LETTER FROM THE STATE LIBRARIAN

Dear Fresh Start Participants,

Public libraries have existed for hundreds of years as the heart of communities. They are welcoming, safe spaces for people of all ages, abilities and backgrounds. The New Jersey State Library has a mission to ensure that all New Jersey residents have equal access to library services and to the information resources they need to achieve their personal, educational and professional goals. For returning citizens this path can sometimes be complicated and challenging, and too often leads to recidivism. We recognize the gaps in resources and services that may exist locally and we are committed to changing this by offering supplemental library programs that assist returning citizens in their transition home.

We are proud to partner with the New Jersey Department of Labor & Workforce Development, the New Jersey State Parole Board, and the Long Branch Free Public Library (LBFPL) to expand the progressive vision of Library Director Tonya Garcia, to provide support to returning citizens in their local public libraries. In 2009, Garcia launched Fresh Start in LBFPL's technology lab, offering workshops that taught computer skills, job search, resume writing skills, and offered personalized support. With generous funding from the Institute of Museum and Library Services (IMLS), we are now able to leverage the Long Branch Free Public Library's original program and bring reentry services to six public libraries throughout the state. This IMLS grant will enable us to provide one-on-one counseling with a Licensed Social Worker at each participating library, and it will fund payment for 100 people at each location to take the High School Equivalency examination.

We are proud of the Fresh Start @ Your Library team:

Peggy Cadigan, Deputy State Librarian for Innovation and Strategic Partnerships, Program Director

Jondhi Harrell, Program Manager

Nicole Warren, LSW, Social Worker

Sarah Swiderski, MSW, Social Worker

Our hope is that Fresh Start will give you the tools, resources and support you need to help you make a smooth and successful transition back to your community. On behalf of the New Jersey State Library and our partners, we wish you well as you begin a Fresh Start @ Your Library.

Mary L. Chute
