ABOUT THE NJCPA

- The New Jersey Society of Certified Public Accountants (NJCPA) serves the needs of CPAs, accounting professionals and students in public practice, business & industry, government and education.
- We serve the needs of our nearly 13,000 members by promoting and maintaining high professional and ethical standards of public accountancy in the state of New Jersey, developing and improving accountancy education, and protecting the interests of the public and the members of the Society.
- Our members enjoy giving back to the community.
