of the respective excesses of the present values, at the date of valuation, of the future guaranteed benefits, including guaranteed nonforfeiture benefits, provided for by such contracts at the end of each respective contract year, over the present value, at the date of valuation, of any future valuation considerations derived from future gross considerations, required by the terms of such contract, that become payable prior to the end of such respective contract year. The future guaranteed benefits shall be determined by using the mortality table, if any, and the interest rate, or rates, specified in such contracts for determining guaranteed benefits. The valuation considerations are the portions of the respective gross considerations applied under the terms of such contracts to determine nonforfeiture values.

3. N. J. S. 17B:25-19 is hereby amended to read as follows :

Standard nonforfeiture law.

17B:25-19. Standard nonforfeiture law. This section shall be known as the standard nonforfeiture law.

a. No policy of life insurance, except as stated in subsection j., shall be issued or delivered hereafter in this State unless it shall contain in substance the following provisions, or corresponding provisions which in the opinion of the commissioner are at least as favorable to the defaulting or surrendering policyholder:

(1) That, in the event of default in any premium payment, the insurer will grant, upon proper request not later than 60 days after the due date of the premium in default, a paid-up nonforfeiture benefit on a plan stipulated in the policy, effec-

tive as of such due date, of such value as may be hereinafter specified.

(2) That, upon surrender of the policy within 60 days after the due date of any premium payment in default after premiums have been paid for at least 3 full years in the case of ordinary insurance or 5 full years in the case of industrial insurance, the insurer will pay, in lieu of any paid-up nonforfeiture benefit, a cash surrender value of such amount as may be hereinafter specified.

(3) That a specified paid-up nonforfeiture benefit shall become effective as specified in the policy unless the person entitled to make such election elects another available option not later than 60 days after the due date of the premium in default.

(4) That, if the policy shall have become paid up by completion of all premium payments or if it is continued under any paid-up nonforfeiture benefit which became effective on or after the third policy anniversary in the case of ordinary insurance or the fifth policy anniversary in the case of industrial insurance, the insurer will pay, upon surrender of the policy within 30 days after any policy anniversary, a cash surrender value of such amount as may be hereinafter specified.

(5) A statement of the mortality tables and interest rates used in calculating the cash surrender values and the mortality tables and interest rates used in calculating the paid-up nonforfeiture benefits available under the policy, together with a table showing the cash surrender value, if any, and paid-up nonforfeiture benefit, if any, available under the policy on each policy anniversary either during the first 20 policy years or during the term of the policy, whichever is shorter, such values and benefits to be calculated upon the assumption that there are no dividends or paid-up additions credited to the policy and that there is no indebtedness to the insurer on the policy.

(6) A statement that the cash surrender values and the paid-up nonforfeiture benefits available under the policy are not less than the minimum values and benefits required by or pursuant to the insurance law of the State in which the policy is delivered; an explanation of the manner in which the cash surrender values and the paid-up nonforfeiture benefits are altered by the existence of any paid-up additions credited to the policy or any indebtedness to the insurer on the policy; if a

detailed statement of the method of computation of the cash surrender values and paid-up nonforfeiture benefits shown in the policy is not stated therein, a statement that such method of computation has been filed with the insurance supervisory official of the State in which the policy is delivered; and a statement of the method to be used in calculating the cash surrender value and paid-up nonforfeiture benefit available under the policy on any policy anniversary beyond the last anniversary for which such values and benefits are consecutively shown in the policy.

Any of the foregoing provisions or portions thereof not applicable by reason of the plan of insurance may, to the extent inapplicable, be omitted from the policy.

The insurer shall reserve the right to defer the payment of any cash surrender value for a period of 6 months after demand therefor with surrender of the policy.

b. In the case of annuity and pure endowment contracts issued on or after January 1, 1972, no contract of annuity or pure endowment, except as stated in subsection j., shall be issued or delivered in this State, unless it shall contain in substance the following provisions, or corresponding provisions which in the opinion of the commissioner are at least as favorable to the defaulting or surrendering contractholder:

(1) That, in the event of default in any stipulated payment, the insurer will grant a paid-up nonforfeiture benefit on a plan stipulated in the contract, effective as of such due date, of such value as may be hereinafter specified.

(2) A statement of the mortality tables, if any, and interest rates used in calculating the paid-up nonforfeiture benefits available under the contract, together with a table showing either the cash surrender value, if any, or the paid-up nonforfeiture benefit, if any, available on each anniversary of the contract either during the first 20 contract years or during the term of stipulated payments, whichever is shorter, such benefits to be calculated upon the assumption that there are no dividends or paid-up additions credited to the contract and that there is no indebtedness to the insurer on the contract.

(3) A statement that the paid-up nonforfeiture benefits available under the contract are not less than the minimum benefits required by or pursuant to the insurance law of the State in which the contract is delivered; an explanation of the manner in which the paid-up nonforfeiture benefits are altered

by the existence of any paid-up additions credited to the contract or any indebtedness to the insurer on the contract; if a detailed statement of the method of computation of the paid-up nonforfeiture benefits shown in the contract is not stated therein, a statement that such method of computation has been filed with the insurance supervisory official of the State in which the contract is delivered; and a statement of the method to be used in calculating the paid-up nonforfeiture benefit available under the contract on any contract anniversary beyond the last anniversary for which such benefits are consecutively shown in the contract.

If an insurer shall provide for the payment of a cash surrender value, it shall reserve the right to defer the payment of such value for a period of 6 months after demand therefor with surrender of the contract.

Notwithstanding the requirements of this subsection, any deferred annuity contract may provide that if the annuity allowed under any paid-up nonforfeiture benefit would be less than \$120.00 annually, the insurer may at its option grant a cash surrender value in lieu of such paid-up nonforfeiture benefit of such amount as may be required by subsection f.

c. Any cash surrender value available under any policy referred to in subsection a. in the event of default in a premium payment due on any policy anniversary, whether or not required by subsection a., shall be an amount not less than the excess, if any, of the present value, on such anniversary, of the future guaranteed benefits which would have been provided for by the policy, including any existing paid-up additions, if there had been no default, over the sum of (1) the then present value of the adjusted premiums as defined in subsection g., corresponding to premiums which would have fallen due on and after such anniversary, and (2) the amount of any indebtedness to the insurer on the policy. Any cash surrender value available within 30 days after any policy anniversary under any policy paid up by completion of all premium payments or any policy continued under any paid-up nonforfeiture benefit, whether or not required by subsection a., shall be an amount not less than the present value, on such anniversary, of the future guaranteed benefits provided for by the policy, including any existing paid-up additions, decreased by any indebtedness to the insurer on the policy.

d. Any paid-up nonforfeiture benefit available under any policy referred to in subsection a. in the event of default in a premium

payment due on any policy anniversary shall be such that its present value as of such anniversary shall be at least equal to the cash surrender value then provided for by the policy or, if none is provided for, that cash surrender value which would have been required by this section in the absence of the condition that premiums shall have been paid for at least a specified period.

e. Any paid-up nonforfeiture benefit available under any annuity or pure endowment contract referred to in subsection b., in the event of default in a stipulated payment due on any contract anniversary, shall be such that its present value as of such anniversary shall be an amount not less than the excess, if any, of the present value, on such anniversary, of the future guaranteed benefits which would have been provided for by the contract, including any existing paid-up additions, if there had been no default, over the sum of (1) the then present value of the adjusted stipulated payments as defined in subsection h. corresponding to stipulated payments which would have fallen due on and after such anniversary, and (2) the amount of any indebtedness to the insurer on the contract. In determining the benefits referred to in this subsection and in calculating the adjusted stipulated payments referred to in subsection h., in the case of annuity contracts under which an election may be made to have annuity payments commence at optional dates, the annuity payments shall be deemed to commence at a date which shall be the latest permitted by the contract for the commencement of such payments but not later than the contract anniversary nearest the annuitant's seventieth birthday or the tenth anniversary of the contract, whichever is later; and the stipulated payments shall be deemed to be payable for the longest period during which they would be payable if election were made to have the annuity payments commence at such date.

f. Any cash surrender value allowed by any annuity or pure endowment contract referred to in subsection b. and the present value, under any optional provision, of future benefits commencing on the due date of the stipulated payment in default shall each be at least equal to the then present value of the minimum paid-up nonforfeiture benefit required by subsection e.

g. Except as provided in the third paragraph of this subsection, the adjusted premiums for any policy referred to in subsection a. shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the policy for each policy year, excluding any extra premiums charged because of impairments or special hazards, that the present value, at the date

of issue of the policy, of all such adjusted premiums shall be equal to the sum of (1) the then present value of the future guaranteed benefits provided for by the policy; (2) 2% of the amount of insurance, if the insurance be uniform in amount or of the equivalent uniform amount, as hereinafter defined, if the amount of insurance varies with duration of the policy; (3) 40% of the adjusted premium for the first policy year; (4) 25% of either the adjusted premium for the first policy year or the adjusted premium for a whole life policy of the same uniform or equivalent uniform amount with uniform premiums for the whole of life issued at the same age for the same amount of insurance, whichever is less; provided, however, that in applying the percentages specified in (3) and (4) above, no adjusted premium shall be deemed to exceed 4% of the amount of insurance or uniform amount equivalent thereto. The date of issue of a policy for the purpose of this subsection shall be the date as of which the rated age of the insured is determined.

In the case of a policy providing an amount of insurance varying with duration of the policy, the equivalent uniform amount thereof for the purpose of this subsection shall be deemed to be the uniform amount of insurance provided by an otherwise similar policy, containing the same endowment benefit or benefits, if any, issued at the same age and for the same term, the amount of which does not vary with duration and the benefits under which have the same present value at the date of issue as the benefits under the policy; provided, however, that in the case of a policy providing a varying amount of insurance issued on the life of a child under age 10, the equivalent uniform amount may be computed as though the amount of insurance provided by the policy prior to the attainment of age 10 were the amount provided by such policy at age 10.

The adjusted premiums for any policy providing term insurance benefits by rider or supplemental policy provision shall be equal to (a) the adjusted premiums for an otherwise similar policy issued at the same age without such term insurance benefits, increased, during the period for which premiums for such term insurance benefits are payable, by (b) the adjusted premiums for such term insurance, the foregoing items (a) and (b) being calculated separately and as specified in the first two paragraphs of this subsection except that, for the purpose of (2), (3) and (4) of the first such paragraph, the amount of insurance or equivalent uniform amount of insurance used in the calculation of the adjusted premiums referred to in (b) shall be equal to the excess of the corresponding amount determined for the entire policy over the amount used in the calculation of the adjusted premiums in (a).

All adjusted premiums and present values referred to in this section shall for all policies of ordinary insurance be calculated on the basis of the Commissioners 1958 Standard Ordinary Mortality Table. Notwithstanding this provision, for any category of ordinary insurance such calculations may be made, at the option of the insurer, on the basis of the Approved Standard Ordinary Mortality Table; provided, further, that for any category of ordinary insurance issued on female risks adjusted premiums and present values may be calculated, at the option of the insurer with approval of the commissioner, according to an age not more than 6 years younger than the actual age of the insured. Such calculations for all policies of industrial insurance shall be made on the basis of the Commissioners 1961 Standard Industrial Mortality Table.

All calculations shall be made on the basis of the applicable rates of interest specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits, not exceeding 4% per annum in the case of policies of insurance issued on or after January 1, 1973 and prior to January 1, 1977 and not exceeding 5½% per annum for policies issued on or after January 1, 1977, and not exceeding 3½% per annum in the case of all other policies of insurance. Provided, however, that in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than the rates shown in the Commissioners 1958 Extended Term Insurance Table if the adjusted premiums for the policy are calculated on the basis of the Commissioners 1958 Standard Ordinary Mortality Table, may be not more than 130% of the rates shown in the Approved Standard Ordinary Mortality Table if the adjusted premiums for the policy are calculated on the basis of said table, and may be not more than the rates shown in the Commissioners 1961 Industrial Extended Term Insurance Table if the adjusted premiums for the policy are calculated on the basis of the Commissioners 1961 Standard Industrial Mortality Table. Provided, further, that for insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the insurer and approved by the commissioner.

h. The adjusted stipulated payments for any annuity or pure endowment contract referred to in subsection b. shall be calculated on an annual basis and shall be such uniform percentage of the

respective stipulated payments specified in the contract for each contract year that the present value, at the date of issue of the contract, of all such adjusted stipulated payments shall be equal to the sum of (1) the then present value of the future guaranteed benefits provided for by the contract; (2) 20% of the adjusted stipulated payment for the first contract year; and (3) 2% of the adjusted stipulated payment for the first contract year for each year not exceeding 20 during which stipulated payments are payable.

All adjusted stipulated payments and present values referred to in this section shall for annuity and pure endowment contracts be calculated on the basis of (1) the applicable rates of interest, not exceeding $3\frac{1}{2}\%$ per annum, specified in the contract for calculating cash surrender values, if any, and paid-up nonforfeiture benefits; and (2) the 1937 Standard Annuity Mortality Table, or the Annuity Mortality Table for 1949, Ultimate, or any modification of either of these tables approved by the commissioner or any other table approved by the commissioner; provided that, in the case of annuity or pure endowment contracts issued after the operative date for the insurer of paragraph (ix) of subsection a. of the standard valuation law, section 17B:19-8, the $3\frac{1}{2}\%$ maximum interest rate specified in item (1) of this paragraph shall be increased to $4\frac{1}{2}\%$, and, if the applicable rates of interest specified in the contract for calculating cash surrender values, if any, and paid-up nonforfeiture benefits exceed $3\frac{1}{2}\%$, there shall be substituted for the mortality tables specified in item (2) the 1971 Individual Annuity Mortality Table, or any modification of this table approved by the commissioner or any other table approved by the commissioner.

i. Any cash surrender value and any paid-up nonforfeiture benefit, available under the policy or contract in the event of default in the payment of a premium or stipulated payment due at any time other than on the policy or contract anniversary, shall be calculated with allowance for the lapse of time and the payment of fractional premiums or stipulated payments beyond the last preceding policy or contract anniversary. All values referred to in subsections c. to h. inclusive, may be calculated upon the assumption that any death benefit is payable at the end of the policy or contract year of death. The net value of any paid-up additions, other than paid-up term additions, shall be not less than the dividends used to provide such additions. Notwithstanding the provisions of subsections c. and e., additional benefits pay-

able (1) in the event of death or dismemberment by accident or accidental means, (2) in the event of total and permanent disability, (3) as reversionary annuity or deferred reversionary annuity benefits, (4) as term insurance benefits provided by a rider or supplemental policy provision to which, if issued as a separate policy, this section would not apply, (5) as term insurance on the life of a child or on the lives of children provided in a policy on the life of a parent of the child, if such term insurance expires before the child's age is 26, is uniform in amount after the child's age is one, and has not become paid-up by reason of the death of a parent of the child, and (6) as other policy benefits additional to life insurance, endowment, and annuity benefits, and premiums for all such additional benefits, shall be disregarded in ascertaining cash surrender values and nonforfeiture benefits required by this section, and no such additional benefits shall be required to be included in any paid-up nonforfeiture benefits. Notwithstanding the provisions of subsections c. and e., additional benefits providing the privilege to purchase additional insurance or annuity benefits at some future time without furnishing evidence of insurability, and premiums or stipulated payments therefor, may, with the consent of the commissioner, be disregarded in ascertaining cash surrender values and nonforfeiture benefits required by this section, and no such additional benefits shall be required to be included in any paid-up nonforfeiture benefits.

j. This section shall not apply to any reinsurance contract, group insurance policy, group annuity contract, variable annuity contract, single premium pure endowment or single stipulated payment annuity contract or reversionary annuity contract, nor to any term policy of uniform amount, or renewal thereof, of 15 years or less expiring before age 66, for which uniform premiums are payable during the entire term of the policy, nor to any term policy of decreasing amount on which each adjusted premium, calculated as specified in subsection g. is less than the adjusted premiums so calculated, on such 15-year term policy issued at the same age and for the same initial amount of insurance, nor to any policy or contract which shall be delivered outside this State through an agent or other representative of the insurer issuing the policy or contract.

4. This act shall take effect immediately.

Approved November 22, 1978.

No former employee who has been retired on pension by reason of injury or disability shall be entitled under this section to compensation for such injury or disability; provided, however, that such employee, despite retirement, shall, nevertheless, be entitled to the medical, surgical and other treatment and hospital services as set forth in R. S. 34:15-15.

As used in this section, the terms "doing public fire duty" and "who may be injured in line of duty," as applied to members of volunteer fire companies, county fire marshals or assistant county fire marshals, and the term "doing public first aid or rescue duty," as applied to active volunteer first aid or rescue squad workers, shall be deemed to include participation in any authorized construction; installation, alteration, maintenance or repair work upon the premises, apparatus or other equipment owned or used by the fire company or the first aid or rescue squad, participation in any authorized public drill, showing, exhibition, fund raising activity or parade, and to include also the rendering of assistance in case of fire and, when authorized, in connection with other events affecting the public health or safety, in any political subdivision or territory of another State of the United States or on property ceded to the Federal Government while such assistance is being rendered and while going to and returning from the place in which it is rendered.

Also, as used in this section, "doing public police duty" and "who may be injured in line of duty" as applied to special, reserve or auxiliary policemen, shall be deemed to include participation in any authorized public drill, showing, exhibition or parade, and to include also the rendering of assistance in connection with other events affecting the public health or safety in the municipality, and also, when authorized, in connection with any such events in any political subdivision or territory of this or any other State of the United States or on property ceded to the Federal Government while such assistance is being rendered and while going to and returning from the place in which it is rendered.

Every active volunteer, first aid or rescue squad worker, including every authorized worker who is not a member of the volunteer fire company within which the first aid or rescue squad may have been created, shall be deemed to be doing public first aid or rescue duty under the control or supervision of any such commission, council, governing body, board of fire commissioners or fire district within the meaning of this section if such control or supervision is provided for by statute, or if the first aid or rescue squad of which he is a member or authorized worker receives or is eligible to receive contributions from, or a substantial part of its expenses or equipment are paid for by, the municipality, or board of fire commissioners of the fire district, or if such first aid or rescue squad has been or hereafter shall be designated by ordinance as the first aid or rescue squad of the municipality.

2. R. S. 34:15-74 is amended to read as follows:

The provisions of this section shall not require the governing body of any municipality or the committee of any fire district which contributes to the support of a volunteer fire company or volunteer first aid or rescue squad serving said municipality or district but located, or its headquarters maintained, without said municipality or district to provide compensation insurance for the members of said company or squad who are covered by compensation insurance carried by the municipality or district within which said company or squad is located, or its headquarters maintained, whenever evidence of such insurance coverage is supplied to or otherwise obtained by said governing body or committee, nor shall the provisions of this section require the governing body of any municipality or the committee of any fire district to provide compensation insurance whenever evidence that a fire company has obtained its own insurance coverage is provided to the governing body or committee.

3. R. S. 34:15-75 is amended to read as follows:

b. Upon such activation, the board shall issue an invitation to each member of the association which has written during the 24 months preceding the date of such activation medical malpractice liability insurance of the type for which the association was activated anywhere in the United States of America, to become a qualified provider of such coverage in this State. If the board qualifies no company as a provider or if the commissioner determines after a hearing and on the basis of facts developed at such hearing, that the company or companies were not properly qualified,

the commissioner shall order the association to write medical malpractice liability insurance on a direct basis and the association shall file within 30 days rates, rating plans, rules and classifications for the category or subcategory of insureds for which the association will be writing insurance on a direct basis. If the association does not submit such a filing within the prescribed number of days or during any extension granted by the commissioner, the commissioner shall promulgate the rates, rating plans, rules and classifications, certify same and order the association to insure eligible risks in accordance with the terms of his order. Qualified providers shall be compensated in accordance with the provisions of the plan of operation.

c. d. No duly licensed insurance agent of a qualified provider broker or solicitor shall refuse to furnish to any eligible risk quotations of premiums for such provider with whom such agent, broker or solicitor regularly places medical malpractice liability insurance policies, or shall fail to submit any eligible risk to such provider;

e. No company shall terminate any agent or restrict the authority of any agent, directly or indirectly, or in any manner whatsoever, solely by reason of the volume of such agent's business it cedes to the association or the experience produced by such ceded business. Neither shall any company make any distinction in remuneration to the agent between business retained and business ceded, or use any promise of reward or threat of penalty, present or future, or any device whatever, related to certain classes of risks or other classes of business, which would tend to induce the agent to avoid certain classes or types of risks.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey*:

1. The Legislature finds and determines that:

a. The voters of New Jersey on November 8, 1977 approved the Beaches and Harbors Bond Act of 1977 authorizing \$30,000,000.00 for the purposes of researching, planning, acquiring, developing, constructing and maintaining beach and harbor restoration, maintenance and protection facilities, projects and programs.

b. It is the intent of the Legislature that \$20,000,000.00 from the Beaches and Harbors Bond Act of 1977 be allocated toward the research, planning, acquiring, developing, constructing and maintaining beach restoration maintenance and protection facilities, projects and programs as recommended by the New Jersey Commission on Capital Budgeting and Planning and the Department of Environmental Protection.

c. To achieve the purposes of the Beaches and Harbors Bond Act of 1977 a comprehensive beach protection plan for a 5-year capital program should be developed by the Department of Environmental Protection.

2. Of the \$30,000,000.00 authorized by the "Beaches and Harbors Bond Act of 1977," the sum of \$20,000,000.00 is hereby allocated for State matching grants to municipalities for the researching, planning, acquiring, developing, constructing and maintaining of beach restoration, maintenance and protection facilities, projects and programs, which grants shall be made in accordance with the provisions of this act.

3. There is hereby appropriated to the State Department of Environmental Protection from the Beaches and Harbor Fund created pursuant to the "Beaches and Harbors Bond Act of 1977" (P. L. 1977, c. 208) the sum of \$4,000,000.00 for the purpose of State matching grants to municipalities for researching, planning, acquiring, developing, constructing and maintaining beach restoration, maintenance and protection facilities, projects and programs including administrative costs. State grants to municipalities shall provide a minimum of 50% of the costs with a maximum of 50% to be provided by grantee municipalities.

4. Such sums shall be made available by the sale of bonds authorized by the "Beaches and Harbors Bond Act of 1977" (P. L. 1977, c. 208).

5. Within 90 days of the effective date of this act the Department of Environmental Protection is directed to prepare a comprehensive beach protection plan for a 5-year capital program for beach protection facilities, projects and programs. Such plan shall serve as the basis for State matching grants to municipalities for the \$20,000,000.00 allocated pursuant to section 2 of this act; provided, however, that the department is hereby authorized, prior to the preparation of such plan, to make such grants as the department deems immediately necessary in order to prevent or alleviate damage to the beach areas of this State.

6. The Department of Environmental Protection is directed to research and develop a funding formula for State matching grants made under this act, taking into consideration the need of a municipality for beach protection, the benefit to a municipality from a proposed beach protection project, the ability of a municipality to pay their matching share and the availability of beaches within the municipality for members of the general public. In no case shall a State grant exceed 75% or be less than 50% of the cost of a beach protection project.

7. Within 90 days of the effective date of this act, the Department of Environmental Protection shall report to the New Jersey Legislature on the recommended funding formula. Such formula shall be used unless, within 60 days of the date of such reporting, the Legislature shall pass a concurrent resolution stating in substance that the Legislature does not favor such formula.

8. The Department of Environmental Protection shall apply the formula developed pursuant to this act, unless disapproved by the Legislature as provided in section 7 herein, to all State beach pro-

tection grants made after the expiration date for legislative disapproval of the formula. In the case of 50% matching grants under this act made prior to the expiration date for legislative disapproval of the formula, the Department of Environmental Protection shall review such grants and shall reimburse those municipalities which, under the formula, are determined to have been eligible for more than 50% in State matching funds, had the formula been applied to them at the time the 50% grant was made.

CHAPTER 171

AN ACT to amend and supplement "An act to supplement the 'New Jersey Medical Assistance and Health Services Act,' (P. L. 1968, c. 413) and making an appropriation therefor," approved August 21, 1975 (P. L. 1975, c. 194).

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

C. 30:4D-25 Legislature's findings and declarations.

1. (New section) The Legislature hereby finds and declares:

That the "Pharmaceutical Assistance to the Aged" program originally provided for the reimbursement of 80% of the prescription drug costs of low-income senior citizens who had met an income-related deductible drug expense;

That this program, designed to ease the burden of spiraling drug costs for senior citizens of modest incomes, was later modified to facilitate and simplify access to the program by requiring eligible senior citizens to pay \$1.00 for each prescription drug at the time of purchase, with the State reimbursing the remainder of the cost directly to the pharmacist;

That the overwhelming success of the program, which currently boasts an enrollment of over 270,000 senior citizens, has resulted in costs far greater than those anticipated;

That although the Legislature is desirous of continuing the program as it currently exists, it recognizes that fiscal constraints and a heightened public awareness of the taxpayer's burden in this State makes it necessary to increase the share now paid by eligible senior citizens and reduce anticipated increases in the State contributions to the program in the future; and that therefore

A long-term legislative solution is now necessary which establishes this excellent and salutary program on a sound fiscal basis at a level within the means of the Treasury, thereby enabling it to continue without further substantial modification.

2. Section 3 of P. L. 1975, c. 194 (C. 30:4D-22) is amended to read as follows:

C. 30:4D-22 Content and application of program; definitions.

3. The program of "Pharmaceutical Assistance to the Aged" shall consist of payments to pharmacies for the reasonable cost of prescription drugs of eligible persons which exceed a \$2.00 copayment. Said copayment shall be paid in full by each eligible person to the pharmacist at the time of each purchase of prescription drugs, and shall not be waived, discounted or rebated in whole or in part.

Whenever any interchangeable drug product contained in the latest list approved and published by the Drug Utilization Review Council is available for the prescription written, an eligible person shall either:

- (1) Purchase an interchangeable drug product which is equal to or less than the maximum allowable cost, at the \$2.00 copayment; or
- (2) Purchase the prescribed drug product which is higher in cost than the maximum allowable cost and pay the difference between the two, in addition to the \$2.00 copayment, unless the prescriber specifically indicates that substitution is not permissible, in which case an eligible person may purchase the prescribed drug product at the \$2.00 copayment.

For purposes of this act:

a. "Prescription drugs" means all legend drugs, including any interchangeable drug products contained in the latest list approved and published by the Drug Utilization Review Council in conformance with the provisions of the "Prescription Drug Price and Quality Stabilization Act" (P. L. 1977, c. 240 C. 24:6E-1 et seq.), and insulin, insulin syringes and insulin needles;

b. "Reasonable cost" means the maximum allowable cost of prescription drugs and a dispensing fee, as determined by the commissioner;

c. "Resident" means one legally domiciled within the State for a period of 30 days immediately preceding the date of application for inclusion in the program. Mere seasonal or temporary residence within the State, of whatever duration, does not constitute domicile. Absence from this State for a period of 12 months is

prima facie evidence of abandonment of domicile. The burden of establishing legal domicile within the State is upon the applicant.

C. 30:4D-26 Name, address or identification number required.

3. (New section) A prescription may not be included under the program unless it contains the name and address or identification number of the eligible person.

C. 30:4D-27 Inclusion of notice of penalties on identification cards.

4. (New section) The commissioner shall include on the identification cards used in the program a conspicuous notice of the penalties for violating the provisions of this act.

C. 30:4D-28 Report to Governor and Legislature.

5. (New section) Within 6 months of the effective date of this act, the commissioner shall submit a report to the Governor and the Legislature including but not limited to the following:

a. The effects of definitional changes in the statute, such as residency and legend drugs;

b. The use of drug utilization review methods in order to curtail the abuse or inappropriate use of particular drugs;

c. A cost-analysis of alternative methods for administering the program and reimbursing participating pharmacists;

d. The effects of excluding from eligibility those persons whose prescription drug costs are covered in part by any other plan of assistance or insurance.

C. 30:4D-29 List containing maximum quantity dispensed.

6. (New section) Within 6 months after the effective date of this act, the commissioner shall, after consultation with the Drug Utilization Review Council and other authorities, prepare a list stating, for each prescribed drug, the maximum quantity which may be dispensed per prescription.

C. 30:4D-30 Procedure for setting and reviewing program.

7. (New section) Within 6 months from the effective date of this act, the commissioner shall establish a procedure for setting and reviewing on a continuing basis the maximum allowable cost per prescription drug under the program.

C. 30:4D-31 Effective date of list and procedures.

8. (New section) The list of maximum quantities per prescription prepared under section 6 of this act and the procedures for setting the maximum allowable cost under section 7 of this act shall not take effect until the end of a period of 60 calendar days after the date on which the plan is transmitted to the Senate and General

Assembly on a day in which both Houses are in session unless, between the date of transmittal and the end of the 60-day period the Legislature, upon a review of such plan by the Institutions, Health and Welfare Committees of both Houses acting jointly, passes a concurrent resolution stating in substance that the Legislature does not approve of the plan. Any plan submitted following such disapproval shall be subject to the same procedure.

C. 30:4D-32 Annual report.

9. (New section) The commissioner shall issue an annual report to the Governor and the Legislature by October 1 of each year. Such report shall include a summary of "Pharmaceutical Assistance to the Aged" program activities for the preceding fiscal year and any recommendations or suggestions for legislative consideration.

C. 30:4D-33 Violation of act.

10. (New section) Any person violating any provision of this act shall be subject to the applicable civil and criminal penalties contained in the "New Jersey Medical Assistance and Health Services Act" (P. L. 1968, c. 413, C. 30:4D-1 et seq.). Any eligible person who violates any provision of this act shall be subject to a suspension of their eligibility for one year for a first offense and permanent revocation of their eligibility for a second offense.

11. This act shall take effect immediately; however, the increase in copayment shall take effect on a date determined by the commissioner, which shall be no later than two weeks after the effective date of this act.

Approved December 22, 1978.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

C. 52:17B-142 Legislature's findings and determinations.

1. The Legislature finds and determines that crime and delinquency are essentially State and local problems; that crime and delinquency are complex social phenomena requiring the attention and efforts of the criminal justice system, State, county and local governments and the citizens of this State; and that the establishment of appropriate goals, objectives and standards for the reduction of crime and delinquency and for the administration of justice must be a priority concern.

The Legislature further finds and determines that, to meet the challenges enumerated above, the functions of the criminal justice system must be coordinated more efficiently and effectively; that the full and effective use of resources affecting State, county and local criminal justice systems requires the complete cooperation of government agencies on all levels; and that training, research, evaluation, technical assistance and public education activities must be encouraged and focused on the improvement of the criminal justice system and the generation of new methods for the prevention of crime and delinquency.

C. 52:17B-143 State Law Enforcement Planning Agency; continuation.

2. The State Law Enforcement Planning Agency created pursuant to Executive Order No. 45, dated August 13, 1968, is continued and constituted as the State Law Enforcement Planning Agency (hereinafter "agency"). of the appointed members shall constitute a quorum. The board may establish such committees as it deems advisable and feasible, but only the board itself may take official action. The board shall promulgate rules of procedure governing its operations.

The board shall maintain general oversight, review, evaluation and approval of the law enforcement improvement activities of the agency, including development and revision of the State law enforcement plan, establishment of priorities for law enforcement improvement in the State, correlation with units of county and local government and law enforcement and implementation of subgrants or allocations thereto.

A JOINT RESOLUTION memorializing the Governor and the Legislature of the Commonwealth of Pennsylvania to repeal Act Number 100, imposing a gross receipts tax on electric power generated in Pennsylvania and sold to New Jersey consumers.

WHEREAS, The Legislature of the Commonwealth of Pennsylvania has passed, and the Governor has signed into law, Act Number 100, imposing a tax on the gross receipts of New Jersey utility companies that own shares in power plants located in Pennsylvania; and

WHEREAS, The estimated yearly cost of this tax to New Jersey utilities is approximately twelve million dollars; and

WHEREAS, This action threatens not only to impose greater financial burdens on New Jersey electric customers, but to violate the spirit of cooperation and the good faith that are the essence of productive and amicable interstate relations; and

WHEREAS, Governor Brendan T. Byrne of the State of New Jersey has asked Pennsylvania to reconsider its action imposing a tax on New Jersey citizens; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

1. That the Governor and the Legislature of the Commonwealth of Pennsylvania are hereby respectfully memorialized to repeal Act Number 100, imposing a gross receipts tax on electric power generated in Pennsylvania and sold to New Jersey consumers.

2. That the Legislature hereby pledges its full support to any and all actions which the Governor of this State may take to obtain the rescission of this inequitable law of the Commonwealth of Pennsylvania and to any and all legal actions or proceedings which the Attorney General of this State deems himself advised to take to challenge the legality of this Pennsylvania tax.

the Clerk of the General Assembly, be transmitted to the Governor, the President of the Senate and the Speaker of the House of Representatives of the Commonwealth of Pennsylvania.

JOINT RESOLUTION No. 11

A JOINT RESOLUTION urging the Government of South Africa to reconsider and rescind its present policies of apartheid and accord all of its citizens basic human rights and privileges of equality.

WHEREAS, The Legislature of the State of New Jersey is aware that the Government of South Africa has, for a long period of time, carried out the policies of a system known as apartheid; and,

WHEREAS, Apartheid as it exists in South Africa legally limits the freedoms of black citizens of that nation, in such basic areas as where blacks may work, what skills they may learn, pensions, sick leave, disability benefits, the right to organize collectively, the right to marry and the right to live in a place of their own choosing; and,

WHEREAS, This deprivation of basic human rights and governmental oppression of a majority of its own citizens results in, among other indignities, a situation wherein the almost eighteen million black residents of South Africa, constituting a vast majority of that nation's population, earn less than 25% of the income of that nation, and have little or no voice in the governmental affairs of that nation; and,

WHEREAS, Racism in this South African form is an anathema to all of mankind and represents a policy no less horrible than that perpetrated by the Fascist and Nazi leaders in Europe during the decades of the 1930's and 1940's in which millions were murdered in the name of racial supremacy; and,

WHEREAS, This Legislature is also aware that many prominent firms in the United States have substantial investments in business endeavors in that nation, which allow them to reap

large profits which are engendered by the cheap labor market provided by the apartheid policies of South Africa which forces black citizens of that country to work for vastly substandard wages; and,

WHEREAS, This Legislature strongly feels it to be in the best interests of this State and this Nation to urge not only that the South African Government eliminate its present policy of apartheid and treat all of its citizens equally and accord each the same, basic human rights to which they are entitled, but also to urge those United States business firms with investments or operations in South Africa to carefully review those holdings with a view towards divesting themselves of said holdings; now, therefore,

BE IT RESOLVED *by the Senate and General Assembly of the State of New Jersey:*

1. That the State Government hereby urges the Government of South Africa to reconsider and rescind its present policies of apartheid and accord all of its citizens basic human rights and privileges of equality; and,

2. That the State Government urgently requests United States firms with investments or holdings in South Africa to carefully reconsider those investments or holdings with a clear view towards divestiture of same, on the grounds that continued financial participation in South Africa encourages that Nation to continue its systematic violations of human rights under the apartheid system; and,

3. That the Governor, the Honorable Brendan T. Byrne, review firms presently conducting business with this State who have South African investments or holdings in order to make those firms aware of this Senate's position relative to that Government's violations of human rights and this Senate's further desire to have such firms consider a complete divestiture of investments or holdings; and,

4. That this Legislature, in considering and adopting this resolution, wishes to emphasize that it continues to be concerned about the deprivation of human rights of all peoples, wherever situated, and herewith declares its intention to continue to speak out for the human rights of all peoples on this earth; and,

5. That copies of this resolution be forwarded to the President of the United States, the United States Ambassador to the United Nations, the members of the United States Senate, and the members of the House of Representatives.

6. This joint resolution shall take effect immediately.

Approved July 19, 1978.

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

EXECUTIVE ORDER No. 68

Provisions for the necessary and appropriate State coordination and participation with the Federal Insurance Administration under the National Flood Insurance Act of 1968, as amended, and rules and regulations promulgated thereunder.

WHEREAS, The State of New Jersey has extensive and continuing programs for the construction of buildings, roads and other facilities and annually acquires and disposes of lands in flood hazard areas, all of which activities significantly influence patterns of commercial, residential and industrial development; and

WHEREAS, The availability of flood insurance under the National Flood Insurance Program, as provided by the National Flood Insurance Act of 1968, as amended, is dependent upon State coordination of Federal, State and local aspects of flood plain (i.e. any land area susceptible to being inundated by water from any source), mudslide (i.e. mudflow) area and flood-related erosion area management activities in the State; and

WHEREAS, The participation by the State of New Jersey in a plan of self-insurance for State owned properties under Section 1925.1 et seq., Rules and Regulations of the Federal Insurance Administration, is conditioned upon the State's compliance with the minimum flood plain management criteria of the National Flood Insurance Program regulations; and

WHEREAS, The State of New Jersey has made provision for the self-insurance of State owned properties which complies with Section 1925.1 et seq., Rules and Regulations of the Federal Insurance Administration; and

WHEREAS, The Federal Insurance Administration has promulgated and adopted rules and regulations governing eligibility of State and local communities to participate in the National Flood Insurance program and in a self-insurance program, which participation depends on State coordination and the designation of an agency in the State of New Jersey to be responsible for coordinating Federal, State and local aspects of flood plain, mudslide area

and flood-related erosion area management activities in the State of New Jersey.

Now, THEREFORE, I, Brendan Byrne, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the statutes of this State, do hereby ORDER and DIRECT:

Section 1. The Division of Water Resources in the State Department of Environmental Protection is hereby designated as the agency to implement Section 1910.12, Rules and Regulations of the Federal Insurance Administration, and to encourage a broad and unified effort to prevent the hazardous use and development of the State's flood plains, and in particular, to reduce the risk of flood losses in connection with State lands and installations and **State financed or supported improvements. Specifically:**

(1) Under the leadership and direction of the Division of Water Resources all State departments and agencies directly responsible for the construction of buildings, structures, roads or other facilities shall preclude the hazardous or unnecessary use of flood plains in connection with such facilities. In the event of construction or other development by any State department or agency in the flood plain, the flood plain management criteria set forth in Sections 1910.3, 1910.4 and 1910.5 of the National Flood Insurance Regulations shall be applicable. Compliance with these criteria does not excuse compliance with any other State laws or regulations.

(2) All State departments and agencies responsible for the administration of grant or loan programs involving the construction of buildings, structures, roads or other facilities shall evaluate flood hazards in connection with such facilities and, in order to minimize the exposure of facilities to potential flood damage and the need for future State expenditures for flood protection and flood disaster relief, shall preclude the hazardous or unnecessary use of flood plains in such connection.

(3) All State departments and agencies responsible for the disposal of lands or properties shall evaluate flood hazards in connection with lands or properties proposed for disposal to other public instrumentalities or private interests and in order to minimize future State expenditures for flood protection and flood disaster relief, shall attach appropriate restrictions with

EXECUTIVE ORDERS

respect to uses of the lands or properties for disposal. In carrying out the provisions of this paragraph, each State department and agency may make appropriate allowance for any estimated decrease in sales price resulting from the incorporation of use restrictions in the disposal documents.

(4) All State departments and agencies responsible for programs which affect land use planning, including State permit programs, shall take flood hazards into account when evaluating plans, and shall encourage land use appropriate to the degree of hazard involved.

Section 2. All State departments and agencies identified pursuant to Section 1, Subsection 2, herein, shall submit to the Division of Water Resources for review and approval all plans for the construction of buildings, structures, roads and other facilities.

Section 3. All State departments and agencies identified pursuant to Section 1, Subsection 3, herein, shall submit to the Division of Water Resources for review and approval all plat plans of State-owned lands or properties proposed for disposal.

Section 4. All State departments and agencies shall submit to the Division of Water Resources an inventory of all State-owned structures and their contents during the month of September of each year consistent with the requirements of Section 1925.11, Rules and Regulations of the Federal Insurance Administration.

Section 5. This Order will take effect immediately.

Given, under my hand and seal this 1st day of
[SEAL] November, in the year of Our Lord, one thousand nine hundred and seventy-eight, of the Independence of the United States, the two hundredth and third.

REORGANIZATION PLANS

(991)

REORGANIZATION PLANS FOR THE URBAN LOAN
AUTHORITY AND AREA REDEVELOPMENT
AUTHORITY

The Urban Loan Authority in the Department of Community Affairs is hereby abolished and all functions, powers and duties of said authority are hereby transferred to the New Jersey Economic Development Authority in, but not of, the Department of Labor and Industry. The Area Redevelopment Authority in the Department of Labor and Industry is hereby abolished and all functions, powers and duties of said authority are hereby transferred to the New Jersey Economic Development Authority in, but not of, the Department of Labor and Industry.

The Urban Loan Authority, established pursuant to the Business Incentive Loan Act, P. L. 1969, c. 202, as amended (c. 52:27D-71 et seq.) provides loans, loan guarantees and technical assistance to businesses which are unable to obtain necessary financing on reasonable terms and are located in areas of high unemployment. The Area Redevelopment Authority, established pursuant to the New Jersey State Redevelopment Assistance Act, P. L. 1962, c. 204, as amended and supplemented, provides financial assistance to local area redevelopment agencies for projects which will expand employment opportunities and improve economic conditions in local redevelopment areas.

The Economic Development Authority, which was created in 1974, has facilitated tax exempt financing and, in some cases, provided loan guarantees for commercial and industrial development and capital facility improvements. The Economic Development Authority activities have substantially expanded employment opportunities and economic growth, with many benefits accruing to urban areas of high unemployment. During the few years of its existence, the Economic Development Authority has become by far the most successful, expert, and dominant financial assistance agency in State government. By abolishing the smaller Urban Loan Authority and Area Redevelopment Authority, and transferring their respective functions, powers and duties to the Economic Development Authority, the State can more effectively support employment growth and urban economic revitalization. Also the expanded urban economic development role which has been assumed by the Economic Development Authority should incorpo-

rate the parallel activities of the Urban Loan Authority and Area Redevelopment Authority.

This reorganization plan concentrates economic development financial assistance functions in a single, effective agency; it eliminates duplication of effort by cabinet officers and staffs serving on the different authorities; and it streamlines financial assistance procedures by eliminating multiple applications for financial assistance and multiple loan reviews by the different staffs.

In accordance with the provisions of the Executive Reorganization Act of 1969, P. L. 1969, c. 203 (c. 52:14c-2), I find and declare that these abolitions, transfers and reorganization are necessary:

(1) To promote the more effective management of the Executive Branch;

(2) To reduce expenditures and promote economy to the fullest extent practicable;

(3) To increase the efficiency of the operations of the Executive Branch to the fullest extent practicable;

(4) To group, coordinate, and consolidate agencies and functions of the Executive Branch, as nearly as practicable, according to major purposes;

(5) To reduce the number of agencies by consolidating those having similar functions under a single head, and to abolish such agencies as may not be necessary for the efficient conduct of the Executive Branch; and

(6) To eliminate overlapping and duplication of effort.

All acts and parts of acts inconsistent with any of the provisions of this reorganization plan are superseded to the extent of such inconsistencies. All transfers directed by this reorganization plan shall be effected pursuant to the "State Agency Transfer Act", P. L. 1971, c. 375 (c. 52:14D-1 et seq.).

REORGANIZATION PLAN FOR THE BOARD OF
PUBLIC UTILITIES AND THE DEPARTMENT
OF TRANSPORTATION

The functions, powers, and duties including, but not limited to, investigatory and punitive powers heretofore exercised and performed by the Board of Public Utilities pursuant to the provisions of Chapters 4, 12, and 15 inclusive of Title 48 of the Revised Statutes, as amended and supplemented, and the provisions of Chapters 2 and 3 of Title 48 of the Revised Statutes, as amended and supplemented as they apply to autobuses, charter and special bus operations, railroads, street railways, traction railways and subways (except that no function, power or duty set forth in P. L. 1968, c. 173, (C. 48:2-59 to 48:2-72) is hereby transferred) and R. S. 39:3-4.1, R. S. 39:3-19, R. S. 39:3-61(m), R. S. 39:3-64(b), R. S. 39:4-128(d), R. S. 39:8-1, R. S. 40:55-50, R. S. 40:183-71 to 40:183-74 are hereby transferred to and shall be exercised and performed by the Department of Transportation effective January 1, 1979.

All appropriations, grants, and other monies available to and to become available to the Board of Public Utilities attributable to and derived from the functions, powers, and duties which have been transferred by this plan to the Department of Transportation are hereby transferred to the Department of Transportation and shall be available for the objects and purposes for which appropriated or otherwise made available subject to any terms, restrictions, limitations or other requirements imposed by the State or Federal law.

Such employees of the Board of Public Utilities engaged in the functions, powers, and duties which have been transferred by this reorganization plan are hereby transferred to the Department of Transportation.

With respect to the functions, powers and duties hereby transferred to the Department of Transportation, whenever in any law, rule, regulation, contract, document, judicial or administrative proceeding or otherwise, reference is made to the Board of Public Utilities, the same shall mean and refer to the Department of Transportation.

This reorganization plan shall not affect the tariffs, orders, agreements, rules and regulations heretofore made or promulgated by the Board of Public Utilities relating to the functions, powers and duties which have been transferred to the Department of Transportation but such tariffs, orders, agreements, rules and regulations shall continue with full force and effect until amended or repealed pursuant to law and shall be administered by the department.

This reorganization plan shall not affect actions or proceedings, civil or criminal, brought by or against the Board of Public Utilities relating to the functions, powers, and duties which have been herein transferred by this plan, and which are pending on the effective date of this plan, but such actions or proceedings may be prosecuted and defended in the same manner and to the same effect by the Department of Transportation as if the foregoing provisions had not taken effect; nor shall this reorganization plan affect any order or recommendation made by, or other matters or proceedings before, the Board of Public Utilities relating to the functions, powers, and duties which have been herein transferred, and all such matters or proceedings pending before such Board of Public Utilities on the effective date of this reorganization plan shall be continued by the Department of Transportation, provided that any hearings commenced by the Board of Public Utilities, prior to the effective date of this reorganization plan shall continue before the hearing officer of that board under the applicable rules of the Board of Public Utilities. However, upon completion of the hearings and proceedings before the hearing officer and unless waived by the parties or certified to the Department of Transportation by its own action, the hearing officer shall make his report and recommendations to the Department, serving copy of said report and recommendations upon all parties, who have participated in the hearings as provided in the Rules of Practice. With respect to such hearings, whenever reference is made to the Board of Public Utilities it shall mean and refer to the Department of Transportation.

Unless specifically otherwise provided in this reorganization plan or by an operative law, whenever, pursuant to existing law, consents, approvals, reports, certifications, petitions, applications, or requests are required from or permitted to be made to the Board of Public Utilities relating to those functions, powers, and duties which are transferred by this reorganization plan, such consents, approvals, reports and certifications shall hereafter be required to be filed with, and such petitions, applications or requests shall

hereafter be made to the Department of Transportation to which such transfer has been made under this reorganization plan.

The transfer directed by this reorganization plan with respect to the Board of Public Utilities shall be made pursuant to the "State Agency Transfer Act," P. L. 1971, c. 375 (C. 52:14D-1 et seq.).

If any provisions of this reorganization plan or the application thereof to any person, or circumstances, or the exercise of any power, or authority thereunder is held invalid or contrary to law, such holding shall not affect other provisions or applications of the reorganization plan which can be given effect without the invalid provisions or applications or affect other exercises of power of authority under said provisions not contrary to law, and to this end, the provisions of this reorganization plan are declared to be severable.

This reorganization plan is intended to protect and promote the public health, safety and welfare, and shall be liberally construed to obtain the objectives and effect the purposes thereof.

All Acts and parts of Acts inconsistent with any of the provisions of this reorganization plan are superseded to the extent of such inconsistencies. Any provisions of this plan which conflict with Federal law are null and void.

In accordance with the provisions of the Executive Reorganization Act of 1969, P. L. 1969, c. 203 (C. 52:14C-2), I find and declare that this transfer and reorganization is necessary:

1. To promote the better execution of the laws and the more efficient management of the Executive Branch and of its agencies and functions;
2. To increase the efficiency of the operations of the Executive Branch to the fullest extent practicable;
3. To group, coordinate and consolidate agencies and functions of the Executive Branch as nearly as practicable according to major purposes; and
4. To eliminate overlapping and duplication of effort.

All Acts and parts of Acts inconsistent with any of the provisions of this reorganization plan are superseded to the extent of such inconsistencies. All transfers directed by this reorganization plan shall be effected pursuant to the "State Agency Transfer Act," P. L. 1971, c. 375 (C. 52:14D-1 et seq.).
