TITLE 1

UNIFORM ADMINISTRATIVE PROCEDURE RULES OF PRACTICE

CHAPTER 1

RULES OF GENERAL APPLICATION

SUBCHAPTER 1. APPLICABILITY, SCOPE, CITATION OF RULES, CONSTRUCTION AND RELAXATION

1:1-1.1 Applicability; scope; rules of special applicability

(a) This chapter shall govern the conduct of all contested cases in the Executive Branch of the State Government,¹ whether conducted by the Office of Administrative Law or by the agencies themselves pursuant to statute.² In the event of conflict between this chapter and any other agency rule, this chapter shall prevail. Procedural rules formerly adopted by the agencies shall continue to apply to the extent they are not inconsistent with this chapter, with statutory requirements or with constitutional standards. Under N.J.S.A. 52:14F-5(e) no agency other than the Office of Administrative Law may hereafter adopt any rules to regulate the conduct of contested cases and the rendering of administrative adjudications.

(b) The following Uniform Administrative Procedure

rules are not intended to apply to contested cases heard in agencies exempt under N.J.S.A. 52:14F-8:

1. N.J.A.C. 1:1-[5.2]5.1-5.5;
2. N.J.A.C. 1:1-[5.5] 8.1, 8.2 and 8.5(a), (b) and (c);
3. N.J.A.C. 1:1-9.7

(c) This chapter is subject to rules of special applicability to particular agencies to be hereafter adopted by the Office of Administrative Law in consultation with particular agencies.

¹See L. 1978, c. 67, §5 (N.J.S.A. 52:14F-5).

²L. 1978, c. 67 §10 (N.J.S.A. 52:14F-8) or L. 1968, c. 410, §2(a) (N.J.S.A. 52:14B-2(a)).

1:1-1.2 Citation of rules

This chapter shall be referred to as the "New Jersey Uniform Administrative Procedure Rules, 1980" and may be cited as, e.g. N.J.A.C. 1:1-1.2.

1:1-1.3 Construction and relaxation; parties appearing without attorneys (pro se); parties represented by non lawyers

(a) This chapter shall be construed to secure just determinations, simplicity in procedure, fairness in administration and the elimination of unjustifiable expense and delay. Unless otherwise stated, any procedural rule may be relaxed or dispensed with by a judge if adherence to it would result in unfairness or injustice. In the absence of rule, a judge may proceed in any manner compatible with these purposes.

(b) This chapter shall not be applied to impose excessive burdens upon either pro se parties or non-lawyer representatives of parties; formal requirements, particularly, shall be relaxed for their benefit. Time requirements shall not be relaxed unless the interests of justice manifestly require. Ultimate standards of proof and the burdens of production and persuasion shall not be relaxed.

1:1-1.4 Definitions and applications

As used in this chapter, the term

"Agency head" means the person or body authorized by law to render final decisions in contested cases.

"Clerk" means the Clerk of the Office of Administrative Law or any such scheduling or docketing officer designated by the head of an agency, pursuant to N.J.S.A. 52:14F-8 or N.J.S.A. 52:14B-2(a), to oversee the administration of contested cases.

"Judge" means an administrative law judge of the State of New Jersey or, pursuant to N.J.S.A. 52:14F-8 or

N.J.S.A. 52:14B-2(a), any other person presiding over a hearing in a contested case or, depending on the context, authorized by law to do so.

"Party" means any person or entity directly involved in a contested case, including a petitioner, respondent, intervenor, or State agency proceeding in any such capacity.

"Contested case" means a proceeding, including any licensing proceeding, in which the legal rights, duties, obligations, privileges, benefits or other legal relations of specific parties are required by constitutional right or by statute to be determined by an agency by decisions, determinations, or orders, addressed to them or disposing of their interests, after opportunity for an agency hearing. N.J.S.A. 52:14B-2.¹

¹L.1978, c.67, amending the Administrative Procedure Act and establishing the Office of Administrative Law to conduct hearings in contested cases provides, in § 9 (N.J.S.A. 52:14F-7), that it is the prerogative of the agency heads "to determine whether a case is contested. . . ." It is the statutory obligation of the Director of the Office of Administrative Law, *inter alia*, to "develop uniform standards . . . (regulating) the conduct of contested cases and the rendering of administrative adjudications" (N.J.S.A. 52:14F-5e) and to "advise agencies concerning their obligations under the Administrative Procedure Act. . . ." (N.J.S.A. 52:14F-5h).

1:1-1.5 The nature of a contested case

(a) Pursuant to the statutory definition, a matter is a contested case where, by virtue of statute or constitutional requirement, a hearing is required before a State agency to determine rights, duties, [obligations,] obligations, privileges, benefits or other legal relations of specific parties. The required hearing must be pre-eminently adjudicatory and judicial in nature and not informational or intended to provide a forum for the expression of public sentiment on proposed agency action. A matter which is susceptible to administrative resolution avoiding factual or legal dispute is not a contested case. Therefore, in order for a matter to be a contested case which must be heard by an administrative law judge:

1. A hearing must be required by statute or constitutional provision; and
2. The matter must not be susceptible of informal resolution on the administrative level (See N.J.A.C. 1:1-5.4); and
3. The required hearing must be designed to result in an adjudication concerning the rights, duties, obligations, privileges, benefits or other legal relations of specific parties over which there exist disputed questions of fact, law, or disposition.

(b) Where specific parties and the general public are involved in one proceeding, both the constitutional/statutory basis and the adjudicatory character requirements of contested cases are satisfied only by the specific parties who will be affected by the outcome substantially, specifically, and directly.

1:1-1.6 The characteristics of contested cases

(a) Within the scope of the controlling requirements in N.J.A.C. 1:1-1.5, the following are some of the qualities of contested cases:

1. Contested cases involve genuinely disputed questions of fact, law, or result, requiring findings, interpretations, or applications to be made.
2. Parties in contested cases may include:
 - i. Particular individuals; or
 - ii. Specific businesses or other entities, including governmental agencies; or

iii. Finite groups of individuals, businesses, or other entities with related interests.

3. Contested cases resolve questions relating to the rights, entitlements, and obligations of specific parties even in large, but defined, groups. They do not deal with broad policy issues affecting entire industries or large and undefined classes of people. In some instances an agency's matters may be contested cases (judicial) in part and uncontested cases (legislative or regulatory) in part. It is necessary in each such matter to determine whether the issues can be fruitfully separated or whether the needs of fairness, efficiency, and thoroughness require the issues to be handled in a single, integrated proceeding.

4. Contested cases deal with factual, legal, or dispositional issues relating to past, current, or proposed activities or interests of particular parties.

5. Contested cases are adversary proceedings involving particular parties. An agency itself may be an adversary party.

6. Contested cases involve subject matter susceptible to the receipt of evidence or particularized legal argument, *i.e.*, concerning the rights or interests of particular parties as opposed to the community at large or loosely defined segments thereof.

7. In a contested case, the final action in the matter will tend to be particular and immediate in effect, though possibly long range. It will relate to specific parties. The final action will not be general and in futuro affecting broad, undefined groups of people or entities.

8. A case is contested if the factual issues to be determined are such that fairness requires a particular party:

- i. To know fully the factual bases upon which the agency decision will rest;
- ii. To meet those facts with evidence of its own which characterizes them or rebuts them; or
- iii. To cross-examine to test the validity and solidity of those factual bases.

9. A case is contested if the legal issues in the matter are such that the personal or property rights of a particular party will be adversely affected in a special way by an interpretation or application of law or agency rule or regulation.

1:1-1.7 The characteristics of matters which are not contested cases

(a) Matters are not contested cases when they may be categorized as follows:

1. Adjudicatory hearings not required by constitutional rule but required by statute for the purpose of affording, *e.g.*, "interested parties the opportunity to present their positions," where the case will not result in a direct disposition of the rights, duties, obligations, privileges, benefits or other legal relations of the "interested parties."

2. Objector or general public hearings, where there is no statutory or constitutional right to an adjudicatory hearing and the hearing which is held will not result in a direct or specific disposition of the rights, duties, etc., of the "objector" or "public parties" as individuals.

3. Matters which will affect the rights of a specific party, but where there is neither a statutory nor a constitutional right to an adjudicatory hearing.

4. Hearings, whether required by statute or not, which are legislative in nature; *i.e.*, designed to make known a proposed rule, regulation, or general policy and to receive views from the general public; and where the proceeding will not result in a disposition of specific rights of specific parties for whose benefit the hearing is held.

5. Hearings, whether required by statute or not, involving inquiry which is general in respect of a policy decision and is designed to determine whether a contemplated

standard should or should not apply to the public generally or to everyone in a field of activity which the agency is authorized to regulate, rather than to individual parties.

1:1-1.8 Agency responsibility before transmission to the Office of Administrative Law

Agencies should not transmit [un]contested cases to the Office of Administrative Law before the cases are perfected and issue is joined. Matters will continue to commence and terminate in the agencies themselves. Agencies should attempt to resolve or adjust matters administratively by explaining fully to the parties affected the proposed agency action and the factual information and legal authority upon which it is based. Where it would be fruitful, agencies should also continue to apply or develop procedures for resolving particular types of contested matters informally on the administrative level. (See N.J.A.C. 1:1-5.4.)

1:1-1.9 The Attorney General's function

When a question arises whether a particular matter is a contested case, legal advice should be obtained from the Attorney General's Office.

SUBCHAPTER 2. COMMENCEMENT OF CONTESTED CASES; JURISDICTION OF THE OFFICE OF ADMINISTRATIVE LAW

1:1-2.1 Commencement of contested cases in the State agencies; form

A contested case shall be commenced in the State agency with appropriate subject matter jurisdiction. A contested case may be commenced by the agency itself or by an individual or entity as provided in the rules and regulations of the agency adopted in conformance with the Administrative Procedure Act, N.J.S.A. 52:14B-1 et seq. and N.J.S.A. 52:14F-1 et seq., and subject to the requirements of subchapter 6 of this chapter.

1:1-2.2 Jurisdiction of the Office of Administrative Law

(a) The Office of Administrative Law shall acquire jurisdiction over a matter only after it has been determined to be a contested case by an agency head and has been filed in the Office of Administrative Law or as otherwise authorized by law, except as provided by subchapter 14 of this chapter.

(b) The Office of Administrative Law shall not receive, hear or consider any pleadings, motion papers, or documents of any kind relating to any matter until it has acquired jurisdiction over that matter, except as provided by subchapter 14 of this chapter.

(c) Matters referred to the Office of Administrative Law that are more appropriately handled by administrative resolution without a contested case hearing shall be returned to the agency by the clerk or judge unless the Director, Office of Administrative Law has approved a request for administrative assistance under N.J.S.A. 52:14F-50, or N.J.A.C. 1:1-5.4(d). That a statute or constitutional principle may provide for a hearing shall not be dispositive of whether efforts at administrative resolution may be more appropriate than a contested case hearing in the particular circumstances.

SUBCHAPTER 3. CONDUCT OF CONTESTED CASES GENERALLY

1:1-3.1 Public hearings; records as public; exceptions

(a) All evidentiary hearings, proceedings on motions and other applications shall be conducted as public hearings unless otherwise provided by statute, rule or regulation, or on order of a judge for good cause shown. Pre-

hearing conferences and settlement conferences may be conducted in public or in closed session at the judge's discretion. The record of all hearings shall be open to public inspection, but the judge may, for good cause shown, order the sealing of the record or any part thereof.

(b) In considering whether to make an exception to the public hearing and public record standards of subsection (a) of this section, the judge shall consider the requirements of due process of law, other constitutional and statutory standards and matters of public policy. The judge shall also consider the need to protect against unwarranted disclosure of sensitive financial information or trade secrets, to protect parties or witnesses from undue embarrassment or deprivations of privacy, or to promote or protect other equally important rights or interests. The treatment of testimony or exhibits shall be on such terms as are appropriate to balance public and private rights or interests and to preserve the record for purposes of review.

1:1-3.2 Expedition; settlement conferences; special time requirements; inactive list

(a) Hearings and other proceedings in contested cases shall proceed with all reasonable expedition and, to the greatest extent possible, shall be held at one place and shall continue, except for brief intervals of the sort normally involved in judicial proceedings, without suspension until concluded.

(b) The judge may schedule conferences prior to the hearing to reach agreement upon as many matters as possible.

(c) The clerk or judge may establish a specially accelerated or decelerated schedule of proceedings or time limits to meet statutory requirements or the special needs of the parties or the particular case.

(d) The parties shall promptly advise the clerk and the judge of the happening of any event which might delay the conduct of the case.

(e) If the judge determines by affidavit or other competent proof that a party to a pending case is unable to prosecute or defend without substantial inconvenience, the case may be placed on an inactive list established for this purpose for a period not to exceed six months. The clerk shall return this case to an active status after six months have expired unless by affidavit or other competent proof a party indicates that the party's inability to proceed continues. The clerk shall notify all parties and the agency of any action taken under this section.

1:1-3.3 Verbatim record of proceedings; sound and stenographic recordings; requesting transcript; cost

(a) All proceedings in the presence of a judge, except settlement discussions, and informal discussions either immediately preceding hearing or during the hearing to facilitate orderly and expeditious conduct of the case, shall be recorded verbatim either by a stenographic reporter or by sound recording devices, or both. Any discussions off the record, no matter how brief, except settlement discussions shall be summarized for the record.

(b) Any party, or any person with a legitimate need, may obtain a transcript of any proceeding which has been sound recorded by filing a request with the clerk and by notifying all parties. Unless the requesting party is a state agency, the request shall be accompanied by a \$100 security deposit for each day or fraction thereof of the proceeding. The clerk shall promptly arrange for the preparation of the transcript with a copy for the case file. Upon completion of the transcript, the clerk shall bill the requesting party for the preparation of the transcript and the copy. Upon receipt of payment, the clerk shall forward

the original transcript to the requesting party and shall return the deposit.

(c) Any party may obtain an unofficial copy of a sound recorded proceeding by making a request to the clerk accompanied by a blank standard cassette of appropriate length.

(d) Any party, or any person with a legitimate need, may request the appropriate stenographic firm to prepare a transcript of any stenographically recorded proceeding and shall provide notice of the request to the clerk and to all other parties. Unless the requesting party is a State agency, the stenographic firm may require a deposit. The reporter shall promptly prepare the transcript in accordance with standards established by the Office of Administrative Law and shall file a copy with the clerk at the time the original is delivered to the requesting party. The requesting party shall be charged for the copy filed with the clerk at a rate not to exceed State contract rates.

(e) Any party or person entitled by Federal statute or regulation to copy and inspect the verbatim transcript may arrange with the clerk to review any transcript filed under N.J.A.C. 1:1-3.3(b) or (d) and shall also be permitted to hear and receive a copy of any sound recorded proceeding pursuant to N.J.A.C. 1:1-3.3(c).

[(f) State agencies requesting official transcripts shall make provision for payment or shall pay the cost of production at rates established under the prevailing State contract rates.]

(f) State agencies requesting official transcripts shall make provision for payment or shall pay the cost of production at rates established under the prevailing State contract rates; provided that where a State agency is authorized by law to represent the public interest in the proceedings, and another party to the proceedings is entitled by law to recover the costs thereof from others, such other party shall obtain, pay for and furnish to such State agency upon request the official transcript.

1:1-3.4 Exhibits

(a) The verbatim record of the proceedings shall include references to all exhibits and, as to each, the offering party, a brief description of the exhibit stated by the offering party or the judge, and the marking directed by the judge. The verbatim record shall also include a record of the exhibits retained by the judge at the end of the proceedings and of the disposition then made of the other exhibits.

(b) Parties should, whenever practicable, submit exhibits with a copy of each. Copies shall subsequently be conformed as to marking by the judge and shall be deposited in the clerk's file of the case. Original exhibits shall be retained in the judge's file until certified to the agency head pursuant to N.J.A.C. 1:1-16.3[(d)](e) or returned to the parties.

(c) The standard marking mode for exhibits shall be:

1. P = petitioner;
2. R = respondent;
3. A = agency;
4. J = joint;
5. C = judge;
6. Such other additional markings required for clarity as the judge may direct.

1:1-3.5 Sanctions: Failure to appear; failure to comply with orders or requirements of this chapter;

obstructing the orderly conduct of proceedings

(a) If, without just excuse or because of failure to give reasonable attention to the matter, no appearance is made by or on behalf of a party on the return of a motion, at a pre-hearing conference, at a settlement conference, or on the date of hearing, or an untimely application is made for an adjournment, a judge may order any one or more of the following:

1. The payment by the delinquent attorney or party of costs, in such amount as the judge shall fix, to the State of New Jersey or an aggrieved party;

2. The payment by the delinquent attorney or party of reasonable expenses, including attorney's fees to an aggrieved party;

3. The dismissal of the petition, any claim or motion, the filing of decision by default, or the granting of the motion; or

4. Such other action as the judge deems appropriate.

(b) For unreasonable failure to comply with any order of a judge or with any requirements of this chapter including but not limited to the rules requiring filing of proposed orders, affidavits, prehearing memoranda or briefs, the judge may:

1. Dismiss or grant the motion or application;

2. Suppress a defense or claim;

3. Exclude evidence;

4. Continue the proceeding and consider sanctions under subsection (a) of this section; or

5. Take other appropriate action.

(c) Any party who engages in behavior that obstructs the orderly conduct of proceedings, shall be served by the clerk with a motion for sanctions. This motion shall be argued orally before a judge other than the one presiding over the case in which the alleged obstructive behavior occurred. On the return date, if it is determined that obstructive behavior occurred, the judge shall decide whether the matter should be referred to:

1. The courts for enforcement;

2. The New Jersey Supreme Court for disciplinary action;

3. An appropriate Ethics Committee.

1:1-3.6 Reading initial papers and briefs in advance

In advance of any pre-hearing conference, settlement conference, hearing on a motion, evidentiary hearing, or other proceeding, the judge shall have read and be fully familiar with all initial papers, pleadings, motions, notices and briefs filed in the case.

1:1-3.7 Appearances and representation

(a) All attorneys, pro se parties, or others permitted by law, by governing Federal regulations, or by Rule 1:21 et seq. of the New Jersey Court Rules shall be permitted to appear in a contested case and shall be subject to this chapter.

(b) Any attorney or counselor from any other jurisdiction, of good-standing there, may, at the discretion of the judge, be admitted for the one occasion to participate in a proceeding in the same manner as an attorney of this State; provided, however, that all pleadings, briefs and other papers shall be signed by an attorney of record authorized to practice in this State who shall be held responsible for them and who shall be present at all times during the proceedings unless excused by the judge.

1:1-[3.3]3.8 Conduct of lawyers, judges and agency personnel

(a) Neither a judge nor an agency head in any contested case in the Executive Branch of State Government, except

as specifically authorized by law or this chapter, may initiate or consider[,] ex parte[,] any evidence or communications concerning a pending or impending proceeding. Where ex parte communications are unavoidable, the judge or agency head shall advise all parties of the communications as soon as possible thereafter.

(b) Unless otherwise provided in this chapter or clearly inapplicable in context, the rules and standards contained in the New Jersey Court Rules governing the conduct of lawyers, judges and court personnel shall govern the conduct of lawyers, judges and agency personnel appearing in or processing contested cases in the Executive Branch of State Government.

1:1-3.9 Judge's powers

A judge shall have full power, jurisdiction, and authority to call and examine witnesses and to issue all orders necessary for the proper and expeditious handling of contested cases assigned for disposition.

1:1-3.10 Interpreters; payment

Any party at his or her own cost may obtain an interpreter when needed to present evidence.

SUBCHAPTER 4. TIME: COMPUTATION AND ENLARGEMENT

1:1-4.1 Computation of time

In computing any period of time fixed by rule or judicial order, the day of the act or event from which the designated period begins to run is not to be included. The last day of the period so computed is to be included, unless it is a Saturday, Sunday or legal holiday, in which event the period runs until the end of the next day which is neither a Saturday, Sunday nor legal holiday. In computing a period of time of less than seven days, Saturday, Sunday and legal holidays shall be excluded.

1:1-4.2 Enlargement of time by order

A period of time fixed by rule or order for the doing of an act may be enlarged before or after its expiration by a judge's order for good cause shown.

SUBCHAPTER 5. FILING AND TRANSMISSION OF CONTESTED CASES IN THE OFFICE OF ADMINISTRATIVE LAW: FORMAT OF PAPERS

1:1-5.1 Determination of contest; filing; failure to join issue

(a) After an agency proceeding has been commenced and issue has been joined, the agency head shall forthwith determine whether the matter is contested. If, after issue has been joined, any party petitions the agency to decide whether the matter is contested, the agency shall make such a determination within 10 days from receipt of the petition.

(b) When the agency determines that the case is contested, it shall either file it forthwith with the Clerk of the Office of Administrative Law in the manner provided by N.J.A.C. 1:1-5.2 or retain it under the provisions of N.J.S.A. 52[42]:14F-8 or N.J.A.C. 1:1-5.4 and notify all parties of the decision to retain.

(c) Agencies may transmit contested cases to the Office of Administrative Law prior to issue being joined only with the consent of the Director of the Office of Administrative Law. In those cases, if a party unreasonably delays joining issue, the administrative law judge may enter summary decision against the delaying party either sua sponte or upon motion of the aggrieved party. This summary decision shall be treated as an initial decision under N.J.A.C. 1:1-16.3.

1:1-5.2 Transmission of contested cases to the Office of Administrative Law; service on parties; receipt by the Office of Administrative Law

(a) In every proceeding to be filed in the Office of Administrative Law, the agency shall affix to the initial papers a completed transmittal form, furnished by the Clerk of the Office of Administrative Law, containing the following information:

1. The name of the agency transmitting the case;
2. The name, address and telephone number of the agency's transmitting officer;
3. The name or title of the proceeding;
4. The agency docket or reference number;
5. A brief statement or description of the nature of the case;
6. A statement that the case is transmitted either before or after attempting administrative resolution;
7. An estimate of the total time required for the hearing;
8. Whether there are special legal requirements (State or Federal) mandating deviations from any Uniform Administrative Procedure Rule, such as the date for final decision;
9. Whether there are any special legal requirements or requests governing notice or the location of hearing;
10. Whether there are any special legal requirements or requests concerning stenographic recording of proceedings;
11. An estimate of the time needed by the agency and the parties to prepare for hearing;
12. Anticipated special features or requirements including the need for emergent [or interim] relief, the need for a pre-hearing conference, discovery needs, and motions;
13. The names and addresses of all parties and their attorneys to the fullest extent known, including the agency representative if the agency is a party.
14. The names of any other agencies claiming jurisdiction over either the entire or any portion of the factual dispute presented in the transmitted contested case.

(b) The completed transmittal form and all initial papers as defined in N.J.A.C. 1:1-5.3 shall be filed with the Office of Administrative Law.

(c) The clerk shall mark each transmitted contested case as having been received and filed; a docket number shall be assigned forthwith.

(d) The clerk shall notify the transmitting office and all parties of the case's filing date and the docket number assigned by the Office of Administrative Law.

1:1-5.3 Definition of initial papers

Initial papers include all documents similar to pleadings, notices and motions exchanged between the parties prior to transmission of the case to the Office of Administrative Law. They shall not include papers such as investigative reports and [other] evidentiary matters that have not been served upon the parties and that therefore [, review of which] would be improper for an impartial and independent trier of fact to review prior to hearing.

1:1-5.4 Administrative resolution: Office of Administrative Law participation: time limit

(a) After a [proceeding] contested case has been commenced in an agency, the agency shall make a prompt settlement attempt by applying administrative procedures including informal or summary proceedings, meetings, and conferences unless such attempts would be inappropriate or unproductive.

(b) In no event shall administrative resolution efforts continue beyond 30 days from the date the [proceeding]

contested case commenced and issue was joined in the agency, unless this time limit is extended by agreement of all the parties.

(c) After completing administrative resolution efforts in a contested case or after expiration of the time provided in subsection (b) of this section, whichever occurs first, the matter shall be filed forthwith with the clerk of the Office of Administrative Law.

(d) The agency head may request that the Director of the Office of Administrative Law assign a judge or other personnel to conduct or assist in any administrative resolution proceedings.

1:1-5.5 Format of papers; copies

(a) Every paper filed after the transmittal form and the initial papers shall contain:

1. The Office of Administrative Law docket number of the proceeding in the upper right hand portion;

2. The name, address and telephone number of the person who prepared the paper in the upper left hand portion; and

3. A caption setting forth the title of the proceeding and a brief designation describing the paper filed.

(b) All papers shall be on 8½" x 11" stock of customary weight and quality insofar as is practicable.

(c) All papers filed with the Office of Administrative Law shall be in duplicate.

(d) Unless otherwise required by this chapter, the requirements of R. 1:4-1 through R. 1:4-9 of the New Jersey Court Rules (Form and Execution of Papers) shall apply. Format rules may be relaxed as is reasonable and necessary for the benefit of parties appearing pro se or with non-lawyer representatives.

SUBCHAPTER 6. FIRST PLEADING

1:1-6.1 Form of first pleading; contents

(a) The first pleading in a contested case may be in the form of a petition, complaint, an order to show cause, a notice of action or proposed action, or in any other form permitted by the agency's rules and regulations. The first pleading shall be one of the initial papers provided in N.J.A.C. 1:1-5.3.

(b) The first pleading shall be addressed to a specific party or parties, shall satisfy the service requirements of N.J.A.C. 1:1-7.1, and shall contain:

1. A statement of the legal authority and jurisdiction under which the hearing or action to be taken is to be held;

2. A reference to the particular sections of the statutes and rules involved;

3. A short and plain statement of the matters of fact and law asserted; and

4. Any other information required by concepts of fairness and justice before a party can be bound.

1:1-6.2 First pleading requirement

Every contested case must have a paper that conforms with the first pleading requirements of N.J.A.C. 1:1-6.1, however, the paper need not have been the first document prepared or served in the case or the document that generates the proceedings.

1:1-6.3 Amendment of first pleading

The first pleading may be amended at any time, either before or after the presentation of proofs when, in the judge's discretion, an amendment neither imposes an unreasonable burden nor is precluded by statute or constitutional principle. A judge in granting first pleading amendments may permit a brief continuance to allow an opposing party additional preparation time.

SUBCHAPTER 7. SERVICE AND FILING OF PAPERS

1:1-7.1 Service; when required; manner; proof

(a) Service of the first pleading in a contested case shall be made in person; or by certified mail, return receipt requested; or by ordinary mail; or in any manner which is designed to provide actual notice to the party or parties to be substantially, specifically and directly affected thereby, and to any other person or persons provided in the rules and regulations of the agency.

(b) All subsequent papers filed shall be served in the manner provided by subsection (a) of this section upon all attorneys of record in a proceeding and upon all parties appearing pro se.

(c) Where necessary to prove service, proof may be made by an acknowledgement of service signed by the attorney or party, or by an affidavit of the person making service, or by a certificate of service appended to the paper to be filed and signed by the attorney for the party making service. Where appropriate, other competent proof that actual and timely notice existed of the contents of the paper may be considered as a substitute for service.

(d) Service by mail of any paper referred to in subsection (b) of this section, shall be complete upon mailing.

(e) The standards of personal service contained in R. 4:4-4 of the New Jersey Court Rules shall apply to contested cases when personal service is required and this section is inapplicable.

1:1-7.2 Filing; proof of publication and service; what constitutes filing

(a) All papers required to be served by N.J.A.C. 1:1-7.1 [(b)] shall be filed either before service or promptly thereafter unless otherwise provided by order. Whenever these rules or the applicable rules of any agency provide for publication, mailing or posting of public notices in contested cases, proofs thereof shall be filed within 20 days after the publication, mailing or posting.

(b) A paper shall be considered filed if the original or a clear copy is filed with the clerk or with the judge assigned to the case. Evidence of filing shall be a notation showing the date, time and place of filing. When a paper is filed with a judge, the notation shall also identify the judge; and such papers shall be forwarded to the clerk forthwith.

(c) Except for service by publication or as otherwise required in this chapter, proof of service shall not be necessary unless a question of notice arises.

(d) Subject to the requirements of N.J.A.C. 1:1-2.2, the clerk shall file all papers presented for filing, and may notify the person filing if such papers do not conform to this chapter.

SUBCHAPTER 8. SCHEDULING AND CONDUCT OF PROCEEDINGS GENERALLY; FIRST NOTICE OF HEARING OR PREHEARING CONFERENCE; SUBPOENAS

1:1-8.1 Scheduling of proceedings: clerk's function; judge's function

(a) When a contested case is filed, the clerk shall mark the papers accordingly and shall expeditiously determine whether the matter should be set down for a pre-hearing conference, an evidentiary hearing or another type of proceeding. The clerk may consult with a judge in making this determination. The case shall then be assigned to a judge who shall review the file and determine how the matter can best be conducted on the scheduled date or dates, communicating further with the parties if necessary. Except in cases of genuine, emergent need, the scheduled date or dates shall not be adjourned. If addi-

tional days are needed to conclude the proceeding, the judge shall establish an expedited schedule and peremptory dates.

(b) Applications for adjournments, whether consented to or not, shall be made to the clerk until such time as the parties shall have personally appeared before a judge. Thereafter, applications for adjournments shall be made to the judge.

1:1-8.2 Notice of proceeding; abandonment

(a) After filing, the clerk shall prepare a notice of hearing, pre-hearing conference, or other proceeding and shall serve the same in a manner authorized by N.J.A.C. 1:1-7.1(a) to all parties. The notice shall fairly apprise the parties of the date, time, place, and nature of the proceeding.

(b) All parties shall be afforded timely and adequate notice of any hearing or other proceeding, consistent with the requirements of statutes, regulations and due process of law. In emergent circumstances, where the public interest is endangered or the need is great, five days notice or a shorter period established by statute, order, or agreement of the parties shall be deemed to be timely and adequate.

(c) All parties shall receive subsequent notices of all proceedings in any contested case. Subsequent notices shall fairly apprise the parties of the date, time, place and nature of a proceeding and may be either written or effected by a statement made on the record.

(d) In all contested cases initiated by a person's request for a hearing, if neither the person requesting the hearing nor a representative appears at the time and place established for the hearing, a reasonable effort shall be made to determine whether the hearing request has been abandoned. Unless precluded by statute or regulation, the judge in the event of an abandonment shall prepare an order of dismissal explaining the failure to appear, which order shall be processed as an initial decision in the manner authorized by N.J.A.C. 1:1-16.3.

1:1-8.3 Subpoenas: service; motion to quash

(a) Subpoenas may be issued either by the clerk or any judge. A subpoena shall state the title of the case, the party who has requested the subpoena and shall command each person to whom it is directed to attend and give testimony at the time and place specified therein.

(a) A subpoena shall be served by the requesting party at a reasonable time in advance of hearing either in person or by certified mail return receipt requested.

(c) The judge on motion made promptly may quash or modify any subpoena for good cause shown.

1:1-8.4 Subpoenas for production of documentary evidence; motions to quash

A subpoena may require production of books, papers, documents or other objects designated therein, but a subpoena shall not be used as a discovery device in place of discovery procedures otherwise available under this chapter, nor as a means of avoiding discovery deadlines established by this chapter or by the judge in a particular case. The judge on motion made promptly may quash or modify the subpoena if compliance would be unreasonable or oppressive and may condition denial of the motion upon the advancement by the person in whose behalf the subpoena is issued of the reasonable cost of producing the objects subpoenaed. The judge may direct that the objects designated in the subpoena be produced before the judge at a time prior to the hearing or prior to the time when they are to be offered in evidence and may upon their production permit them or portions of them to be inspected by the parties and their attorneys.

1:1-8.5 Subpoena fees; forms; enforcement

(a) The fees for witnesses required to attend shall be at the same rates as are prescribed by law for attendance under subpoena in the Superior Court of the State and shall be paid by the requesting party.

(b) Subpoena forms shall be available free of charge at the Office of Administrative Law.

(c) Any subpoena may be enforced by an action in the Superior Court in aid of the jurisdiction of the Office of Administrative Law and the agency which generated the contested case.

(d) A party who refuses to obey a subpoena after having been ordered to do so by a judge may be subject to sanction under N.J.A.C. 1:1-3.5 or may suffer an inference that the documentary or physical evidence or testimony that the party fails to produce is unfavorable.

SUBCHAPTER 9. MOTIONS

1:1-9.1 When and how made; generally; interim relief

(a) An application for an order shall be by motion or, in special cases, by order to show cause. A motion other than one made by a party during a hearing, shall be in writing unless a judge permits it to be made orally. No technical forms of motion are required. A motion shall state the grounds upon which the motion is made and the relief or order sought.

(b) All motions shall be accompanied by a proposed form of order unless waived by the judge.

(c) All motions shall be filed with the clerk except motions made during a hearing, other motions permitted by a judge to be made orally, and emergency motions. If an extra copy of the motion and a self addressed stamped envelope, is provided, the clerk shall mark the copy filed and return it to the movant. Motions made during a hearing and other motions permitted by a judge to be made orally shall be subject to the verbatim record requirements of N.J.A.C. 1:1-3.3. Emergency motions made in writing may be filed with the clerk or with the judge assigned to the case. When a motion is filed with the clerk it shall be transmitted forthwith to the judge assigned to the case. When a motion is filed in a case which has not yet been assigned to a judge, the case shall be immediately assigned and the motion transmitted to the judge along with the case file.

(d) Motions filed in advance of a scheduled hearing date shall be scheduled for decisions before that hearing date unless otherwise directed by the judge.

(e) During the pendency of a contested case, interim relief, including temporary restraints and interlocutory injunctions, may be applied for by motion.

(f) A motion for substantially the same relief as that previously denied shall specifically identify the previous proceeding and its disposition.

1:1-9.2 Motions in writing; generally, no oral argument; time limits

(a) With the exception of motions made pursuant to N.J.A.C. 1:1-9.6(b) and (d), when a motion is in writing no action shall be taken thereon until at least 20 days have expired from the date of service upon the opposing party unless an expedited schedule is ordered for the purpose of complying with N.J.A.C. 1:1-9.1(d) or for other good cause shown.

(b) The moving papers shall establish a submission date at least 20 days from the date of service upon the opposing party, when the matter will be submitted to a judge for disposition. Proof of service shall be filed with the moving papers or promptly thereafter.

(c) The opposing parties shall file and serve responsive papers no later than 10 days after receiving the moving papers.

(d) The moving party may file and serve further papers responding to any matter raised by the opposing party and shall do so no later than five days after receiving the responsive papers.

(e) All motions in writing shall be submitted for disposition on the papers unless an oral argument is directed by the judge. When oral argument is directed by the judge, a motion shall be considered submitted for disposition at the close of argument.

(f) All motions shall be decided within ten days after they are submitted for disposition.

(g)[(f)] The time requirements of this rule may be modified in the discretion of the judge for good cause.

1:1-9.3 Procedure when oral argument is directed

(a) When oral argument is directed on a motion the clerk or the judge shall serve upon the parties a notice complying with the requirements of N.J.A.C. 1:1-8.2(c).

(b) The judge may hear the matter wholly or partly on oral testimony or on depositions, and may direct any affiant to submit to cross examination.

(c) Provided that all parties consent to the method and appropriate terms as shall be established by the judge, including provision for sound recording, the matter may be orally argued by conference telephone call.

1:1-9.4 Affidavits; briefs and supporting statements

(a) Motions and answering papers shall be accompanied by all necessary supporting affidavits and briefs or supporting statements. All motions and answering papers shall be supported by affidavits for facts relied upon which are not of record or which are not the subject of official notice. Such affidavits shall set forth only facts which are admissible in evidence under subchapter 15 of this chapter and to which the affiants are competent to testify. Properly verified copies of all papers or parts of papers referred to in such affidavits may be annexed thereto.

(b) In the discretion of the judge, a party or parties may be required to submit briefs or supporting statements pursuant to the schedule established in N.J.A.C. 1:1-9.2 or as ordered by the judge.

1:1-9.5 Disposition of motions; drafting the order

(a) When a motion has been made in writing, the judge shall render a decision on the motion by signing or modifying and signing the proposed order filed with the motion [and shall have the order served forthwith upon the parties.] or by instructing the prevailing party to prepare and submit an order in accordance with N.J.A.C. 1:1-9.5(b). When a motion has been made orally, the judge may render a decision either orally on the record or by a written order [served forthwith upon the parties].

(b) The prevailing party on oral motion shall draft an appropriate order, unless waived by the judge. This order shall be submitted to the judge on five days notice to all parties who may, within that time period, submit to the judge on notice to the parties alternative forms of order.

(c) The judge after signing any proposed order shall cause the order to be served forthwith upon the parties.

1:1-9.6 Motions for emergency relief

(a) Opposing parties shall be given ample opportunity in the circumstances to respond to a motion for emergency relief.

(b) A party may apply for emergency relief under circumstances which do not permit an opposing party to be fully heard. A grant of relief pursuant to such a motion shall be based upon:

1. A showing of specific facts by affidavit or oral testimony that the moving party has made an adequate, good faith effort to provide notice to the opposing party, or that

notice would defeat the purpose of the application for relief; and

2. A finding that immediate and irreparable harm will probably result before adequate notice can be given; and

3. A likelihood that the moving party will prevail when the motion is fully argued by all parties.

(c) Any relief granted pursuant to subsection (b) of this section shall be limited in scope and temporary for as brief a duration as is possible to allow the opposing party to be given notice and to be fully heard on the motion.

(d) When a contested case is the result of ex parte agency action, or when a judge has granted emergency relief pursuant to subsection (b) of this section, adversely affected parties shall have an opportunity to move before the judge for dissolution or modification of the ex parte action or grant of emergency relief on two days notice to the adverse party or parties.

1:1-9.7 [Interim or emergency o]Orders on motion; review by agency head; when permitted; when not permitted

(a) On any substantive issue decided by motion, an [interim or emergency] order that changes the status quo at the time of hearing before the Office of Administrative Law shall by its terms, not be effective for ten days from the entry of the order. On the day such an order is entered, the [clerk] judge shall forward a copy to the agency head who shall indicate in writing to the clerk, judge and all parties within the specified ten day period whether the order will be reviewed. If the order will be reviewed by the agency head, its effective date shall be stayed pending such review subject to the provisions of subsections (c) and (d) of this section. If the agency head elects to review the order it shall be effective on the eleventh day after its entry.

(b) On any substantive issue decided by motion, an [interim or emergency] order that preserves the status quo at the time of hearing before The Office of Administrative Law shall, by its terms, be effective immediately. On the day such an order is entered, the [clerk] judge shall forward a copy to all parties and the agency head who shall indicate in writing to the clerk, judge and all parties within ten days from the entry of the order whether the order will be reviewed. Within 10 days from the entry of the order and upon notice to all other parties, the judge and the clerk, any party may file a motion with the agency head seeking relief from the order unless such a motion is prohibited by the agency's rules or regulations.

(c) When an agency head indicates that an order decided by motion dealing with a substantive issue will be reviewed, the entire record in the case to the date of order, including [a] such written memorandum as may be deemed necessary by the judge setting forth the basis of the order[,] shall be certified to the agency head. Within thirty days after receiving the record and memorandum, the agency head shall affirm, reject or modify the judge's [interim or emergency] order. This time limit may be extended by the Director of the Office of Administrative Law and the agency head for good cause shown as defined in N.J.A.C. 1:1-16.6(b), (c), and (d).

(d) Review by the agency head of any [interim or emergency] order shall not cause a delay in scheduling hearing dates or result in a postponement of any scheduled hearing dates unless the judge assigned to the case determines that a postponement is necessary because of special requirements of the case, possible prejudice, or for other good cause.

(e) An agency head may not review any administrative law judge's order dealing primarily with procedural matters, appeals therefrom being governed by the provisions of New Jersey Court Rule 2:4-1(b) and (c).

SUBCHAPTER 10. PRE-HEARING PROCEDURES AND CONFERENCES

1:1-10.1 Pre-hearing procedures and conferences

(a) In appropriate cases, the clerk shall advise the parties or their attorneys that a pre-hearing conference will cover those matters listed in subsection (c) of this section. In advance of the conference, upon no less than three days notice, the parties may be advised by the judge that other special matters will be discussed at the pre-hearing conference.

(b) In the judge's discretion in an appropriate case, and upon no less than 10 days' notice, the parties may be required to file with the judge and serve upon all other parties no later than three days before the scheduled pre-hearing conference, pre-hearing memoranda stating their respective positions on any or all of the matters specified in subsection (c) of this section or on other special matters specifically designated.

(c) Within 10 days after the conclusion of the pre-hearing conference, the judge shall enter a written order in the following sequence and with corresponding numbers, concisely setting out the matters determined at the conference.

1. The nature of the proceeding and the issues to be resolved including special evidence problems;

2. The parties and their status, e.g., petitioner, respondent, intervenor, etc.;

3. Any special legal requirements as to notice of hearing;

4. The schedule of hearing dates and the time and place of hearing;

5. Stipulations as to facts and issues;

6. Any partial settlement agreements and their terms and conditions;

7. Special provisions for discovery;

8. Order of proofs and witnesses;

9. A list of exhibits marked for identification;

10. A list of exhibits marked in evidence by consent;

11. Any limitation on the number of expert witnesses;

12. Any [M]otions contemplated, pending and granted;

[13. Requests for emergency or interim relief;]

[14.]13. Any direction with respect to the filing of briefs;

[15.]14. Any statutory requirements mandating the date of agency head decision;

[16.]15. Other special matters determined at the conference;

[17.]16. In the event that a particular member or associate of a firm is to try a case, or if outside trial counsel is to try the case, the name must be specifically set forth. No change in such designated trial counsel shall be made without leave of the judge if such change will interfere with the date for hearing. If the name of trial counsel is not specifically set forth, the judge and opposing parties shall have the right to expect any partner or associate to proceed with the trial on the day of hearing.

(d) The parties shall be deemed to have consented to any of the terms or procedures established in the order if they do not file and serve objection to the form of the order within five days after receiving it.

SUBCHAPTER 11. DISCOVERY

1:1-11.1 Policy considerations governing discovery

(a) Discovery methods are means designed to assist parties in preparing to meet their responsibilities and protect their rights during hearings without unduly delaying, burdening or complicating the hearings process and with due regard to the rights and responsibilities of other parties and persons affected. Accordingly, parties are obliged

to exhaust all less formal opportunities to obtain discoverable material before utilizing this subchapter.

(b) Public documents accessible under legislative authorization shall not be discoverable under this subchapter, except for good cause shown. A party need only exhaust administrative remedies to obtain public documents before seeking discovery under this subchapter for good cause.

(c) Discovery shall generally not be available against a State agency that is [not] neither a party to the proceeding[, i.e., not] nor asserting a position in respect of the outcome but is [rather] solely providing the forum for the dispute's resolution.

(d) It is not ground for denial of a request for discovery that the information to be produced may be inadmissible in evidence at the hearing if the information sought appears reasonably calculated to lead to the discovery of admissible evidence.

(e) When discovery by notice is permitted, the notice seeking discovery need not be filed with the clerk, but shall be served upon all parties.

1:1-11.2 Methods available on notice; relief from discovery; enforcement of discovery notices; privilege

(a) Subject to the limitations of N.J.A.C. 1:1-11.1(a), (b) and (c), any party in a contested case by notice may obtain discovery by one or more of the following methods:

1. Written interrogatories;

2. Production of documents or things;

3. Permission to enter upon land or other property for inspection and other purposes;

4. Physical and mental examinations; and

5. Requests for admissions.

(b) Any party or person affected by a notice for discovery pursuant to N.J.A.C. 1:1-11.2(a) may apply on motion for relief from such request, or for an order enforcing such request. In considering a discovery motion the judge shall weigh the specific need for the information; its relevance and materiality; the extent to which the information is within the control of the party; undue hardship; and matters of expense, privilege and oppressiveness.

(c) All discovery motions under this section when decided by an administrative law judge on a basis other than privilege are procedural and therefore not subject to review by an agency head.

(d) All discovery motions involving questions of privilege are substantive and shall be treated as required by N.J.A.C. 1:1-9.5 and 9.7(a) and (b).

1:1-11.3 Depositions limited; time limits; generally no agency review

(a) Depositions upon oral examination or written questions are available only on motion for good cause shown served upon all parties in the manner prescribed by N.J.A.C. 1:1-7.1(a). In deciding any such motion, the judge shall consider the policy governing discovery (N.J.A.C. 1:1-11.1) and shall weigh the specific need for the deposition; the extent to which the information sought cannot be obtained in other ways; the requested location and time for the deposition; undue hardship; and matters of expense, privilege or oppressiveness.

(b) An order granting depositions shall specify a reasonable time period during which the deposition shall be concluded.

[[b]](c) Any deposition motion when decided by an administrative law judge is procedural and therefore not subject to review by an agency head[.] unless decided on a basis of privilege.

1:1-11.4 Costs of discovery

(a) The proponent of any notice or motion for discovery shall pay for all reasonable expenses and costs caused by the discovery request.

(b) A party taking a deposition shall pay for the proceeding and shall at his or her expense promptly furnish a copy of the transcript to the witnesses deposed, if an adverse party, and if not, to any adverse party. The copy so furnished shall be made available to all other parties for their inspection and copying.

(c) Where a proponent of any notice or motion for discovery or a party taking a deposition is a State Agency authorized by law to represent the public interest in a contested case, and the party or person from whom such discovery or deposition is sought is entitled by law to recover in connection with such contested case the costs thereof from others, such State Agency shall not be required to pay the cost of such discovery or deposition.

1:1-11.5 Time for discovery

(a) The parties may commence at any time to exchange voluntarily, to seek discovery through legislation that provides access to public documents or to exhaust other less formal means of obtaining discoverable material.

(b) Subject to subsection (d) of this section, parties seeking discovery in a contested case shall serve all motions for depositions and notices for discovery not later than 15 days after receiving notification of the contested case's filing. Discovery motions shall comply with the time limits specified in N.J.A.C. 1:1-9.2. Within 30 days of receipt of any notice for discovery, the receiving party shall either move for relief from such notice or shall provide the requested information, access or material.

[(b) T] (c) Subject to subsection (d) of this section the parties must complete all discovery no later than ten days before the first date of hearing established by the clerk or a judge pursuant to N.J.A.C. 1:1-8.1 or 8.2.

[(c)] (d) In the judge's discretion, upon the motion of any party, for good cause, the time for discovery may be shortened or enlarged, and hearing dates adjusted accordingly. Discovery may be permitted during the pendency of a hearing if, in the discretion of the judge, such a method would aid and expedite the hearing process.

1:1-11.6 Sanctions for discovery abuses

(a) If a motion compelling discovery is granted and the circumstances warrant sanctions, the judge shall, after providing an opportunity to be heard, consider sanctions under N.J.A.C. 1:1-3.5 against the person whose conduct necessitated the motion.

1. If the motion is denied and circumstances warrant sanctions, the judge shall, after providing an opportunity to be heard, consider sanctions under N.J.A.C. 1:1-3.5 against the movant.

2. If the motion is granted in part and denied in part the judge may apportion sanctions as the circumstances may warrant.

(b) Refusal, without just cause, to obey an order compelling discovery shall be considered obstructive behavior under N.J.A.C. 1:1-3.5(c).

1:1-11.7 Other standards governing discovery

Unless in conflict with this subchapter and subject to the discretion of the judge, the standards governing discovery and motions pertaining thereto shall be those embodied in R. 4:10 through R. 4:19, R. 4:22 and R. 4:23 of the New Jersey Court Rules.

SUBCHAPTER 12. INTERVENTION AND PARTICIPATION

1:1-12.1 Who may apply to intervene; status of intervenor

(a) Any person or entity not initially a party, who has a statutory right to intervene or who will be substantially, specifically and directly affected by the outcome of a contested case, may on motion, seek leave to intervene.

(b) Persons or entities permitted to intervene shall have all the rights and obligations of a party to the proceeding.

1:1-12.2 Time of motion

(a) A motion for leave to intervene may be filed at any time after a contested case is initiated.

(b) If made before a contested case has been filed with the Office of Administrative Law, a motion for leave to intervene shall be filed with the head of the agency having jurisdiction over the case. The agency head may rule upon the motion to intervene or may reserve decision for action by a judge after the case has been filed with the Office of Administrative Law.

(c) If made after a contested case has been filed with the Office of Administrative Law, a motion for leave to intervene shall be filed with the Clerk of the Office of Administrative Law.

1:1-12.3 Standards for intervention

(a) In ruling upon a motion to intervene, the judge shall take into consideration the nature and extent of the movant's interest in the outcome of the contested case, whether or not the movant's interest is sufficiently different from that of any party so as to add measurably and constructively to the scope of the contested case, the prospect of confusion or undue delay arising from the movant's inclusion, and other appropriate matters.

(b) Notwithstanding N.J.A.C. 1:1-12.3(a) persons statutorily permitted to intervene shall be granted intervention.

1:1-12.4 [No] Agency review[; status of intervenor]

(a) Intervention motions [decided] granted by an administrative law judge are procedural and therefore not subject to review by an agency head.

(b) [Persons or entities permitted to intervene shall have all the rights and obligations of a party to the proceeding.] Intervention motions denied by an administrative law judge shall be reviewable by an agency head pursuant to N.J.A.C. 1:1-9.5 and 9.7(b).

1:1-12.5 Alternative treatment of motions to intervene

Every motion for leave to intervene shall be treated, in the alternative, as a motion for permission to participate.

1:1-12.6 Participation; standards for participation; no agency review

(a) Any person or entity with a significant interest in the outcome of a contested case may move for permission to participate.

(b) A motion to participate may be made at such time and in such manner as is appropriate for a motion for leave to intervene pursuant to N.J.A.C. 1:1-12.2. In deciding whether to permit participation, the judge shall consider whether the participant's interest is likely to add constructively to the case without causing undue delay or confusion.

(c) The judge shall determine the nature and extent of participation in the individual case. Participation shall be limited to:

1. The right to argue orally; or
2. The right to file a statement or brief; or

3. Both of the foregoing.

(d) Participation motions decided by an administrative law judge are procedural and therefore not subject to review by an agency head.

SUBCHAPTER 13. SUMMARY DECISION

1:1-13.1 Time of motion

At any time after a case is determined to be contested, a party may move for summary decision upon all or any of the substantive issues therein.

1:1-13.2 Motion and proceedings thereon; reviewable by agency

(a) The motion for summary decision shall be served with briefs and with or without supporting affidavits. The decision sought shall be rendered if the papers and discovery which have been filed, together with the affidavits, if any, show that there is no genuine issue as to any material fact challenged and that the moving party is entitled to prevail as a matter of law. The judge shall find the facts and state the conclusions in accordance with N.J.A.C. 1:1-16.3. A summary decision may be rendered on any substantive issue in the contested case although there is a genuine factual dispute as to other issues.

(b) Any summary decision on a substantive issue rendered by an administrative law judge, [whether or not] if fully dispositive of the case [all issues] shall be treated as an initial decision under N.J.A.C. 1:1-16.3. **Partial summary decisions and [D]enials of motions for summary decision shall be treated as required by N.J.A.C. 1:1-9.5 and N.J.A.C. 1:1-9.7(b).**

(c) When an agency retains a case pursuant to N.J.S.A. 52:14F-8, summary decision motions may be submitted directly to the agency head.

1:1-13.3 Contested case not fully adjudicated on motion

(a) If on motion under this section, a decision is not rendered upon all the substantive issues in the contested case and a hearing is necessary, the judge at the time of ruling on the motion, by examining the papers on file in the case as well as the motion papers, and by interrogating counsel, if necessary, shall, if practicable, ascertain what material facts exist without substantial controversy and shall thereupon enter an order specifying those facts and directing such further proceedings in the contested case as are appropriate. At the hearing in the contested case, the facts so specified shall be deemed established.

(b) Review by the agency head of any partial summary decision shall not cause delay in scheduling hearing dates or result in a postponement of any scheduled hearing dates unless the judge assigned to the case orders that a postponement is necessary because of special requirements, possible prejudice, unproductive effort or other good cause.

1:1-13.4 Opposing affidavits

(a) When a motion for summary decision is made and supported as provided by N.J.A.C. 1:1-13.2, an adverse party in order to prevail must set forth specific facts showing that there is a genuine issue which can only be determined in an evidentiary proceeding. If the adverse party does not so respond, a summary decision, if appropriate, shall be entered. If it appears from the affidavits that a party is then unable to establish the existence of a genuine issue of material fact, the judge may deny the motion, may order a continuance to permit additional affidavits or discovery to be obtained, or may enter such other order as may be appropriate.

(b) If the adverse party submitting an affidavit pursuant to this rule is proceeding in bad faith or solely for the purpose of delay, the judge shall consider sanctions as permitted in N.J.A.C. 1:1-3.5.

SUBCHAPTER 14. CONSOLIDATION OF TWO OR MORE CONTESTED CASES; MULTIPLE AGENCY JURISDICTION CLAIMS; DETERMINATIONS OF PREDOMINANT INTEREST

1:1-14.1. Motion to consolidate

(a) At any time after a contested case has been filed with the Office of Administrative Law, an agency head, any party or the judge may move to consolidate other contested cases involving common questions of fact or law between identical parties or between any party to the contested case and a state agency.

(b) This section shall apply to contested cases:

1. Already filed with the Office of Administrative Law;
2. Commenced in an agency but not yet filed with the Office of Administrative Law; and
3. Commenced in an agency and not required to be filed with the Office of Administrative Law under N.J.S.A. 52:14F-8.

1:1-14.2 Form of motion; submission date; who may appear

(a) A motion to consolidate shall require the parties and the non-party agency or agencies to show [cause] why the matters should not be consolidated. The provisions of N.J.A.C. 1:1-9.1—9.6[,] shall govern such motions.

(b) If oral argument is scheduled, all parties and non-party agencies may appear or be represented on the return date of the motion to consolidate and shall be given a full opportunity to be heard.

1:1-14.3 Standards for consolidation; order to consolidate as procedural

(a) In ruling upon a motion to consolidate, the judge shall consider:

1. The identity of parties in each of the matters;
2. The nature of all the questions of fact and law respectively involved;
3. To the extent that common questions of fact or law are involved, the saving in time, expense, duplication and inconsistency which will be realized from hearing the matters together and whether such issues can be thoroughly, competently, and fully tried and adjudicated together with and as a constituent part of all other issues in the two cases;
4. To the extent that dissimilar questions of fact or law are present, the danger of confusion, delay or undue prejudice to any party;
5. The advisability generally of disposing of all aspects of the controversy in a single proceeding; and
6. Other appropriate matters.

(b) The grant or denial of consolidation by an administrative law judge is procedural and shall not be subject to review by the agency head.

1:1-14.4 Multiple agency jurisdiction claims; determinations of predominant interest [Determining the predominant agency; a substantive order]

(a) When a [decision] motion to consolidate [is rendered, the administrative law judge shall also determine by separate order which issue or issues are common before the two or more agencies, whether one of the agencies has a predominant interest and therefore should render the final decision, or whether each agency may render its separate final decision. To determine] **pertains to contested cases filed with two or more State agencies which are asserting jurisdiction, the judge shall determine which agency, if any has the predominant interest in the conduct and outcome of the matter. In determining this question, the following factors shall be weighed:**

1. Whether the common issue before the two agencies is, for either agency, the sole, major or dominant issue in dispute and whether its determination would either serve to moot the remaining questions or to affect substantially their resolution;

2. Whether the allegations involve issues and interests which extend beyond the immediate parties and are of particular concern to one or the other agency;

3. Whether the claims, if ultimately vindicated, would require specialized or particularized remedial relief available in one agency but not the other;

4. Whether the common issue is clearly severable from the balance of the controversy and thus will permit non-duplicate factual and legal determinations by each agency.

1:1-14.5 Disposition of predominant interest orders as substantive rulings

[(b)] (a) A predominant interest decision by an administrative law judge under N.J.A.C. 1:1-14.4(a) shall be forwarded to each concerned agency and shall be considered a substantive order subject to the provisions of N.J.A.C. 1:1-9.7(a), (c) and (d).

(b) When a predominant interest decision is made which concerns matters not theretofore transmitted to the Office of Administrative Law pursuant to N.J.A.C. 1:1-5.2, the decision shall be filed with the clerk and the Director of the Office of Administrative Law shall advise the agency or agencies involved of their obligations under N.J.S.A. 52:14B-1 et seq. and N.J.S.A. 52:14F-1 et seq.

(c) When an agency exempt under N.J.S.A. 52:14F-8 is determined to have a predominant interest in a contested case, the exempt agency shall decide whether to have the matter heard by an administrative law judge or by its own personnel.

1:1-14[5]6. Disposition of consolidation orders

(a) After an order of consolidation is entered, the order shall be filed with the clerk, and the Director of the Office of Administrative Law shall assign a judge to preside over the consolidated contested cases.

(b) When an order of consolidation is entered which concerns matters not theretofore transmitted to the Office of Administrative Law pursuant to N.J.A.C. 1:1-5.2, the order shall be filed with the clerk and the Director of the Office of Administrative Law shall advise the agency or agencies involved of their obligations under N.J.S.A. 52:14B-1 et seq., and N.J.S.A. 52:14F-1[,] et seq.

1:1-14.[6]7 Conduct of consolidated cases; judge's responsibility

(a) Subject to [subsection (b)] N.J.A.C. 1:1-14.8, [of this section,] the judge in a consolidated case shall consider all the issues and arguments in the case and shall render a single initial decision, in the form prescribed by N.J.A.C. 1:1-16.3, disposing of all the issues in controversy and, where two or more agencies are involved, specifying the issues of concern to each agency involved. The initial decision shall thereafter be filed with the heads of all concerned agencies and served upon the parties as prescribed in N.J.A.C. 1:1-16.3. Each agency head shall then discharge the responsibilities established in N.J.S.A. 52:14B-10 in respect of that agency's subject matter jurisdiction.

[(b)] If one agency has been determined to have a predominant interest, the initial decision shall specify the issues subject to the predominant interest and the agency having the authority to issue a final decision on those issues.]

[(c)] (b) In [all] each consolidated case[s], the [administrative law] judge should make a special effort to [shall clearly] delineate the administrative law principles

upon which all legal conclusions are based and, wherever possible, should seek to harmonize conflicting theories.

1:1-14.8 Conduct of case involving a predominant interest; judge's responsibility

(a) If one agency has been determined to have a predominant interest in the conduct or outcome of a matter, that agency shall render the final decision on all issues within the scope of its predominant interest. The initial decision shall specify the issues relating to the predominant interest and shall clearly identify the agency having the authority to issue a final decision on those issues.

(b) In the event a determination of predominant interest is likely to result in a matter being heard in two or more separate proceedings, the judge shall also develop modes of proceeding and an order of presentation which would result in a full and fair trial and adjudication avoiding, to the greatest extent possible, fragmented and repetitive actions.

SUBCHAPTER 15. EVIDENCE

1:1-15.1 Definitions

The following words and terms, when used in this subchapter, shall have the following meanings unless the context clearly indicates otherwise.

"Burden of proof" means the obligation of a party to prove a fact either by a preponderance of the evidence or by clear and convincing evidence, as the case may be. Burden of proof is synonymous with burden of persuasion.

"Burden of producing evidence" means the obligation of a party to introduce evidence when necessary to avoid the risk of a contrary decision or peremptory finding on a material issue of fact.

"Conduct" includes all active and passive behavior, both verbal and non-verbal.

"Evidence" is the means from which inferences may be drawn as a basis of proof in the conduct of contested cases, and includes testimony in the form of opinion and hearsay.

"Finding of fact" means the determination from proof or official notice of the existence of a fact.

"The hearing" unless some other is indicated by the context of the rule where the term is used, means the evidentiary proceeding at which the question under a rule is raised, and not some earlier or later proceeding.

"Proof" is all of the evidence before the judge relevant to a fact in issue which tends to prove the existence or non-existence of such fact.

"Perceive" means acquire knowledge through one's own senses.

"Relevant evidence" means evidence having any tendency in reason to prove any material fact.

"Verbal" includes both oral and written words.

"Material fact" means a fact legally consequential to a determination of an issue in the case.

1:1-15.2 General rules

(a) Parties in contested cases shall not be bound by statutory or common law rules of evidence or any formally adopted in the Rules of Court except as specifically provided in these rules. All relevant evidence is admissible except as otherwise provided herein. A judge may, in his or her discretion, exclude any evidence if its probative value is substantially outweighed by the risk that its admission will either:

1. Necessitate undue consumption of time; or

2. Create substantial danger of undue prejudice or confusion.

(b) Any party in a contested case may present his case or defense by oral and documentary evidence, submit rebuttal evidence and conduct such cross-examination as

may be required, in the discretion of the judge, for a full and true disclosure of the facts.

(c) If the judge finds at the hearing that there is no bona fide dispute between the parties as to a material fact, and that fact has not been stipulated, such fact may be proved by any relevant evidence, and exclusionary rules shall not apply, except for N.J.A.C. 1:1-15.2(a) or a valid claim of privilege.

(d) These rules shall be applied to promote fundamental principles of fairness and justice and to aid in the ascertainment of truth.

(e) Except as otherwise provided [in] by this subchapter, [or] by law[:] or by administrative rule establishing a privilege:

1. Every person is qualified to be a witness; and
2. No person has a privilege to refuse to be a witness; and

3. No person is disqualified to testify to any matter; and

4. No person has a privilege to refuse to disclose any matter or to produce any object or writing; and

5. No person has a privilege that another shall not be a witness or shall not disclose any matter or shall not produce any object or writing.

(f) Only evidence under oath or affirmation or evidence subject to official notice (see N.J.A.C. 1:1-15.3) shall be admitted or considered by a judge.

(g) When the qualification of a person to be a witness, or the admissibility of evidence, or the existence of a privilege is stated in these rules to be subject to a condition, and the fulfillment of the condition is in issue, the judge shall hold a preliminary inquiry to determine the issue. The judge shall indicate to the parties which one has the burden of producing evidence and the burden of proof on such issue as implied by the rule under which the question arises. No evidence may be excluded in determining such issue [as implied by the rule under which the question arises. No evidence may be excluded in determining such issue] except pursuant to the judge's discretion under N.J.A.C. 1:1-15.2(a) or a valid claim of privilege. This provision shall not be construed to restrict or limit the right of a party to introduce evidence subsequently which is relevant to weight or credibility.

(h) The judge presiding at the hearing in a contested case may not testify as a witness.

(i) All rulings on the admissibility of evidence are procedural and therefore not reviewable by an agency head, except rulings based on privilege.

1:1-15.3 Official notice

(a) Notice may be taken of judicially noticeable facts as provided in the following New Jersey Rules of Evidence: Rule 9 (Facts and Law Which Must or May be Judicially Noticed); Rule 10 (Determination as to Propriety of Judicial Notice and Tenor of Matter Noticed); Rule 11(b) and (c) (Recording and Indicating Source of Matter Judicially Noticed) and Rule 12(1) and (3) (Judicial Notice in Proceedings Subsequent to Trial).

(b) Notice may be taken of generally recognized technical or scientific facts within the specialized knowledge of the agency or the judge. Parties shall be notified either before or during the hearing, or by reference in preliminary reports or otherwise, of the material noticed, including any staff memoranda or data, and they shall be afforded an opportunity to contest the material so noticed. The experience, technical competence, and specialized knowledge of the agency or the judge may be utilized in the evaluation of the evidence, provided this is disclosed of record.

1:1-15.4 Presumptions

(a) A presumption is a rebuttable assumption of fact resulting from a rule of law which requires such fact to be assumed from another fact or group of facts found or otherwise established in the contested case.

(b) No evidence offered to rebut a presumption may be excluded except pursuant to the judge's discretion under N.J.A.C. 1:1-15.2(a) or a valid claim of privilege.

1:1-15.5 Witnesses

(a) A person is disqualified to be a witness if the judge finds the proposed witness is incapable of expression concerning the matter so as to be understood by the judge directly or through interpretation by one who can understand the witness, or the proposed witness is manifestly incapable of understanding the duty of a witness to tell the truth. An interpreter is subject to all the provisions of these rules relating to witnesses.

(b) A witness before testifying shall be required to take an oath or make an affirmation or declaration to tell the truth under the penalty provided by law. No witness may be barred from testifying because of religion or lack of it.

(c) As a prerequisite for the testimony of a witness there must be evidence that the witness has personal knowledge of the matter, or experience, training or education, if such be required. Such evidence may be provided by the testimony of the witness. The judge may exclude the testimony of a witness that he or she perceived a matter if the judge finds no reasonable basis for believing that the witness did perceive the matter. In exceptional circumstances the judge may receive the testimony of the witness conditionally, subject to the evidence of knowledge, experience, training or education being later supplied in the course of the proceedings.

1:1-15.6 Privileges

The rules of privilege recognized by law or contained in the following New Jersey Rules of Evidence shall apply in contested cases to the extent permitted by the context and similarity of circumstances: Rule 23 (Privilege of Accused); Rule 24 (Definition of Incrimination); Rule 25 (Self-incrimination); Rule 26 (Lawyer-Client Privilege); Rule 26A-1 (Psychologist's Privilege); Rule 26A-2 (Patient and Physician Privilege); Rule 26A-3 (Information and Data of Utilization Review Committees of Hospitals and Extended Care Facilities); Rule 27 (Newspaperman's Privilege); Rule 28 (Marital Privilege-Confidential Communications); Rule 29 (Priest-Penitent Privilege); Rule 30 (Religious Belief); Rule 31 (Political Vote); Rule 32 (Trade Secret); Rule 34 (Official Information); Rule 36 (Identity of Informer); Rule 37 (Waiver of Privilege by Contract or Previous Disclosure; Limitations); Rule 38 (Admissibility of Disclosure Wrongfully Compelled); Rule 39 (Reference to Exercise of Privilege); and Rule 40 (Effect of Error in Overruling Claim of Privilege).

1:1-15.7 Expert and other opinion testimony

(a) If a witness is not testifying as an expert, testimony of that witness in the form of opinions or inferences is limited to such opinions or inferences as the judge finds:

1. May be rationally based on the perception of the witness; and

2. Are helpful to a clear understanding of the witness' testimony or to the fact in issue.

(b) If a witness is testifying as an expert, testimony of that witness in the form of opinions or inferences is limited to such opinions or inferences as the judge finds are:

1. Based primarily on facts, data or other expert opinion established by evidence in the contested case; and

2. Within the scope of the special knowledge, skill, experience or training possessed by the witness.

(c) Testimony in the form of opinions or inferences which is otherwise admissible is not objectionable because it embraces the ultimate issue or issues to be decided by the judge.

(d) A witness may be required, before testifying in terms of opinion or inference, to be first examined concerning the data upon which the opinion or inference is based.

(e) Questions calling for the opinion of an expert witness need not be hypothetical in form unless, in the discretion of the judge, such form is required.

1:1-15.8 Hearsay evidence; residuum rule

(a) Subject to the judge's discretion to exclude evidence under N.J.A.C. 1:1-15.2(a) or a valid claim of privilege, hearsay evidence shall be admissible in the trial of contested cases. Hearsay evidence which is admitted shall be accorded whatever weight the judge deems appropriate taking into account the nature, character and scope of the evidence, the circumstances of its creation and production, and, generally, its reliability.

(b) Notwithstanding the admissibility of hearsay evidence, some legally competent evidence must exist to support each ultimate finding of fact to an extent sufficient to provide assurances of reliability and to avoid the fact or appearance of arbitrariness.

1:1-15.9 Authentication and content of writings

The following New Jersey Rules of Evidence shall apply to the trial of contested cases, within the discretion of the judge, to the extent necessary to assure the authenticity and reliability of writings: Rule 67 (Authentication Required); Rule 68 (Authentication of Copies of Records); Rule 69 (Certificate of Lack of Record); Rule 70 (Original Writings as the Best Evidence); and Rule 71 (Proof of Attested Writings).

SUBCHAPTER 16. CONCLUSIONS OF HEARING: PROPOSED FINDINGS; CONCLUSIONS AND ORDER; INITIAL DECISION; EXCEPTIONS; FINAL DECISION

1:1-16.1 Conclusion of hearing

A hearing shall be deemed concluded when a consent order or withdrawal is filed or, when a judge declares it, on the verbatim record, to have been concluded; or if a schedule has been established for the subsequent filing of briefs, statements, proposed findings of fact, conclusions of law, forms of order or other disposition, or other supplemental material, when the time established for the filing of such items has expired or when the last such item has been received by the judge, whichever is earlier. **In all hearings concluded other than by consent order, withdrawal or declaration on the verbatim record, the judge shall notify all parties in writing of the date that the hearing is concluded.**

1:1-16.2 Proposed findings; briefs, conclusions and order

(a) A judge may establish a schedule for the filing of briefs, proposed findings of fact, conclusions of law, forms of order or other disposition after evidentiary proceedings have concluded or at such earlier time as the judge may for good cause order.

(b) All proposed findings of fact, conclusions of law, forms of order or other disposition shall:

1. Be accompanied by a supporting statement or [belief] brief;
2. Be in writing and served upon all other parties; and
3. Contain adequate references, in the circumstances, to the record and to authorities relied on.

(c) In establishing a schedule, the judge shall be mindful of the need for reasonable expedition and shall **except for good cause shown** require the parties to conform to a schedule that may not exceed 30 days after testimony or oral argument has ended.

1:1-16.3 Initial decision

(a) As soon as is practicable after the hearing is concluded, but in no event later than 45 days thereafter, the judge shall issue and the clerk shall file with the agency head and immediately serve upon the parties an initial decision based exclusively on:

1. The competent evidence and arguments presented during the course of the hearing and made a part of the record;

2. Stipulations of fact; and

3. Matters officially noticed.

(b) The initial decision shall be final in form and fully dispositive of all issues in the case.

(c) The initial decision shall contain:

1. An appropriate caption;

2. The appearances of the parties;

3. A short statement of the nature of the proceedings;

4. Complete references to the specific statutes or regulations at issue;

5. A list of exhibits admitted in evidence which may be part of the initial decision or attached as an appendix.

6. An analysis of the facts adduced at the hearing in relation to the applicable law and covering all issues of fact and law raised in the proceedings;

7. Specific findings of contested fact which shall be designated as such and which shall not be set forth in statutory or conclusionary language;

8. Specific conclusions of law based upon the findings of fact and applicable constitutional principles, statutes, and rules or regulations;

9. An appropriate order or other disposition of the entire contested case based upon the findings and conclusions;

10. A statement that the initial decision [and the record] in the proceedings is forwarded to the agency head for consideration;

11. The following statement: "This recommended decision may be affirmed, modified or rejected by (the head of the agency), who by law is empowered to make a final decision in this matter. However, if (the head of the agency) does not so act in forty-five (45) days and unless such time limit is otherwise extended, this recommended decision shall become a final decision in accordance with N.J.S.A. 52:14B-10."

(d) [(c)] No substantive finding of fact or conclusion of law, nor any concluding order or other disposition shall be binding upon the agency head, but rather all shall be considered recommendatory in nature unless otherwise provided by statute, these rules, or agreement between the agency head and the Director of the Office of Administrative Law.

(e) [(d)] Within 10 days after the initial decision is filed with the agency head, the clerk shall certify the entire record with original exhibits to the agency head and shall serve upon the parties an inventory describing the items certified in the record.

1:1-16.4 Exceptions; replies; no motions to reconsider; motions to reopen

(a) Within 10 days from the receipt of the judge's initial decision, any party may file exceptions thereto in writing with the agency head and with the clerk [of the Office of Administrative Law], serving a copy thereof on all other parties.

(b) The exceptions shall specify the particular portions of the initial decision to which exception is taken; shall designate the portions of the record relied upon in support of such exceptions; and shall set out specific findings of facts, conclusions of law or dispositions proposed in lieu of those reached by the judge or in addition thereto. Exceptions to conclusions of law shall be specific, shall briefly cite the statutory provisions or principal authorities relied upon, shall set forth conclusions suggested in lieu thereof, and shall include any proposed additional conclusions. Exceptions to the judge's order or other disposition shall set forth a form of order suggested in lieu thereof. Supporting reasons for exceptions shall be submitted in the same document or in an accompanying brief. Where briefs or statements have been filed at any time during the hearings, the written exceptions may incorporate by reference relevant portions of such papers.

(c) Within 5 days from receipt of exceptions, any party may file a reply with the agency head and with the clerk [of the Office of Administrative Law], serving a copy thereof on all other parties. Such replies may include cross exceptions or submissions in support of the initial decision.

(d) Motions to reconsider an initial decision are not permitted.

(e) Motions to reopen a hearing after an initial decision has been filed, must be addressed to the agency head.

1:1-16.5 Final decision

(a) Within 45 days after the receipt of the initial decision, the agency head may enter an order or a final decision accepting, rejecting or modifying the initial decision. Such an order or final decision shall be served upon the parties and the clerk forthwith.

(b) An order or final decision rejecting or modifying the findings of fact in the initial decision shall be based upon substantial evidence in the record and matters officially noticed pursuant to N.J.A.C. 1:1-15.3. Any order or final decision rejecting or modifying the initial decision shall specify in clear and sufficient detail the nature of the rejection or modification, the reasons for it and, precisely, the changes in result or disposition caused by the rejection or modification.

(c) An agency head may enter an order remanding a contested case to the Office of Administrative Law for further action on issues or arguments not previously raised or incompletely considered. The order of remand shall specifically state the issues or arguments to be considered, their scope and their relationship to the issues and arguments already considered. Where the agency is a party to the case, however, the agency head may not remand to the Office of Administrative Law to develop proof that, in the exercise of reasonable diligence, could have been presented by the agency at the original hearing.

[(d) When an agency head enters an order or final decision accepting an initial decision, the initial decision shall immediately become the final decision in the contested case.]

(d) [(e)] If an agency head does not reject or modify the initial decision within 45 days and unless the period is extended as provided by statute, the initial decision shall become a final decision.

1:1-16.6 Extensions of time limits

(a) Upon certification by both the Director of the Office of Administrative Law and the agency head that good cause exists, the time limits for preparation of the initial decision, for filing exceptions and replies, and for issuing an order or final decision may be extended.

(b) Requests for extension of any period must be submitted prior to the expiration of the period.

(c) A copy of any Form of Order or request for extension of any period must be served upon each party in the case.

(d) Extensions shall not be granted if inattention or procrastination cause delay, but shall be granted if the delay is attributable to honest mistake, accident, or any cause compatible with proper diligence.

SUBCHAPTER 17. SETTLEMENTS

1:1-17.1 Form of settlements; withdrawal; motions to reopen after withdrawal

(a) When the parties to a contested case wish to settle the matter by consent, the judge assigned to the case shall prepare and enter an order, signed by both parties as to form and entry, which shall state the fact of settlement and the terms of settlement, if any. If the judge determines that the settlement is fair and fully dispositive of all issues in controversy, the order shall dismiss the matter with prejudice and may be conditioned on terms. Unless the agency is a party and has consented to the settlement, the order shall be filed with the agency head in the manner of an initial decision as provided in N.J.A.C. 1:1-16.3. When the agency as a party consents to the settlement, the consent order shall be a [Final Order of Dismissal with Prejudice] final order terminating the contested case and shall be filed by the clerk with the agency.

(b) A party may withdraw a request for a hearing at any time until testimony commences at the evidentiary hearing by notifying the clerk. A party may withdraw a request for a hearing after commencement of testimony at the evidentiary hearing, upon approval of the judge. Upon receipt of the withdrawal notification, the clerk shall return the matter to the agency marked "withdrawn."

(c) Motions to reopen after the clerk has returned a withdrawn matter, must be addressed to the agency head.

An order adopting these rules was filed on June 20, 1980 as R.1980 d.275 to become effective on July 1, 1980.

Proposed Rules Concerning Multiple-Party Deposit Accounts

Angelo R. Bianchi, Commissioner of Banking, pursuant to authority of N.J.S.A. 17:161-16, proposes to adopt new rules concerning multiple-party deposit accounts.

Full text of the proposal follows.

SUBCHAPTER 12. MULTIPLE-PARTY DEPOSIT ACCOUNTS

3:1-12.1 Definitions

The following words and terms, when used in this subchapter, shall have the following meanings unless the context clearly indicates otherwise:

“Act” means chapter 491, Public Laws of 1979, N.J.S.A. 17:161-1 et seq. which may also be cited as “Multiple-party Deposit Account Act;”

“Financial institution” means any organization authorized to do business under State or Federal laws relating to financial institutions, including, without limitation, banks and trust companies, savings banks, building and loan associations, savings and loan associations;

“Joint account” means an account payable on request to one or more of two or more parties whether or not mention is made of any right of survivorship, and regardless whether the names of the parties are stated in the conjunctive or in the disjunctive;

“Multiple-party account” means any of the following types of account: (1) a joint account, (2) a P.O.D. account, or (3) a trust account. It does not include accounts established for deposit of funds of a partnership, joint venture, or other association for business purposes, or accounts controlled by one or more persons as the duly authorized agent or trustee for a corporation, unincorporated association, charitable or civic organization or a regular fiduciary or trust account where the relationship is established other than by deposit agreement;

“Net contribution” means the contribution of a party to a joint account as of any given time which is the sum of all deposits thereto made by or for him, less all withdrawals made by or for him which have not been paid to or applied to the use of any other party, plus a pro-rata share of any interest or dividends included in the current balance. The term includes, in addition, any proceeds of deposit life insurance added to the account by reason of the death of the party whose net contribution is in question;

“Party” means a person who, by the terms of the account, has a present right, subject to request, to payment from a multiple-party account. A P.O.D. payee or beneficiary of a trust account is a party only after the account becomes payable to him by reason of his surviving the original payee or trustee. Unless the context otherwise requires, it includes a guardian, conservator, personal representative, or assignee, including an attaching creditor, of a party. It also includes a person identified as a trustee of an account for another whether or not a beneficiary is named, but it does not include any named beneficiary unless he has a present right of withdrawal;

“P.O.D. account” means an account payable on request to one person during lifetime and on his death to one or more P.O.D. payees, or to one or more persons during their lifetimes and on the death of all of them to one or more P.O.D. payees;

“P.O.D. payee” means a person designated on a P.O.D. account as one to whom the account is payable on request after the death of one or more persons;

“Trust account” means an account in the name of one or more parties as trustees for one or more beneficiaries where the relationship is established by the form of the

account and the deposit agreement with the financial institution and there is no subject of the trust other than the sums on deposit in the account; it is not essential that payment to the beneficiary be mentioned in the deposit agreement. A trust account does not include a regular trust account under a testamentary trust of a trust agreement which has significance apart from the account, or a fiduciary account arising from a fiduciary relation such as attorney-client.

Note: Reference is made to the Act for other definitions not set out above, which may be necessary to construe this subchapter.

3:1-12.2 Types of contracts

(a) A financial institution may maintain different deposit contracts for "joint accounts," "P.O.D. accounts," and "trust accounts."

(b) Separate contract forms should be used for any multiple party deposit where the parties do not intend to create a right of survivorship.

(c) A single party contract with a power of attorney or formal trust is an acceptable form for parties who do not want present rights to the account for all parties, or who do not intend to create a right of survivorship, or who otherwise intend to create rights and obligations different from those created by the Act.

3:1-12.3 Type of accounts

Nothing in the Act or in this subchapter is to be construed as requiring a financial institution to enter into any deposit account contract. Financial institutions are not required to open a multiple party deposit account which does not provide for rights of survivorship as provided in section 5 of the Act.

3:1-12.4 Specific content of deposit contract

(a) The following information must be included in all multiple party account contracts:

1. A statement that this account is subject to the provisions of the Multiple Party Deposit Act, N.J.S.A. 17:16I-1 et seq. (P.L. 1979, c.491)

2. Provisions to identify the type of account, specify the present interests of all parties and the rights of survivorship. Should the parties intend to create different rights and obligations the specific intent of the parties must be set out in the deposit account contract.

i. "This joint account (is/is not) intended to create an account relationship whereby, during the lifetime of the parties to the account, each has a right to the entire balance of the account. Upon the death of a party to this account, it (is/is not) the intent of the parties to this account to create a survivorship relationship whereby each surviving party or parties to the account has a right to an equal share in the balance of the account."

ii. "This P.O.D. account (is/is not) intended to create a right of survivorship whereby the surviving P.O.D. payee or payees to the account has a right to an equal share in the balance of the account."

iii. If there is only one trustee:

(1) "This trustee account (is/is not) intended to create an account relationship whereby during the lifetime of the trustee the entire balance of such account belongs beneficially to the trustee during his lifetime. Upon the death of the trustee, it (is/is not) the intent of such trustee to create a survivorship relationship whereby each person named as a beneficiary in the account has a right to an equal share in the balance of the account."

or,

iv. If there is more than one trustee:

(1) "This trustee account (is/is not) intended to create an account relationship whereby, during the lifetime of the trustees to the account, each has a beneficial right to the entire balance of the account. Upon the death of one or more of the trustees to the account, it (is/is not) the intent of the parties to the account to create a survivorship relationship whereby each surviving party or parties to the account has a right to an equal share in the balance of the account. Upon the death of the survivor of two or more trustees it (is/is not) the intent of the parties to this account to create a right of survivorship whereby the named beneficiaries, if surviving, or to the survivor of them if one or more die before the trustees, has a right to the balance of the account or to an equal share if there remains more than one beneficiary."

3. A statement of no liability to the financial institutions for payments made pursuant to the Act.

4. The necessary form of notice required to effectively change the terms of the deposit account contract.

5. An acknowledgement of having read the contract and received a copy of the completed form, signed by all parties.

3:1-12.5 Additional content of contracts

A financial institution may include any additional provisions in its form of contract which are necessary to fully inform its depositors of the terms of multiple party deposit accounts and applicable regulations, provided that such provisions are not inconsistent with the provisions of the Act or these regulations.

3:1-12.6 Changes in contract provisions

No financial institution or party may change the form of contract unless written notice is received by the financial institution as required in the Act.

3:1-12.7 Copy of contract

A financial institution must give a copy of the completed deposit account contract to each party to the contract.

3:1-12.8 Limitation of regulation

Nothing in this subchapter shall be deemed to supercede specific provisions set out in the Act. Therefore, in the event of any question as to which authority is to be followed, the provisions in the Act will prevail.

3:1-12.9 Effective dates

As required in the Act, any multiple-party account opened on or after May 28, 1980 is subject to the provisions of the Act. The Act has prospective effect only and therefore will apply only to accounts opened on or after that date. The specific provisions as set out in this subchapter will become effective as of the date of adoption and will have prospective effect only unless all parties to the contract agree to retroactively have them apply to accounts opened on or after May 28, 1980.

Interested persons may present statements or arguments in writing relevant to the proposed action on or before July 30, 1980 to:

The Cemetery Board shall be notified that such approval has been granted at the next meeting.

SUBCHAPTER 5. CEMETERY COMPANIES

3:41-5.1 Charges and services

(a) Cemetery companies may not sell vaults; provided, however, that cemetery companies may sell multiple depth below ground burial crypts that were installed prior to December 1, 1971. Cemetery companies may install multiple depth below ground burial crypts that were sold prior to December 1, 1971.

(b) In the event that a memorial foundation installed by a cemetery company and paid for by a lot owner sinks, or otherwise falls into disrepair causing the memorial immediately above to sink or become unlevel, the cemetery company shall raise, replace or repair the foundation and properly reset the memorial at its own cost and expense.

(c) Cemetery companies are prohibited from selling commercially available bases of concrete, granite or marble to be attached to a bronze memorial, provided that the determination as to the need and design of subsurface support shall be governed by the reasonable rules of the cemetery company.

(d) For the purposes of N.J.S.A. 8A:5-23, the burial of a monument or a memorial shall be considered a removal of that monument or memorial.

(e) Only those charges posted by the cemetery company and filed with the Board pursuant to N.J.S.A. 8A:5-4, 5-5 are lawful. The collection of any charges that has not been so posted and filed with the Board are declared to be in violation of the Cemetery Act.

(f) Any monies paid to a cemetery company for future services shall be subject to requirements of N.J.S.A. 2A:102-13 - 102-17.

(g) A cemetery company may adjust increases in general maintenance charges if the increase is reasonably necessary to maintain the cemetery.

3:41-5.2 Trust funds

(a) Commingling of trust funds with the Maintenance and Preservation Fund: Any maintenance, preservation, perpetual care or other trust fund, whenever established, must be commingled with the Maintenance and Preservation Fund if the income of such trust fund is dedicated to maintenance and preservation of the entire cemetery.

(b) Prohibition against commingling: No trust fund, whenever established, may be commingled with the Maintenance and Preservation Fund if the income of such fund is dedicated to the maintenance and preservation of an individual lot, or private mausoleum, sarcophagus or other private structure for interment or memorialization.

(c) Monies required to be deposited into the Maintenance and Preservation Fund are payable to said fund on a monthly basis. Such deposits must be made no later than

the last day of the month following the month in which the monies were received.

(d) No cemetery company may take credit for overpayment into the Maintenance and Preservation Fund except with consent of the New Jersey Cemetery Board.

(e) Multiple cremations: In any case in which multiple interment of cremated remains are interred in one interment space, each individual remains shall be subject to the statutory requirements of N.J.S.A. 8A:4-5b.

(f) Interment space transfer to charitable organizations: N.J.S.A. 8A:4-5 shall not apply where a living lot owner transfers an interment space or spaces to a charitable organization without monetary consideration. This is not a resale pursuant to N.J.S.A. 8A:4-5, provided that the charitable organization submit proof of its charitable status to the cemetery company.

(g) Free interment space: A cemetery company shall be required to pay fees and charges levied by N.J.S.A. 8A:4-5 into its Maintenance and Preservation Fund in any case in which it gives an interment space free of charge.

(h) Distribution of interment spaces by a society in liquidation: Distribution of interment spaces by a society in liquidation does not constitute a resale, therefore, the cemetery company is not obliged to collect and deposit into the Maintenance and Preservation Fund the amounts set forth in N.J.S.A. 8A:4-5. A cemetery company may, however, before recording the assignment of the interment spaces, require that future maintenance charges be assumed by the grantee or may require an endowment in place of the annual general maintenance charge.

3:41-5.3 Trust fund management/record keeping

(a) All investments must come within the purview of N.J.S.A. 3A:15-1 et seq.

(b) A cemetery company may invest its trust funds in options for stock which said cemetery company holds in its portfolio when the exercise price of the option is in excess of the original purchase price of the stock. All other option transactions are deemed overly speculative and imprudent. In instances when an option has been written, the trust is permitted to purchase options to cover the sale of any option previously written.

(c) In the event a cemetery company enters into a trust agreement with a banking institution and said banking institution establishes a value for the securities other than the value previously reported by the cemetery company, the cemetery company shall adjust the increase or decrease in the value to coincide with that established by the banking institution and will reflect same in the appropriate column of the Maintenance and Preservation Fund report concerning the period during which the transaction occurred. Said change in value of the trust fund investment is to be substantiated by a letter from said banking institution reflecting its established value.

(d) All cemetery companies must maintain adequate records of income, expenses and investments of its general fund, Maintenance and Preservation Fund and any other trust fund administered directly or indirectly by a cemetery company so as to afford an intelligent understanding of the conduct of its business.

(e) Cemetery companies may use the services of more than one banking institution in management of their trust funds.

(f) Every cemetery company shall keep a map of the cemetery readily available for inspection at its main office but need not file a copy with the Board. Any change in the physical layout of the cemetery shall be reflected on the map annually.

(g) The gross sales price on resale and the sales price of crypts or niches in a public mausoleum or columbarium on resale shall be set forth in a duly notarized affidavit

executed by the transfer and transferee. Said affidavit shall be kept on file in the main office of the cemetery company in question.

SUBCHAPTER 6. INTERMENT SPACE OWNER

3:41-6.1 Memorials

(a) Once interment has been made in a cemetery lot or grave, reasonable memorialization of the remains must be allowed in accord with the rules and regulations of the cemetery company.

(b) Removal of encumbrances such as that described in N.J.A.C. 3:40-6.8, may be removed by a cemetery company provided seven days notice by ordinary mail to the interment space owner, the next-of-kin or other interested parties be given. Should such notification not be possible the procedure described in N.J.A.C. 3:40-6.8 shall be followed.

3:41-6.2 Restrictions on closings for interments

In order to insure continued interments and cremations, no cemetery shall be closed for more than 3 consecutive days for the purposes of making interments and conducting cremations except for strikes, acts of God or by direction of a competent authority e.g. court of competent jurisdiction New Jersey Cemetery Board, Department of Health.

3:41-6.3 Transferability of interment space

Heirs, devisees and legatees of owners of unused interment spaces may grant, convey, sell or donate such interment spaces.

SUBCHAPTER 7. DISINTERMENTS

3:41-7.1 Multiple depth grave

(a) Any cemetery company selling interment rights in a multiple depth grave to two or more unrelated purchasers shall, at the time of the sale, inform each purchaser in writing that, pursuant to N.J.S.A. 8A:5-20, remains interred in any such space may be disinterred only with the consent of the owner or owners of each interment space in which a disinterment is to be made and of the surviving spouse and children if of full age.

(b) In the event of a multiple depth grave to a single purchaser by a cemetery company, when the first interment is made the grave shall be opened to a sufficient depth to accommodate all appropriate additional interments so as to avoid additional charges for deepening and the need for a disinterment permit when subsequent interments are made, unless the person authorizing such interments shall in writing instruct the cemetery company otherwise.

3:41-7.2 Additional interment; obtaining disinterment permit

In the event the remains already in an interment space must be lowered to accommodate an additional interment, a disinterment order must be obtained permitting the lowering of the remains already in the interment space.

3:41-7.3 Photographing disinterments

(a) Cemetery companies may, by rule or regulation, prohibit photographing disinterments, except that:

1. The owner or owners of said interment space may themselves photograph such disinterment or authorize in writing another on their behalf to photograph said disinterment; and

2. Photographs may also be taken when they are a necessary part of a criminal investigation or when otherwise ordered by a court of competent jurisdiction or when otherwise ordered by a court of competent jurisdiction, provided no photographs, other than the immediate gravesite shall be taken.

SUBCHAPTER 8. CREMATED REMAINS

3:41-8.1 Shipment

In the event a crematory ships cremated remains through the U.S. Postal System or any other responsible parcel service, said crematory will label both the inside container and outside wrapper to identify the contents. The cremated remains must be securely packaged and proper insurance be provided and all necessary precautions for a safe delivery be taken.

SUBCHAPTER 9. SALESMEN

3:41-9.1 Eligibility

(a) A cemetery salesman license may not be denied to any person, regardless of profession engaged in, provided that all other provisions of the Cemetery Act are complied with.

(b) Notwithstanding the fact that an officer, superintendent, manager, or clerk of a cemetery company may act as a cemetery salesman without being licensed by the Board, this same category of individuals may be licensed by the Board if proper application is made and the Board deems them qualified to be licensed.

3:41-9.2 Investigation of applicant

(a) A New Jersey Criminal History Record Information check shall be requested from the New Jersey State Police on all applicants for a New Jersey Cemetery Salesman license.

(b) In the event the New Jersey Criminal History Record Information check discloses an arrest and conviction record of an applicant for a cemetery salesman license, the following release shall be completed by the applicant and furnished to the Board to allow the Board to have the information released by the New Jersey State Police.

Release Form: I _____, hereby authorize the New Jersey State Police to release to the New Jersey Cemetery Board any data in its files, said data to be used in connection with my application for a New Jersey Cemetery Salesmen License.

3:41-9.3 License form

A cemetery license, when issued, is to be in the form of a pocket license with a 1" by 1" recent face photograph attached.

3:41-9.4 Application for renewal of license

Application forms for renewal of cemetery salesman licenses will be mailed by the Board to the cemetery salesmen at least 60 days prior to the expiration date of the valid license.

3:41-9.5 Multiple license

A cemetery salesman selling for more than one cemetery company must obtain a separate license for each cemetery company he sells for, provided that, if the applicant applied for a license to sell for more than one cemetery, he shall be required to pay only one examination fee pursuant to N.J.S.A. 8A:9-10.

3:41-9.6 Jurisdiction; local licensing and bonding

No county or municipality may require a validly licensed cemetery salesman to purchase or obtain any type of license or permit or to post any type of bond in connection with the sale of, or offer to sell cemetery property or services supplied or performed by a cemetery company.

SUBCHAPTER 10. INTERPRETATION AND CONSTRUCTION

3:41-10.1 Modification and amendments

(a) Special cases may arise in which the literal enforcement of a rule may impose an unnecessary hardship. The

New Jersey Cemetery Board, therefore, reserves the right to make exceptions, suspensions or modifications in any of the rules and regulations where, in the Board's judgment, the public interest is better served. Such exception, suspension or modification shall in no way be construed as affecting the general application of such rule.

(b) The New Jersey Cemetery Board is authorized and empowered to adopt such rules and regulations, or amendments or supplements not inconsistent with the New Jersey Cemetery Act which may hereafter be adopted. Furthermore, the Board reserves the right at any time or times to adopt such rules or regulations or to amend, alter or repeal any rule, regulation, article, sentence, paragraph or section in these rules and regulations to carry out the purpose of the New Jersey Cemetery Act. Any and all such changes will be in accordance with the Administrative Procedure Act.

3:41-10.2 Situations where rules and regulations do not govern

In any matter not governed by the rules and regulations of the Cemetery Board, the Board shall exercise its discretion so as to carry out the purpose of the Cemetery Act.

3:41-10.3 Gender

Unless a different meaning clearly appears from the context, the use of the word importing the masculine shall be understood to include and to apply to the feminine as well.

3:41-10.4 Liberal construction

The rules and regulation shall be liberally construed to permit the Cemetery Board to discharge its statutory function and to secure a just and speedy determination of all matters before it.

Interested persons may present statements or arguments in writing relevant to the proposed action on or before July 30, 1980 to:

Detection systems shall be powered by a concealed, hard wired, constantly active electric circuit which cannot be deactivated by the operation of any interconnected switching device. All detectors shall be interconnected so that the activation of any one detector alarm will also simultaneously activate the individual alarms of all other detection units in the system. All detection units, wiring and systems installations shall conform to latest U.L. 217, NFPA No. 72E and No. 74 standards. The following common areas of all buildings shall be monitored for fire by an approved early warning smoke or smoke/heat detection system:

One of such detectors shall be located at the ceiling of the first floor stair landing or other approved location where the earliest detection of fire would activate the alarm. Maximum spacing to conform to U.L./F.M. listings for "D" distances of individual manufactured units. The "D" distance spacing in open joist ceilings perpendicular to the joists shall be one half of that listed. Detectors shall be installed on the bottom surface of the joist. Compartmentalized and partially enclosed areas shall have additional detectors as required to afford complete protection of total basement/cellar area conforming to above criteria. The activated detector(s) shall set off alarms on the first floor of the building, or throughout the building, audible in each dwelling unit not separated from the basement or cellar area by fire walls having a fire-resistance rating of at least two hours with a minimum sound intensity of 85 dbA.

iv. Basements or cellars which have an existing approved minimum one hour fire-rated ceiling assembly shall have a minimum of one approved smoke detector per 2,500 square feet of area, one such detector to be located at the ceiling of the first floor stair landing or other approved location where the earliest detection of fire would activate the alarm. Additional detectors shall be required in ceiling areas that are enclosed or separated by a dropped girder or similar type projection to afford complete protection of total basement/cellar area. The detector(s) shall set off alarms on the first floor of the building, or throughout the building, audible in each dwelling unit not separated from the basement or cellar area by fire walls having a fire-resistance rating of at least two hours with a minimum sound intensity of 85 dbA.

v. Public hallways at least 20 feet in length or longer leading to a single means of egress shall have a minimum of one approved smoke or smoke/heat detector installed within every forty linear feet or fraction thereof.

vi. In multiple dwellings over two stories in height, stairways not enclosed by a minimum one hour fire-rated separation from other common areas shall have approved smoke or smoke/heat detectors installed at either the ceiling of the landing or the high point of the sloped staircase soffit at each floor level and at forty foot or fraction thereof intervals in all connecting hallways.

Full text of the proposal follows.

SUBCHAPTER 4. DEBARMENT

5:80-4.1 Definitions

When used in this subchapter, the following terms shall have the following meanings:

"Debarment" means an exclusion from New Jersey Housing Finance Agency (NJHFA) contracting, on the basis of a lack of responsibility evidenced by an offense, failure, or inadequacy of performance, for a reasonable period of time commensurate with the seriousness of the offense, failure, or inadequacy of performance.

"Suspension" means an exclusion from NJHFA contracting for a temporary period of time, pending the completion of an investigation or legal proceedings.

"Person" means any natural person, company, firm, association, corporation, or other entity.

"NJHFA contracting" means any arrangement giving rise to an obligation to supply anything to or perform any service for the NJHFA, other than by virtue of state or NJHFA employment, or to supply anything to or perform any service for a private or public person where the NJHFA provides substantial financial assistance and retains the right to approve or disapprove the nature or quality of the goods or service or the persons who may supply or perform the same.

"Affiliates" means persons having a relationship such that any one of them directly or indirectly controls or has the power to control another.

5:80-4.2 Causes for debarment of a person(s)

(a) In the public interest, the NJHFA may debar a person for any of the following causes:

1. Commission of a criminal offense as an incident to obtaining or attempting to obtain a public or private contract, or subcontract thereunder, or in the performance of such contract or subcontract.

2. Violation of the Federal Organized Crime Control Act of 1970, or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, perjury, false swearing, receiving stolen property, obstruction of justice, or any other offense indicating a lack of business integrity or honesty.

3. Violation of the Federal or State Antitrust Statutes, or of the Federal Anti-Kickback Act (18 U.S.V. 874, 40 U.S.C. 276 b, c).

4. Violations of any of the laws governing the conduct of elections of the Federal government, State of New Jersey or of its political subdivisions.

5. Violation of the "Law Against Discrimination" (P.L. 1945, c. 169, C. 10:5-1 et seq. as supplemented by P.L. 1975, c. 127), or of the act banning discrimination in public works employment (C. 10:2-1 et seq.) or of the act prohibiting discrimination by industries engaged in defense work in the employment of persons therein (C. 114, L.1942, C. 10:1-10 et seq.).

6. Violations of any laws governing hours of labor, minimum wage standards, prevailing wage standards, discrimination in wages, or child labor.

7. Violations of any laws governing the conduct of occupations or professions or regulated industries.

8. Violations of any other laws which may bear upon a lack of responsibility or moral integrity.

9. Willful failure to perform in accordance with contract specifications or within contractual time limits.

10. A record of failure to perform or of unsatisfactory performance in accordance with the terms of one or more contracts, provided that such failure or unsatisfactory performance has occurred within a reasonable time preceding the determination to debar and was caused by acts within the control of the person debarred.

11. Violation of contractual or statutory provisions regulating contingent fees.

12. Any other cause affecting responsibility as a State contractor of such serious and compelling nature as may be determined by the NJHFA to warrant debarment, including such conduct as may be prescribed by the laws or contracts enumerated in this section even if such conduct has not been or may not be prosecuted as violations of such laws or contracts.

13. Debarment by some other department or agency in the Executive Branch.

5:80-4.3 Conditions affecting the debarment of a person(s)

(a) The following conditions shall apply concerning debarment:

1. Debarment shall be made only upon approval of the members of the NJHFA, upon recommendation by the Executive Director of the NJHFA, except as otherwise provided by law.

2. The existence of any of the causes set forth in section 2 of this subchapter shall not necessarily require that a person be debarred. In such instance, the decision to debar shall be made within the discretion of the members of the NJHFA, upon recommendation by the Executive Director of the NJHFA, unless otherwise required by law, and shall be rendered in the best interests of the State.

3. All mitigating factors shall be considered in determining the seriousness of the offense, failure or inadequacy of performance and in deciding whether debarment is warranted.

4. The existence of a cause set forth in N.J.A.C. 5:80-4.3(a)1-8 shall be established upon the rendering of a final judgment or conviction including a guilty plea or a plea of *nolo contendere* by a court of competent jurisdiction or by an administrative agency empowered to render such

judgment. In the event an appeal taken from such judgment or conviction results in reversal thereof, the debarment shall be removed upon the request of the debarred person unless other cause for debarment exists.

5. The existence of a cause set forth in N.J.A.C. 5:80-4.3(a)9-12 shall be established by evidence which the NJHFA determines to be clear and convincing in nature.

6. Debarment for the cause set forth in N.J.A.C. 5:80-4.3(a)13 shall be proper, provided that one of the causes set forth in subsection (a) through (1) of section 4.2 was the basis for debarment by the original debarring agency. Such debarment may be based entirely on the record of facts obtained by the original debarring agency, or upon a combination of such facts and additional facts.

5:80-4.4 Procedures, period of debarment, and scope of debarment affecting the debarment of a person(s)

(a) The procedures, the period of debarment, and the scope of debarment to be followed by the NJHFA are explained below:

1. The NJHFA seeking to debar a person or his affiliates shall furnish such party with a written notice stating that debarment is being considered, setting forth the reasons for the proposed debarment, and indicating that such party will be afforded an opportunity for a hearing if he so requests within a stated period of time. All such hearings shall be conducted in accordance with the provisions of the Administrative Procedure Act. However, where another department or agency has imposed debarment upon a party, the NJHFA may also impose a similar debarment without affording an opportunity for a hearing, provided that the NJHFA furnishes notice of the proposed similar debarment to that party, and affords that party an opportunity to present information in his behalf to explain why the proposed similar debarment should not be imposed in whole or in part.

2. Debarment shall be for a reasonable, definitely stated period of time which as a general rule shall not exceed five years. Debarment for an additional period shall be permitted provided that notice thereof is furnished and the party is afforded an opportunity to present information in his behalf to explain why the additional period of debarment should not be imposed.

3. Except as otherwise provided by law, a debarment may be removed or the period thereof may be reduced in the discretion of the members of the NJHFA, upon recommendation by the Executive Director of the NJHFA, upon the submission of a good faith application under oath, supported by documentary evidence, setting forth substantial and appropriate grounds for the granting of relief, such as newly discovered material evidence, reversal of a conviction or judgment, actual change of ownership, management or control, or the elimination of the causes for which the debarment was imposed.

4. A debarment may include all known affiliates of a person, provided that such decision to include an affiliate is made on a case by case basis after giving due regard to all relevant facts and circumstances. The offense, failure or inadequacy of performance of an individual may be imputed to a person with whom he is affiliated, where such conduct was accomplished within the course of his official duty or was effectuated by him with the knowledge or approval of such person.

5:80-4.5 Causes for suspension of a person(s)

In the public interest, the NJHFA, upon approval of the Attorney General, may suspend a person for any cause specified in section 2 of this subchapter or upon adequate evidence that such cause exists.

5:80-4.6 Conditions for suspension of a person(s)

(a) The following conditions concerning suspension are to be adhered to:

1. Suspension shall be imposed only upon approval of the Attorney General, upon recommendation by the Executive Director of the NJHFA, except as otherwise provided by law.

2. The existence of any cause for suspension shall not require that a suspension be imposed, and a decision to suspend shall be made at the discretion of the Attorney General, upon recommendation by the Executive Director of the NJHFA, and shall be rendered in the best interest of the State.

3. Suspension shall not be based upon unsupported accusation, but upon adequate evidence that cause exists or upon evidence adequate to create a reasonable suspicion that cause exists.

4. In assessing whether adequate evidence exists, consideration shall be given to the amount of credible evidence which is available, to the existence or absence of corroboration as to important allegations, and to inferences which may properly be drawn from the existence or absence of affirmative facts.

5. Reasonable suspicion of the existence of a cause described in N.J.A.C. 5:80-4.2(a)1-3 may be established by the rendering of a final judgment or convictions by a court or administrative agency of competent jurisdiction, by grand jury indictment, or by evidence that such violations of civil or criminal law did in fact occur.

6. A suspension invoked by another agency for any of the causes described in section 2 of this subchapter may be the basis for the imposition of a concurrent suspension by the NJHFA, which suspension may be imposed upon approval by the Attorney General when found to be in the best interest of the State.

5:80-4.7 Procedures, period of suspension, and scope of suspension affecting the suspension of a person(s)

(a) The following provisions regarding procedures, period of suspension and scope of suspension shall be adhered to by the NJHFA:

1. Upon approval of the Attorney General, the NJHFA may suspend a person or his affiliates, provided that within ten days before the effective date of the suspension, the NJHFA provides such party with a written notice stating that a suspension has been imposed and its effective date, setting forth the reasons for the suspension to the extent that the Attorney General determines that such reasons may be properly disclosed, stating that the suspension is for a temporary period pending the completion of an investigation and such legal proceedings as may ensue, and indicating that, if such legal proceedings are not commenced or the suspension removed within sixty days of the date of such notice, the party will be given either a statement of the reasons for the suspension and an opportunity for a hearing if he so requests, or a statement declining to give such reasons and setting forth the NJHFA's position regarding the continuation of the suspension. Where a suspension by another agency has been the basis for suspension by the NJHFA, the latter shall note that fact as a reason for its suspension.

2. A suspension shall not continue beyond eighteen months from its effective date unless civil or criminal action regarding the alleged violation shall have been initiated within that period, or unless debarment action has been commenced. Whenever prosecution or debarment action has been initiated, the suspension may continue until the legal proceedings are completed.

3. A suspension may include all known affiliates of a person, provided that each decision to include an affiliate

is made on a case by case basis after giving due regard to all relevant facts and circumstances. The offense, failure or inadequacy of performance of an individual may be imputed to a person with whom he is affiliated, where such conduct was accomplished within the course of his official duty or was effectuated by him with the knowledge or approval of such person.

5:80-4.8 The extent of debarment and suspension

The exclusion from State contracting by virtue of debarment or suspension shall extend to all State contracting and subcontracting within the control or jurisdiction of the NJHFA including any contracts which utilize State or NJHFA funds. When it is determined by the members of the NJHFA, upon recommendation by the Executive Director of the NJHFA, to be essential to the public interest, and upon filing of a finding thereof with the Attorney General, and in the case of suspension, upon approval of the Attorney General, an exception from total exclusion may be made with respect to a particular State contract.

5:80-4.9 Prior notice to NJHFA

Insofar as practicable, prior notice of any proposed debarment or suspension shall be given to the Attorney General and the Treasurer.

5:80-4.10 List of debarred and suspended

The NJHFA shall supply to the State Treasurer a monthly list of all persons having been debarred or suspended in accordance with the procedures prescribed herein. Such list shall at all times be available for public inspection.

5:80-4.11 Discretion

Nothing contained herein shall be construed to limit the authority of the NJHFA to contract or to refrain from contracting within the discretion allowed by law.

Proposed Amendments Concerning Hospital Reporting of Uniform Bill-Patient Summaries (Inpatient)

Dr. Joanne E. Finley, Commissioner of Health, pursuant to authority of N.J.S.A. 26:2H-1 et seq. and with the approval of the Health Care Administration Board, proposes to adopt amendments to N.J.A.C. 8:31B-2 concerning hospital reporting of uniform bill-patient summaries (inpatient).

A synopsis of the proposed amendments follows.

In order to satisfy Medicare requirements for allowing the UB-PS as a Medicare claim, the revenue codes (section IV.A.2) have been completely revised. These codes conform to the newly adopted HCFA revenue codes for uniform billing. Medicare also required that wording be added stating that New Jersey would conform to any national uniform billing form if and when such a form is mandated.

Along with the modifications for Medicare, certain segments of the original regulation have been modified to clarify their meaning or their use. Two significant modifications are (1) the proposed addition of an item to identify if a patient is a readmission, and (2) a complete revision of the payor identification codes in section IV.A.2.

In order to allow time for implementing a UB-PS system, the implementation date has been moved back to January 1, 1981 for all hospitals. Originally, the 26 1980 S.446 hospitals were scheduled to begin use of the UB-PS on October 1, 1980.

A complete copy of the revised regulation can be obtained by writing to Mr. James R. Hub, Director, New Jersey State Department of Health, Health Economics Services, Room 600, Trenton, N.J. 08625.

BOARD OF HIGHER EDUCATION

Proposed Rules Concerning Reduction in Force at State Colleges of New Jersey

The Board of Higher Education in the Department of Higher Education, pursuant to authority of N.J.S.A. 18A:3-14(h), proposes to adopt new rules concerning reductions in personnel at the State's four year colleges in the event of fiscal exigency.

Full text of the proposal follows:

SUBCHAPTER 3. STATE COLLEGE REDUCTION IN FORCE POLICIES

PREFACE

These policies govern the procedures to be used by the State colleges when it becomes necessary to reduce the number of employees of a college due to a fiscal crisis. The policies also address the rights of non-civil service employees at the State colleges of New Jersey under such circumstances. Rights and procedures for civil service employees are contained in the regulations of the Department of Civil Service.

9:2-3.1 Declaration of fiscal exigency

The Board of Trustees of any State college may declare a state of fiscal exigency for the State college by a majority vote of the appointed members of the Board.

9:2-3.2 Plans and recommendations

Once a state of fiscal exigency is declared, the Board of Trustees shall direct the President to develop a plan and formulate recommendations to deal with the state of fiscal exigency. Such plan shall consider a full range of alternatives, from the curtailment of college operations and programs to the layoff of employees.

9:2-3.3 Consultation with college community

The president shall consult with the college community in developing the plan and recommendations to be presented to the Board of Trustees.

9:2-3.4 Affirmative action

The president's plan and recommendations shall be developed in accordance with the State's commitment to Affirmative Action. The Affirmative Action Officer of the college shall prepare an analysis of the affirmative action impact of any recommended personnel layoffs to assist the president in developing the recommendations.

9:2-3.5 Review of recommendations

The Board of Trustees shall review the president's recommendations, which shall include the Affirmative Action Officer's assessment of their impact, and may accept, reject, or modify such recommendations. If such recommendations include the layoff of employees, the Board shall notify the representative of the negotiating unit and fulfill such obligations as are indicated in the agreement between the State and the negotiating unit. The determination by the Board of Trustees as to which teaching, library or administrative areas are to be reduced shall be based on academic or administrative considerations. The Board shall request an affirmative action analysis of its proposed action. Every effort must be made to protect those programs and functions which are of major

instructional or administrative significance at the College. Layoff units need not be coincident with established departments or other subdivisions or units, but may include identifiable programs or further subdivisions or specialties within academic programs as appropriate. Each teaching, library or administrative area to be reduced shall constitute a layoff unit. To the extent it is not inconsistent to the preservation of the institutions academic integrity and educational purpose, layoffs within a faculty layoff unit shall be made in order of years of service, laying off faculty with the fewest years of service first.

9:2-3.6 Notice requirements; time period

In the event that the Board determines it must implement layoffs, it shall give notice to the academic community of all individuals subject to the proposed layoff at least two weeks prior to the formal Board action on said layoffs.

9:2-3.7 Employee notice

The Board of Trustees shall notify each employee who is to be laid off of such fact as soon as possible.

9:2-3.8 Reemployment lists; generally

With respect to reemployment rights, the College President shall establish a reemployment list, including the names and qualifications of all tenured or multi-year contract employees on layoff status. The College shall not fill a vacancy in an administrative, library, or teaching area without first making a written offer of reemployment by certified mail to those employees on the reemployment list who the President believes, as a result of his academic judgment, are qualified to fill the position. In the event that two or more employees on the reemployment list have accepted an offer of reemployment for a single vacancy, the College shall give reemployment preference in faculty positions and non-teaching positions in reverse of the order in which they were laid off; i.e.: last laid off, first rehired. Employees offered reemployment shall have two weeks from receipt to respond to an offer, which shall be sent via certified mail, return receipt requested, after which it shall be deemed to have expired. Employees on a reemployment list shall have the obligation to keep the College President informed of current addresses.

9:2-3.9 Reemployment lists; time period

Non-tenured or non-multi year contract employees shall remain on the reemployment list until the end of the annual contract pursuant to which they were employed at the date of layoff. Employees who are tenured or on multi-year contracts at the date of layoff shall remain on the reemployment list for a period of two years from the date of layoff.

9:2-3.10 Reappointment of laid-off employees

Any employee on layoff status who is reemployed after layoff shall be reappointed with a rank and salary at least equivalent to his or her rank and salary step when laid off, provided however that an employee may agree to take a position at a lower salary and rank if the college has no senior position available.

9:2-3.11 Other colleges

Rights established under this chapter for employees pertain only to the College at which they are employed. Therefore, an employee who is laid off at one College has no rights to reemployment at another College. Nevertheless, Colleges shall share layoff lists with each other, and laid off employees shall be given consideration for any vacancies for which they may be qualified.

1. Both parties fail to return a list within the specified time period, all arbitrators shall be deemed acceptable and the board shall be empowered to designate any arbitrator so listed.

2. One party fails to return a list within the specified time period, the board shall appoint an arbitrator from the list received, by the order of listing, if any.

(e) Where a collective bargaining agreement calls for an arbitration board as the final step of a grievance procedure and where the board is designated as the agency to appoint an impartial arbitrator in situations when the company and union appointed arbitrators cannot agree upon such arbitrator, the parties shall submit the names and addresses of their arbitrators in a letter addressed to the board. In such case, a list of ten panel members will be sent to the parties or to their arbitrators, as requested, for selection as prescribed in this section.

12:105-3.2 Conflict of interest

A member of the panel shall not serve as arbitrator in any proceeding if he has any financial or personal interest in the result of the arbitration unless the parties, in writing, waive such disqualification.

12:105-3.3 Vacancies

If after designation any arbitrator resigns, dies, withdraws, refuses or is unable to perform his duties, the board shall rescind the appointment and shall fill the vacancy in the same manner as the original appointment (as prescribed in section 1 of this subchapter) and the matter shall be heard in its entirety by the new arbitrator.

SUBCHAPTER 4. THE HEARING

12:105-4.1 Date, time and place

(a) An arbitrator, once appointed, shall communicate with the parties and endeavor to make satisfactory arrangements for the date, time and place of the hearing. In the event that satisfactory arrangements cannot be made with the parties, the arbitrator shall have the power to set the date and time.

(b) If satisfactory arrangements cannot be made as to the place of the hearing, the arbitrator may use the offices of the board subject to availability. Arbitrators are required to keep the board informed of arrangements made and of any changes.

12:105-4.2 Oath of arbitrator

Prior to the hearing, arbitrators shall sign an oath of arbitrator. The arbitrator is required to provide the board with a signed oath.

12:105-4.3 Submission

The parties to the arbitration shall sign an original and three copies of the submission form prior to arbitration. The original shall be retained by the board, the arbitrator and the parties to the dispute shall each retain a copy.

12:105-4.4 Status of arbitrator after appointment

After appointment, the legal relationship of an arbitrator is with the parties and not with the board.

12:105-4.5 Postponements and adjournments

(a) The postponing of a scheduled hearing or the adjourning of a hearing is entirely within the discretion of the arbitrator.

(b) If either or both of the parties seek a postponement or cancellation within 48 hours (two working days) of the time agreed upon for the conduct of a hearing or the continuance of a hearing, the party or parties responsible for the postponement or cancellation shall be liable for payment of the arbitrator's full fee for the cancelled or postponed day.

12:105-4.6 Representation by counsel

Any party may be represented at the hearing by counsel, subject to existing state laws, provided that any party intending to be so represented shall notify the other party and the board at least three days prior to the date set for the hearing at which counsel is to first appear. When the initiation of any arbitration is made by counsel or the reply of the other party is given by counsel, such notice is deemed to have been given.

12:105-4.7 Taking of stenographic record

A stenographic record of arbitration proceedings may be taken. Should one of the parties desire to make such a record at its own expense and the other party refuses to share in the cost, it shall not be necessary for the party arranging for such record to supply a copy to the other party, but a copy, if transcribed, shall be sent to the arbitrator.

12:105-4.8 Attendance at hearings

(a) Persons having a direct interest in the arbitration are entitled to attend hearings, but it shall be discretionary with the arbitrator to determine the propriety of attendance of any other persons.

(b) Such arbitrator shall have the power to require the retirement of any witness or witnesses during the testimony of other witnesses.

(c) Failure of a party to appear at or participate in a hearing duly scheduled may be deemed by the arbitrator, at his discretion, as a waiver of the right to appear at or participate in such hearing. The arbitrator, at his discretion, may proceed with the hearing in the absence of or without participation of said party.

12:105-4.9 Majority decision

Where more than one arbitrator is sitting in a case, all decisions of the arbitration board shall be by majority vote unless the power of making such decision is delegated to the chairman; all awards shall be by majority vote unless concurrence of all is specifically required in the arbitration agreement.

12:105-4.10 Evidence

(a) At the arbitration hearing, the parties may offer such evidence as they desire and shall produce such additional evidence as the arbitrator may deem necessary. Conformance to legal rules of evidence is not necessary, and the arbitrator shall be the judge of the relevancy and materiality of the evidence offered.

(b) All evidence shall be taken in the presence of all of the arbitrators and of all the parties, except where any of the parties is absent in default or has waived his right to be present.

(c) The arbitrator may accept or require briefs to aid in his determination of the case where arrangement for exchange of such briefs are made at a hearing.

(d) Time limits for submission of such briefs shall be determined by the arbitrator and the right to submit briefs shall be waived unless they are submitted within the time limits or an extension of time is granted.

12:105-4.11 Inspection

If the arbitrator deems it necessary, he may make an inspection in connection with the subject matter of the dispute after written notice to the parties who may, if they so desire, be present at such inspection.

12:105-4.12 Close of hearings

(a) The arbitrator shall specifically ask the parties whether they have further evidence or witnesses to produce before terminating the hearings. If not, the arbitrator shall declare the hearings closed.

(b) The arbitrator shall declare the hearings closed as of the final date established for the submission of briefs or other evidence by the parties.

(c) In the absence of other agreements by the parties, the time limit within which the arbitrator is required to make and submit his award shall start as of the closing date.

12:105-4.13 Reopening of hearings

The hearing may be reopened by the arbitrator upon his own motion or at the request of either party for good cause shown at any time before the award is made, with the arbitrator to be the sole judge of the sufficiency of the reason. When hearings are reopened, the effective date of closing the hearings shall be the closing date of the reopened hearings.

SUBCHAPTER 5. THE AWARD

12:105-5.1 Time

(a) The award shall be made promptly within the time limit set in the agreement between the parties or a mutually agreed upon extension but in no case more than 30 days after the closing of hearing.

(b) If a decision is not rendered after 30 days, it is the obligation of the parties to contact the board so it can attempt to expedite a decision. If a decision is not rendered after 60 days either party can request in writing that the hearing be voided and another arbitrator be selected by means of the normal selection procedure; such a request will be automatically granted unless the parties individually agree to an extended award date. If the board invalidates a hearing due to a late decision, the parties shall not be obligated to pay the arbitrator's fee.

(c) The arbitrator shall not release arbitration decisions for publication or distribution without the written consent of the parties.

12:105-5.2 Form

(a) The award shall be in writing, signed by the sole arbitrator or by the majority of an arbitration board, and the signature or signatures shall be witnessed by a qualified notary.

(b) The award may or may not be followed or accompanied by an opinion by the sole arbitrator or the majority of the arbitration board.

(c) An opinion, if written, shall set forth the findings of facts, conclusions and remedial actions.

(d) Dissenting opinion, if any, shall be mailed to the parties and the board.

12:105-5.3 Award on settlement

If a dispute is settled during the course of an arbitration, the arbitrator may, upon request of the parties, set forth the terms of the agreed settlement in an award.

12:105-5.4 Delivery of the award

The award shall be sent to the parties and to the board. The parties shall accept as legal delivery of the award the placing of the award or a true copy thereof in the mails addressed to such parties or their attorneys at their last known addresses. It is the responsibility of the parties to inform the arbitrator of the names and addresses of the persons to be served the award.

12:105-5.5 Finality of the award

After an award has been delivered to the parties, such award shall be final and binding upon them subject only to due process of law.

12:105 5.6 Arbitrator's status subsequent to rendering a decision

An arbitrator becomes *functus officio* upon signing his award and he may not add to, subtract from or in any way explain, correct or modify his award unless all parties, in writing, agree to reinstate his authority.

12:105-5.7 Waiver of right to object

Any party who proceeds with an arbitration after knowledge that any provision or requirement of these rules has not been complied with and who fails to state his objection thereto in writing shall be deemed to have waived his right to appeal.

NEW JERSEY RACING COMMISSION

Proposed Rule Concerning Pick-Six

Harold G. Handel, Acting Deputy Director of the New Jersey Racing Commission in the Department of Law and Public Safety, pursuant to authority of N.J.S.A. 5:5-22 et seq., proposes to adopt a new rule concerning Pick-Six wagering.

Full text of the proposed new rule follows.

13:70-29.56 Pick-Six

(a) The Pick-Six (or other approved name) is a form of pari-mutuel wagering. Each bettor selects the first horse in each of six consecutive races designated as the Pick-Six races by the association. The principle of a Pick-Six is in effect a contract by the purchaser of a Pick-Six ticket to select the winners of each of the six races designated as the Pick-Six.

(b) The Pick-Six pool shall be held entirely separate from all other pools and is no part of a daily double, exacta, trifecta or other wagering pool. The Pick-Six pool is a pool wherein the bettor is required to select six consecutive winning horses and is not a parlay.

(c) Pick-Six tickets shall be sold in not less than \$2.00 denominations and only from machines capable of issuing six numbers.

(d) Races in which Pick-Six pools shall be conducted shall be approved by the Commission and clearly designated in the program.

(e) The design of Pick-Six tickets shall be clearly and immediately distinguishable from other pari-mutuel tickets.

(f) The Pick-Six pari-mutuel pool shall be calculated as follows:

1. 75 per cent of the net amount in the pari-mutuel pool subject to distribution among winning ticket holders shall be distributed among the holders of pari-mutuel tickets which correctly designate the official winner in each of the six races comprising the Pick-Six. The remaining undistributed 25 per cent of the net pool shall be distributed among the holders of pari-mutuel tickets which correctly designate the most winning selections less than the six winning selections hereinbefore described.

2. In the event there is no pari-mutuel ticket held which correctly designates the winner of all races comprising the Pick-Six, 75 per cent of that racing date's net amount available for distribution shall be distributed among the holders of pari-mutuel tickets correctly designating the

most winning selections of the six races comprising the Pick-Six, and the remaining undistributed 25 per cent of said pool shall be distributed among those ticket holders who have designated the next most winning selections among those races constituting the Pick-Six.

(g) Those horses constituting an entry or a field as defined within the rules and regulations of the Commission shall race in any Pick-Six race as a single wagering interest for the purpose of the Pick-Six pari-mutuel pool calculations and payouts to the public. A scratch after wagering has begun of any part of an entry of field selection in such a race shall be of no effect with respect to the status of such entry and/or field as a viable wagering interest.

(h) In the event a horse is excused in any Pick-Six race, the amount representing the purchase price of that pari-mutuel ticket shall be withdrawn from the gross distributable amount in the pool and the total net value of all such withdrawn tickets shall be distributed as a consolation award among the holders of such withdrawn Pick-Six tickets designating the most winning selections. No ticket holder shall receive such a consolation prize in the event said ticket holder is a recipient of monies pursuant to section (f)(1)(2).

(i) After off-time, there shall be no refund in either of the above cases, provided for in section (h) of this rule.

(j) For the purpose of this rule, when horses are prevented from starting by any malfunction of the starting gate itself they shall be considered as having been excused by the Stewards.

(k) If, for any reason, any race or races of a Pick-Six program is cancelled and declared "No Race," the Pick-Six pool shall be distributed to the holders of the most winning selections of the remaining races pursuant to section (f)(2). In the event the Stewards cancel or declare as "No Race" three or more of the Pick-Six races for any given date, all pari-mutuel tickets for that Pick-Six pool shall be refunded and the Pick-Six cancelled for that day.

(l) In the event of a dead heat for win between two or more horses in any Pick-Six race, all such horses in the dead heat for win shall be considered as the winning horse in the race for the purpose of distributing the Pick-Six pari-mutuel pool.

(m) No person shall disclose the number of tickets sold in the Pick-Six pool or the number or amount of tickets selecting winners of Pick-Six races prior to the time the Stewards have declared the last Pick-Six race on any given date official.

(n) No pari-mutuel ticket for the Pick-Six pool shall be sold, exchanged or cancelled after the time of the closing of wagering in the first of the six races comprising the Pick-Six, except for refunds as required by this section.

(o) This rule shall be prominently displayed throughout the betting area of each association conducting a Pick-Six program.

It should be noted that rules concerning Pick-Six wagering have already been advertised, see N.J.R. 282(C) published on May 8, 1980. The foregoing rules are proposed in the event legal impediments exist in the rules as advertised on May 8, 1980.

STATE INVESTMENT COUNCIL

Amendments Concerning Common Treasury Fund A

On May 22, 1980, Clifford A. Goldman, State Treasurer, pursuant to authority of N.J.S.A. 52:18A-89, on behalf of the State Investment Council and in accordance with applicable provisions of the Administrative Procedure Act, adopted amendments concerning the Common Treasury Fund A (New Jersey Cash Management Fund).

Full text of the adoption follows (additions indicated in boldface thus; deletions indicated in brackets [thus]).

17:16-31.7 Valuation

[Upon each valuation date, as defined below, there shall be a valuation for every investment in the common fund in the method provided for in these regulations. The valuation shall be for the calculation of net income available for distribution as determined in section 9 of this subchapter. These calculations are designed so that] The net asset value per unit of participation shall remain at \$1.00, except only in an instance where net income available for distribution might be negative, in which case the net asset value per unit would be reduced by each participant's proportionate share of such negative amount.

17:16-31.8 Date of valuation

The valuation shall be determined at the opening of business on each business day, and shall be based on realized gains or losses [market prices as of the close of the most recent business day and] accruals, and amortization as of the close of the previous day as set forth in section 9 of this subchapter.

17:16-31.9 Calculation of daily income per participating unit

(a) The income due to the participants in the State of New Jersey Cash Management Fund shall be calculated daily. For the purpose of this calculation, net income available for distribution shall equal the sum of daily interest income, daily discount income, realized gain on sales, [unrealized market gain] and amortized discount, from which sum shall be deducted the sum of realized loss on sales, [unrealized market lose] amortized premium and total daily expenses. Such net income available for distribution shall then be divided by the number of outstanding participating units to determine the daily income per participating unit.

(b) In the case of participating funds of counties, municipalities, school districts and agencies or authorities created by either such entities or the State, (the "other than state funds"), daily income per participating unit shall be further reduced by both a charge to establish a reserve and a charge for administrative expenses.

(c) The charge to establish a reserve shall be in the sum of up to and not to exceed 1/10 of one per cent per annum of the aggregate value of the units owned by the other than State funds, and the daily income per participating unit owned by such other than State funds shall reflect their pro rata share of such sum. [Such charge shall be made only until such time as the value of the fund, (the "Reserve fund") aggregates \$1,000,000, at which time the charge will be discontinued.] The reserve fund shall be a participating fund in the State of New Jersey

Cash Management Fund and shall be credited with and will retain daily income per participating unit in the manner of participating State funds. In the event of a loss occasioned by the bankruptcy of an issuer of a security held by the State of New Jersey Cash Management Fund, or a loss realized upon the sale of a security, such loss will be shared pro rata by all participants in the fund, but the assets of the reserve fund will be applied pro rata in the manner approved by the State Investment Council to that portion of the loss accruing to the "other than State funds." In no event will the application of the assets of the Reserve Fund exceed the loss accruing to the other than State funds, and no State funds will share in the disposition of the assets of the reserve fund. [Similarly, the other than State participants' pro rata share of any gains realized upon the sale of securities by the Fund should be credited to the reserve fund.]

(d) The charge for administrative expenses shall be in the sum of up to and not to exceed 1/10 of one per cent per annum of the aggregate value of the units owned by the other than State funds, and the daily income per participating unit owned by such other than State funds shall reflect their pro rata share of such sum. The charge for administrative expenses shall be paid into a fund whose assets shall be at the disposal of the Treasurer.

(e) The method of calculation of each of the above terms will be in accordance with an agreement between the Treasurer of the State of New Jersey and the custodian bank.

17:16-31.10 Guidelines for valuation of securities

[(a) The Director of the Division of Investment shall use a recognized pricing service approved prior to use by the State Investment Council.

(b) Those securities priced on a yield basis shall be converted to a dollar price.]

[(c)] (a) An investment purchased and awaiting payment against delivery shall be included for valuation purposes as a security and the cost thereof recorded as an accounts payable.

[(d)] (b) An investment sold but not delivered pending receipt of proceeds shall be valued at the net sales price.

[(e)] (c) For the purposes of valuation of an investment, with the exception of investments sold but not delivered, it shall not be necessary to deduct from the value ascertained by this regulation, brokers' commission or other expenses which would be incurred on a sale thereof.

An order adopting these amendments was filed on May 30, 1980 as R.1980 d.235 (Exempt, Procedure Rule) to become effective on July 1, 1980.

"Act" means P.L. 1979, c. 233, Sections 1 through 9.

"Conversion" means the alteration or renovation of a nonresidential building or structure, or hotel, motel, motor hotel or guesthouse, in such manner as to convert such building from its previous use to use as a multiple dwelling.

"Multiple dwelling" means any building or structure of one or more stories, and any land appurtenant thereto, and any portion thereof, in which three or more units of dwelling space are occupied, or are intended to be occupied, by three or more persons who live independently of each other. This definition shall not include hotels, motels, motor hotels, guesthouses, properties subject to the Rooming and Boarding House Act of 1979, or dwelling units of any mutual housing corporation constructed under the Lanham Act (National Defense Housing) on or before June 1, 1941.

18:12-6A.2 Areas in need of rehabilitation

(a) Standards for determining if an area is in need of rehabilitation are as follows:

1. Pursuant to Section 3 of the Act, the governing body of any municipality may determine that areas within such municipality are in need of rehabilitation and that one or more multiple dwellings located within such areas are in need of rehabilitation, or that one or more other buildings or structures located within such areas are in need of rehabilitation and could advantageously be converted to multiple dwellings, or both.

2. No area within a municipality shall be determined to be in need of rehabilitation pursuant to the Act unless:

i. The area has been previously declared, pursuant to N.J.S.A. 40:55-21.1 et seq., to be blighted; or

ii. There is evidence of substantial housing or health code violations in at least 25 per cent of the dwelling units in the area; or

iii. At least 25 per cent of the dwelling units in the area are in buildings at least 40 years old; or

iv. At least 25 per cent of the dwelling units in the area are in buildings having real property tax arrearages in at least the amount of one year's taxes; or

v. The demand for multi family housing within the municipality exceeds the supply and the conversion of non-residential buildings or structures, hotels, motels, motor hotels or guesthouses within the area to use as multiple dwellings would help satisfy the existing demand.

3. No area within a municipality shall be determined to be in need of rehabilitation pursuant to the Act unless there is located therein at least one building which is either:

i. A multiple dwelling deemed to be in need of rehabilitation; or

ii. A non-residential building or structure or hotel, motel, motor hotel or guesthouse deemed to be in need of rehabilitation and capable of being advantageously converted into a multiple dwelling.

4. Any area delineated pursuant to the Act shall bear a reasonable relationship to existing neighborhood boundaries or zones.

5. No boundary shall be established for any area, pursuant to the Act, which unreasonably includes or excludes any particular property.

6. No area shall be so delineated that more than 15 per cent of the privately-owned land contained therein consists either of a single property or of two or more contiguous properties under common ownership or control.

18:12-6A.3 Buildings in need of rehabilitation

(a) Standards for determining if a building is in need of rehabilitation are as follows:

1. A multiple dwelling shall not be deemed to be in need of rehabilitation unless it either:

i. Contains substantial housing or health code violations in or affecting at least 25 per cent of the dwelling units therein; or

ii. Is at least 40 years old.

2. A building, other than a multiple dwelling, shall not be deemed to be in need of rehabilitation unless it either:

i. Contains substantial violations of applicable housing, health, building or safety codes in or affecting at least 25 per cent of the units, in the case of a hotel, motel, motor hotel or guesthouse, or 25 per cent of the area of the building, in the case of any industrial or other non-residential building; or

ii. Is at least 40 years old; or

iii. Cannot feasibly be continued in its present use as a result of functional or economic obsolescence.

18:12-6A.4 Conversion of buildings into multiple dwellings

(a) Standards for determining if a building, other than a multiple dwelling, can be advantageously converted into a multiple dwelling are as follows:

1. No building shall be deemed to be capable of being advantageously converted into a multiple dwelling unless it is either a non-residential building or a hotel, motel, motor hotel or guesthouse.

i. No health care facility licensed or subject to licensure by the State Department of Health shall be deemed to be capable of being advantageously converted into a multiple dwelling.

ii. No building licensed or subject to licensure by the Department of Community Affairs pursuant to the Rooming and Boarding House Act of 1979 shall be deemed to be capable of being advantageously converted into a multiple dwelling.

iii. No building containing sleeping or dwelling accommodations for transient or permanent occupants shall be deemed to be capable of being advantageously converted into a multiple dwelling in the absence of certification by the State Department of Health that the property is neither licensed nor subject to licensure by it or in the absence of certification by the Department of Community

Affairs that the property is neither licensed by it pursuant to the Rooming and Boarding House Act of 1979 not subject to licensure pursuant thereto.

2. No building shall be deemed to be capable of being advantageously converted into a multiple dwelling unless:

i. The building has been vacant for at least one year immediately prior to the filing of any request for exemption pursuant to the Act with any officer of the municipality; or

ii. Proof is presented to the municipality that all persons employed at such building, or who were employed at the building at any time during the preceding twelve-month period and who ceased to be so employed for any reason having to do with the desire of the owner to convert the building into a multiple dwelling, can be or have been readily re-employed in comparable jobs reasonably accessible to them without any reduction in wages or salary.

18:12-6A.5 Relocation assistance

The rehabilitation of any building pursuant to the Act shall be deemed to be part of a "program of voluntary rehabilitation of buildings or other improvements conducted pursuant to governmental supervision" with the meaning of N.J.S.A. 20:4.1.

An order adopting these amendments was filed and became effective on June 16, 1980 as R.1980 d.253 (Exempt, Emergency Rule).

ix. The following expenditures, when made by a lobbyist required to report pursuant to the Act, to or on behalf of a legislator or the immediate family of a legislator, shall be presumed to be made for the purpose of influencing the content, introduction, passage or defeat of legislation. An expenditure is deemed to be made by a lobbyist if such cost is reimbursed by or to the lobbyist or if such cost is deducted as a business expense on any state or federal tax return of the lobbyist.

ii. Where expenditures required to be reported pursuant to paragraph 6ix of this subsection in the aggregate on behalf of any one legislator exceed \$100.00 per year, such expenditures, together with the name of such legislator, shall also be detailed in the same manner as in subparagraph i of this paragraph.

iii. With respect to any public event, such as a reception, to which a majority of all members of the Legislature or of either House of the Legislature is invited, the report shall include the date, purpose, place and total cost of the public event. The costs of any public event need not be allocated among the legislators present at the event for inclusion in the daily or annual calculations under subparagraphs i. and ii. of this paragraph.

iv. For the purposes of calculation for subparagraphs i. and ii. of this paragraph, such expenditures made on behalf of staff and assistants assigned to a legislator shall also be counted towards the aggregate of such expenditure for such legislator.

9. Where a contribution of goods or services is made to a lobbyist for the purposes of lobbying, the value of the contribution shall be the reasonable commercial value of the goods to the lobbyist receiving them. Where an expenditure of goods or services, including travel, is made by a lobbyist to a legislator, the value of the expenditure shall be the reasonable commercial value of the goods or services to the legislator.

10. The Treasurer, designated pursuant to Section 9 of this subchapter, of any lobbyist required to file an annual report hereunder shall certify to the correctness of such report.

19:25-8.7 Anonymous contributions

An anonymous contribution to a person or organization which engages in lobbying shall not be deemed to be a contribution to influence legislation within the meaning of the prohibition on anonymous contributions contained in section 20 of the Act (N.J.S.A. 19:44A-20) unless the contribution is made for the express purpose of lobbying, or is made to a person or organization whose major purpose is to engage in lobbying activity. Any person or organization which engages in lobbying and receives anonymous contributions must report the aggregate amount of all anonymous contribution(s) for purposes of its annual report pursuant to section 6 of this subchapter. For purposes of this section, any person or organization shall be deemed to engage in lobbying activity as its major purpose for any calendar year in which expenditures for such ac-

tivity constitute more than 50 per cent of its total expenditures.

19:25-8.8 Audit by commission; recordkeeping

(a) All annual reports of lobbyists required to be filed pursuant to the Act and these Regulations shall be subject to review and audit by the Commission.

(b) Every lobbyist subject to reporting under this Act shall maintain for a period of three years all records and documents relating to its lobbying activity in New Jersey including but not limited to checks, bank statements, contracts and receipts, so as to provide evidence to support statements in reports filed with the Commission and to permit an adequate basis for auditing by the Commission.

19:25-8.9 Responsibilities for filing annual reports

(a) The lobbyist and its designated Treasurer shall have the responsibility of filing annual reports.

(b) Every principal which itself has a filing obligation pursuant to this subchapter is not relieved of that obligation by virtue of the fact that a contract lobbyist employed by it has a filing obligation as a lobbyist. Every lobbyist which has a filing obligation pursuant to this subchapter is not relieved of that obligation by virtue of the fact that its principal has or may have a filing obligation as a lobbyist.

(c) The covered employee of a corporation or other principal shall not have an obligation of filing an annual report; the obligation to file the annual report will be that of the corporation or other principal.

19:25-8.10 Appointment of treasurer and depository

(a) Every lobbyist required to file an annual report pursuant to section 5 of this subchapter, or which reasonably anticipates making expenditures requiring it to report pursuant to section 8 of this subchapter, shall appoint a treasurer and name a depository and file the names and addresses of such with the Commission on forms designated by the Commission on or before January 31 of each year or as soon thereafter as the obligation to report becomes known to such lobbyist.

(b) Nothing in the Act or these regulations shall be construed to require designation of a corporate treasurer or chief financial officer as treasurer hereunder, or be interpreted to impose depository requirements prohibited by the Commissioner of Banking or the Supreme Court of New Jersey as to the Canons of Ethics for attorneys, of the Public Utilities Commission for utility companies, or of other regulatory agencies.

(c) Every treasurer appointed pursuant to this section shall either be a resident of the State of New Jersey or, in the alternative, the lobbyist must file with the Commission a consent to service of process and submission to jurisdiction in a form satisfactory to the Commission.

(d) In naming a depository pursuant to this section, a lobbyist may designate a separate account for lobbying contributions, receipts and expenditures or it may designate its normal business account for such purpose; provided, however, in either case, a lobbyist must keep records sufficient to permit the Commission to identify and audit such contributions, receipts and expenditures.

(e) The treasurer of a lobbyist may appoint deputy treasurers as may be required and may designate additional depositories. Such lobbyist shall promptly file the names and addresses of deputy treasurers and additional depositories with the Commission.

(f) In the case of the death, resignation or removal of a treasurer, the lobbyist shall appoint a successor as soon as practicable and shall file his name and address with the Commission within three days of such appointment.

19:25-8.11 Advisory opinions

The Commission is authorized, pursuant to section 6 of the Act, to render advisory opinions as to the applicability of the Act to a given specific set of facts and circumstances.

19:25-8.12 Investigations by the commission

(a) The Commission may, pursuant to N.J.S.A. 19:44A-6(b), on its own motion or on the application of any person, conduct investigations to determine the extent to which any candidate, committee, organization or other person or group of persons is complying with the Act.

(b) In the conduct of such investigations, all investigatory powers granted by N.J.S.A. 19:44A-6(b) shall be available to the Commission.

19:25-8.13 Severability clause

If any regulation, or sentence, paragraph or section of these regulations, or the application thereof to any persons or circumstances shall be adjudged by a court of competent jurisdiction to be invalid, or if by legislative action any regulation shall lose its force and effect, such judgment or action shall not affect, impair or void the remainder of these regulations.
