How to Reset a Samsung Galaxy Tab

Before returning your Mobile Device Discovery Kit, we request that you please reset the Samsung Galaxy Tab in order to wipe it clear of any data and settings that you have saved on the device. Instructions are below.

1. Tap **Apps** key (located at the top right of your screen).
2. Tap **Settings**.
3. Tap **Privacy**.
4. Tap **Factory Data Reset**.
5. Tap **Reset Tablet**.
6. Tap **Erase Everything**.

Thank you for your cooperation!
