A MESSAGE FROM THE NEW JERSEY STATE LIBRARIAN

It is always gratifying to see the kind comments that TBBC receives from library patrons and partners. Our dedicated staff tends to go above and beyond to make sure patrons get access to what they are interested in and to ensure that people who are blind or low vision are connected to the community. Just recently we were able to produce a braille brochure for a student art show which makes the experience fully available to all. Thank you for continuing to use TBBC’s services, and let us know how we can help you or your family members find quality materials.

Be safe and be well.

Thank you,

Jen

SAYING GOODBYE TO LUZ SANCHEZ TROIANO

On May 31st, Luz Sanchez Troiano will retire after 31 years with TBBC. Luz was hired to be the library’s Spanish Language Outreach Coordinator and has served in this position during her time with the library. In addition to helping our Spanish language patrons to receive audiobooks and magazines in the Spanish language, she participated in countless outreaches to the Hispanic communities across the state to promote our services.

“I have enjoyed serving all patrons and will miss talking with them. I have seen many coworkers come and go and have enjoyed working with them all.”
