

HOW ACP WORKS

1. Victim of domestic violence, sexual assault, stalking or reproductive health services relocates to an address unknown to the abuser and not contained in any public record.

2.

Victim completes ACP application with an Application Assistant certified by the Director of Division on Women. In order to become a Program Participant, the Applicant must report related to domestic violence, sexual assault or stalking to a law enforcement agency or the court.

3.

Once the Applicant is accepted into ACP, the Director or Director's designee will assign a substitute address to the Program Participant to be used as the Participant's legal mailing address.
