SUBJECT: NJFY2023 Per Capita State Aid (PCSA) Payment

By October 1, 2022, the Per Capita State Aid payment of \$105,707 will be sent to your municipal or county treasurer. If the payment is not received by November 4, 2022, please contact me.

If the program had been fully funded by the legislature, your PCSA category of \$0.00 would have resulted in the library receiving \$256,606. The final award this year was equal to 41.194 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2021 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

If you have any questions regarding the computation of the PCSA or the enclosed information, please contact me.

SUBJECT: NJFY2023 Per Capita State Aid (PCSA) Payment

By October 1, 2022, the Per Capita State Aid payment of \$5,658 will be sent to your municipal or county treasurer. If the payment is not received by November 4, 2022, please contact me.

If the program had been fully funded by the legislature, your PCSA category of \$1.25 would have resulted in the library receiving \$13,734. The final award this year was equal to 41.194 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2021 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

If you have any questions regarding the computation of the PCSA or the enclosed information, please contact me.

SUBJECT: NJFY2023 Per Capita State Aid (PCSA) Payment

By October 1, 2022, the Per Capita State Aid payment of \$4,176 will be sent to your municipal or county treasurer. If the payment is not received by November 4, 2022, please contact me.

If the program had been fully funded by the legislature, your PCSA category of \$1.00 would have resulted in the library receiving \$10,137. The final award this year was equal to 41.194 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2021 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

If you have any questions regarding the computation of the PCSA or the enclosed information, please contact me.

The final award this year was equal to 41.194 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2021 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

If you have any questions regarding the computation of the PCSA or the enclosed information, please contact me.

By October 1, 2022, the Per Capita State Aid payment of \$270 will be sent to your municipal or county treasurer. If the payment is not received by November 4, 2022, please contact me.

Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2021 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

SUBJECT: NJFY2023 Per Capita State Aid (PCSA) Payment

By October 1, 2022, the Per Capita State Aid payment of \$7,536 will be sent to your municipal or county treasurer. If the payment is not received by November 4, 2022, please contact me.

If the program had been fully funded by the legislature, your PCSA category of \$1.25 would have resulted in the library receiving \$18,295. The final award this year was equal to 41.194 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2021 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

If you have any questions regarding the computation of the PCSA or the enclosed information, please contact me.

SUBJECT: NJFY2023 Per Capita State Aid (PCSA) Payment

By October 1, 2022, the Per Capita State Aid payment of \$3,083 will be sent to your municipal or county treasurer. If the payment is not received by November 4, 2022, please contact me.

If the program had been fully funded by the legislature, your PCSA category of \$1.25 would have resulted in the library receiving \$3,486. The final award this year was equal to 41.194 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2021 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

If you have any questions regarding the computation of the PCSA or the enclosed information, please contact me.

SUBJECT: NJFY2023 Per Capita State Aid (PCSA) Payment

By October 1, 2022, the Per Capita State Aid payment of \$13,049 will be sent to your municipal or county treasurer. If the payment is not received by November 4, 2022, please contact me.

If the program had been fully funded by the legislature, your PCSA category of \$1.25 would have resulted in the library receiving \$31,676. The final award this year was equal to 41.194 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2021 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

If you have any questions regarding the computation of the PCSA or the enclosed information, please contact me.

The final award this year was equal to 41.194 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2021 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

If you have any questions regarding the computation of the PCSA or the enclosed information, please contact me.

SUBJECT: NJFY2023 Per Capita State Aid (PCSA) Payment

By October 1, 2022, the Per Capita State Aid payment of \$5,277 will be sent to your municipal or county treasurer. If the payment is not received by November 4, 2022, please contact me.

If the program had been fully funded by the legislature, your PCSA category of \$1.25 would have resulted in the library receiving \$12,810. The final award this year was equal to 41.194 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2021 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature
