What is the NJ Career Network Job Seeker Community?

A FREE online community to help you in your job search and to connect you with other people who are looking for jobs and with our volunteer coaches. This community offers a supportive network so you know where to turn with your questions and concerns. Volunteer experts and your peers will be here to help you navigate your job search and cope with all aspects of searching for work.

Why should you join?

The job seeker community will share resources, facilitate conversations, and welcome questions about looking for a job. You will gain access to exclusive community member-only events when you join. We also understand that your job search will not be successful unless you are okay, both physically and mentally. That's why the community will be a place for you to share challenges that get in the way of or discourage your job search.

What this community is:

- ▶ A safe space to ask questions and share your concerns.
- ▶ A chance to connect with your peers.
- ▶ A place to participate in conversations and events.
- ▶ A place to share and contribute your knowledge and expertise to your fellow community members.
- ▶ A place to figure out solutions to problems.
- ▶ A network to offer support for your overall well-being.
- ▶ An opportunity to help yourself and others looking for employment.

What this community is not:

- ▶ A job board or other impersonal networking.
- ▶ Networking that ignores the rest of your life.
- ▶ A place to just get information without participating.
