SUBCHAPTER 8. HEARINGS

3:40-8.1 Presiding officer

The hearing for the purpose of taking evidence pursuant to these rules and regulations shall be conducted by a hearing officer designated by the Board or the Commissioner of Banking unless the Board or any member thereof presides. Such hearings shall be public unless otherwise ordered, for good cause, by the Board or the hearing officer.

3:40-8.2 Recording of the hearing

An official reporter shall make the only official transcript of such proceedings. Copies of the official transcript will not be provided by the Board. Copies of the official transcript may be purchased by arrangement with the official reporter or if transcribed for the Board may be examined in the Board's office in Trenton during normal working hours.

3:40-8.3 Hearing officer's powers

(a) It shall be the duty of the hearing officer to inquire fully into the facts as they relate to the matter before him. With respect to cases assigned to him, between the time he is designated and the transfer of the case to the Board, the hearing officer shall have the authority, subject to these rules and regulations and the Act, to:

1. Administer oaths and affirmations;

2. Grant applications for subpoenas;
3. Rule upon offers of proof and receive relevant evidence;
4. Take or cause dispositions to be taken whenever the ends of justice would be served thereby;
5. Limit lines of questioning or testimony which are repetitive, cumulative or irrelevant;
6. Regulate the course of the hearing and, if appropriate or necessary, exclude persons or counsel from the hearing for contemptuous conduct and strike all related testimony of witnesses refusing to answer any proper question;
7. Hold conferences for the settlement or simplification of the issues by consent of the parties;
8. Dispose of procedural requests, motions or similar matters which shall be made part of the record of the proceeding, including motions referred to the hearing officer by the executive director and motions to amend pleadings, also to recommend dismissal of cases or portions thereof, and to order hearings reopened prior to issuance of the hearing officer's report and recommendations;
9. Call, examine and cross-examine witnesses and to introduce into the record documentary or other evidence;
10. Request the parties at any time during the hearing to state their respective positions concerning any issue in the case or theory in support thereof;
11. Take any other action necessary under the foregoing and authorized by the rules and regulations of the Board.

3:40-8.4 Unavailability of hearing officer

In the event the hearing officer designated to conduct the hearing becomes unavailable, the Board or the Commissioner of Banking upon the agreement of all of the parties involved, may designate another hearing officer for the purpose of further hearing or issuance of a report and recommendations on the record as made, or both.

3:40-8.5 Procedure

Any party shall have the right to appear at such hearing on his own behalf or by counsel, to call, examine and cross-examine witnesses, and to introduce into the record documentary or other relevant evidence, except that the participation of any party shall be limited to the extent permitted by the hearing officer; and provided further, that five copies of documentary evidence shall be submitted. The hearing officer at his discretion may permit a reduced number of copies of documentary evidence for good cause shown.

3:40-8.6 Admissibility of evidence

The parties shall not be bound by rules of evidence whether statutory, common law or adopted by the rules of court. All relevant evidence is admissible, except as otherwise provided. The Board or hearing officer may, on its or his discretion, exclude any evidence or offer of proof if it or he finds that its probative value is substantially outweighed by the risk that its admission will either necessitate undue consumption of time or create substantial danger of undue prejudice or confusion. The Board or hearing officer shall give effect to the rules of privilege recognized by law. Every party shall have a right to present his cause by oral and documentary evidence and to submit rebuttal evidence. Every party and the hearing officer shall have the right to examine and cross-examine as may be required for a full and true disclosure of the facts.

these rules and regulations shall have the burden of proving the allegations of the charge by a preponderance of the evidence.

3:40-8.8 Statement of facts

In any proceeding an agreed statement of facts may be introduced into the record with respect to any issue. An agreed statement of facts may be accepted by the Board or hearing officer for a decision without a hearing. The acceptance of an agreed statement of facts by the Board or hearing officer may be deemed a waiver of a right to hearing.

3:40-8.9 Objections

(a) Any objection with respect to the conduct of the hearing, including any objection to the introduction of evidence, may be stated orally or in writing accompanied by a short statement of the grounds for such objection, and included in the record. No such objection shall be deemed waived by further participation in the hearing. Such objection shall not stay the conduct of the hearing.

(b) Automatic exceptions will be allowed to all adverse rulings. The Board shall, in its discretion, have the authority, for good cause shown, to review any objection to the rulings of a hearing officer or the conduct of a hearing. The aforementioned review by the Board shall not stay the conduct of the hearing unless otherwise ordered by the Board. An objection not duly urged before a hearing officer shall be deemed waived unless the failure to urge such objection shall be excused by the Board because of extraordinary circumstances.

3:40-8.10 Privileges of parties

(a) Any party shall be entitled, upon request, to a reasonable period prior to the close of the hearing for oral argument, which shall be included in the official transcript of the hearing.

(b) Any party shall be entitled, upon request made before the close of the hearing, to file a brief or proposed findings and conclusions, or both, with the hearing officer who may fix a reasonable time for such filing, but not in excess of 21 days from the close of the hearing. Requests for further extensions of time for good cause shown shall be made to the Board.

(c) No request will be considered unless received at least three days prior to the expiration of the time fixed for the filing of briefs or proposed findings and conclusions, unless expressly authorized by the Board.

(d) Notice of the request for any extension shall be served simultaneously on all other parties, and proof of service shall be furnished.

(e) Five copies of any brief or proposed findings and conclusions shall be filed with the hearing officer, and copies shall be served simultaneously on the other parties, and a statement of such service shall be furnished.

3:40-8.11 Adjournments

At the discretion of the hearing officer, the hearing may be continued from day to day, or adjourned to a later date or to a different place, by announcement thereof at the hearing by the hearing officer, or by other appropriate notice.

3:40-8.12 Report of hearing officer

(a) After completion of the hearing, or upon the consent of the parties prior to the conclusion of the hearing, the hearing officer shall transfer the case to the Board including the hearing officer's report and recommended finding of fact and con-

clusions of law, and the record.

(b) The hearing officer's report and recommendations, where appropriate, should include the remedial action to be taken and notices to be posted.

(c) The record shall include the petition or charge, notice of hearing, motions, rulings, orders, official transcript of the hearing, stipulations, exceptions, documentary evidence and any briefs or other documents submitted by the parties.

(d) The Board shall cause the report and recommendations of the hearing officer to be served promptly on all parties to the proceeding.

(e) Five copies of any exceptions to the hearing officer's report and recommendations may be filed by any party with the Board within seven days after service of the report and recommendations, provided, however, that the executive director may for good cause shown extend the time for filing such exceptions. Copies of such exceptions and any supporting briefs shall be served simultaneously on all parties, and a statement of such service shall be furnished to the Board.

3. Designate by precise citation of page the portions of the record relied on, state the grounds for the exceptions, and include the citation of authorities unless set forth in a supporting brief. Any exception which fails to comply with the foregoing requirements may be disregarded.

(b) Any brief in support of exceptions shall contain no matter not included within the scope of the exceptions and shall contain, in the order indicated, the following:

1. A concise statement of the case containing all that is material to the consideration of the questions presented;

2. A specification of the questions involved and to be argued;

3. The argument, presenting clearly the points of fact and law relied on in support of the position taken on each question, with specific page reference to the transcript and the legal or other material relied on.

(c) Answering briefs to the exceptions, and cross-exceptions and supporting briefs, may be filed upon application at the discretion of the Board.

3:40-8.14 Decision of the Board

(a) After considering the hearing officer's report and recommendations, the record and any exceptions filed, the Board shall issue its decision.

(b) Parties shall be notified either personally or by mail of any decision or order.

(c) Upon request, a copy of the decision or order shall be delivered or mailed forthwith by registered or certified mail to each party and to his attorney of record.

(d) In cases alleging a violation of the Act and these rules and regulations and upon finding such violation, the Board shall order the respondent to cease and desist from conduct violative of the Act and these rules and regulations and may require the respondent to take such affirmative corrective action as he deems appropriate to effectuate the policies of the Act and these rules and regulations.

(e) The Board shall also assess whatever statutory fines it deems appropriate.

3:40-8.15 Compliance

Where remedial action is ordered, compliance with decisions and orders of the Board shall be achieved by the respondent reporting to the Board, within a specified period, that the required remedial action has been taken.

SUBCHAPTER 9. HEARING CONDUCTED BY BOARD

CIVIL SERVICE COMMISSION

Revise State Service Personnel Manual on Prohibition Against Political Activity

On March 26, 1975, the New Jersey Civil Service Commission, pursuant to authority of N.J.S.A. 11:5-1 and in accordance with applicable provisions of the Administrative Procedure Act of 1968, adopted revisions to Subpart 21-3.101 of the Civil Service Personnel Manual (State Service) concerning the prohibition against political activity.

Full text of the revised rules follows:

Subpart 21-3.101 Prohibition Against Political Activity
21-3.101a Subject

This subpart deals with the restrictions on political activities of State officers subject to the provisions of the Hatch Act as modified by Section 401(a) of the Federal Elections Campaign Act Amendments of 1974.

21-3.101b Authority

The following was sent out by the Attorney General's Office and is provided for your information:

"The Office of the Attorney General has often indicated to officials in the State government that in instances where a principal executive department, division or agency administers activities and programs which are financed in whole or in part by loans or grants made by the United States govern-

ment to the State of New Jersey, the executive or administrative head and employees of such department, division or agency fall within the purview of the limitations on political activity spelled out in the Hatch Act. 5 U.S.C. 1501 et seq. The restrictions on political activities of State officers and employees subject to the provisions of the Act are set forth in Section 1502(a) as follows:

(a) A State or local officer or employee may not:

(1) Use his official authority or influence for the purpose of interfering with or affecting the result of an election or a nomination for office;

(2) Directly or indirectly coerce, attempt to coerce, commend, or advise a State or local officer or employee to pay, lend or contribute anything of value to a party, committee, organization, agency or person for political purposes; or

(3) Take an active part in political management or in political campaigns."

"Please be advised that Section 401(a) of the recently enacted Federal Elections Campaign Act Amendments of 1974 (P.L. 93-443) has significantly modified the restrictions imposed on the political activities of State officers and employees insofar as it eliminates any ban on active participation in political management and campaigns as of January 1, 1975. The restriction to be imposed by Section 1502(a) (3) of the Hatch Act as of January 1, 1975 will simply foreclose a covered official or employee from being a candidate for partisan elective office. Therefore, State officers and employees subject to the political limitations imposed by the Hatch Act may take an active part in political management and in political campaigns as of January 1, 1975 except that they may not be candidates for partisan elective office. However, the limitations on political activities set forth in Section 1502(a) (1) and (2) of the Act relating to the use of official influence on elections and coercion of employees to contribute for political purposes remain in force and effect."

An order adopting these revised rules was filed March 31, 1975, as R.1975 d.88 (Exempt, Procedure Rule). Take notice that these rules are not subject to codification and will not appear in Title 4 of the New Jersey Administrative Code.

SUBTITLE G. OFFICE OF OPEN LANDS CONSERVATION

CHAPTER 35. REAL PROPERTY TAXATION

SUBCHAPTER 1. GENERAL PROVISIONS

7:35-1.1 Purpose and scope

In order to help satisfy the acute need in New Jersey for natural open space areas for public recreation and conservation purposes, the Legislature has found that it is "in the public interest to encourage the dedication of privately-owned open space to public use and enjoyment . . ." (N.J.S.A. 54:4-3.36 et seq.). These rules and regulations are supplemental to and not in derogation of existing tax laws.

7:35-1.2 Definitions

ervation, hunting, boating, recreation centers, winter sports and similar uses for public recreation and conservation of natural resources.

"Public use" means a use or right of use available to the general public or some portion thereof for conservation or recreation purposes. Such use, and any limits thereon, shall be based on the uses best suited to the land, the capacity of the facility and the public benefits or advantages to be derived therefrom.

"Roll back taxes" means taxes in the amount equal to the taxes which would have been payable on the property had it not been exempt in the current tax year (the year of sale or change in use), and in each of the two tax years immediately preceding in which the real property was exempt, with interest compounded at 8 per cent annually.

7:35-1.3 Eligible organizations

Any nonprofit organization who qualifies for exemption from Federal Income Tax under Section 501 (c) (3) of the Internal Revenue Code and who owns natural open space land in the State of New Jersey is eligible to make application under this program.

7:35-1.4 Eligible real property

2. It must be open for public use on an equal basis;
3. Tax exemption must be determined by the Commissioner to be in the public interest;
4. Fees charged for entrance onto or use of the real property must be determined by the Commissioner to be non-discriminatory fees consistent with the cost of maintenance or improvement of the property;
5. Restrictions on the use of the real property by the public must be determined by the Commissioner to be necessary for proper maintenance and improvement of the property or because significant natural features of the land may be adversely affected by unrestricted access.

7:35-1.5 Application procedures

(a) In order to apply, a nonprofit organization must submit to the Department three copies of the following documents by August 1 of the pretax year.

7. A copy of the applicant's certificate of incorporation, articles of association or the charter and by-laws.

(b) The Department has the right to enter upon the land for the purposes of a site inspection after application has been made.

(c) A public hearing will be held on the first Thursday after

the first Monday in September of the pretax year or at such time as designated by the Commissioner. The Commissioner will advertise the time and location of the hearing in an official advertising newspaper of the area in which the property is located.

(d) Prior to the hearing two copies of each item submitted in application will be sent to the local tax assessor. A copy of the Department of Environmental Protection letter of notification of receipt will be sent to the applicant and to the applicable county board of taxation, with original to local tax assessor.

(e) On or before September 15 of the pretax year the Commissioner will make a declaration of certification and shall notify the applicant, the local tax assessor, and the county board of taxation. The Commissioner may consult with the Natural Areas Council and others prior to making a determination.

(f) Not later than July 1 of every third-calendar year succeeding the year of certification the applicant shall submit a form DEP/TE 102, and form F.S. Rev. June 1970 "Further Statement" informing the Department of current land use.

7:35-1.6 Change of status

When real property which is exempted under the provisions of this Act is applied to a use other than public recreation and conservation purposes, or is sold to an organization not qualifying for tax exemption under the Federal Internal Revenue Service Section 501(c)(3), then the applicant shall notify the Department. That property shall be subject to roll back taxes.

7:35-1.7 Save harmless liability

The nonprofit organization, its servants, licensees, agents or invitees shall accept all liability arising out of the use of the certified property.

7:35-1.8 Amendments

Revisions on the Control and Prohibition Of Air Pollution from Light-Duty, Gasoline-Fueled Motor Vehicles

On April 1, 1975, David J. Bardin, Commissioner of the Department of Environmental Protection, pursuant to the authority of N.J.S.A. 26:2C-8.1 et seq., and N.J.S.A. 13:1D-1 et seq. and in accordance with applicable provisions of the Administrative Procedure Act of 1968, adopted revisions to N.J.A.C. 7:27-15.1 et seq. concerning emission standards for light-duty gasoline-fueled motor vehicles, as proposed in the Notice published May 9, 1974, at 6 N.J.R. 173(a). The rules adopted herein represent amendments to N.J.A.C. 7:27-15.1 et seq. which were reserved for adoption subsequent to a public hearing held June 11, 1974. These amendments to N.J.A.C. 7:27-15.4 establish inspection standards for 1975-76 model year vehicles for the second and third steps of the inspection program as indicated on Table 1 of this Subchapter and hereafter referred to as Phase II and Phase III standards.

The Department delayed adoption of these standards in order to accommodate requests by the automotive manufacturing industry made at the aforementioned public hearing, that the Department evaluate 1975 model year vehicles under actual motorist usage before developing regulations, in order to avoid placing unreasonable restrictions on the motor-

ing public. Recent analyses of the experience of the State of Oregon and the cities of Chicago and Cincinnati in testing motor vehicle emissions as well as data for 1975 cars submitted by the Ford Motor Company and the Chrysler Corporation demonstrate that not only are the Phase II and Phase III standards reasonable and attainable but that newly manufactured vehicles are in fact performing with much lower rates of emission.

This amendment establishes an allowable emission of 3.0 per cent (CO) and 300 ppm (HC) for 1975 and 1976 model year vehicles during Phase II and a 2.0 per cent (CO) and 200 ppm (HC) allowable emission for this vehicle class during Phase III. These standards will be applied to vehicles tested in the idle mode in keeping with the aforementioned notice and public hearing and will become effective on October 1, 1975, pursuant to the statutory waiting period, required by N.J.S.A. 26:2C-8.2.

The pertinent Section, N.J.A.C. 7:27-15.4(b) and Table 1 which contains all of the changes adopted April 1, 1975, follows below. This amendment has been adopted after consultation with the Director of the Division of Motor Vehicles.

Whereas, N.J.A.C. 7:27-15.1 et seq. (formerly New Jersey Air Pollution Control Code, Chapter 15), effective July 5, 1972, in accordance with N.J.S.A. 26:2C-8.1 et seq., as amended, sets forth standards for the maximum amount of carbon monoxide and hydrocarbons permitted in the exhaust from light-duty gasoline-fueled motor vehicles; and

Whereas, the Division of Motor Vehicles has proposed certain changes and reorganization in the motor vehicle inspection system including proposed legislation to that end; and

Whereas, allowing the second stage motor vehicle emission standards to become effective in the midst of such reorganization would be administratively disruptive to the Division of Motor Vehicles in the Department of Law and Public Safety; and

Whereas, the Attorney General of New Jersey has requested a delay in the effective date of said standards to allow for legislative consideration; and noting that the Attorney General has also requested a further delay to provide the Division of Motor Vehicles with a reasonable time for implementation in case of action by the Legislature; and

Whereas, the delay of said standards will account for a slowdown in the rate of motor vehicle emissions reduction predicted for 1975 but, with the implementation of the third stage motor vehicle emission standards in 1976, the original predicted emission reduction rate will be maintained after 1976.

Now, therefore, after consultation with the Director of the Division of Motor Vehicles and under the powers and duties conferred upon me by the New Jersey Administrative Procedure Act (N.J.S.A. 52:14B-4(c)) which empowers the Commissioner of the Department of Environmental Protection to adopt, amend or repeal an administrative rule whenever the Department determines that an imminent peril to the public health, safety and welfare exists, I do hereby amend N.J.A.C. 7:27-15.1 et seq. (formerly Chapter 15 of the New Jersey Air Pollution Control Code), so as to delay the effective date of the second stage motor vehicle inspection program until August 1, 1975.

The foregoing rulemaking orders necessary to comply with the Air Pollution Control Act, (N.J.S.A. 26:2C-1 et seq.) and the Administrative Procedure Act, (N.J.S.A. 52:14B-1 et seq.), have resulted in the changes to N.J.A.C. 7:27-15.4(b) which are reflected in the following text (additions indicated in boldface **thus**; deletions in brackets [thus]):

7:27-15.4(b)

Any light-duty, gasoline-fueled motor vehicle which is subject to inspection by the Division of Motor Vehicles in accordance with the provisions of N.J.S.A. Titles 39:8-1, as a condition of compliance with said inspection, shall not emit carbon monoxide (CO) and/or hydrocarbons (HC) in the exhaust emissions in excess of standards set forth in Table 1, when measured using an approved exhaust gas analytical system and the prescribed inspection procedure.

HEALTH

THE COMMISSIONER

Proposed Narcotic Treatment Standards

The State Department of Health, pursuant to authority of N.J.S.A. 26:2G-36, proposes to adopt new narcotic treatment standards.

Full text of the proposed rules follows:

SUBCHAPTER 7. NARCOTIC TREATMENT STANDARDS

8:63-7.1 Applicability

These standards are applicable to all drug abuse programs and projects which provide treatment and rehabilitation services, including but not limited to, outpatient methadone, residential methadone, residential drug free, outpatient drug free and day care drug free.

8:63-7.2 Definitions

"Patient" means any person who has been accepted for treatment or rehabilitation services.

"Program" means an activity which provides facilities and services for the treatment or rehabilitation of drug abuse patients.

"Program director" means the person having the ultimate responsibility for supervising and conducting a drug abuse treatment and/or rehabilitation program.

"Treatment plan" means that mode of treatment or rehabilitation that is determined appropriate by the program and the patient to meet his needs.

8:63-7.3 General requirements

(a) The program shall provide the necessary facilities, materials, services and personnel for the operation of a drug abuse treatment and rehabilitation facility:

1. Provide services through such drug abuse treatment or rehabilitation facilities as may be appropriate at such site or sites as shall be approved by the Division of Narcotic and Drug Abuse Control.

2. Maintain all facilities in a clean, safe and attractive condition in accordance with applicable standards established by Federal, State and local laws.

3. Have an approved criteria which meet the requirements of this part for the admission of patients and the termination of services to them.

4. Install and maintain appropriate equipment and furnishings which are suitable for the type of treatment and rehabilitation services being conducted.

5. Establish procedures by which a complete personal, medical and drug history for each patient will be developed upon the patient's entry to the program and maintained throughout the treatment and rehabilitation process. This is essential for the purpose of identifying symptoms of illness requiring immediate psychiatric or medical care and for the development of the patient's treatment plan. The intake process must proceed expeditiously to avoid discouragement and should not exceed a period of three days.

8:63-7.4 Minimum standards for physical and laboratory examinations

(a) A physical and laboratory examination should be administered by qualified personnel as soon as practicable after the patient's admission but not later than 21 days after such admission. The procedures for such examination shall be detailed in the patient's treatment plan. Residential drug free programs are required to perform physical examinations at the earliest practicable time. If the residential program has an induction phase, the physical examination should be performed during the period of such phase. This criterion is not intended to supersede FDA regulations requiring a physical examination at intake.

(b) The physical and laboratory examination of each patient shall include:

1. Diagnosis designed to reveal the existence of infectious disease, pulmonary, liver, cardiac abnormalities, dermatologic sequelae of addiction and possible concurrent surgical problems;

2. Complete blood count and differential;

3. Serological tests for syphilis;

4. Routine and microscopic urinalysis;

5. Urine screening for drugs (toxicology);

6. SMA 12/60 or equivalent;

7. Chest X-ray;

8. Sickle cell, as appropriate;

9. Australian antigen, as appropriate; and

10. EKG and biological tests for pregnancy, as appropriate.

8:63-7.5 Preadmission interview

(a) Each patient seeking admission or readmission shall be interviewed by a qualified mental health professional (that is, a person who by virtue of training and experience is capable of assessing the psychological and sociological background of drug abusers to determine the optimum treatment plan). Under the supervision and guidance of the mental health professional, the staff shall take a complete personal history which should include the following information:

1. Family background;

2. Educational achievement;

3. Vocational achievement;

4. Problems of a legal nature, including history of criminal conduct;

5. History relating to the use of drugs, including types of drugs abused, the extent of abuse and prior treatment experience; and

6. Any other relevant information bearing on the patient's drug abuse problem.

(b) A primary objective of the admission interview is for the program and the patient to determine the most appropriate mode of treatment for the patient and to assure that he understands the nature of the program's available alternatives and what may be expected of him. Any program of treatment recommended should be designed to meet the needs of the patient consistent with the projected program expectations. Where a central intake unit (CIU) provides the intake screening, it is the responsibility of the program to which the patient has been referred by the CIU to develop an individually tailored treatment plan appropriate for the patient involved after a careful review of the records and an interview with the patient.

(c) For persons receiving outpatient treatment, individual treatment plans shall be reexamined and altered where necessary, by the treatment team no less than every 90 days. For all other modalities, the individual treatment plan shall be reviewed and reexamined every 30 days. A complete report

of each review shall be recorded in the patient's clinical record.

(d) Each treatment plan must include documented information relating to:

1. Short and long term goals for treatment generated by both staff and patient;
2. The assignment of a primary counselor;
3. A delineation of the type and frequency of counseling services to be provided; and
4. A delineation of those supportive services needed by the individual patient.

8:63-7.6 Medical services

(a) Each program shall designate a medical director who must assume medical responsibility for the drug abuse treatment and rehabilitation program and be licensed to practice medicine in New Jersey. He must insure that the initial evaluation is properly performed and that the medical needs of each patient are periodically evaluated, and that emergency medical services, when needed, are adequately provided. It is also the responsibility of the medical director to determine what emergencies that might arise. Medical services which are not directly related to the provision of drug abuse treatment services should be provided through city, county or private medical facilities.

(b) Each program shall, for those patients receiving prescription medication through the program establish procedures under which consultation with a program physician will be provided, at a minimum, once every four weeks, or more frequently if the needs of the patient require it.

8:63-7.7 Agreement for emergency services

Each program is required to formalize a written agreement with a licensed hospital or hospitals in the community for the purpose of providing emergency, inpatient and ambulatory medical services as needed.

8:63-7.8 Mental health consultation

Each program shall provide a minimum of five hours per week of professional mental health consultation per 100 patients. The objective of this consultation should be to review selected cases and to provide assistance to the staff in patient management or for the referral for psychiatric services.

8:63-7.9 Counseling

A variety of counseling techniques may be utilized in individual, family or group counseling sessions conducted by trained personnel under the supervision of a duly qualified professional. In outpatient methadone and outpatient drug free programs each patient shall have available, through program staff or consulting contract, a minimum of three hours per week of counseling. In residential drug free, residential methadone, and day care drug free program, a minimum of ten hours per week of formalized counseling shall be available for each patient. These counseling guidelines should be considered minimum for planning purposes; however, the actual counseling allotted should be based upon individual client needs.

8:63-7.10 Provision for supportive services

- (a) The following supportive services shall be provided:
1. Educational;
 2. Vocational counseling and training;
 3. Job development and placement; and
 4. Legal services through local licensed lawyers.

(b) To the maximum extent possible programs shall utilize community resources to provide these services. Documentation of the services set forth in this Section shall be provided. Services provided to patients shall be documented in the patients records.

8:63-7.11 Procedures for urine surveillance

(a) The following procedures shall be followed for urine surveillance:

1. Urine specimens from each patient must be collected in a manner that minimizes falsification and on a randomly scheduled basis. In programs dispensing methadone, urine specimens for all patients must be analyzed weekly for opiates, methadone, amphetamines, barbiturates, as well as other drugs as indicated. For all other programs, it is recommended that urine specimens from all patients be analyzed at least monthly for opiates, methadone, amphetamines, barbiturates, as well as other drugs as indicated. More frequent testing should occur when clinically indicated. Exceptions to these requirements may be authorized in particular circumstances.

2. Laboratories used for urine testing shall comply with all State and Federal proficiency testing and licensure programs that are acceptable to the secretary of DHEW laboratories covered by this requirement include any independent, clinical, government or program facility that offers to perform presumptive analysis for screening purposes as well as definitive qualitative analysis for confirmed identifications.

3. Urine testing results shall be used as one clinical tool for purposes of diagnosis, patient management, and in the determination of patient treatment plans. Patient records must reflect the manner in which test results are utilized, and shall distinguish presumptive from definitive qualitative laboratory results.

4. Clinical directors electing to rely upon presumptive urinalysis results for patient management must demonstrate adequate access to definitive qualitative laboratory analysis for use when necessary, that is, clinical justice system records, intake urine testing on all prospective methadone clients, any loss of patient privileges based on urinalysis results, and for random checks on less frequently used drugs not detectable by a screening method.

8:63-7.12 Vocational rehabilitation and employment programs

All patients enrolled in outpatient treatment shall be encouraged to participate in either an educational program, a job training program or gainful employment as soon as appropriate but not later than 120 days from date of enrollment. In the case of patients enrolled in residential programs such patient shall be encouraged to enroll within 60 days after the date of admission. If, for any reason a patient is not encouraged to seek such participation, the reasons, shall be recorded in the patient's records. Although patients may refuse to participate in these programs, they should be encouraged to do so as a basic element of the treatment plan.

8:63-7.13 Patient follow-up

Each program shall establish a policy which will encourage a follow-up by maintaining contact with discharged patients.

8:63-7.14 Patient record system

Each program shall establish a patient record system to document and monitor patient care. This system shall comply with all Federal and State reporting requirements. All records

shall be kept confidential in accordance with part 1401 of Title 21.

(a)

8:63-7.15 Program hours

A reasonable effort must be made to adjust the hours for the operation of the program to meet the needs of the patient. For outpatient treatment programs, consideration should be given to the employment hours of patients and clinic operating hours should be scheduled at such times as will not conflict with patient's working schedules. Patients who are not employed or who are not attending school or training programs are expected to arrange their schedules in order to receive services at suitable times. Where necessary to accommodate the needs of patients, the program must recognize that the usual 9:00 A.M. to 5:00 P.M. workday shall not be rigidly adopted for outpatient treatment. In many clinics with large patient admissions, a 12 hour day of operations is frequently necessary. In any event, the following minimum hours of operation shall be maintained:

1. Outpatient methadone: Seven days per week as follows: Five days per week at eight hours per day (in all cases at least two hours must be outside the regular 9:00 A.M. to 5:00 P.M. day) and two days per week at four hours per day.

2. Residential methadone and residential drug free: Seven days per week at 24 hours per day.

3. Outpatient drug free: At least six days per week: Five days at eight hours per day (in all cases at least two hours must be outside of the 9:00 A.M. to 5:00 P.M. regular schedule) and one day at five hours.

4. Day care drug free: At least six days must be provided at ten hours per day.

5. Central intake unit: At least five days per week at eight hours per day must be provided.

8:63-7.16 Provision for meals

Residential methadone and residential drug free programs shall provide a minimum of three meals per day per patient. Day care drug free programs shall provide one meal per patient per day is expedient.

8:63-7.17 Compliance with all Federal and State regulations

All programs which use methadone for detoxification and maintenance treatment must comply with all of the regulations of the Food and Drug Administration as well as other applicable Federal and State regulations and directives.

THE COMMISSIONER

Proposed Revisions on Birth Certificates

Dr. Joanne E. Finley, Commissioner of Health, pursuant to authority of N.J.S.A. 26:1-1 et seq., proposes to revise a portion of N.J.A.C. 8:2-1.1, concerning birth certificates. The proposal concerns the deletion in their entirety of the current text of subsections (a), (b) and (c) and the adoption of new text therein.

Full text of the proposed new rules follows:

8:2-1.1(a)

1. A child born to a married woman is presumed to be the issue of her marriage, and such presumption may be upset only by an appropriate court order. Therefore, the original birth certificate of a child born to a married woman shall:

i. Contain in the confidential section of the certificate, a statement or checked block identifying such child as legitimate;

ii. Name the husband as being the child's father;

iii. Give such child the surname of the mother's husband or, at the request of both parents of the child, the maiden surname of the mother, a hyphenation of the surnames of both parents or any other surname which follows the custom of the country in which either parent was born. However, once the choice of surname has been made by the mother and her husband, such child's surname on its original certificate of birth may not be changed except by an appropriate court order or, if the original certificate was filed prior to the effective date of this policy, by filling a correction form signed under oath by both parents. In this latter instance, if one parent is dead and proof of such death is submitted and noted on the correction form, the form may be signed by the other parent. Once this option is exercised, no further correction of surname may be made except by order of an appropriate court.

2. In the event that a married mother refuses to supply her husband's first name, age and birthplace for the birth record, his surname shall be indicated on the appropriate space on the certificate, and dashes or the words "not available" shall be inserted as entries for his first name, age and birthplace.

3. Since a choice of the options for recording the surname of a child can result in such surname being different from that of its father, the agreement or difference of the two surnames is no longer an indication of legitimacy or illegitimacy. Therefore, without being in violation of N.J.S.A. 26:8-39, the State Registrar or a local registrar may issue a certified photocopy or typed copy showing parents' names to any applicant, provided the father was named and that the copy does not include any entry designating legitimacy or illegitimacy. However, the certified copy form or certification statement must have imprinted on it the notice "Any agreement of or difference between the child's surname and the surname of its father does not imply legitimacy or illegitimacy. This is merely a copy of the information supplied for preparation of the original birth certificate".

8:2-1.1(b) A child born to a mother stating, prior to the prep-

aration and signing of the original birth certificate, that she is single, divorced or widowed, may be given the surname of the natural father, whose name, age and birthplace may be indicated on the certificate, provided:

1. The legitimacy item in the confidential section of the certificate shall be marked "No".

2. The mother and father in the presence of the attending physician or a responsible employee of the hospital, make and sign such request on the reverse side of Part I (the original birth certificate) of the multicopy birth certificate form.

3. The mother and father are told by the physician or a responsible employee of the hospital before he or she signs as witness to the request, that the signed request is irrevocable and that the child's surname may not be changed back to the mother's legal surname at the time of the birth except by appropriate court order.

4. The notice required on certified copy forms and certification statements by Section 8:2-1.1(a) of this policy must also appear on copies of records filed as prescribed by this Section (N.J.A.C. 8:2-1.1(b)).

8:2-1.1(c) Additional rules are:

1. In any instance where the agreement and signed statement are not made before the original birth certificate is prepared, signed and filed with the local registrar, the child's surname shall be the legal surname (not necessarily the maiden name) of the mother. If, at any future time, the child's mother and father wish to correct the child's surname to that of its father and are not at the time married to each other, a special correction form to be signed under oath by both natural parents may be obtained from the State Registrar or any local registrar. The mother must submit to the registrar proof (copy of husband's death certificate or divorce decree) that the child was not the issue of her former marriage. The form shall become an integral part of the original birth certificate and shall be filed as a permanent record.

2. These procedures shall also govern the initial filing of a delayed report of birth or the correction of a previously filed delayed report of birth pursuant to N.J.S.A. 26:8-38.

3. These procedures shall be retroactive, thus giving any legitimate child and its natural parents its same rights as if the birth had occurred after the promulgation of this policy.

Interested persons may present statements or arguments in writing relevant to the proposed action on or before May 28, 1975, to:

Merton F. Saybolt
State Registrar
Vital Statistics and Registration
Health-Agriculture Building
John Fitch Plaza
Trenton, N.J. 08625

The Department of Health, upon its own motion or at the instance of any interested party, may thereafter adopt these revisions substantially as proposed without further notice.

v. An offer to answer any inquiries concerning the procedures; and

vi. An instruction that the individual is free to withhold or withdraw his or her consent to the procedure at any time prior to the sterilization without prejudicing his or her future care and without loss of other project or program benefits to which the patient might otherwise be entitled;

vii. The documentation referred to in this Section shall be provided by one of the following methods:

(1) Provisions of a written consent document detailing all of the basic elements of informed consent as stated above;

(2) Provision of a short form written consent document indicating that the basic elements of informed consent have been presented orally to the patient. The written summary shall be signed by the person obtaining

the consent and by the auditor-witness. The auditor-witness shall be designated by the patient;

(3) Each consent document shall display the following legend printed prominently at the top:

Notice: Your decision at any time not to be sterilized will not result in the withdrawal or withholding of any benefits provided by programs or projects.

(b) Payment will be made for sterilization services subject to the following limitations:

1. No nonemergency sterilization may be performed unless:

i. Such sterilization is performed pursuant to a voluntary request for such services made by the person on whom the sterilization is to be performed; and

2. Subluxations of the feet in which the normal relationship of the bones, tendons, ligaments and supporting muscles is disturbed and which, regardless of underlying etiology, require treatment by mechanical methods (for example, whirl-pool, paraffin baths, casting, strapping, splinting, padding, shortwave or low voltage currents, physical therapy, exercise manipulation, massage and the like).

i. Exceptions:

(1) Where treatment is an integral part of post fracture or post-operative treatment plan;

(2) Where the talo-crural joint is involved;

(3) Where there may be attachment of a supportive device to a brace or bar.

3. Routine foot care, routine hygienic care: [and other routine-type care.]

AFDC Foster Care Plan

On March 26, 1975, Ann Klein, Commissioner of Institutions and Agencies, pursuant to authority of N.J.S.A. 30:1-12

and in accordance with applicable provisions of the Administrative Procedure Act of 1968, adopted emergency rules concerning the AFDC foster care plan.

Full text of the adopted rules follows:

SUBCHAPTER 2. AFDC FOSTER CARE PLAN

10:122-2.1 Commitments

(a) The State agency commits itself to meet and fulfill the requirements of 45 CFR, Part 233.110 specifying State plan requirements for the provision of AFDC foster care under Title IV-A of the Social Security Act.

(b) The State agency commits itself to the integration of its program of family and child welfare services under Titles IV-A and IV-B of the Social Security Act with its program of AFDC foster care to provide a maximum utilization of service entitlements for children eligible to participate in both programs.

10:122-2.2 Plan amendments

The State Plan for AFDC foster care will be amended whenever necessary to reflect a material change in State law, organization, policy or agency operations, or Federal law or policy. Changes in the scope of services offered through the State's program of family and child welfare services to AFDC foster care children will be reflected in amendments to the "State Plan for Title IV-A and IV-B of the Social Security Act, Service Programs for Families and Children."

10:122-2.3 Organization and administration

As specified in the State Plan for Title IV-A and IV-B of the Social Security Act, Service Programs for Families and Children, there is established a single organizational unit, within the single State agency, at the State level and also at the local level to provide or supervise all services to families and children included in that plan. The single organizational unit is located within the Division of Youth and Family Services and has as its chief administrative officer the Director of the Division of Youth and Family Services who is responsible to the Commissioner of the Department of Institutions and Agencies. In addition to its responsibilities for setting service policies and for the maintenance of policy control for all parts of the family and child welfare service programs, the unit is responsible for the administration and supervision of the State's program of AFDC foster care.

(b) The Division of Youth and Family Services is the State operated family and child welfare service with supervisory responsibility over the provision of these same services through the county-administered social service delivery system. As such, the Division consists of 18 district offices, 21 county welfare boards, one special adoption unit, a number of group homes, residential facilities and day care centers. All care, custody, and guardianship cases in foster care are supervised by the district office component of the system.

10:122-2.4 Eligibility requirements for AFDC foster care

(a) The State agency will provide aid in the form of foster care for each otherwise eligible child:

1. Who was removed after April 30, 1961 from the home of a relative specified in the AFDC plan, as a result of a judicial determination that continuance in the home of the relative would be contrary to his welfare, for any reason, and who has been placed in foster care as a result of such determination; and

2. Who, in or for the month in which that court action was initiated, was receiving AFDC, or would have received AFDC

if application has been made; or

3. Who lived with a relative specified in the AFDC plan within six months prior to the month in which that court action was initiated, and who would have received AFDC in or for such month he had been living with (and removed from the home of) such relative and application had been made for him; and

4. Whose placement and care are the responsibility of the Division of Youth and Family Services.

(b) Children eligible for AFDC foster care will be so identified in their individual service plans (case records). A monthly compilation of children in the AFDC foster care program, in the form of a computer printout, will be maintained by the agency.

10:122-2.5 Placement and treatment of eligible children

(a) Consistent with Section 3.2 of the State Plan for Title IV-A and IV-B of the Social Security Act, Service Programs for Families and Children, a service plan will be developed and maintained on a continuous basis for each child requiring AFDC foster care services. Such a plan will be developed in cooperation with the family and will be responsive to the needs of each individual within the family, including the child requiring AFDC foster care.

(b) Service plans will, as a minimum, provide for

1. The placement of the child in a foster family home or child care institution, as appropriate to his needs;

2. The provision of services to improve the conditions in the home from which he was removed, to make possible his placement in the home of another relative under the State's AFDC plan or in an adoptive home, or to continue the child in foster care, as appropriate; and

3. A review of the need for continued care and services in such placement as the need of each case requires, but not less frequently than every six months.

(c) Consistent with Section 3.5, "Foster Care Services", of the State Plan for Title IV-A and IV-B of the Social Security Act, Service Programs for child and his or her family to work out his/her/their individual and collective problems so that the child can eventually be returned to his or her natural home, or be placed in the home of a relative, an adoptive home, or other placement, as appropriate. These services will be provided through existing family and child welfare service programs under Titles IV-A and IV-B of the Social Security Act. Maximum use will be made of such services provided by employees of the Division of Youth and Family Services. These services may be purchased when not directly available through the State or local agency or not otherwise available in the community without cost or when the particular needs of the child or a member of his family can best be met through a purchase arrangement.

(d) The placement of children eligible for AFDC foster care will be arranged after an assessment of each child's individual treatment needs. A number of substitute-care placement settings, offering differential degrees of treatment are used, including:

THE COMMISSIONER

Proposed Rule on New Jersey Property-Liability Insurance Guaranty Association Charge

James J. Sheeran, Commissioner of Insurance, pursuant to authority of N.J.S.A. 17:1-8.1, 17:1C-6(e), 17:29A-1 et seq. and Chapter 17, Laws of New Jersey 1974 as amended by Chapter 107 Laws of New Jersey 1975 proposes to adopt a new rule, N.J.A.C. 11:1-5.1, concerning a surcharge for insurance policies to which the New Jersey Property-Liability Insurance Guaranty Association applies, sufficient to recoup, over a reasonable length of time, sums equal to the amounts paid to the Association by the member insurers of the Guaranty Association.

SUBCHAPTER 5. NEW JERSEY PROPERTY-LIABILITY INSURANCE GUARANTY ASSOCIATION

11:1-5.1 New Jersey Property-Liability Insurance Guaranty Association charge

(a) Pursuant to the provisions of Section 16 of Chapter 17, New Jersey Laws of 1974 as amended by Chapter 107 New Jersey Laws of 1975, I hereby order that insurers add a surcharge of one-half of one per cent of direct net written premiums on all policies for all kinds of insurance except life insurance, accident and health insurance, workmen's compensation insurance, title insurance, annuities, surety bonds, ocean or wet marine insurance, inland marine and transportation insurance, subject to the following:

1. The surcharge shall apply to all new and renewal policies with an effective date on or after July 1, 1975.

2. The surcharge shall be identified to the insured as "Guarantee Fund" by either of the following two methods:

i. The surcharge is shown as a separate item on the bill in dollars and cents. The surcharge amount is not to be treated as premium for accounting purposes, but must be coded and reported in accordance with instructions issued by the statistical agents under the directive of the Commissioner of Insurance;

ii. The surcharge is added to the premium for each item of coverage and the total is treated as premium for accounting and reporting purposes. If this method is used, every billing to an insured must carry a notation calling attention to the inclusion of the surcharge of one-half of one per cent.

3. On policies not subjected to audit where the method in N.J.A.C. 11:1-5.1(a)2.i. is used, no additional surcharge shall be made for endorsements increasing the premium and no return shall be made for an endorsement decreasing the premium. Where the method in N.J.A.C. 11:1-5.1(a)2.ii. is used, and on all policies subject to audit, any change in premium by endorsement subsequent to the effective date shall reflect also an appropriate change in the surcharge. On flat cancellations, the entire surcharge must be returned regardless of procedure used.

4. Three-year policies with an effective date on or after July 1, 1975, shall be treated by the same procedure as set forth in this subsection. On three-year policies with effective dates prior to July 1, 1975, the surcharge shall be applied only if such

policies are subject to rerating after the effective date and only as of the effective date of such rerating.

5. The surcharge is not considered a taxable premium for the purpose of determining taxes under N.J.S.A. 54:18A-1 et seq.

6. All amounts collected under this surcharge as of September 30, 1975, shall be remitted to the Treasurer of the State of New Jersey not later than December 1, 1975; thereafter all surcharges collected as of December 31 and June 30 each year shall be remitted to the Treasurer of the State of New Jersey on or before March 1 and September 1 each year. Appropriate forms and directions for remittance will be supplied.

7. The surcharge established herewith will provide reimbursement to the companies for any assessments levied in accordance with Section 8 (3) of the Guarantee Fund Act. Consequently, such assessments should not be considered "obligations" within the context of retaliatory tax provisions.

Interested persons may present statements or arguments in writing relevant to the proposed action on or before May 30, 1975, to:

Philipp K. Stern, Actuary
Department of Insurance
201 East State Street
Trenton, New Jersey 08625

The Department of Insurance, upon its own motion or at the instance of any interested party, may thereafter adopt this rule substantially as proposed without further notice.

THE COMMISSIONER

Notice of Emergency Rules On Professional Liability Insurance for Hospitals

Take notice that James J. Sheeran, Commissioner of Insurance, has issued the following Notice concerning professional liability insurance for hospitals.

Full text of the issued Notice follows:

UPON FINDING

That hospitals and other health care facilities in recent months experienced difficulty in obtaining necessary Professional Liability Coverage from admitted insurers, and

That 29 New Jersey hospitals faced cancellation of their insurance coverage as of March 26, 1975, and

That a number of hospitals were compelled to seek coverage from nonadmitted insurers, and

That insurance obtained through the nonadmitted market involves substantial increases in premiums which are not warranted by available evidence, and

That insurance coverage from the nonadmitted market exposes hospitals not only to the financial burden of high premiums but also to the danger of lack of coverage on existing claims and loss of prepaid premiums in case of insolvency of such nonadmitted insurers, and

That these additional financial burdens on the hospitals increase the cost of medical services to the residents of New Jersey as well as the State's own budget, and

That these conditions constitute an imminent peril to the public health, safety and welfare.

I, James J. Sheeran, Commissioner of Insurance, pursuant to the authority vested in me by N.J.S.A. 17:1-8.1, 17:1C-6(e), 52:14B-4 and 17:22-6.43 propose to adopt and do hereby promulgate the following emergency rules effective immediately:

1. Exportable List - Surplus Lines

The following note is added to said Exportable List:

NOTE: Effective March 26, 1975, hospitals and physicians employed by hospitals are removed from the Exportable List last published February 7, 1974.

2. Filings of confirmation of insurance and affidavits of unsuccessful effort to procure insurance from authorized insurers, as required by N.J.S.A. 17:22-6.47 pertaining to the procurement of Professional Liability Insurance for hospitals and physicians employed by hospitals pertaining to policies written on or after March 26, 1975, must list, as insurers among those which decline to accept all or any part of the desired coverage, three companies from the companies that customarily provide Hospital Professional Liability Coverage in the State of New Jersey listed below, such three companies not to include the company or companies that last refused to renew an expiring Hospital Professional Liability Policy or cancelled such policy for the risk on whose behalf the affidavit is filed:

Argonaut Insurance Company
Aetna Life & Casualty
Chubb & Son, Inc.
General Accident Group
Hartford Insurance Company
Insurance Company of North America

DIVISION OF CONSUMER AFFAIRS

Proposed Rules on Sale of Animals

William F. Hyland, Attorney General of the State of New Jersey, pursuant to authority of N.J.S.A. 56:8-4, proposes to adopt new rules concerning the sale of animals.

Full text of the proposed rules follows:

SUBCHAPTER 12. SALE OF ANIMALS

13:45A-12.1 Definitions

The following words and terms, when used in this Subchapter, shall have the following meanings unless the context clearly indicates otherwise.

"Person" shall mean any person as defined by N.J.S.A. 56:8-1(d).

"Pet dealer" shall mean any person who in the ordinary course of business sells or offers for sale live animals to the public, including a pound, kennel or shelter which charges a mandatory fee or donation to a customer who obtains a pet therefrom.

"Consumer" shall mean any natural person purchasing an animal from a pet dealer for household pet or security purposes.

13:45A-12.2 General provisions

(a) It shall be an unlawful practice within the meaning of N.J.S.A. 56:8-2 for any pet dealer to sell a dog or cat within the State of New Jersey without providing the customer with a veterinary statement at the time at which delivery of the dog or cat is tendered or made to the consumer.

(b) The veterinary statement required by subsection (a) of this Section shall be completed and signed by a veterinarian licensed pursuant to N.J.S.A. 45:16-1 et seq. who has examined or vaccinated the dog or cat delivered to the consumer.

(c) The veterinary statement shall contain the following information for each dog or cat sold by a pet dealer to a consumer and a copy thereof shall be maintained by the pet dealer for a period of one year following the date of sale to the consumer;

1. The animal's breed, sex, age and color;
2. The name and address of the person or commercial entity from which the animal was obtained;
3. The date upon which the pet dealer took possession of the animal;
4. The date or dates upon which veterinary examinations of the animal were rendered.

(d) In addition to the information required by subsection (c) of this Section, the veterinary statement shall contain a certification that the dog or cat has been examined by the certifying veterinarian and that the animal is:

1. Free from any clinically observable illness or external animal infestation; and
 2. Free from any clinically observable congenital defects;
- or
3. That the animal possesses or may possess a specific illness, external animal infestation or congenital defect.

(e) In the event that the examining veterinarian concludes that the animal possesses or may possess a specific illness,

external animal infestation or congenital defect, the veterinary statement shall contain a specific designation of such illness, infestation or congenital defect.

(f) The veterinary statement shall also contain a statement that the animal has been vaccinated against the following diseases:

1. Distemper, hepatitis, leptospirosis when the animal is a dog;
2. Feline distemper when the animal is a cat.

(g) Said statement shall also contain a certification as to the type and quantity of the vaccine administered, the date upon which the vaccine was administered, and the name and signature of the veterinarian or other person administering the same. Nothing herein contained shall preclude a pet dealer or his designee from vaccinating a dog or cat against the above-stated diseases while such animal is owned by the pet dealer.

(h) In the event that a pet dealer fails to give a consumer a veterinary statement as required herein, said dealer shall be liable to a civil penalty of \$500.00 in an action brought pursuant to the New Jersey Consumer Fraud Act, N.J.S.A. 56:8-1 et seq. In addition to any civil penalty for which the pet dealer may be liable, the consumer shall be afforded the option of either returning the animal for a refund of the full purchase price paid, including sales tax, or ratifying the original sale conditioned upon the pet dealer's payment of veterinary fees for the examination and vaccinations as contemplated in subsections (d) through (g) of this Section. In the event that an animal is returned to a pet dealer pursuant to this Section, a new veterinary statement in conformity with this regulation shall be issued to a subsequent purchasing consumer.

(i) If within two weeks of the purchase of a dog or cat, a veterinarian of the consumer's choice examines the animal and finds it to possess an illness, animal infestation, congenital defect or any other veterinary problem which renders the animal unfit for purchase, the pet dealer shall afford the consumer the following options:

1. The right to return the animal and obtain a refund of the purchase price including sales tax plus the cost of veterinary examination fees;
2. The right to have the animal destroyed where destruction is declared necessary by a licensed veterinarian and obtain the costs of destruction and a refund of the purchase price including sales tax from the pet dealer;
3. The right to keep the animal and obtain a refund of the purchase price including sales tax from the pet dealer in an amount necessary to effect cure thereof, but not to exceed the purchase price therefor.

(j) The options required by subsection (i) of this Section need not be afforded unless the consumer advises the pet dealer in writing of the examining veterinarian's final conclusion and provides the dealer with a written statement from such veterinarian within two business days following receipt thereof by the consumer. A veterinary finding of intestinal parasites will not be grounds for affording the options required herein unless the animal is clinically ill due to such infection, nor shall such options be required where injuries are sustained by the animal subsequent to the consumer's taking possession thereof.

(k) It shall be an unlawful practice within the meaning of N.J.S.A. 56:8-2 for any pet dealer or any person to state, represent or promise that a dog or cat which is being sold is eligible for registration or registered with any animal pedigree registry organization unless the following requirements are met:

1. Upon taking possession of the animal, the consumer shall be given the documents necessary for proper registration or a statement written, signed and dated by the breeder thereof that the documents necessary for registration have been applied for and will be forwarded immediately upon receipt by the breeder to the pet dealer. The breeder's statement shall also contain the following information:

- i. The animal's breed, sex, color and birth date;
- ii. The names and registration numbers of the animal's sire and dam;
- iii. The litter number where available;
- iv. The breeder's name, address and telephone number.

2. If the pet dealer has not tendered the documents necessary for proper registration of the animal to the consumer within three months of the sale, then any time after three months but not later than the date when the papers are actually delivered to the consumer, the pet dealer must at the consumer's request, either:

- i. Refund the entire purchase price of the animal if the consumer returns the animal to the pet dealer; or
- ii. Refund one-half the purchase price of the animal if the consumer chooses to retain the animal.

(l) Every pet dealer subject to the provisions of this regulation shall conspicuously display on the premises where business is transacted with the consuming public a sign not smaller than 22 inches by 18 inches which legibly states in letters not less than one inch high the following:

THE SALE OF DOGS AND CATS IS SUBJECT TO

PUBLIC EMPLOYMENT RELATIONS COMMISSION

Rules of Practice Governing Application For Interim Relief in Unfair Practice Proceedings

On March 27, 1975, the Public Employment Relations Commission, pursuant to authority of N.J.S.A. 34:13A-5.2 and in accordance with applicable provisions of the Administrative Procedure Act of 1968, adopted procedural rules of practice governing the application for interim relief in unfair practice proceedings.

Full text of the adopted rules follows:

SUBCHAPTER 9. INTERIM RELIEF

19:14-9.1 Application by order to show cause

(a) Upon the filing of an unfair practice charge or during the pendency of an unfair practice proceeding, the charging party may apply to the Commission or its named designee for an order requiring the respondent to show cause why specified interim relief should not be granted pending the disposition of the unfair practice proceeding. The order to show cause shall not, however, include any temporary restraints against the respondent unless the respondent has either been given notice of the application and consents thereto or it appears from specific facts shown by affidavit or other verified pleading that immediate and irreparable damage will probably result to the charging party before notice can be served or informally given and a hearing had thereon. If the order to show cause includes temporary restraints and was issued without notice to the respondent, provision shall be made therein that the respondent shall have leave to move for the dissolution or modification of the restraints on two days' notice or on such other notice as the Commission or its named designee fixes in the order. The order may further provide for the continuation of the restraints until the further order of the Commission or its named designee. The order shall be returnable within such time as the Commission or its named designee fixes, unless within such time the Commission or its named designee on good cause shown extends the time.

(b) The charging party shall serve the order to show cause and any supporting affidavits upon the respondent at least ten days prior to the return date and in the manner prescribed by N.J.A.C. 19:17-1.3 (Service of pleading and other process; proof of service), unless the Commission or its named designee orders a shorter or longer time or other manner of service. If the order to show cause issues upon the filing of the unfair practice charge, a copy of such charge shall be served simultaneously with the order and supporting affidavits.

19:14-9.2 Briefs

(a) By no later than five days prior to the return date of the order to show cause, unless otherwise ordered by the Com-

mission or its named designee, the charging party shall file with the Commission or its named designee an original and four copies of his brief and appendix, together with proof of service of a copy thereof upon the respondent. The brief shall explain clearly the nature of the proceeding, the interim relief the charging party seeks and why he is entitled thereto. It may, for purposes of clarity, summarize the unfair practice charge, any other pleadings, and other undisputed papers or records which do not appear in the appendix.

(b) By no later than two days prior to such return date, unless otherwise ordered by the Commission or its named designee, the respondent shall file with the Commission or its named designee an original and four copies of his answering brief and appendix, together with proof of service of a copy thereof upon the charging party. The answering brief shall set forth with equal explicitness the grounds of opposition, annexing an appendix containing copies of any papers relied on which are not in the charging party's appendix. If no answering brief is filed the application may be considered to be unopposed.

19:14-9.3 Hearing on return date

A hearing shall be conducted on the return date of the order to show cause and on the return date of the respondent's motion to dissolve or modify the temporary restraints. The parties shall have the right to present oral argument, and oral testimony may be taken in the discretion of the hearer(s). The Commission shall conduct such hearings unless it shall have designated one of its members or officers to act on its behalf, in which case such designation shall be deemed to be a delegation to such designee of authority to render a final decision on behalf of the Commission.

19:14-9.4 Decision; enforcement

(a) A final decision in proceedings under this Subchapter shall be in writing and shall include findings of fact and conclusions of law. Any order granting an injunction and any restraining order shall set forth the reasons for its issuance; shall be specific in terms; shall describe in reasonable detail, and not by reference to the unfair practice charge or other pleading or document, the act or acts sought to be restrained; and shall apply to only such parties to the unfair practice proceeding and such of their officers, agents, employees and attorneys, and such persons in active concert or participation with them, as receive actual notice of the order by service in the manner prescribed by N.J.A.C. 19:17-1.3.

(b) Pursuant to N.J.S.A. 34:13A-5.4(f), the Commission shall have the power to apply to the Appellate Division of the Superior Court for an appropriate order enforcing any order of the Commission issued under this Subchapter.

19:14-9.5 Construction and relaxation

The rules in this Subchapter shall be construed to secure a just determination, simplicity in procedure, fairness in administration, the elimination of unjustifiable expense and delay, and the effectuation of the purposes of the Act. Any rule may be relaxed or dispensed with if strict adherence to it would result in an injustice or would not effectuate the purposes of the Act.

An order adopting these rules was filed and effective April 1, 1975, as R.1975 d.90 (Exempt, Procedure Rule).
