SUBJECT: NJFY2024 Per Capita State Aid (PCSA) Payment

By October 1, 2023, the Per Capita State Aid payment of \$115,761 will be sent to your municipal or county treasurer. If the payment is not received by November 4, 2023, please contact me.

If the program had been fully funded by the legislature, your PCSA category of \$0.00 would have resulted in the library receiving \$262,870. The final award this year was equal to 44.037 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2022 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

If you have any questions regarding the computation of the PCSA or the enclosed information, please contact me.

The payment is based on the data submitted for 2022 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

SUBJECT: NJFY2024 Per Capita State Aid (PCSA) Payment

By October 1, 2023, the Per Capita State Aid payment of \$5,122 will be sent to your municipal or county treasurer. If the payment is not received by November 4, 2023, please contact me.

If the program had been fully funded by the legislature, your PCSA category of \$1.25 would have resulted in the library receiving \$11,630. The final award this year was equal to 44.037 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2022 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

If you have any questions regarding the computation of the PCSA or the enclosed information, please contact me.

SUBJECT: NJFY2024 Per Capita State Aid (PCSA) Payment

By October 1, 2023, the Per Capita State Aid payment of \$5,537 will be sent to your municipal or county treasurer. If the payment is not received by November 4, 2023, please contact me.

If the program had been fully funded by the legislature, your PCSA category of \$1.25 would have resulted in the library receiving \$12,573. The final award this year was equal to 44.037 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2022 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

If you have any questions regarding the computation of the PCSA or the enclosed information, please contact me.

SUBJECT: NJFY2024 Per Capita State Aid (PCSA) Payment

By October 1, 2023, the Per Capita State Aid payment of \$6,181 will be sent to your municipal or county treasurer. If the payment is not received by November 4, 2023, please contact me.

If the program had been fully funded by the legislature, your PCSA category of \$1.25 would have resulted in the library receiving \$14,036. The final award this year was equal to 44.037 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2022 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

If you have any questions regarding the computation of the PCSA or the enclosed information, please contact me.

SUBJECT: NJFY2024 Per Capita State Aid (PCSA) Payment

By October 1, 2023, the Per Capita State Aid payment of \$20,432 will be sent to your municipal or county treasurer. If the payment is not received by November 4, 2023, please contact me.

If the program had been fully funded by the legislature, your PCSA category of \$1.25 would have resulted in the library receiving \$46,396. The final award this year was equal to 44.037 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2022 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

If you have any questions regarding the computation of the PCSA or the enclosed information, please contact me.

SUBJECT: NJFY2024 Per Capita State Aid (PCSA) Payment

By October 1, 2023, the Per Capita State Aid payment of \$34,878 will be sent to your municipal or county treasurer. If the payment is not received by November 4, 2023, please contact me.

If the program had been fully funded by the legislature, your PCSA category of \$1.25 would have resulted in the library receiving \$79,201. The final award this year was equal to 44.037 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2022 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

If you have any questions regarding the computation of the PCSA or the enclosed information, please contact me.

SUBJECT: NJFY2024 Per Capita State Aid (PCSA) Payment

By October 1, 2023, the Per Capita State Aid payment of \$1,056 will be sent to your municipal or county treasurer. If the payment is not received by November 4, 2023, please contact me.

If the program had been fully funded by the legislature, your PCSA category of \$1.25 would have resulted in the library receiving \$2,398. The final award this year was equal to 44.037 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2022 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

If you have any questions regarding the computation of the PCSA or the enclosed information, please contact me.

SUBJECT: NJFY2024 Per Capita State Aid (PCSA) Payment

By October 1, 2023, the Per Capita State Aid payment of \$1,886 will be sent to your municipal or county treasurer. If the payment is not received by November 4, 2023, please contact me.

If the program had been fully funded by the legislature, your PCSA category of \$1.00 would have resulted in the library receiving \$4,282. The final award this year was equal to 44.037 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2022 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

If you have any questions regarding the computation of the PCSA or the enclosed information, please contact me.

SUBJECT: NJFY2024 Per Capita State Aid (PCSA) Payment

By October 1, 2023, the Per Capita State Aid payment of \$4,430 will be sent to your municipal or county treasurer. If the payment is not received by November 4, 2023, please contact me.

If the program had been fully funded by the legislature, your PCSA category of \$1.25 would have resulted in the library receiving \$10,059. The final award this year was equal to 44.037 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2022 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

If you have any questions regarding the computation of the PCSA or the enclosed information, please contact me.

By October 1, 2023, the Per Capita State Aid payment of \$12,358 will be sent to your municipal or county treasurer. If the payment is not received by November 4, 2023, please contact me.

If the program had been fully funded by the legislature, your PCSA category of \$1.25 would have resulted in the library receiving \$28,063. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2022 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

If the program had been fully funded by the legislature, your PCSA category of \$1.25 would have resulted in the library receiving \$68,548. The final award this year was equal to 44.037 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2022 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

If the program had been fully funded by the legislature, your PCSA category of \$0.00 would have resulted in the library receiving \$0. The final award this year was equal to 44.037 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2022 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

Your public library failed to meet the following administrative-code criteria based upon its 2022 annual report (see printout for details):

1. employees
2. volumes owned
3. volumes purchased
4. periodicals
5. service hours
6. internet
7. training Board

The sum of your library's deductions was 100 percent.

SUBJECT: NJFY2024 Per Capita State Aid (PCSA) Payment

By October 1, 2023, the Per Capita State Aid payment of \$7,313 will be sent to your municipal or county treasurer. If the payment is not received by November 4, 2023, please contact me.

If the program had been fully funded by the legislature, your PCSA category of \$1.25 would have resulted in the library receiving \$16,606. The final award this year was equal to 44.037 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2022 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served

SUBJECT: NJFY2024 Per Capita State Aid (PCSA) Payment

By October 1, 2023, the Per Capita State Aid payment of \$12,506 will be sent to your municipal or county treasurer. If the payment is not received by November 4, 2023, please contact me.

If the program had been fully funded by the legislature, your PCSA category of \$1.25 would have resulted in the library receiving \$28,399. The final award this year was equal to 44.037 percent of full funding, after making any deductions necessary for the failure to meet administrative code requirements. Funding permitting, a library that meets all of the administrative code requirements will receive no less than the 1967-base-year-aid provisions. The 1967 amount may be viewed in the information enclosed.

The payment is based on the data submitted for 2022 and is determined (except of Cumberland and Morris Counties) as follows:

- (a) Divide the total tax (excluding bonds, interest and capital expenses) by the equalized valuation of the municipality
- (b) match this figure to the appropriate aid category as listed in N.J.S.A. 18A:74-3
- (c) multiply the appropriate aid category (\$.50 to \$1.50) by the population served
- (d) multiply this number by the funding level of the legislature

If you have any questions regarding the computation of the PCSA or the enclosed information, please contact me.
